Section 1 Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement

Senior Secured Credit Facility

Overview

On February 7, 2008, CV PropCo, LLC (the Borrower), a wholly-owned, indirect subsidiary of Station Casinos, Inc. (the Company), entered into a \$250 million senior secured credit agreement with the lenders party thereto, Deutsche Bank Trust Company Americas, as Administrative Agent, JPMorgan Chase Bank, N.A., as Syndication Agent, and Deutsche Bank Securities Inc. and J.P. Morgan Securities Inc., as Joint Lead Arrangers and Joint Book Running Manager (the Credit Agreement). At closing, \$200 million was drawn and the proceeds were used to fund a distribution to the Company, establish an interest reserve and pay transaction expenses. The Borrower has the option to request an additional \$50 million under the Credit Agreement to purchase certain real property.

Transfer of real property

In connection with the financing of the loan (the Loan) under the Credit Agreement, two of the Company's subsidiaries each transferred a land assemblage in the Las Vegas, Nevada metropolitan area and other related property (collectively, the Real Property), to a wholly-owned, direct subsidiary of the Company, which immediately prior to the closing of the Loan, transferred the Real Property to the Borrower.

Interest rate and fees

Interest on the Loan is equal to, at the Borrower's option, (i) LIBOR plus 3.5% per annum or (ii) the Base Rate (as defined in the Credit Agreement) plus 2.5% per annum.

Amortization

Principal amounts outstanding under the Loan are due and payable in full on February 7, 2011.

Prepayments

The Loan may be prepaid in whole or in part without premium or penalty, subject to customary administrative provisions.

Guaranty and security

FCP Holding, Inc., Fertitta Partners LLC and FCP VoteCo, LLC (the Guarantors) executed a guaranty with respect to certain recourse carve out obligations of the Borrower. In addition, the Guarantors and the Borrower executed an environmental indemnity of liabilities related to hazardous materials on the Real Property. The Borrower has also entered into a swap that fixed the LIBOR interest rate at 2.97%.

The Loan is secured by, among other things, the following:

- a perfected first priority fee deed of trust on the Real Property;

- a first priority blanket assignment of all of the Borrower's rights and interests under the leases and to the rents and profits payable to the Borrower as landlord/sublessor with respect to the Real Property;

- a first priority lien on all of the Borrower's rights and interests under the interest rate hedge contracts;

- a first priority and perfected security interest in all of the Borrower's bank accounts, including an interest reserve account for payment of debt service on the Loan and amounts due under the interest rate hedge contracts; and

- a first priority pledge of 100% of the equity interests in the Borrower.

Certain covenants and events of default

The Loan documents (the Loan Documents) contain a number of covenants that, among other things, restrict, subject to certain exceptions, the Borrower's ability to:

- incur additional indebtedness;
- create liens on assets;
- engage in mergers or consolidations;
- sell assets;
- pay dividends or make distributions;
- make investments, loans or advances;
- make certain acquisitions;
- engage in certain transactions with affiliates; and
- fundamentally change its business.

In addition, the Loan Documents require the Borrower to maintain a loan-to-value ratio of no more than 40% and also contain certain customary affirmative covenants and certain events of default.

The foregoing summary of the Credit Agreement, does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Credit Agreement, which is attached as Exhibit 4.1 and incorporated herein by reference.

Certain Relationships

The lenders and agents under the Credit Agreement, or their respective affiliates, have in the past engaged, and may in the future engage, in transactions with and perform services, including commercial banking, financial advisory and investment banking services, for the Company and its affiliates in the ordinary course of business for which they have received or will receive customary fees and expenses. In connection with the Company's merger with FCP Acquisition Sub completed on November 7, 2007 (the Merger), Deutsche Bank Securities, Inc. and J.P. Morgan Securities Inc. provided financial advisory services to, and received financial advisory fees from Fertitta Colony Partners LLC, Fertitta Partners LLC and their respective affiliates. Certain lenders and agents under the Credit Agreement, or their respective affiliates, were lenders and agents under a \$900 million senior secured credit facility consisting of a revolving credit facility and a term loan facility that the Company entered into on November 7, 2007. In addition, certain lenders under the Credit Agreement, or their affiliates, were lenders under the Company's prior credit facilities that were repaid in connection with the Merger and received their pro rata portion of such repayment.
