CORPORATE GOVERNANCE

## Edgar Filing: RETRACTABLE TECHNOLOGIES INC - Form DEF 14A

The Board of Directors has the responsibility for establishing corporate policies and for the overall performance of the Company, although it is not involved in day-to-day operations. Currently, a majority (four of seven) of the Directors serving on our Board of Directors are independent Directors as defined in the listing standards of The American Stock Exchange (the AMEX ). The Company's current independent Directors are Messrs. Marco Laterza, Marwan Saker, and Clarence Zierhut and Ms. Amy Mack. In determining whether the Directors were independent, the Company considered the following transactions:

Mr. Clarence Zierhut assisted the Company in the past, through Origin Design, in addressing design issues. Origin Design has been paid consulting fees which have never aggregated to \$60,000 per year.

Ms. Amy Mack's company was paid \$4,500 in 2007 for participation in a clinical trial.

The Board of Directors determined that their independence was not compromised by such transactions.

The Board of Directors meets quarterly throughout the year to review significant developments affecting the Company and to act upon matters requiring its approval. It also holds special meetings as required from time to time when important matters arise requiring Board action between scheduled meetings. During the last fiscal year, the Board of Directors met eight times. Mr. Marwan Saker attended fewer than 75 percent of the aggregate of meetings of the Board of Directors and the Committees on which he served in 2007. The Board of Directors has established standing Audit, Compensation and Benefits, Nominating, and Executive Committees to devote attention

to specific subjects and to assist it in the discharge of its responsibilities. A description of the committees and their functions, their current members, and the number of meetings held by them during the last fiscal year are described below.

**Audit Committee**

We have a separately designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee represents and assists the Board of Directors in discharging its responsibilities relating to the accounting, reporting, and financial practices and legal compliance of the Company. The Audit Committee has general responsibility for oversight of the accounting and financial processes of the Company, including oversight of: (1) the integrity of the Company's financial statements and its financial reporting and disclosure practices, (2) the Company's compliance with legal and regulatory requirements, and (3) the qualification and independence of the Company's independent accountants and the performance of the audit of the Company's financial statements by the independent accountants. The Audit Committee also provides an open avenue of communication among the independent accountants, financial and senior management, and the Board of Directors. The Audit Committee met a total of eight times in 2007. Our written Audit Committee Charter is available on our website, [www.vanishpoint.com](http://www.vanishpoint.com). The members of the Audit Committee are independent as defined by the listing standards of the AMEX. The Audit Committee consists of Messrs. Marco Laterza, Marwan Saker, and Clarence Zierhut. Mr. Marco Laterza currently serves as its designated Audit Committee Financial Expert.

*Audit Committee Report*

The Audit Committee has reviewed and discussed the audited financial statements with Management. The Audit Committee has discussed with the independent accountant, CF & Co., L.L.P. (CF & Co.), the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee has received the written disclosures and the letter from CF & Co. required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*), as adopted by the Public Company Accounting Oversight Board in Rule 3600T and has discussed with the independent accountant the independent accountant's independence. Based on the review and discussions with CF & Co., the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's annual report on Form 10-K for the year ended 2007 for filing with the Commission.

**Compensation and Benefits Committee**

The Compensation and Benefits Committee discharges the Board of Directors' responsibilities relating to the compensation of our executive officers and Directors, prepares reports on compensation, as requested, and administers our equity and other incentive compensation plans. The scope of authority includes discharging the Board of Directors' responsibilities relating to the compensation of our executive officers and Directors, preparing any necessary compensation reports, and administering our equity and other incentive plans. The committee's authority may

not be delegated except back to the full Board of Directors. In the past, Company's counsel has retained Trinity Executive Recruiters, Inc. to assist the committee in providing benchmarks for compensation of executive officers by similarly sized companies in similar industries. However, the Company is not required to retain such consultants and such consultants are not retained on an ongoing basis.

The Compensation and Benefits Committee met one time during 2007. The Compensation and Benefits Committee currently consists of Messrs. Marco Laterza and Clarence Zierhut and Ms. Amy Mack. The recently amended charter is available on our website, [www.vanishpoint.com](http://www.vanishpoint.com), and attached hereto as Appendix A. All members of our Compensation and Benefits Committee are independent as defined by the AMEX listing standards.

**Nominating Committee**

The Nominating Committee assists the Board of Directors by identifying qualified candidates for Director positions, recommending Director nominees for the annual meetings, recommending candidates for election by the Board of Directors to fill vacancies on the Board and recommending Director nominees for Committee vacancies. The Nominating Committee met one time in 2007. The Nominating Committee consists of Messrs. Marwan Saker, Marco Laterza and Clarence Zierhut. The charter of the Nominating Committee is available at our website, [www.vanishpoint.com](http://www.vanishpoint.com). All members of our Nominating Committee are independent as defined by the AMEX's listing standards.

*Director Nomination Policies*

As set forth in Section (C)(5) of our Nominating Committee Charter, it is the policy of the Nominating Committee to consider all bona fide candidates recommended by shareholders for nomination for election to the Board. The Committee considers such candidates using the same screening criteria as are applied to all other potential nominees for election, provided that the shareholder nominations are submitted in a timely and complete manner.

Nominees properly submitted by any shareholder will be considered for recommendation by the Nominating Committee to the Board of Directors and for recommendation by the Board to the shareholders in our Proxy Statement. The procedure to be followed by shareholders in submitting such recommendations for the next Annual Meeting is set forth in detail herein in the Section entitled **DIRECTOR NOMINATIONS TO BE CONSIDERED BY THE BOARD IN 2009**.

We establish, through our Nominating Committee, selection criterion that identifies desirable skills and experience for prospective Board members, including those properly nominated by shareholders, and addresses the issues of diversity and background. The Board, with the assistance of the Nominating Committee, selects potential new Board members using the criteria and priorities established from time to time based upon the needs of the Company. The composition, skills, and needs of the Board change over time and will be considered in establishing the desirable profile of candidates for any specific opening on the Board of Directors.

Pursuant to Section (C) of the Nominating Committee Charter, at a minimum, recommended nominees by the Nominating Committee for service on the Board must be well regarded and experienced participants in their field(s) of specialty, familiar at the time of their appointment with our business, willing to devote the time and attention necessary to deepen and refine their understanding of the Company and the issues facing it, and must have an understanding of the demands and responsibilities of service on a public company board of directors. The Nominating Committee will also consider such qualities as independence from the Company. Each nominee will be considered both on his or her individual merits and in relation to existing or other potential members of the Board, with a view to establishing a well-rounded, diverse, knowledgeable, and experienced Board.

The Nominating Committee considers nominees recommended by Board members, Management, and the shareholders. It is further empowered, when necessary in its judgment, to retain and compensate third party search firms to assist in identifying or evaluating potential nominees.

The Class 2 Director nominees were recommended by the Nominating Committee and unanimously approved by the Board of Directors.

**Executive Committee**

The Executive Committee possesses and may exercise all the powers and authority of the Board of Directors in the control and management of the business and affairs of the Company during intervals between regular meetings of the Board of Directors. The Executive Committee has never met. The Executive Committee consists of Messrs. Thomas J. Shaw and Steven R. Wisner.

**Communications with the Board of Directors**

The Board of Directors has established a Disclosure Representative Policy and a standing Disclosure Representative position. It is our policy that the Disclosure Representative serve as the primary contact for shareholders and others desiring to communicate directly with the Board of Directors. It is further our policy that all communications addressed to the Board of Directors or the Disclosure Representative are sent to all Board members. **PROPOSAL NO. 2**

**APPROVAL OF THE 2008 STOCK OPTION PLAN**

On July 25, 2008, the Board of Directors adopted the 2008 Stock Option Plan (the Plan). The shareholders must approve the Plan within 12 months in order to qualify certain options under the Plan as potential Incentive Stock Options (ISOs). The Plan, if approved, will provide for the granting of ISOs and Non-Qualified Stock Options (NQSOs), as defined in the Plan and collectively referred to in this section as Stock Options. The purpose of the Plan will be to encourage stock ownership by the Company's employees, to provide an incentive for such employees to

## Edgar Filing: RETRACTABLE TECHNOLOGIES INC - Form DEF 14A

expand and improve the profits of the Company, and to assist the Company in attracting and retaining key personnel and relationships through the grant of Stock Options to purchase shares of Common Stock. The following description is intended to be a summary of the Plan's principal terms and is qualified in its entirety to the complete text provided as Appendix B attached hereto.

### DESCRIPTION OF THE PROPOSED PLAN AND OPTIONS TO BE ISSUED THEREUNDER

#### **General**

The Plan authorizes the Company to grant ISOs to employees of the Company and NQSOs to employees, independent contractors, and non-employee Directors. There are currently 142 employees, four non-employee Directors, and five consultants that are eligible for Awards under the Plan. The Plan will be administered by the Compensation and Benefits Committee (the Committee), or, if the Board decides otherwise on occasion, by the Board (such body referred to herein as Administrator). The interpretation and construction of a provision of the Plan by the Committee shall be final unless otherwise determined by the Board of Directors. The Company has reserved a maximum of 3,000,000 shares of Common Stock to be available for issuance pursuant to Stock Options granted under the Plan, subject to adjustment to reflect a subdivision or consolidation of shares or any other capital adjustment, payment of a stock dividend, or other increase or decrease in such shares effected without consideration.

Table of Contents

In addition, the Plan does not limit the aggregate number of Awards that may be granted except that the number of shares reserved for issuance under the Plan cannot exceed 3,000,000 shares.

**Awards**

Under the Plan, the Administrator has wide discretion and flexibility, enabling it to administer the Plan in the manner it determines to be in the best interest of the Company. Thus, Awards may be granted in various combinations and sequences and may be subject to various conditions, restrictions, and limitations at grant or upon exercise or payment not inconsistent with the terms of the Plan. The Administrator's determinations with respect to which employees will receive Awards, and the form, amount and frequency, and the terms and conditions thereof, need not be uniform as to similarly situated persons. The designation of an employee to receive one form of an Award under the Plan does not require the Administrator to designate or entitle such employee to receive any other form of Award.

All Stock Options must expire no later than ten years from the date of grant.

**New Plan Benefits**

The benefits and amounts that will be received by or allocated to various persons are not determinable at this time, nor would they have been determinable if the Plan were in effect last year. Such benefits are determined at the time of grant by the Administrator. The Stock Options will be exercisable at such times and subject to such terms and conditions set forth in the agreement for each Stock Option.

**ISO Requirements**

The Company's Common Stock is listed on the AMEX. All ISOs granted are subject to the condition that the aggregate fair market value (determined at the time of the grant) of the Common Stock with respect to which ISOs are exercisable for the first time by any employee during any calendar year shall not exceed One Hundred Thousand Dollars (\$100,000), or other such amount as may be hereafter set by amendments to the Internal Revenue Code of 1986, as amended (the Code). All ISOs held by a 10 percent shareholder must expire no later than five years from the date of grant.

Generally, ISOs will terminate three months after termination of employment without cause and automatically upon termination for cause. However, a longer period is provided in the case of death or permanent disability. In such cases, ISOs expire after one year following the termination of employment. Any ISOs not then exercisable shall be forfeited upon death or permanent disability.

## Edgar Filing: RETRACTABLE TECHNOLOGIES INC - Form DEF 14A

The option price for any ISO will be at least 100 percent of the fair market value of the Company's Common Stock as of the date of grant. However, in the event the participant is a 10 percent shareholder, the price of the ISO will be at least 110 percent of the fair market value of the Common Stock as of the date of grant.

The Plan limits the number of ISOs that can be issued to employees. Other than limiting Awards to employees, there are no restrictions on the number of officers or other employees eligible to receive Awards or the Awards that may be granted to one person.

### **NQSO Requirements**

The holder of an NQSO must, prior to issuance of Documents Indicating Ownership, remit to the Company the amount, if any, of employment taxes required to be withheld upon exercise of the NQSO.

Generally, NQSOs will terminate automatically upon termination of the participant's relationship with the Company for cause and after one year following termination of the participant's relationship with the Company due to death or disability. Any NQSOs not then exercisable are forfeited upon permanent disability or death. NQSOs that are vested at a termination of relationship without cause will continue until expiration of their original term.

Table of Contents

The option price for an NQSO will be at least 100 percent of the fair market value of the Common Stock of the Company on the date of the grant.

**Effect of Extraordinary Corporate Transactions on Options**

In the event the Company shall be the surviving corporation in any merger or consolidation, any Stock Option shall pertain, apply, and relate to the securities to which a holder of the number of shares of Stock subject to the Stock Option would have been entitled after the merger or consolidation. In the event of: 1) dissolution or liquidation of the Company, 2) a merger or consolidation in which the Company is not the surviving corporation (other than a merger or consolidation with a wholly-owned subsidiary, a reincorporation of the Company in a different jurisdiction, or other transaction in which there is no substantial change in the stockholders of the Company or their relative stock holdings and the Stock Options granted under this Plan are assumed, converted or replaced by the successor corporation, which assumption, conversion or replacement will be binding on all optionees), 3) a merger or consolidation in which the Company is the surviving corporation but after which the stockholders of the Company (other than any stockholder which merges [or which owns or controls another corporation which merges] with the Company in such merger) cease to own their shares or other equity interests in the Company, 4) the sale of substantially all of the assets of the Company, or 5) the acquisition, sale or transfer of more than 50 percent of the outstanding shares of Common Stock of the Company by tender offer or similar transaction (otherwise than by will or by the laws of descent and distribution), all Stock Options outstanding under this Plan shall terminate after a period of three months from the completion of such trigger event; provided, however, that each Participant (and each other person entitled to exercise a Stock Option) shall have the right, immediately upon announcement of such event to exercise such Participant's Stock Options in whole or in part, for a period of three months from the completion of such trigger event but only to the extent that such Stock Options are otherwise exercisable under the terms of this Plan.

**Transferability of Options**

The Stock Options are not transferable except by will or the laws of descent and distribution.

**FEDERAL INCOME TAX CONSEQUENCES**

**ANY TAX ADVICE CONTAINED HEREIN AND IN ANY ATTACHMENTS HERETO WAS NOT INTENDED OR WRITTEN TO BE USED AND CANNOT BE USED BY ANY TAXPAYER FOR THE PURPOSE OF (1) AVOIDING PENALTIES THAT MAY BE IMPOSED ON THE RECIPIENT OR ANY TAXPAYER OR (2) PROMOTING, RECOMMENDING OR MARKETING TO ANOTHER PARTY ANY TRANSACTION OR MATTER DISCUSSED HEREIN. THIS ADVICE WAS WRITTEN TO SUPPORT THE PROMOTION OR MARKETING OF THE TRANSACTIONS OR MATTERS ADDRESSED BY THE WRITTEN ADVICE. THE TAXPAYER SHOULD SEEK ADVICE BASED ON THE TAXPAYER'S PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISOR.**

The following is a brief summary of the Company's understanding of the principal anticipated federal income tax consequences of Awards made under the Plan based upon the applicable provisions of the Code in effect on the date hereof. This summary is not intended to be exhaustive and

does not describe foreign, state, or local tax consequences.

**ISOs Generally**

Generally, an option holder will not realize taxable income at the time an ISO is granted or exercised. However, exercise of an ISO may cause the option holder to incur alternative minimum tax liability even if he has no taxable income from the exercise under general income tax principles. Company Common Stock is issued to an option holder pursuant to the exercise of an ISO, and if no disqualifying disposition of the shares is made by the option holder within two years of the date of grant or within one year after exercise of the option, then: (a) any gain upon the subsequent sale of the shares will be taxed to the option holder as a capital gain, and any loss sustained will be a capital loss, and (b) no deduction will be allowed to the Company for federal income tax purposes. The spread between the ISO price and the fair market value of the shares at the time of exercise is a preference item for purposes of the alternative minimum tax.

If an option holder disposes of shares acquired upon the exercise of an ISO before the expiration of the holding periods described above, then generally: (a) the option holder will be taxed as if he had received compensation income in the year of disposition in an amount equal to the excess, if any, of the fair market value of the shares on the exercise date (or, if less, the amount realized on value of the shares on the disposition of the shares) over the option price paid for such shares, and (b) the Company will generally be entitled to a corresponding deduction in that year. Any further gain or loss realized by the option holder will be taxed as short-term or long-term capital gain or loss, as the case may be, and will not result in any deduction by the Company.

Subject to the disqualifying distribution rules described above, stock acquired through exercise of an ISO must be held for more than 12 months to obtain long-term capital gains treatment.

All stock acquired pursuant to the exercise of an ISO is subject to the holding period rules and disqualifying disposition rules described above. Pursuant to the Plan, an ISO can only be exercised by payment of the consideration in cash.

To the extent that the aggregate fair market value of the Company's Common Stock (determined as of the date of grant) with respect to which ISOs are exercisable for the first time by an option holder during any calendar year (under all Company plans) exceeds \$100,000, those options will not be considered ISOs.

**NQSOs Generally**

An option holder will generally not recognize taxable income at the time an NQSO is granted, but taxable income will be realized, and the Company will generally be entitled to a deduction, at the time of exercise of the NQSO. The amount of income and the Company's deduction will be equal to the difference between the fair market value of the shares on the date of exercise and the NQSO exercise price. The income realized will be taxed to the option holder at the ordinary income tax rates for federal income tax purposes. Withholding is required upon exercise of an NQSO. On subsequent disposition of the shares acquired upon exercise of an NQSO, capital gain or loss as determined under the normal capital asset holding period rules will be realized in the amount of the difference between the proceeds of sale and the fair market value of the shares on the date of exercise.

Under the Plan, an option holder must pay the Company, no later than the date on which an amount first becomes includable in the participant's gross income for federal income tax purposes with respect to an Award, any employment taxes required to be withheld with respect to such amount. Withholding must be paid via cashier's check.

**AMENDMENTS WITHOUT SHAREHOLDER VOTE**

## Edgar Filing: RETRACTABLE TECHNOLOGIES INC - Form DEF 14A

The Plan may be amended by the Committee or discontinued by the Board of Directors provided that there may be no amendment or discontinuation without the approval of the stockholders which would: (a) except as expressly provided in the Plan, increase the total number of shares reserved for the purposes of the Plan, (b) decrease the option price of an ISO to less than the amounts provided for in the Plan, or (c) extend the duration of the Plan. Except as provided in Section 11 of the Plan (which addresses changes in options due to changes in the number of outstanding shares and/or the occurrence of liquidation, merger, sale of substantially all of the assets, or transfer of at least 50 percent of the outstanding Common Stock), no amendment, alteration, or discontinuation may impair the

rights of an option holder without his consent. However, if the Administrator determines that the application of an accounting standard of an organization that reviews public company accounting disclosures concerning the treatment of stock options would have a significant adverse effect on the financial statements because of then outstanding stock options, then the Administrator may, in its absolute discretion, cancel and revoke all such Stock Options and the holders of such Stock Options will have no further rights relating to them.

CONSIDERATION RECEIVED BY COMPANY

We will not receive cash consideration for the granting of Stock Options. The Stock Option price and any other amounts payable shall be paid in full by the option holder to the Company at the time the Stock Option is exercised.

RECENT MARKET VALUE OF UNDERLYING SHARES

The market value of the Common Stock underlying the options as of July 28, 2008, was \$1.22 per share.

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE 2008 STOCK OPTION PLAN.**

**PROPOSAL NO. 3**

**APPROVAL OF THE OPTION EXCHANGE PLAN**

**INTRODUCTION**

## Edgar Filing: RETRACTABLE TECHNOLOGIES INC - Form DEF 14A

We are seeking stockholder approval of an Option Exchange Plan (defined below) that would allow us to cancel out-of-the-money stock options currently held by some of our employees and Directors in exchange for the issuance of a lesser amount of stock options with lower exercise prices. We are proposing this plan because we believe that, by undertaking this exchange, we will more cost-effectively provide retention and incentive tools to our key contributors rather than simply issuing incremental equity or paying additional cash compensation. Assuming full participation, the Option Exchange Plan would result in a net reduction of options for the purchase of approximately 969,000 shares.

### **OVERVIEW**

## Edgar Filing: RETRACTABLE TECHNOLOGIES INC - Form DEF 14A

On July 25, 2008, the Compensation and Benefits Committee recommended to our Board of Directors, and our Board of Directors subsequently authorized, a one-time Option Exchange Plan (the "Option Exchange Plan"), subject to stockholder approval. Under the proposed Option Exchange Plan, eligible employees, including executive officers, and members of our Board of Directors would be able to elect to exchange outstanding eligible options to purchase shares of our Common Stock for new stock options with lower exercise prices but covering fewer shares (the "New Options").

The opportunity to participate in the option exchange will be offered to all of our current employees and members of our Board of Directors who hold options that were granted under our 1999 Stock Option Plan (the "1999 Plan") or who have outstanding options granted for consulting services (collectively referred to as the "Eligible Participants"). Options surrendered for exchange under the Option Exchange Plan will, upon the closing of the exchange offer, be exchanged for New Options granted pursuant to our 2008 Stock Option Plan, assuming Proposal Number 2 is approved. If that proposal fails, then the New Options will be granted under the 1999 Plan.

Under the proposed Option Exchange Plan, our executives and Directors will be allowed to participate. Collectively, these executives and Directors hold options for the purchase of 832,400 shares of Common Stock out of the total 1,937,945 that are subject to purchase by exercise of existing options and which are eligible for surrender in the Option Exchange Plan.

Under the proposed Option Exchange Plan, each New Option will have: (1) an exercise price per share equal to an amount no lower than the fair market value upon the date of grant and no higher than twice the fair

Table of Contents

market value on the date of grant, (2) a new expiration date ending 10 years from the date of grant and (3) a minimum vesting period of one year (if the option holder is an employee) or immediate vesting if the option holder is a non-employee Director. The ratio of shares underlying exchanged options to shares underlying New Options is two to one so that, if an option holder were to surrender an option for the purchase of 10,000 shares, he will receive a New Option for 5,000 shares.

We believe that, if approved by the stockholders, the Option Exchange Plan will permit us to:

- Enhance long-term stockholder value by restoring competitive incentives to the employees and Directors as exercise prices significantly in excess of market price undermine the effectiveness of options as employee performance and retention incentives;
- Encourage ownership of our Common Stock by our employees and Directors; and
- Reduce potential overhang, which is the number of shares issuable upon the vesting and exercise of outstanding stock options, by reducing the total number of shares underlying outstanding stock options.

If this proposal is approved, our Board of Directors intends to initiate the Option Exchange Plan promptly following the annual meeting.

**REASONS FOR THE OPTION EXCHANGE PLAN**

Many of our employees now hold stock options with exercise prices significantly higher than the current market price of our Common Stock. For example, on July 28, 2008, the closing price of our Common Stock on the AMEX was \$1.22 per share and the weighted average exercise price of Eligible Options was \$8.78. Consequently, as of July 28, 2008, approximately 1,938,000 shares of outstanding stock options held by Eligible Participants were underwater, meaning that the exercise price of each outstanding stock option was less than the market price for our Common Stock. Although we continue to believe that stock options are an important component of our employees' total compensation, many of our employees view their existing options as having little or no value due to the difference between the exercise prices and the current market price of our Common Stock. As a result, for many employees, these options are ineffective at providing the incentives and retention value that our Board of Directors believes are necessary to motivate our management and our employees.

In addition to providing key incentives to our employees and Directors, the Option Exchange Plan is also designed to benefit our stockholders by reducing the potential dilution from stock option exercises in the future and by providing us better retention tools for our key contributors due to the extended vesting terms for the New Options. We estimate a reduction in our overhang of outstanding stock options of approximately 969,000 shares, assuming full participation in the Option Exchange Plan. The actual reduction in our overhang that could result from the Option Exchange Plan could vary significantly and is dependent upon the actual level of participation in the Option Exchange Plan.

#### **DESCRIPTION OF THE OPTION EXCHANGE PLAN**

**Implementing the Option Exchange Plan**

If the Option Exchange Plan is approved by the stockholders, it is the Board of Directors' intent that Eligible Participants will be offered the opportunity to participate in the program under a tender offer (an Offer to Exchange) filed with the Securities and Exchange Commission (the SEC) beginning promptly upon conclusion of the annual meeting. From the time the Offer to Exchange commences, the Eligible Participants will be given at least 20 business days to make an election to surrender for cancellation all of their Eligible Options in exchange for New Options. The New Options will be issued promptly following the closing of the Offer to Exchange, which offering we expect will begin on or about October 1, 2008. Even if the Option Exchange Plan is approved by our stockholders, our Board of Directors will retain the authority, in its sole discretion, to

Table of Contents

terminate or postpone the program, at any time prior to the closing of the Offer to Exchange or to exclude certain eligible options or Eligible Participants from participating in the Option Exchange Plan due to tax, regulatory or accounting reasons or because participation would be inadvisable or impractical. Stockholder approval of the Option Exchange Plan applies only to this exchange program. If we were to implement a stock option exchange program in the future, we would once again need to seek stockholder approval.

**Outstanding Options Eligible for the Option Exchange Plan**

All options held by current employees and Directors that were issued under the 1999 Stock Option Plan or that were granted for consulting services are eligible for participation in the exchange.

**Eligibility of Participants**

The Option Exchange Plan will be open to all of our employees, including our executive officers, and our non-employee Directors. To be eligible, an employee must be employed by us and a Director must be serving on our Board of Directors at the time the Offer to Exchange commences. Additionally, in order to receive the New Options, an Eligible Participant who surrenders his or her Eligible Options for exchange must be an employee or serving on our Board of Directors on the date the New Options are granted. As of July 28, 2008, approximately 104 employees and two non-employee Directors held Eligible Options.

**Exchange Ratio**

The offering will be made on a two for one basis. Accordingly, if an Eligible Participant surrenders an option for the purchase of 10,000 shares, he will receive a New Option for the purchase of 5,000 shares of Common Stock.

**All or None Basis**

Eligible Participants desiring to participate in the exchange must agree to tender all of their outstanding options. No partial tenders will be accepted.

**Election to Participate Is Voluntary**

Participation in the Option Exchange Plan will be voluntary. Eligible Participants will be permitted to exchange all or none of their Eligible Options for New Options.

**Exercise Price of New Options**

All New Options will be granted with an exercise price equal to an amount no lower than the fair market value on the date of grant and no higher than twice the fair market value on the date of grant.

**Vesting of New Options**

*Employees*

The New Options granted to employees, including employee Directors, shall contain a minimum of a one-year vesting requirement.

*Non-Employee Directors*

New Options granted to non-employee Directors shall vest immediately.

**Term of the New Options**

The New Options will have a ten year termination date which means that the options will terminate ten years from the date of grant.

Table of Contents

**Other Terms and Conditions of the New Options**

The other terms and conditions of the New Options will be set forth in an option agreement to be entered into as of the New Option grant date. Any additional terms and conditions will be comparable to the other terms and conditions of the Eligible Options (which were issued under the 1999 Stock Option Plan or under similar terms) except that the New Options will also allow for additional accelerated vesting in the event of the sale of substantially all of the assets of the Company and in the event of the transfer of at least 50 percent of the outstanding Common Stock of the Company (in addition to an event of dissolution, liquidation, and merger in which the Company does not survive).

All New Options will be granted under our 2008 Stock Option Plan, assuming that Proposal No. 2 is approved or the 1999 Stock Option Plan, if Proposal No. 2 is not approved. The exercise of such options will be registered in an amended Form S-8 filing to be made no later than November 30, 2008.

**Accounting Treatment**

We have adopted the provisions of Financial Accounting Standards Board Statement of Financial Accounting Standards No. 123 (Revised), or FAS 123(R), regarding accounting for share-based payments. Under FAS 123(R), we will recognize the incremental compensation cost of the stock options granted in the Option Exchange Plan. The incremental compensation cost will be measured as the excess, if any, of the fair value of each New Option granted to employees in exchange for surrendered Eligible Options, measured as of the date the New Options are granted, over the fair value of the Eligible Options surrendered in exchange for the New Options, measured immediately prior to the cancellation. This incremental compensation cost will be recognized ratably over the vesting period of the New Options. As would be the case with to be surrendered options, in the event that any of the New Options are forfeited prior to their vesting due to termination of service, the compensation cost for the forfeited New Options will not be recognized.

**U.S. Federal Income Tax Consequences**

**ANY TAX ADVICE CONTAINED HEREIN AND IN ANY ATTACHMENTS HERETO WAS NOT INTENDED OR WRITTEN TO BE USED AND CANNOT BE USED BY ANY TAXPAYER FOR THE PURPOSE OF (1) AVOIDING PENALTIES THAT MAY BE IMPOSED ON THE RECIPIENT OR ANY TAXPAYER OR (2) PROMOTING, RECOMMENDING OR MARKETING TO ANOTHER PARTY ANY TRANSACTION OR MATTER DISCUSSED HEREIN. THIS ADVICE WAS WRITTEN TO SUPPORT THE PROMOTION OR MARKETING OF THE TRANSACTIONS OR MATTERS ADDRESSED BY THE WRITTEN ADVICE. THE TAXPAYER SHOULD SEEK ADVICE BASED ON THE TAXPAYER'S PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISOR.**

The following is a summary of the anticipated material U.S. federal income tax consequences of participating in the Option Exchange Plan. A more detailed summary of the applicable tax considerations to participants will be provided in the Offer to Exchange. The tax consequences of the Option Exchange Plan are not entirely certain, however, and the Internal Revenue Service is not precluded from adopting a contrary position, and the law and regulations themselves are subject to change. We believe the exchange of eligible options for New Options pursuant to the Option Exchange Plan should be treated as a non-taxable exchange, and no income should be recognized for U.S. federal income tax purposes by us or our employees upon the grant of the New Options.

*Incentive Stock Options*

Many of the New Options granted to employees shall be incentive stock options ( ISOs ). The issuance of New Options in exchange for old options is treated as the grant of a new option.

Table of Contents

Generally, an option holder will not realize taxable income at the time an ISO is granted or exercised. However, exercise of an ISO may cause the option holder to incur alternative minimum tax liability even if he has no taxable income from the exercise under general income tax principles. Company Common Stock is issued to an option holder pursuant to the exercise of an ISO, and if no disqualifying disposition of the shares is made by the option holder within two years of the date of grant or within one year after exercise of the option, then: (a) any gain upon the subsequent sale of the shares will be taxed to the option holder as a capital gain, and any loss sustained will be a capital loss, and (b) no deduction will be allowed to the Company for federal income tax purposes. The spread between the ISO price and the fair market value of the shares at the time of exercise is a preference item for purposes of the alternative minimum tax. The issuance of New Options in exchange for old options begins these holding periods again.

If an option holder disposes of shares acquired upon the exercise of an ISO before the expiration of the holding periods described above, then generally: (a) the option holder will be taxed as if he had received compensation income in the year of disposition in an amount equal to the excess, if any, of the fair market value of the shares on the exercise date (or, if less, the amount realized on value of the shares on the disposition of the shares) over the option price paid for such shares, and (b) the Company will generally be entitled to a corresponding deduction in that year. Any further gain or loss realized by the option holder will be taxed as short-term or long-term capital gain or loss, as the case may be, and will not result in any deduction by the Company.

Subject to the disqualifying distribution rules described above, stock acquired through exercise of an ISO must be held for more than 12 months to obtain long-term capital gains treatment.

All stock acquired pursuant to the exercise of an ISO is subject to the holding period rules and disqualifying disposition rules described above. Pursuant to the Plan, an ISO can only be exercised by payment of the consideration in cash.

To the extent that the aggregate fair market value of the Company's Common Stock (determined as of the date of grant) with respect to which ISOs are exercisable for the first time by an option holder during any calendar year (under all Company plans) exceeds \$100,000, those options will not be considered ISOs.

*Non-Qualified Stock Options*

New Options granted to non-employee Directors and some New Options granted to certain employees will be non-qualified stock options ( NQSOs ). An option holder will generally not recognize taxable income at the time an NQSO is granted, but taxable income will be realized, and the Company will generally be entitled to a deduction, at the time of exercise of the NQSO. The amount of income and the Company's deduction will be equal to the difference between the fair market value of the shares on the date of exercise and the NQSO exercise price. The income realized will be taxed to the option holder at the ordinary income tax rates for federal income tax purposes. Withholding is required upon exercise of a NQSO. On subsequent disposition of the shares acquired upon exercise of an NQSO, capital gain or loss as determined under the normal capital asset holding period rules will be realized in the amount of the difference between the proceeds of sale and the fair market value of the shares on the date of exercise.

An option holder must pay the Company, no later than the date on which an amount first becomes includable in the participant's gross income for federal income tax purposes with respect to an award, any employment taxes required to be withheld with respect to such

## Edgar Filing: RETRACTABLE TECHNOLOGIES INC - Form DEF 14A

amount. Withholding may be satisfied by a cash payment or by increasing the withholding on an option holder's cash compensation on the date the NQSO is exercised, but only on terms agreed to in advance by the Company, under the 2008 Stock Option Plan. Under the 1999 Stock Option Plan, withholding may also be satisfied, in the Company's discretion, by the tender of shares acquired in the exercise.

### *Persons Subject to Laws Outside the United States*

The tax consequences for employees subject to laws outside of the U.S. may differ from the U.S. federal income tax consequences. All holders of Eligible Options are urged to consult their own tax advisors regarding the tax treatment of participating in the Option Exchange Plan under all applicable laws prior to participating in the Option Exchange Plan.

Table of Contents

**Potential Modifications to Terms to Comply with Governmental Requirements**

The terms of the Option Exchange Plan will be described in an Offer to Exchange that we will file with the SEC. Although we do not anticipate that the SEC will require us to modify the terms significantly, it is possible we will need to alter the terms of the Option Exchange Plan to comply with comments from the SEC. Changes in the terms of the Option Exchange Plan may also be required for tax purposes for participants in the U.S. as the tax treatment of the Option Exchange Plan is not entirely certain. In addition, we intend to make the Option Exchange Plan available to certain of our employees subject to laws outside the U.S., where permitted by local law and where we determine it is feasible and practicable to do so. It is possible that we may need to make modifications to the terms offered to employees in countries outside the U.S. to comply with local requirements, or for tax or accounting reasons.

**Effect on Stockholders**

We are not able to predict the impact the Option Exchange Plan will have on your interests as a stockholder, as we are unable to predict how many participants will exchange their options or what the future market price of our Common Stock will be on the date that the New Options are granted. If the Option Exchange Plan is approved, the exchange ratios should result in the issuance of fewer shares subject to the New Options than were subject to the cancelled options tendered in the exchange offer. While we cannot predict how many options will be exchanged, assuming full participation in the Option Exchange Plan, the total number of shares underlying our outstanding options would be reduced by approximately 969,000 shares, which represents a reduction of approximately 39.2 percent of the number of shares of our Common Stock underlying options as of July 28, 2008.

**DIFFERENCES BETWEEN THE NEW OPTIONS AND THE OPTIONS TO BE SURRENDERED**

The major differences between options issued under the 1999 Stock Option Plan and similar agreements (the options to be surrendered) and the options to be granted (assuming approval of the 2008 Stock Option Plan), are as follows:

1. Under the 1999 Stock Option Plan, NQSOs (held by non-employee Directors) allowed payment of employment taxes by the reduction in the number of shares acquirable upon exercise. Under the 2008 Stock Option Plan, holders of such options must pay any such amounts due in cash.
2. Under the 1999 Stock Option Plan, NQSOs were transferable, subject to certain limitations. Under the 2008 Stock Option Plan, no Stock Options are transferable except by will or by the laws of descent and distribution.
3. Under the 1999 Stock Option Plan, in the event of dissolution, liquidation or merger where the Company did not survive, options vest immediately but option holders are required to exercise their options immediately or the options terminate. In the event of the transfer of 50 percent or more of the stock or the sale of substantially all of the assets, there is no impact on options issued under the 1999 Stock Option Plan. Under the 2008 Stock Option Plan, options will still vest immediately in the event of dissolution, liquidation or merger where the Company does

not survive. However, the options will also vest immediately in the event of the transfer of 50 percent or more of the Common Stock then outstanding or the sale of substantially all of the assets of the Company. Furthermore, each option holder will have three months in which to exercise their options.

#### IMPACT OF EXCHANGE ON OPTION HOLDER AND COMPANY

If the Option Exchange Plan is approved, holders of options will likely exchange their underwater options for the New Options. Participating option holders will receive options for one-half of the previous number of shares.

Table of Contents

Furthermore, they will have a new vesting period (if they are not non-employee Directors) of a minimum of one year. Options issued to non-employee Directors will vest immediately. However, the exercise price of these options will be greatly reduced and the term of the option will be expanded to ten additional years (from the date of grant). We assume that most of the option holders will agree to the exchange. Assuming that the option holders agree to the exchange, we anticipate that the Company will bear an accounting cost equal to the excess, if any, of the fair value of the New Options granted to employees in exchange for surrendered Eligible Options, measured as of the date the New Options are granted, over the fair value of the options surrendered in exchange for the New Options, measured immediately prior to the cancellation. However, the dilutive nature of the outstanding options will be reduced by 39.2 percent to a total of approximately 1.5 million shares.

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE OPTION EXCHANGE PLAN.**

COMPENSATION DISCUSSION AND ANALYSIS

**The Objectives of Our Compensation Plan**

Our executive officer compensation program (the Compensation Program ) is based on the belief that competitive compensation is essential to attract, retain, motivate, and reward highly qualified and industrious executive officers. Our Compensation Program is intended to accomplish the following:

attract and retain highly talented and productive executive officers;

provide incentives and rewards for superior performance by the executive officers; and

align the interests of executive officers with the interests of our stockholders.

**What the Compensation Program Is Designed to Award**

Our Compensation Program is designed to award both superior long-term performance by our executive officers and their loyalty.

**Summary of Each Element of Compensation**

To achieve these objectives, the Compensation and Benefits Committee has approved an executive officer compensation program that consists of four basic components:

base salary;

periodic short-term incentive compensation in the form of cash bonuses;

periodic long-term incentive compensation in the form of stock options; and

medical, life, and benefit programs (which are generally available on the same terms to all employees).

#### **Why We Choose to Pay Each Element of Our Compensation Program**

##### *Base Salary*

We choose to pay a significant component of our compensation in base salary due to the fact that our financial performance is constrained by the monopolistic activities of BD. We have been blocked from access to the market by exclusive marketing practices engaged in by BD who dominates the market. We believe that its monopolistic business practices continue despite its paying \$100 million to settle a prior lawsuit with us in 2004 for anticompetitive practices, business disparagement, and tortious interference. Until such time as we believe that we have access to the market, we believe that it is appropriate to weigh our Compensation Program heavily in favor of base salaries rather than in incentive compensation.

Table of Contents

*Cash Bonuses*

From time to time and when our cash reserves allow (taking into account the continued need to compete in this monopolistic environment and the continued need for significant cash reserves) we grant cash bonuses in order to reward significant efforts or the accomplishment of short-term goals. The last bonuses were granted in 2003. The CEO has never been granted any bonuses of any kind.

*Long-Term Incentives: Stock Options*

Long-term incentives are provided through grants of stock options primarily under our 1999 Stock Option Plan. The grants are designed to align the interests of executive officers with those of stockholders and to provide each executive officer with a significant incentive to manage from the perspective of an owner with an equity stake in the Company.

**How We Determine the Amount or Formula for Payment in Light of Our Objectives**

Executive compensation remains the same until there is a review of such compensation by the Compensation and Benefits Committee. Compensation, other than that of the Chief Executive Officer, has not been reviewed annually. Under the terms of Mr. Shaw's employment agreement, his compensation is reviewed annually. In the past, when there is a review of executive compensation, we have retained an outside consulting firm, Trinity Executive Recruiters, Inc., to provide benchmarks for similar compensation given the multiple and varied positions each executive fulfills as well as our size and the hostile environment in which we operate.

*Base Salary*

The base salary for each of our executive officers is subjectively determined primarily on the basis of the following factors: experience, individual performance, contribution to our performance, level of responsibility, duties and functions, salary levels in effect for comparable positions within and without our industry, and internal base salary comparability considerations.

These base salaries are reviewed periodically and may be adjusted based upon the factors discussed in the previous sentence, as well as upon individual performance during the previous fiscal year, changes in the duties, responsibilities and functions of the executive officer, and general changes in the compensation peer group in which we compete for executive talent. The relative weight given to each of these factors in the Compensation and Benefits Committee's recommendation differs from individual to individual, as the Compensation and Benefits Committee deems appropriate.

*Periodic Cash Bonuses*

For 2007, we did not grant bonuses to our executive officers. These bonuses, when paid, are paid on a discretionary basis, as determined by the Compensation and Benefits Committee. Factors considered by the Compensation and Benefits Committee in determining discretionary cash bonuses are personal performance, level of responsibility, and many of the same factors considered by the Compensation and Benefits Committee and discussed above when it reviews and sets base salaries, except with a greater focus on the prior fiscal year. The Compensation and Benefits Committee also considers our need to retain cash in deciding whether to grant cash bonuses.

*Long-Term Incentive: Stock Options*

We have issued stock options to our employees from time to time and may do so in the future. We have not issued any stock options in 2005, 2006, and 2007. The options are generally granted to regular full-time employees and officers. However, no options have ever been granted to Thomas J. Shaw, the Company's President and CEO.

If stock options are to be issued, Management prepares a proposal to the Compensation and Benefits Committee. Considerations by Management in its initial proposal in determining a suitable aggregate fair market value of options to be granted include our financial condition, the number of options already outstanding, and the

Table of Contents

benefit to the non-executive officer employees. The proposal includes information relating to the expected expense of such grants to be recognized by us, the approximate number of options to be issued, the number of options currently outstanding, the employees to be included, the amount of stock currently outstanding, and the method under which the options would be awarded. If the proposal is approved by the Compensation and Benefits Committee, the proposal is submitted to the Board of Directors.

Once the dollar amount of options to be granted is approved, Management begins determining the aggregate number of shares underlying options that can be granted under such approval (based on the fair value of an option for the purchase of one underlying share). Factors included in the determination of the value of an option grant for the purchase of one share include current market price of the Company's stock, the proposed exercise price, the proposed expiration date, the volatility of the Company's stock, and the risk free rate. We may retain an independent outside consultant to determine such value. In the past we have utilized the Black-Scholes model; but other methods, such as the binomial method, may be used in the future as more appropriate methods are developed.

Options to executive officers are approved by the Compensation and Benefits Committee and then the Board of Directors individually and without regard to a formula.

With regard to past grants, after the aggregate number of shares underlying the options to be granted has been determined, we allocate the options to our various departments based on their annual compensation times their performance rating. The individual employee's allocation factor is the numerator of a fraction. The denominator is the department's sum of all factors (annual compensation times performance ratings of all the eligible employees). The resulting fraction is multiplied by the stock options to be awarded to determine the employee's individual portion of the aggregate approved options. Future grants may be based on the value of contributions to the Company and not necessarily pursuant to any formula.

The allocation may be further reviewed by each department's management if they believe certain employees were not awarded an appropriate number of options, which Management will consider.

Each stock option grant to employees allows the employee to acquire shares of Common Stock at a fixed price per share (never less than the closing stock price of the Common Stock on the date of grant) for a fixed period (usually ten years). With regard to past grants, each option generally became exercisable after three years, contingent upon the employee's continued employment with us. Accordingly, the stock option grant will provide a return to the employee only if the employee remains employed by us during the vesting period, and then only if the market price of the underlying Common Stock appreciates. Future grants may vest over a shorter or longer period.

**Allocation Between Long-Term/Current and Between Cash/Non-Cash Compensation**

All of our long-term compensation consists of non-cash compensation in the form of stock options. We believe that the granting of stock options incentivizes executives to maximize our long-term strengths as well as our stock price. However, because we are operating in a monopolistic environment and our stock price has little relationship with our performance, the most significant component of compensation is base salary and not stock options. Management is incented to maximize shareholder value and will be rewarded if they do so. However, a significant base salary enables us to retain this competent Management despite the current inability to provide valuable equity incentives.

**How Determinations Are Made as to When Awards Are Granted**

Generally, option awards are granted at the discretion of the Board after recommendation of the Compensation and Benefits Committee. No awards are granted if the Compensation and Benefits Committee does not support a recommendation.

Unfortunately, our stock price does not always react as expected to our achievements. Accordingly, at times options have been granted to aid in retaining competent and experienced executives without regard to the then current stock price. However, such options always have exercise prices that are at or above fair market value on the date of grant.

Table of Contents

In addition, there is no relationship between the date of grant of options and our possession of material non-public information. Because we are competing in a contentious antitrust environment, we are often in possession of material non-public information. Furthermore, it is our policy with regard to options that (although the options could be exercised) the underlying shares could not be sold into the market while the executive was in possession of material non-public information under our insider trading policy. Accordingly, we believe that there is minimal risk of the executive profiting from such material nonpublic information.

**What Specific Items of Corporate Performance Are Taken into Account in Setting Compensation Policies and Making Compensation Decisions**

Cash reserves as well as trends in sales and costs are taken into account when considering the advisability of increasing base salaries or granting cash bonuses. At such times that any of these factors make it inadvisable to increase salaries or grant bonuses, then consideration is given to increasing option awards taking into account the value of prior option awards.

Awards are granted on the basis of historical performance. Accordingly, there is no discretion to change the awards once granted.

**Factors We Consider in Determining to Change Compensation Materially**

We consider our cash position, current liquidity trends, and the short-term and long-term needs for cash reserves (especially in light of the hostile environment in which we operate) when evaluating whether we can change compensation materially at a given time.

On an individual-by-individual basis, we also consider the value of past option compensation, the competitiveness of that individual's base salary, and their individual contribution to our goals.

**How Amounts Realized from Past Compensation Affect Other Elements of Compensation**

We are very aware that the vast majority of options granted to our executives are significantly out of the money and that they may remain so until we are able to obtain real access to the market. Accordingly, future compensation will likely continue to be dominated by base salary as well as periodic bonuses when possible.

**The Impact of the Accounting and Tax Treatments of Our Types of Compensation**

## Edgar Filing: RETRACTABLE TECHNOLOGIES INC - Form DEF 14A

Stock options granted to executives and other employees are expensed for accounting purposes under FAS 123(R). We expense all of our option costs as we do the costs of salaries and bonuses. Accordingly, the impact of tax treatment of various compensation forms does not impact our compensation decisions. Stock option expense is not recognized for tax purposes, except in the case of non-qualified stock options. For non-qualified stock options, the intrinsic value of the option is recognized when the option is exercised.

### **Our Policy Regarding Hedging Stock Ownership**

We prohibit certain stock transactions by employees and Directors, including:

1. Purchases and sales of stock within a six month period;
2. Short sales; and
3. Transactions in puts, calls, or other derivative securities.

Furthermore, employees and Directors are required to pre-clear any hedging transactions.

**Benchmarking of Our Compensation Program**

In 2003, we hired Trinity Executive Recruiters, Inc. to assist us in providing benchmarks for compensation by similarly sized companies in similar industries for persons that hold positions which are currently fulfilled by various members of our executive team. Trinity Executive Recruiters performed a survey of other publicly held companies with \$20-\$50 million in revenues in the Medical Equipment and Supplies Industry. Forty-nine companies were included in the search with a total of 346 executives. However, for each executive, the list of executives to use as comparisons was tailored to correspond to each executive's particular job functions.

These benchmarks supported the Compensation and Benefit Committee's recommendations (and Board's approval of) an increase in the base salary of Mr. Wisner, Mr. Cowan, and Ms. Larios both in 2003 and again in 2005.

Although we have obtained benchmarking information with regard to the CEO's position, such benchmarks were not utilized as a basis for increasing Mr. Shaw's salary in 2005. His salary was increased at the recommendation of the Compensation and Benefits Committee as well as a unanimous vote of the Board of Directors. Later benchmarks supported an increase of at least the amount made.

**The Role of Our Executives and Directors in Determining Compensation**

Management establishes the initial proposed recommendations regarding compensation for all employees, including themselves. Such proposal is then submitted to the Compensation and Benefits Committee. In the event that a proposal is affirmed, the proposal is then recommended to the entire Board of Directors for a vote.

**Compensation Pursuant to Employment Agreement**

We have an Employment Agreement with Mr. Thomas J. Shaw. However, the Employment Agreement is being modified to avoid adverse tax consequences to Mr. Shaw created by the passage of the American Jobs Creation Act of 2004. No other executives (or Directors) are compensated pursuant to employment agreements.

The Employment Agreement with Mr. Shaw (the "Employment Agreement") provides for an initial period of three years which ended September 2002 that automatically and continuously renews for consecutive two-year periods. The Employment Agreement is terminable either by us or Mr. Shaw upon 30 days' written notice.

The Employment Agreement provides for an annual salary of at least \$150,000 with an annual salary increase equal to no less than the percentage increase in the Consumer Price Index during the previous calendar year. (However, the Board authorized a salary increase to \$400,000.) The Employment Agreement requires that Mr. Shaw's salary be reviewed by the Board of Directors each January, which shall make

such increases as it considers appropriate. In January 2008, the Board of Directors accepted the recommendation of the Compensation and Benefits Committee to increase Mr. Shaw's \$400,000 salary by the 2007 percentage increase in the Consumer Price Index (which increase was required under the Employment Agreement). Mr. Shaw is also entitled to participate in all executive bonuses as the Board of Directors, in its sole discretion, shall determine.

Under the Employment Agreement, we are obligated to provide certain benefits, including, but not limited to, participation in pension plans, profit-sharing plans, employee stock ownership plans, stock appreciation rights, hospitalization and health insurance, disability and life insurance, paid vacation, and sick leave. We are also obligated to reimburse him for any reasonable and necessary business expenses, including travel and entertainment expenses, necessary to carry on his duties. Pursuant to the Employment Agreement, we are obligated to indemnify Mr. Shaw for all legal expenses and liabilities incurred with any proceeding involving him by reason of his being an officer or agent. We are further obligated to pay reasonable attorney fees and expenses in the event that, in Mr. Shaw's sole judgment, he needs to retain counsel or otherwise expend his personal funds for his defense.

Mr. Shaw has agreed to a one-year non-compete, not to hire or attempt to hire employees for one year, and to not make known our customers or accounts or to call on or solicit our accounts or customers in the event of termination of his employment for one year unless the termination is without cause or pursuant to a change of control. Furthermore, Mr. Shaw has the right under this agreement to resign in the event that there is a change in

control which is defined in the Employment Agreement as a change in the majority of Directors within any 12 month period without two-thirds approval of the shares outstanding and entitled to vote, or a merger where less than 50 percent of the outstanding stock survives and a majority of the Board of Directors remains, or the sale of substantially all of our assets, or any other person acquires more than 50 percent of the voting capital. Mr. Shaw retained the right to participate in other businesses as long as they do not compete with us and so long as he devotes to us the necessary working time.

However, we and Mr. Shaw have agreed to operate the Employment Agreement under the final Regulations issued under Section 409A of the Internal Revenue Code. Accordingly, we will, among other things, defer certain payments until the termination of a period equal to six months and one day after the occurrence of certain events warranting payment, and be obligated to define change in control in the Employment Agreement as follows:

A Change of Control shall be deemed to have occurred on either of the following dates: (i) the date any one person (other than Mr. Shaw), or more than one person acting as a group, acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such person or persons) ownership of stock of the Company possessing 30 percent or more of the total possible voting power of the stock of the Company (assuming the immediate conversion of all then outstanding convertible preferred stock) or (ii) the date a majority of members of the Board of Directors is replaced during any 12-month period by Directors whose appointment or election is not endorsed by a majority of the members of the Company's Board of Directors before the date of the appointment or election.

We will also be obligated to define a Permanent Disability as:

Mr. Shaw being unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than 12 months or is, by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than 12 months, receiving income replacement benefits for a period of not less than 3 months under an accident and health plan covering employees of the Company. Mr. Shaw shall also be deemed to be disabled if he is determined to be totally disabled by the Social Security Administration.

*Compensation Committee Report*

The Compensation and Benefits Committee has reviewed and discussed the COMPENSATION DISCUSSION AND ANALYSIS required by Item 402(b) with Management contained in the Company's Proxy Statement filed on August 19, 2008, and, based on the review and discussions referred to in paragraph (e)(5)(i)(A) of Item 402, has recommended to the Board of Directors that the COMPENSATION DISCUSSION AND ANALYSIS be included in this report.

(1) The fair value of each option grant is estimated on the date of grant using the Black-Scholes option pricing model with the following weighted average assumptions used for grants in 2004: no dividend yield; expected volatility of 37 percent; risk free interest rate of 4.89 percent; and an expected life of 9.0 years. No options were issued in 2005, 2006 or 2007. The options were issued under the 1999 Stock Option Plan, copies of which Plan and amendment were filed as Exhibit Nos. 10.6-10.7 to our Form 10-K filed on March 31, 2008.

(2) This amount was compensation pursuant to our matching contributions to the 401(k) plan.

(3) This amount constitutes the excess market value of the underlying shares of an exercised stock option over the exercise price.

#### PENSION BENEFITS

We do not have a pension plan other than the 401(k) plan available to all employees.

#### **401(k) Plan**

We implemented an employee savings and retirement plan (the 401(k) Plan ) in 2005 that is intended to be a tax-qualified plan covering substantially all employees. Under the terms of the 401(k) Plan, employees may elect to contribute up to 90 percent of their compensation, or the statutory prescribed limit, if less. We may, at our discretion, match employee contributions. We made matching contributions of approximately \$111,000; \$0; and \$0 in 2007, 2006, and 2005, respectively. \$20,695 of these contributions were to executive officers.

## POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

The following table identifies the types and amounts of payments that shall be made to Mr. Thomas Shaw, our CEO, in the event of a termination of his employment or a change in control per his Employment Agreement. Such payments shall be made by us and shall be one-time, lump sum payments.

**SUMMARY OF PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL****ASSUMING OCCURRENCE AS OF DECEMBER 31, 2007(1)**

<b>Payment Triggering Event</b>	<b>Salary Through Trigger Event Date</b>	<b>Amounts Owed Under Benefit Plans(2)</b>	<b>Pro-Rata Portion of Eligible Bonus</b>	<b>A Payment Equal to the Greater of Salary Through Trigger Date or for 24 Months</b>	<b>Payment Equal to 90 Days Salary</b>	<b>Value of Payments(3)</b>
Death	x	x	x

Termination With Cause	x		x			
Termination Without Cause	x	x	x	800,000		800,000

Resignation (After a Change in Control)	x	x	x	800,000		800,000

(1) The above payments describe obligations under Mr. Shaw's agreement as written. However, we and Mr. Shaw have agreed to operate his plan under the final Regulations issued under Section 409A of the Internal Revenue Code such that any accrued payments would not constitute non-qualified deferred compensation. The Employment Agreement is in the process of being modified to ensure that no rights thereunder would constitute non-qualified deferred compensation.

(2) Mr. Shaw participates in our benefit plans which do not discriminate in scope, terms, or operation in favor of executive officers. Such plans are generally available to all salaried employees. Accordingly, the value of such payments is not included in the Value of Payments column.

(3) This value does not include payments under our benefit plans for reasons set forth in footnote 2 above. In addition, it does not include a value for a bonus as bonuses are authorized only periodically. Furthermore, Mr. Shaw has never been given a bonus. In addition, this value assumes that the triggering event occurred on December 31, 2007. Authorized payments under the Employment Agreement are also capped to

## Edgar Filing: RETRACTABLE TECHNOLOGIES INC - Form DEF 14A

one dollar less than the amount that would cause Mr. Shaw to be the recipient of a parachute payment under Section 280G(b) of the Code.

Mr. Shaw is obligated under the Employment Agreement for one year not to compete with us, to recruit or attempt to recruit our employees or to solicit our customers or accounts or otherwise to make known our customers and accounts to others unless his termination was without cause or occurs after a change in control.

### COMPENSATION OF DIRECTORS

The following table identifies the types and amounts of compensation earned by our Directors (with the exception of those that are named Executive Officers as described in footnote 1 to the table) in the last Fiscal Year:

Clarence Zierhut	3,000		3,000

(1) Messrs. Thomas J. Shaw, Douglas W. Cowan, and Steven Wisner are Named Executive Officers who are also Directors. Their compensation is reflected in the Summary Compensation and other tables presented earlier.

(2) Ms. Mack's company was paid these funds in 2007 for participation in a clinical trial.

**Narrative Explanation of Director Compensation Table for 2007**

In 2007 we paid each non-employee Director a fee of \$500 per meeting and reimbursed travel expenses. In the past, we have granted to each Director (except Mr. Shaw) stock options for Common Stock. We do not pay any additional amounts for committee participation or special assignment.

Generally, employee Directors are compensated as discussed in the COMPENSATION DISCUSSION AND ANALYSIS. However, one employee, Mr. Thomas J. Shaw, our President and CEO, is compensated pursuant to an employment agreement. Please see the **Compensation Pursuant to Employment Agreement**, set forth above for an in depth summary of the terms of such agreement.

**Compensation Committee Interlocks and Insider Participation**

The Compensation and Benefits Committee is currently composed of Messrs. Clarence Zierhut and Marco Laterza and Ms. Amy Mack. Dr. Jimmie Shiu, a former independent Director, was appointed to the committee on August 8, 2006. Dr. Shiu resigned as a Director on November 19, 2007. Each of these current and former members of this committee is/was an independent Board member at the time of their service on the committee and none have ever been employees.

## Edgar Filing: RETRACTABLE TECHNOLOGIES INC - Form DEF 14A

There are no interlocking Directors or executive officers between us and any other company. Accordingly, none of our executive officers or Directors served as a Director or executive officer for another entity one of whose executives or Directors served on our Board of Directors.

### **PROPOSAL NO. 4 APPROVAL OF THE THIRD AMENDED AND RESTATED BYLAWS OF THE COMPANY**

The Board of Directors proposes certain amendments to the Second Amended and Restated Bylaws in accordance with Section 8.1 of Article VIII, which provides that Sections 2.1, 2.2, 2.3, 2.4, 2.7, 2.8, 2.19, 3.3, 3.8, and 8.1 may only be amended, supplemented, or repealed by the affirmative vote of 66 2/3 percent or more of all the shares of the Company entitled to vote generally in the election of Directors. The proposed amendments are redlined in the draft Third Amended and Restated Bylaws which are attached hereto as an Appendix C. The proposed revisions are being submitted to the shareholders for the following reasons:

Section 2.1 Place of Meetings should be amended to allow meetings by remote communications.

Section 2.2 Time of Annual Meeting should be amended so that the title better reflects the substance of the section.

Table of Contents

Section 2.3 Notice of Meetings should be amended to allow for delivery of notice of shareholder meetings by electronic means.

Section 2.4 Time and Notice should be amended so that the title better reflects the substance of the section.

Section 2.7 Call of Special Meetings should be amended to clarify what business may be transacted at a special meeting of shareholders.

Section 2.8 Persons Entitled to Call Special Meetings should be amended to allow shareholders holding not less than 50 percent of all outstanding shares to call a special meeting of shareholders (instead of limiting such right to the holders of 66 2/3 percent).

Section 3.3 Number and Election of Directors should be amended for clarity.

Section 8.1 Adoption, Amendment, Repeal of Bylaws by Directors should be amended to allow amendment of all sections of the bylaws (and, specifically, those sections listed above) without a shareholder vote. Current provisions of the bylaws that require shareholder vote to amend were beneficial primarily to shareholders holding a controlling interest. Allowing the Board of Directors (a majority of which who are independent) to amend the bylaws as needed without shareholder vote will allow the Board of Directors to more quickly and inexpensively address the needs of the Company and its shareholders as they may arise.

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE THIRD AMENDED AND RESTATED BYLAWS OF THE COMPANY.**

**ACCOUNTING MATTERS**

CF & Co. has been selected again as our independent accountants for the year ending December 31, 2008. A representative of CF & Co. will attend the Annual Meeting and will have the opportunity to make a statement if he or she so desires. The CF & Co. representative will be available to respond to appropriate shareholder questions at that time.

**AUDIT RELATED FEES**

The aggregate fees billed by CF & Co. for professional services rendered for the audit of our 401(k) plan for 2007 and 2006 were \$13,500 and \$0, respectively.

**SHAREHOLDER PROPOSALS FOR PRESENTATION AT THE 2009 ANNUAL MEETING**

Any Common Shareholder of record of the Company who desires to submit a proper proposal for inclusion in the proxy materials, relating to the next annual meeting of shareholders, must do so in writing, addressed to the Secretary, Michele M. Larios, and the proposal must be received at the Company's principal executive offices located at 511 Lobo Lane, Little Elm, Texas 75068-0009, by April 21, 2009. Any such proposal shall be subject to the requirements of the proxy rules adopted under the Securities Exchange Act of 1934, as amended.

Except in the case of proposals made in compliance with the proxy rules for inclusion in the Company's Proxy Statement, shareholders desiring to bring any other business before the annual meeting in 2009, in accordance with the Company's bylaws, must comply with certain procedures. Such proposals must be delivered to or mailed and received by the Company 45 days before the month and day of the mailing date (August 19th) of the Proxy Statement for the 2008 Annual Meeting (meaning by July 5, 2009). Such notice should be addressed to Michele M. Larios, Secretary, and should set forth, as to each matter the shareholder proposes to bring before the annual meeting, the following information: a) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting; b) the name and address of the shareholder; c) the number of shares beneficially owned by the shareholder; and d) any material interest of the shareholder in such business.

The deadline for timely submitting shareholder proposals for consideration at next year's annual meeting is July 5, 2009. Proposals received after this date will be considered untimely and may not, in the Board of Directors discretion, be addressed at the next annual meeting. In the event the Board of Directors decides to substantially alter the date of the 2009 annual meeting, the proper deadlines for submission of shareholder proposals will be published in a Form 10-Q.

We reserve the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these requirements.

**DIRECTOR NOMINATIONS TO BE CONSIDERED BY THE BOARD IN 2009**

## Edgar Filing: RETRACTABLE TECHNOLOGIES INC - Form DEF 14A

Nominations for the election of Directors may be made by shareholders entitled to vote generally in the election of Directors. In the discretion of the Nominating Committee, the Committee may solicit nominations from the shareholders. In addition, a shareholder may nominate a person, on their own initiative, for consideration for recommendation by the Board to the shareholders in our Proxy Statement for the 2009 annual meeting. To make such a recommendation, a shareholder should deliver written notice of such shareholder's nomination, either by personal delivery or by registered or certified United States mail, postage prepaid, to Michele M. Larios, the Secretary of the Company, by April 21, 2009. Such notice shall set forth:

1. The name and address of the shareholder making the nomination and of the person to be nominated;
  
2. A representation that the shareholder is a holder of record of Common Stock of the Company entitled to vote at such meeting (specifying the number of shares beneficially held) and intends to appear in person or by proxy at the meeting;
  
3. A description of all arrangements or understandings between the shareholder and the nominee and any other person or persons (naming such person or persons) pursuant to which the nomination is being made by the shareholder and any material interest of the shareholder in making the nomination;

Table of Contents

4. Such other information regarding the nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the then current proxy rules of the Commission; and

5. The consent of the nominee to serve as a Director if so recommended by the Board and duly elected at the annual meeting by the shareholders.

We evaluate Director nominees recommended by shareholders in the same manner in which we evaluate other Director nominees. Please see CORPORATE GOVERNANCE-Nominating Committee-Director Nomination Policies for a description of the consideration given to shareholder recommended nominees.

The Nominating Committee considers nominees recommended by the Board, Management, and the shareholders. Furthermore, the Committee is empowered, when necessary in its judgment, to retain and compensate third party search firms to assist in identifying or evaluating potential nominees.

If RTI shall be the surviving corporation in any merger or consolidation, any Stock Option shall pertain, apply and relate to the securities to which a holder of the number of shares of Stock subject to the Stock Option would have been entitled after the merger or consolidation.

Upon: 1) dissolution or liquidation of RTI, 2) a merger or consolidation in which RTI is not the surviving corporation (other than a merger or consolidation with a wholly-owned subsidiary, a reincorporation of RTI in a different jurisdiction, or other transaction in which there is no substantial change in the stockholders of the Company or their relative stock holdings and the Stock Options granted under this Plan are assumed, converted or replaced by the successor corporation, which assumption, conversion or replacement will be binding on all optionees), or 3) a

merger or consolidation in which RTI is the surviving corporation but after which the stockholders of the Company (other than any stockholder which merges [or which owns or controls another corporation which merges] with RTI in such merger) cease to own their shares or other equity interests in the Company, 4) the sale of substantially all of the assets of RTI, or 5) the acquisition, sale or transfer of more than 50% of the outstanding shares of Common Stock of the Company by tender offer or similar transaction (otherwise than by will or by the laws of descent and distribution), all Stock Options outstanding under this Plan shall terminate after a period of three months from the completion of such trigger event; provided, however, that each Participant (and each other person entitled to exercise a Stock Option) shall have the right, immediately upon announcement of such event to exercise such Participant's Stock Options in whole or in part, for a period of three months from the completion of such trigger event but only to the extent that such Stock Options are otherwise exercisable under the terms of this Plan.

(12) AGREEMENT AND REPRESENTATION OF PARTICIPANTS. As a condition to the exercise of any portion of a Stock Option, the Company may require the person exercising such Stock Option to represent and warrant at the time of such exercise that any shares of Stock acquired at exercise are being acquired only for investment and without any present intention to sell or distribute such shares, if, in the opinion of counsel for the Company, such representation is required under the Securities Act of 1933, as amended, the Securities Exchange Act of 1934 or any other applicable law, regulation or rule of any governmental agency.

(13) RESERVATION OF SHARES OF STOCK. RTI, during the term of this Plan, will at all times reserve and keep available the number of shares of Stock that shall be sufficient to satisfy the requirements of this Plan.

(14) EFFECTIVE DATE OF PLAN. The Plan shall be effective from the date that this Plan is approved by the Board.

(15) TAX REPORTING FOR ISO EXERCISE. RTI or a subsidiary of RTI, as appropriate, shall furnish a statement to any Participant exercising an ISO on or before January 31 of the calendar year following the calendar year in which an ISO exercise occurs in compliance with Section 6039(a) of the Code. The statement shall contain the information required by the Code as of the date such information is to be provided. As of the Effective Date of the Plan, such information would include:

Table of Contents

(18) AMENDMENT. The Board of Directors may discontinue the Plan and the Administrator may amend the Plan from time to time, but no amendment, alteration or discontinuation shall be made which, without the approval of the stockholders, would:

- Plan;
- (A) Except as provided in Section (11) of the Plan, increase the total number of shares reserved for the purposes of the Plan;
  - (B) Decrease the Option Price of an ISO to less than the amounts shown in Section (6) of the Plan; or
  - (C) Extend the duration of the Plan.

Except as provided in Section (11) of the Plan, neither shall any amendment, alteration or discontinuation impair the rights of any holder of a Stock Option theretofore granted without his consent; provided, however, that if the Administrator, after consulting with Management of the Company, determines that the application of an accounting standard in compliance with any statement issued by the Financial Accounting Standards Board or any other entity that reviews accounting disclosures of (or sets accounting standards for) public companies concerning the treatment of employee Stock Options would have a significant adverse effect on the Company's financial statements because of the fact that Stock Options granted before the issuance of such statement are then outstanding, then the Administrator in its absolute discretion may cancel and revoke all outstanding Stock Options to which such adverse effect is attributed and the holders of those Stock Options shall have no further rights in respect thereof. Such cancellation and revocation shall be effective upon written notice by the Administrator to the holders of such Stock Options.

The Optionee, by his acceptance hereof, represents and warrants to the Company that his purchase of shares of Common Stock upon the exercise hereof shall be for investment and not with a view to distribution or sale, provided that this representation and warranty shall be inoperative if, in the opinion of counsel to the Company, a proposed sale or distribution of such shares is pursuant to an applicable effective registration statement under the Securities Act of 1933, as amended (the Act), or without such representation and warranty is exempt from registration under the Act. The Optionee agrees that the obligation of the Company to issue shares upon the exercise of a Stock Option shall also be subject as conditions precedent to compliance with applicable provisions of the Act, the Securities Exchange Act of 1934, state securities laws, rules and regulations under any of the foregoing and applicable requirements of any securities exchange and/or securities market upon which the Company's securities shall be listed and/or quoted. **INCENTIVE STOCK OPTION AGREEMENT**  
**ISSUED UNDER THE**  
**RETRACTABLE TECHNOLOGIES, INC.**  
**2008 STOCK OPTION PLAN**

This Retractable Technologies, Inc. 2008 Incentive Stock Option Agreement (the Agreement ) is made and entered into by and between RETRACTABLE TECHNOLOGIES, INC. (the Company ) and \_\_\_\_\_, an employee of the Company or its subsidiarie(s) (the Optionee ). The Company and the Optionee are sometimes hereinafter collectively referred to as the Parties .

(1) All items used herein are to have the meaning set forth in the Company's 2008 Stock Option Plan (the Plan ) unless defined differently herein.

(2) OPTION. On \_\_\_\_\_ the Administrator of the Plan granted to the Optionee the right and option to purchase a total of \_\_\_\_\_ ( \_\_\_\_\_ ) shares of the Common Stock of the Company on the terms set forth in this Agreement (the Option ) subject to the terms of the Plan. The Option granted pursuant to this Agreement is designated as an incentive stock option or ISO within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the Code ). OPTIONEE ACKNOWLEDGES THAT EXERCISE OF AN ISO MAY SUBJECT THE EMPLOYEE TO ADVERSE TAX CONSEQUENCES UNDER THE ALTERNATIVE MINIMUM TAX. This Option shall become exercisable in installments according to the following table:

Date

Shares Newly Acquirable

In no event shall the aggregate fair market value of Stock (determined as of the date of grant of the Stock Option) with respect to which any part of the Stock Option together with other ISOs granted to Optionee under the Company's plans becomes first exercisable by the Optionee in any calendar year exceed One Hundred Thousand Dollars (\$100,000.00).

(3) TERMINATION OF OPTION.

(A) MAXIMUM OPTION TERM. The unexercised portion of this Stock Option shall automatically and without notice terminate and become null and void in all events after ten (10) years from the date of grant. Notwithstanding the foregoing, no Stock Option granted to an Optionee who is deemed to be a Ten Percent (10%) shareholder may be exercised after the expiration of five (5) years from the date it is granted.

(B) DEATH OF OPTIONEE.

(i) Notwithstanding Section 3(C) of this Agreement, upon the death of the Optionee, any Stock Option exercisable on the date of death may be exercised by the Optionee's estate or by a person who acquires the right to exercise such Stock Option by bequest or inheritance or otherwise by reason of the death of the Optionee, provided that such exercise occurs within both the remaining term of the ISO and within one (1) year after the Optionee's death. Any Stock Option not then exercisable shall be forfeited at the death of Optionee.

(ii) The provisions of this subsection (3)(B) shall apply notwithstanding the fact that the Optionee's employment may have terminated prior to death, and if the Stock Option remains exercisable but only to the extent of any Options exercisable on the date of death.

(C) DISABILITY. Subject to Section 3(B) of this Agreement, upon the termination of the Optionee's employment by reason of permanent disability (as determined by the Board), the Optionee may, within one (1) year from the date of such termination of employment, exercise any Options to the extent such Options were exercisable at the date of such termination of employment due to disability. Any Stock Options not then exercisable are forfeited upon termination of employment due to disability.

Table of Contents

- (D) **TERMINATION FOR OTHER REASONS.** Except as provided in Sections (3)(B) and (3)(C) all Options shall automatically terminate (3) months after termination of the Optionee's employment without cause and automatically upon termination with cause. Any Stock Options not then exercisable are forfeited upon termination of employment, with or without cause.
- (4) **EXERCISE OF OPTION.** This Option shall be exercised by the Optionee (or by his executors or administrators, as provided in Section 3 of this Agreement) as to all or part of the shares covered hereby which are then exercisable under the terms of this Agreement, by the giving of written notice of such exercise, which may be provided in substantially the form attached hereto as Exhibit A to the Company specifying the number of shares to be purchased. The giving of such written notice to the Company shall constitute an irrevocable election to purchase the number of shares specified in the notice and to exercise the right on the date specified in the notice (the Exercise Date). Upon payment by cashier's check of all amounts due from the Optionee upon exercise of this Stock Option, the Company shall cause Documents Indicating Ownership to be delivered to the Optionee (or the person exercising the Optionee's options) at its principal business office within ten (10) business days after the Exercise Date.
- (5) **OPTION PRICE.** If the Optionee is not deemed to be a Ten Percent (10%) Shareholder, the purchase price for shares to be purchased pursuant to this Agreement (the Option Price) for each share shall be at least One Hundred Percent (100%) of the fair market value of a share of Common Stock on the date the Stock Option is granted, as determined by the Board. For any Optionee who is deemed to be a Ten Percent (10%) Shareholder under the rules applicable to ISOs under Section 422 of the Code, the Option Price shall be at least One Hundred Ten Percent (110%) of such fair market value. Payment of the Option Price shall be made by cashier's check. The Board of Directors of the Company has determined the fair market value per share of Common Stock as of the date of grant of this Option to be \_\_\_\_\_ (\$\_\_\_\_\_).
- (6) **NO RIGHTS PRIOR TO ISSUANCE OF DOCUMENTS INDICATING OWNERSHIP.** Neither the Optionee nor his representatives shall have any of the rights of a shareholder of the Company with respect to the shares subject to this Option until Documents Indicating Ownership shall have been issued upon the exercise of this Stock Option. No adjustment will be made for dividends or other rights for which the record date is prior to the date the Documents Indicating Ownership are issued.
- (7) **NONASSIGNABILITY.** This Stock Option shall not be assignable or transferable other than by will or by the laws of descent and distribution, and during the Optionee's lifetime shall be exercisable only by him (or his legal guardian or representative).
- (8) **ADJUSTMENT FOR CORPORATE EVENTS.** In the event of any Stock split, Stock dividend, reclassification or recapitalization which changes the character or amount of the Company's outstanding Common Stock while any portion of this Stock Option is outstanding but unexercised, or if the Company participates in any transaction resulting in a corporate merger, consolidation, acquisition of property or Stock, separation, reorganization (where the Company is the surviving entity) or liquidation, the Board of Directors of the Company or any surviving corporation shall take such action as is permitted by Section (11) of the Plan to prevent dilution.

Notwithstanding anything to the contrary herein, in the event of 1) dissolution or liquidation of the Company, 2) a merger or consolidation in which the Company is not the surviving corporation (other than a merger or consolidation with a wholly-owned subsidiary, a reincorporation of the Company in a different jurisdiction, or other transaction in which there is no substantial change in the stockholders of the Company or their relative stock holdings and the Stock Options granted under the Plan are assumed, converted or replaced by the successor corporation, which assumption, conversion or replacement will be binding on all optionees), or 3) a merger or consolidation in which the Company is the surviving

corporation but after which the stockholders of the Company (other than any stockholder which merges [or which owns or controls another corporation which merges] with the Company in such merger) cease to own their shares or other equity interests in the Company, 4) the sale of substantially all of the assets of the Company, or 5) the acquisition, sale or transfer of more than 50% of the outstanding shares of Common Stock of the Company by tender offer or similar transaction (otherwise than by will or by the laws of descent and distribution), the Stock Option shall terminate after a period of three months from the completion of such trigger event; provided, however, that the Optionee shall have the right, immediately upon

announcement of such event to exercise his Stock Option in whole or in part, for a period of three months from the completion of such trigger event but only to the extent that such Stock Option is otherwise exercisable under the terms of the Plan.

(9) REPRESENTATIONS AND WARRANTIES OF THE OPTIONEE; LEGEND. The Optionee, by his acceptance hereof, represents and warrants to the Company that his purchase of shares of Common Stock upon the exercise hereof shall be for investment and not with a view to distribution, provided that this representation and warranty shall be inoperative if, in the opinion of counsel to the Company, a proposed sale or distribution of such shares is pursuant to an applicable effective registration statement under the Securities Act of 1933, as amended (the Act), or without such representation and warranty is exempt from registration under the Act. The Optionee agrees that the obligation of the Company to issue shares upon the exercise of a Stock Option shall also be subject as conditions precedent to compliance with applicable provisions of the Act, the Securities Exchange Act of 1934, state securities laws, rules and regulations under any of the foregoing and applicable requirements of any securities exchange upon which the Company's securities shall be listed. The Company may endorse an appropriate legend referring to the foregoing restriction upon the certificate or certificates representing any shares issued or transferred to the Optionee upon the exercise of this Stock Option.

(10) EMPLOYMENT WITH THE COMPANY. As used herein, the term employment with the Company shall include employment with the Company or with any of its subsidiaries, if any.

(11) ADDITIONAL OPTIONEE ACKNOWLEDGMENTS. The Optionee acknowledges the Plan is accessible to the Optionee over the internet via EDGAR, the SEC's electronic website database. In addition, the Optionee acknowledges that a written copy of the Plan will be provided upon request at no charge. The Optionee acknowledges that he is familiar with the terms and provisions thereof, and hereby accepts this Option subject to all the terms and provisions thereof. The Optionee hereby agrees to accept as binding, conclusive and final all decisions or interpretations of the Administrator upon any questions arising under the Plan or this Agreement. The Optionee further acknowledges that, in order to obtain the favorable income tax treatment provided by the Code for Stock acquired pursuant to ISOs, the Optionee may not dispose of Stock acquired by exercise of the Option within two (2) years of the date of grant of the Stock Option or within one (1) year of the date of the actual transfer of Common Stock to him. The Optionee further acknowledges that he must hold the Common Stock for more than twelve (12) months to obtain long-term capital gains tax rates on a sale of the Common Stock. The Optionee acknowledges that material adverse alternative minimum tax consequences may result from exercise of a Stock Option.

(12) LEGAL CONSTRUCTION. In the event that any one or more of the terms, provisions or agreements that are contained in this Agreement shall be held by a Court of competent jurisdiction to be invalid, illegal or unenforceable in any respect for any reason, the invalid, illegal or unenforceable term, provision or agreement shall not affect any other term, provision or agreement that is contained in this Agreement and this Agreement shall be construed in all respects as if the invalid, illegal or unenforceable term, provision or agreement had never been contained herein.

(13) COVENANTS AND AGREEMENTS AS INDEPENDENT AGREEMENTS. Each of the covenants and agreements that is set forth in this Agreement shall be construed as a covenant and agreement independent of any other provision of this Agreement. The existence of any claim or cause of action of the Optionee against the Company, whether predicated on this Agreement or otherwise, shall not constitute a defense to the enforcement by the Company of the covenants and agreements that are set forth in this Agreement.

ARTICLE II

SHAREHOLDERS MEETING

2.1 **Place of Meetings.** Meetings of shareholders entitled to vote shall be held at any place within or without the State of Texas designated by the Board of Directors pursuant to authority hereinafter granted to the Board, or by written consent of all persons entitled to vote thereat. The Board of Directors may determine that any meeting may be held solely by remote communication in accordance with Texas law. Any meeting is valid wherever held if held by the written consent of all the persons entitled to vote thereat, given either before or after the meeting and filed with the Secretary of the corporation.

2.2 **Date and Time of Annual Meeting.** ~~Business Transacted~~ The annual meeting of the shareholders entitled to vote shall be held on such date and at such time as shall be designated from time to time by the Board of Directors. At such meeting Directors shall be elected and any other business may be transacted which is within the powers of the shareholders.

2.3 **Notice of Meetings.** Notice of all meetings of shareholders shall be given in writing to shareholders entitled to vote by the President, or Secretary, or by the Officer or person calling the meeting, or, in case of his neglect or refusal, or if there is no person charged with the duty of giving notice, by any Director or shareholder. The notice shall be given to each shareholder, either personally or by prepaid mail. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the shareholder at his address as it appears on the stock transfer books of the Corporation, with postage thereon paid. With the consent of a shareholder, notice from the Corporation may be given to that shareholder by electronic transmission. The shareholder may specify the form of electronic transmission to be used to communicate notice. The shareholder may revoke this consent by written notice to the Corporation. The consent is deemed to be revoked if the Corporation is unable to deliver by electronic transmission two consecutive notices and the person responsible for delivering notice on behalf of the Corporation knows that delivery of these two electronic transmissions was unsuccessful, provided, however, that the inadvertent failure to treat the unsuccessful transmissions as a revocation of consent does not invalidate a meeting or other action. Notice by electronic transmission is deemed given when the notice is (A) transmitted to a facsimile number provided by the shareholder for the purpose of receiving notice; (B) transmitted to an electronic mail address provided by the shareholder for the purpose of receiving notice; (C) posted on an electronic network, and a message is sent to the shareholder for the purpose of alerting the shareholder of a posting; or (D) communicated to the shareholder by any other form of electronic transmission consented to by the shareholder.

Table of Contents

2.4 **Time of ~~and~~ Notice.** Notice of any meeting of shareholders shall be sent to each shareholder entitled to vote not less than ten (10) days nor more than fifty (50) days before the meeting, except in the case of a meeting for the purpose of approving a merger or consolidation agreement, in which case the notice must be given not less than twenty (20) days prior to the date of the meeting.

2.5 **Contents of Notice.** Notice of any meeting of shareholders shall specify the place, date, and hour of the meeting. The Notice may state the means of any remote communications by which shareholders may be considered present and may vote at the meeting. The notice shall also specify the purpose of the meeting if it is a special meeting, or if its purpose, or one of its purposes, will be to consider a proposed amendment of the Articles of Incorporation, to consider a proposed merger or consolidation, to consider a proposed reduction of stated capital without amendment, to consider a voluntary dissolution or the revocation of a voluntary dissolution by the act of the Corporation, or to consider a proposed disposition of all, or substantially all, of the assets of the Corporation outside of the ordinary course of business.

2.6 **Notice of Adjourned Meeting.** When a shareholders meeting is adjourned for thirty (30) days or more, notice of the adjourned meeting shall be given as in the case of an original meeting. When a meeting is adjourned for less than thirty (30) days, it is not necessary to give any notice of the time and place of the adjourned meeting or of the business to be transacted thereat, other than by announcement at the meeting at which the adjournment is taken.

2.7 **Call of Special Meetings.** Upon request in writing to the President, a Vice-President, or the Secretary, sent by registered mail or delivered to the Officer in person, by any persons entitled to call a meeting of shareholders, they forthwith shall cause notice to be given to the shareholders entitled to vote, that a meeting will be held at a time fixed by the Officer, not less than ten (10) days after the receipt of the request. The request will state the purposes of the proposed meeting. Business transacted at all special meetings will be confined to the purposes stated in the notice of the meeting unless all shareholders entitled to vote are present and consent otherwise. If the notice is not given within seven (7) days after the date of delivery, or the date of mailing of the request, the persons calling the meeting may fix the time of the meeting and give the notice in the manner provided in these Third Amended and Restated Bylaws ( Bylaws ). Nothing contained in this section shall be construed as limiting, fixing, or affecting the time or date when a meeting of shareholders called by action of the Board of Directors may be held.

2.8 **Persons Entitled to Call Special Meetings.** Special meetings of the shareholders, for any purpose whatsoever, may be called at any time by any of the following: (1) the President; (2) the Board of Directors; or (3) the President at the request of the holders of not less than Fifty Percent (50%) ~~66 2/3%~~ of all outstanding shares of the Corporation entitled to vote at such meetings.

2.9 **Quorum of Shareholders.** The presence in person or by proxy of the persons entitled to vote Fifty Percent (50%) of the voting shares at any meeting constitutes a quorum for the transaction of business except as otherwise provided by statute or these Bylaws.

2.10 **Loss of Quorum.** In the absence of a quorum, any meeting of shareholders may be adjourned from time to time by the vote of a majority of the shares entitled to vote, the holders of which are either present in person or represented by proxy thereat, but no other business may be transacted. Notwithstanding the above, shareholders present at a duly organized meeting with a quorum present may continue to do business until adjournment, notwithstanding the withdrawal of enough shareholders to leave less than a quorum.

2.11 **Record Date for Determination of Shareholders.** The Board of Directors may fix in advance a date as the record date for any such determination of shareholders, such date in any case to be no more than fifty (50) days and, in case of meeting of shareholders, not less than ten (10) days prior to the date on which the particular action requiring such determination of shareholders is to be taken.

2.12 **Date of Notice or Resolution for Determination of Shareholders.** If no record date is fixed for the determination of shareholders entitled to notice of or to vote at a meeting of shareholders, the date on which notice of the meeting is mailed or the date on which the resolution of the Board of Directors

declaring such dividend is adopted, as the case may be, is the record date for such determination of shareholders.

2.13 **Adjourned Meetings.** When any determination of shareholders entitled to vote at any meeting of shareholders has been made as provided in this Article, such determination shall apply to any adjournment thereof.

2.14 **Inspectors of Election.** The Chairman of each meeting of shareholders shall appoint one or more persons to act as inspector(s) of election. The inspector(s) of election shall report to the meeting the number of shares of each class and series of stock, and of all classes, represented either in person or by proxy that are entitled to vote. The inspector(s) of election shall oversee the vote of the shareholders for the election of Directors and for any other matters that are put to a vote of shareholders entitled to vote at the meeting; judge the qualifications of shareholders voting; collect, count, and report the results of ballots cast by any shareholders voting in person; and perform such other duties as may be required by the Chairman of the meeting or the shareholders.

2.15 **Notice of Shareholder Business.** At an annual meeting of shareholders, only such business shall be conducted as shall have been brought before the meeting (i) by or at the direction of the Board of Directors or (ii) by any shareholder of the Corporation entitled to vote who complies with the notice procedure set forth. For business to be properly brought before an annual meeting by a shareholder, the shareholder entitled to vote must have given timely notice thereof in writing to the Secretary of the Corporation.

To be timely, a shareholder's notice must be delivered to or mailed and received at the principal executive offices of the Corporation, not less than forty-five (45) days before the date the Corporation mailed its proxy materials for the prior year's annual meeting (such date to be identified in the prior year's proxy statement). A shareholder's notice to the Secretary shall set forth as to each matter the shareholder proposes to bring before the annual meeting the following information: (a) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting; (b) the name and address of the shareholder proposing such business; (c) the number of shares of the Corporation which are beneficially owned by the shareholder; and (d) any material interest of the shareholder in such business. Notwithstanding anything in these Bylaws to the contrary, no business shall be conducted at an annual meeting except in accordance with these procedures. The Chairman of an annual meeting shall, if the facts warrant, determine and declare to the meeting that business was not properly brought before the meeting and in accordance with these provisions, and if he should so determine, he shall so declare to the meeting and any such business not properly brought before the meeting shall not be transacted.

2.16 **Voting List.** At least eleven (11) days before each meeting of shareholders, a complete list of the shareholders entitled to vote at such meeting or any adjournment thereof, arranged in alphabetical order, with the address of and the type and number of shares held by each, shall be kept on file at the registered office of the Corporation and shall be subject to inspection of any shareholder during the whole time of the meeting. The share logs provided by the Corporation's transfer agent shall be prima facie evidence as to who are the shareholders entitled to examine such list. However, failure to prepare and to make available such list in the manner provided above shall not affect the validity of any action taken at the meeting. Alternatively, the list of shareholders may be kept on a reasonably accessible electronic network, if the information required to gain access to the list is provided with the notice of the meeting. The Corporation is not required to include any electronic contact information of any

shareholder on the list. If the Corporation elects to make the list available on an electronic network, the Corporation will take reasonable steps to ensure that the information is available only to shareholders of the Corporation. The list will be produced and kept open at the place and for the duration of the meeting and will be subject to inspection by any shareholder present. If the meeting is held by remote communication, the list must be open to the examination of any shareholder for the duration of the meeting on a reasonable accessible electronic network, and the information required to access the list must be provided to shareholders with the notice of the meeting.

2.17 **Votes Per Share.** Each outstanding share, regardless of class, shall be entitled to one vote on each matter submitted to a vote at a meeting of the shareholders, except to the extent that the voting rights of shares of any class or classes are limited by the Articles of Incorporation, as amended.

Table of Contents

2.18           **Cumulative Voting.** Directors shall be elected by a plurality vote. Cumulative voting shall not be permitted.

2.19           **Voting by Voice and Ballot.** Elections for Directors need not be by ballot unless a shareholder entitled to vote demands election by ballot at the election and before the voting begins.

2.20           **Proxies.** A shareholder may vote either in person or by proxy executed in writing by a shareholder entitled to vote or by his authorized attorney in fact. No proxy shall be valid after eleven (11) months from the date of its execution unless otherwise provided in the proxy. Each proxy shall be revocable unless expressly provided therein to be irrevocable, and in no event shall it remain irrevocable for a period of more than eleven (11) months. A telegram, telex, cablegram, or similar transmission by the shareholder or a photographic, photostatic, facsimile, or other similar reproduction of a writing executed by the shareholder will be treated as an execution in writing. Any electronic transmission must contain or be accompanied by information from which it can be determined that the transmission was authorized by the shareholder.

2.21           **Waiver of Notice.** Any notice required by law or these Bylaws may be waived by the execution by the person entitled to the notice of a written waiver of such notice, which may be signed before or after the time stated in the notice.

2.22           **Action Without Meeting.** Any action that may be taken at a meeting of the shareholders, may be taken without a meeting if authorized by a writing dated and signed by the shareholder or shareholders having not less than the minimum number of votes that would be necessary to take such action at a meeting at which the holders of all shares entitled to vote on the action were present and voted. The writing authorizing the action without a meeting must be filed with the President of the Corporation. An electronic transmission (if the Corporation can determine that the transmission was transmitted by the shareholder on the date it was transmitted) by a shareholder or reproduction of a writing signed by a shareholder is regarded as signed for the purposes of this Section of the Bylaws. Consent given by electronic communication is not regarded as delivered until it is reproduced in paper form and delivered to the Corporation. Any signed consent or consents, or a signed copy thereof, shall be placed in the Minute Book of the Corporation. Prompt notice of any action taken by shareholders without a meeting by less than unanimous written consent, if permitted, must be given to those shareholders who did not consent in writing to the action, but advance notice is not required.

2.23           **Conduct of Meetings.** At every meeting of the shareholders, the President, or in his absence, the Vice-President designated by the President, or in the absence of any such designation, a Chairman (who shall be one of the Vice-Presidents, if any is present) chosen by majority in interest of the shareholders of the Corporation present in person or by proxy and entitled to vote, shall act as Chairman. The Secretary of the Corporation, or in his absence, an Assistant Secretary, shall act as Secretary of all meetings of the shareholders. In the absence at such meeting of the

Secretary or Assistant Secretary, the Chairman may appoint another person to act as Secretary of the meeting.

2.24 **Telephone or Remote Communication Meetings.** Shareholders may participate in and hold a meeting by means of a conference telephone or other similar means of remote communication equipment so that all participants in the meeting can communicate with each other. Participation in such a meeting will constitute presence at the meeting, except when a person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened. If voting takes place at such a meeting, the Corporation must (A) implement reasonable measures to verify that each person considered present and permitted to vote at the meeting is a shareholder and (B) maintain a record of any vote or other action taken at the meeting.

ARTICLE III

DIRECTORS

3.1 **Directors Defined.** Directors when used in relation to any power or duty requiring collective action, means Board of Directors.

Table of Contents

3.2 **Powers.** The business and affairs of the Corporation and all corporate powers shall be exercised by or under authority of the Board of Directors, subject to limitation imposed by law the Articles of Incorporation, as amended, or these Bylaws as to action which requires authorization or approval by the shareholders.

3.3 **Number and Election of Directors.** The business and affairs of the Corporation shall be managed by a Board of Directors, which shall have and may exercise all of the powers of the Corporation, except such as are expressly conferred upon the Shareholders by law, by the Articles of Incorporation as amended or by these Bylaws. Subject to the rights of the holders of shares of any series of preferred stock then outstanding to elect additional Directors under specific circumstances, the Board of Directors shall consist of not less than three (3) nor more than twenty-one (21) persons. The exact number of Directors within the minimum and maximum limitations specified in the preceding sentence shall be fixed from time to time by either: (i) the Board of Directors pursuant to a resolution adopted by a majority of the entire Board of Directors, (ii) the affirmative vote of the holders of 66 2/3% or more of the voting power of all of the shares of the Corporation entitled to vote generally in the election of Directors, voting together as a single class, or (iii) the Articles of Incorporation, as amended. No decrease in the number of Directors constituting the Board of Directors shall shorten the term of any incumbent Director; provided, however, that the term of existing Directors may be shortened to comply with ~~the Corporation Act~~ Texas law. The Directors shall be divided into two classes, as nearly equal in number as possible, with the term of office of the first class to expire at the 2001 annual meeting of shareholders and the term of the second class to expire at the 2002 annual meeting of shareholders (an initial two (2) year term), and with the members of each class to hold office until their successors have been elected and qualified. At each annual meeting of shareholders following such initial classification and election, Directors, elected to succeed those Directors whose terms expire, shall be elected for a term of office for the class whose term of office expires at all such future annual meetings.

3.4 **Vacancies.** Vacancies in the Board of Directors shall exist in the case of the happening of any of the following events: (a) the death, resignation, or removal of any Directors; (b) the authorized number of Directors is increased; (c) at any annual, regular, or special meeting of shareholders at which any Director is elected, the shareholders entitled to vote fail to elect the full authorized number of Directors to be voted for at that meeting; or (d) the terms of Directors elected pursuant to dividend default voting rights end prior to a meeting of the shareholders.

3.5 **Declaration of Vacancy.** The Board of Directors may declare vacant the office of a Director in either of the following cases: (a) if he is adjudged incompetent by an order of court, or finally convicted of a felony; or (b) if within sixty (60) days after notice of his election, he does not accept the office either in writing or by attending a meeting of the Board of Directors.

3.6 **Filling Vacancies by Directors.** Vacancies of generally elected Directors may be filled by an affirmative vote of a majority of the remaining generally elected Directors, though less than a quorum, or by a sole remaining generally elected Director. Vacancies of Directors elected pursuant to a dividend default election by preferred shareholders shall be filled by the remaining Directors so elected. Each Director so elected shall hold office until his successor is elected at an annual, regular, or special meeting of the shareholders.

3.7 **Filling Vacancies by Shareholders Reduction of Authorized Number of Directors.** In the event a vacancy in the number of generally elected Directors or in the number of Directors elected pursuant to default dividend voting rights of preferred shareholders exists and is not filled by the appropriate remaining Directors, the vacancy may be filled by a vote of either the common stockholders or the holders of preferred shares with the right to elect the Director whose vacancy is being filled, as appropriate. If the Board of Directors accepts the resignation of a Director tendered to take effect at a future time, the appropriate remaining Directors failing to fill the vacancy within ten (10) days of the effective date of the resignation, the shareholders may elect a successor to take office unless the Board fills the vacancy prior to the shareholders' vote. A reduction of the authorized number of Directors does not remove any Director prior to the expiration of his term of office.

3.8 **Removal of Directors.** Any Director, or the entire Board of Directors, may be removed from office at any time only for cause and only by the affirmative vote of the holders of 66 2/3% or more of

Table of Contents

the voting power of all of the shares of the Corporation entitled to vote in the election of such Directors. Cause shall be exclusively defined to mean: (a) conviction of a felony, (b) proof of the gross negligence or willful misconduct of such Director which is materially detrimental to the Corporation, or (c) proof of a breach of fiduciary duty of such Director which is materially detrimental to the Corporation.

3.9 **Place of Meetings.** Regular meetings of the Board of Directors shall be held at any place within or without the State of Texas which has been designated from time to time by resolution of the Board or by written consent of all members of the Board. In the absence of such designation, regular meetings shall be held at the registered office of the Corporation. Special meetings of the Board may be held either at a place so designated or at the registered office. Any regular or special meeting is valid, wherever held, if held on written consent of all members of the Board given either before or after the meeting and filed with the Secretary of the Corporation.

3.10 **Regular and Special Meetings.** Regular meetings of the Board of Directors shall be held at such time and place as shall from time to time be determined by the Board. Special meetings of the Board of Directors shall be called by the President or if he is absent or is unable or refuses to act, by a Vice-President or by any two Directors.

3.11 **Notice of Meeting.** Written notice of the time and place of the regular or special meetings of the Board of Directors shall be delivered personally to each Director, or sent to each Director by mail or by other form of written communication at least two (2) days before the meeting. If the address of a Director is not shown on the records and is not readily ascertainable, notice shall be addressed to him at the city of place in which the meetings of the Directors are regularly held. Notice of the time and place of holding an adjourned meeting of a meeting need not be given to absent Directors if the time and place are fixed at the meeting adjourned.

3.12 **Call of Regular Meeting.** All regular meetings of the Board of Directors of this Corporation shall be called by the President, or, if he is absent or is unable or refuses to act, by any Vice-President or by any two Directors.

3.13 **Validation of Meeting Defectively Called or Noticed.** The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, are as valid as though had at a meeting duly held after regular call and notice, if a quorum is present, and if, either before or after the meeting, each of the Directors not present signs a waiver of notice, a consent to holding the meeting, or an approval of the minutes thereof. All such waivers, consents, or approvals shall be filed with the corporate records or made a part of the minutes of the meeting. Attendance by a Director at a meeting shall constitute a waiver of notice of the meeting, unless the express purpose for such attendance is to present the objection that the meeting is not lawfully called or convened.

3.14 **Quorum.** A majority of the authorized number of Directors constitutes a quorum of the Board for the transaction of business.

3.15 **Majority Action.** Every act or decision done or made by a majority of the Directors present at any meeting duly held at which a quorum is present is the act of the Board of Directors, unless an action of a greater number is required by the Articles of Incorporation, as amended, or these Bylaws. Each Director who is present at a meeting will be deemed to have assented to any action taken at such meeting unless his dissent to the action is entered in the minutes of the meeting, or unless he shall file his written dissent thereto with the Secretary of the meeting or shall forward such dissent by registered mail to the Secretary of the Corporation immediately after such meeting.

3.16 **Action by Consent of Board Without Meeting.** Any action required or permitted to be taken by the Board of Directors under the law shall individually or collectively be taken without a meeting, without prior notice and without a vote if a consent in writing to such action is signed by all members of the Board of Directors. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. Such action by written consent shall have the same force and effect as a unanimous vote of such Directors. A telegram, telex, cablegram, or other electronic transmission by a Director consenting to an action to be taken and transmitted by a Director is considered written, signed, and dated for the purposes of this Section if the transmission sets forth or is delivered with information from which the Corporation can determine that the transmission was transmitted by the Director and the date on which the Director

Table of Contents

transmitted the transmission. Any certificate or other document filed under the law which relates to action so taken shall state that the action was taken by unanimous written consent of the Board of Directors without a meeting and that these Bylaws authorize the Directors to so act, and such statement shall be prima facie evidence of such authority.

3.17 **Adjournment.** In the absence of a quorum, a majority of the Directors present may adjourn from time to time until the time fixed for the next regular meeting of the Board.

3.18 **Conduct of Meetings.** At every meeting of the Board of Directors, the Chairman of the Board of Directors, if there shall be such an Officer, and if not, the President, or in his absence a Vice-President designated by him, or in the absence of such designation, a Chairman chosen by a majority of the Directors present, shall preside. The Secretary of the Corporation shall act as Secretary of the Board of Directors. In case the Secretary shall be absent from any meeting, the Chairman may appoint any person to act as Secretary of the meeting.

3.19 **Indemnification of Directors and Officers.** The Board of Directors shall authorize the Corporation to pay or reimburse any present or former Director or Officer of the Corporation any costs or expenses actually and necessarily incurred by him in any action, suit, or proceeding to which he is made a party by reason of his holding such position; provided, however, that he shall not receive such indemnification if he be finally adjudicated therein to be liable for gross negligence. The indemnification herein provided shall also extend to good faith expenditures incurred in anticipation of, or preparation for, threatened or proposed litigation. The Board of Directors may, in proper cases, extend the indemnification to cover the good faith settlement of any such action, suit, or proceeding, whether formally instituted or not to the maximum extent permitted by law.

3.20 **Interested Directors.** Any contract or other transaction between the Corporation and any of its Directors (or any corporation or entity in which any of its Directors is directly or indirectly interested) shall be valid for all purposes notwithstanding the presence of such Director at the meeting authorizing such contract or transaction, or his participation in such meeting. The foregoing shall, however, apply only if the interest of each such Director is known or disclosed to the Board of Directors and it shall nevertheless authorize or ratify such contract or transaction by a majority of the Directors present, each such interested Director to be counted in determining whether a quorum is present, but not in calculating the majority necessary to carry such vote. This section shall not be construed to invalidate any contract or transaction which would be valid in the absence of this paragraph.

3.21 **Committees.** The Board of Directors, by an affirmative vote of a majority of the members constituting the Board of Directors, may appoint such committees which shall have and may exercise such powers as shall be conferred or authorized by resolution of the Board. However, no such committee shall have power or authority to take any action that is specifically required by statute to be taken by the entire Board of Directors. A majority of any such committee may determine its action and fix the time and place of its meetings unless the Board of Directors shall otherwise provide. The Board of Directors, by such affirmative vote, shall have power at any time to change the powers and members of such committee. In the absence or disqualification of any member of such committee or

committees, the member or members thereof present at any meeting and not disqualified from voting, whether or not he or they constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in the place of any such absent or disqualified member. Each committee shall keep regular minutes of its meetings and report the same to the Board of Directors when required. At meetings of any committee, a majority of the members of that committee constitutes a quorum for the transaction of business, and the act of a majority of the members present at any meeting at which a quorum is present will be the act of the committee, except as otherwise specifically provided by statute, the Articles of Incorporation, as amended, or these Bylaws. The designation of any committee of the Board of Directors and the delegation thereto of authority will not operate to relieve the Board of Directors or any member thereof of any responsibility imposed on the Board or the member by law.

3.22 **Telephone or Remote Communication Meetings.** Directors may participate in and hold a meeting by means of a conference telephone or other similar means of remote communication equipment so that all participants in the meeting can communicate with each other. Participation in such a meeting will constitute presence at the meeting, except when a person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called

or convened. If voting takes place at such a meeting, the Corporation must: (A) implement reasonable measures to verify that each person considered present and permitted to vote at the meeting is a Director and (B) maintain a record of any vote or other action taken at the meeting.

3.23           **Compensation of Directors.** Directors may receive compensation for their services and reimbursement for their expenses established by the Board of Directors, by resolution, provided that nothing herein will preclude any Director from serving the Corporation in any other capacity and receiving compensation for that service.

3.24           **Resignations.** A Director may resign at any time by giving written or electronic transmission of a notice to the Chairman of the Board of Directors. The resignation will take effect as of the date of the receipt of notice or any later time specified therein, and, unless otherwise specified, the acceptance of the resignation will not be necessary to make it effective.

ARTICLE IV

OFFICERS

4.1           **Number and Titles.** The Officers of the Corporation shall be a President, a Vice-President, a Secretary, and a Treasurer. The Corporation may also have, at the discretion of the Board of Directors, a Chairman of the Board, one or more additional Vice-Presidents, one or more Assistant Secretaries, one or more Assistant Treasurers, and such other Officers as may be appointed in accordance with the provisions of Section 4.3 of this Article. One person may hold two or more offices.

4.2           **Election.** The Officers of the Corporation, except such Officers as may be appointed in accordance with the provisions of Section 4.3 or Section 4.5 of this Article, shall be chosen by the Board of Directors, and each shall hold his office until he shall resign or shall be removed or otherwise disqualified to serve, or his successor shall be elected and qualified.

4.3           **Subordinate Officers.** The Board of Directors may appoint such other Officers or agents as the business of the Corporation may require, each of whom shall hold office for such period, have such authority, and perform such duties as are provided in these Bylaws or as the Board of Directors may from time to time determine. The Board of Directors may delegate to any Officer or committee the power to appoint any such subordinate Officers, committees, or agents, to specify their duties, and to determine their compensation.

4.4 **Removal and Resignation.** Any Officer may be removed, either with or without cause, by a majority of the Directors at any regular or special meeting of the Board, or, except in case of an Officer chosen by the Board of Directors, by any committee or Officer upon whom such power of removal may be conferred by the Board of Directors; provided, however, that such removal shall not be with prejudice to the contract rights, if any, of the person removed. Any Officer may resign at any time by giving written notice to the Board of Directors or to the President, or the Secretary of the Corporation. Any such resignation shall take effect at the date of the receipt of such notice or at any later time specified therein; and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

4.5 **Vacancies.** If the office of the President, Vice-President, Secretary, Treasurer, Assistant Secretary (if any), or Assistant Treasurer (if any) becomes vacant by reason of death, resignation, removal, or otherwise, the Board of Directors shall elect a successor who shall hold office for the unexpired term and until his successor is elected.

4.6 **Chairman of the Board.** The Chairman of the Board, if there shall be such an Officer, shall, if present, preside at all meetings of the Board of Directors and at all meetings of the shareholders and shall have the responsibility of directing and consulting with the President and supervising the President in the discharge of all of his duties hereafter specified in Section 4.7. Further, the Chairman of the Board is hereby authorized to exercise, in the absence of the President, the same authority and powers as are hereinafter vested in the President, except when otherwise required by law.

Table of Contents

4.7 **President.** Subject to the direction of the Board of Directors, and subject to the powers vested in the Chairman of the Board by these Bylaws, if there shall be such an Officer, the President shall be the Chief Executive Officer of the Corporation and, as such, shall be responsible for the general supervision, direction, and control of the business and Officers of the Corporation, and shall have the general powers and duties of management usually vested in the office of the President of a corporation, by the Board of Directors or the Bylaws. Within this authority and in the course of his duties he shall:

certificated shares prior to their issuance and to any documents, the execution of which on behalf of the Corporation under its seal is required and duly authorized in accordance with the provisions of these Bylaws.

(g) **Share Register.** Monitor the share register kept by the Corporation's transfer agent showing the names of the shareholders and their addresses; the number, date of issue, and class of shares represented by each outstanding share certificate; and the number and date of cancellation of each certificate surrendered for cancellation, and all relevant information for holders of uncertificated shares. In the event the Corporation has no transfer agent, the Secretary will maintain the above mentioned records at the principal office of the Corporation.

(h) **Reports and Statements.** See that the books, reports, statements, certificates, and all other documents and records required by law are properly kept and filed.

4.11 **Treasurer.** The Treasurer shall:

(h) **Bond.** Give to the Corporation a bond, if required by the Board of Directors or by the President, in a sum, and with one or more sureties, or a surety company satisfactory to the Board, for the faithful performance of the duties of his office and for the restoration to the Corporation, in case of his death, resignation, retirement, or removal from office, of all books, papers, vouchers, money, and other property of whatever kind in his possession or under his control belonging to the Corporation.

(i) **Other Duties.** In general, perform all the duties incident to the office of Treasurer and such other duties as from time to time may be assigned to him by the Board of Directors.

4.12 **Assistant Treasurer.** The Assistant Treasurer, if required to do so by the Board of Directors, shall give bond for the faithful discharge of his duties, in such sum, and with such sureties as the Board of Directors shall require. At the request of the Treasurer, or in his absence or disability, the Assistant Treasurer designated as set forth in the preceding Section 4.11(j) of these Bylaws shall perform all of the duties of the Treasurer, and when so acting, he shall have all the powers of, and be subject to all the restrictions on, the Treasurer. He shall perform such other duties as from time to time may be assigned to him by the Board of Directors or the Treasurer.

4.13 **Salaries.** The salaries of the Officers shall be fixed from time to time by the Board of Directors, and no Officer shall be prevented from receiving such salary by reason of the fact that he is also a Director of the Corporation.

ARTICLE V

EXECUTION OF INSTRUMENTS AND DEPOSIT OF FUNDS

5.1 **Authority for Execution of Instruments.** The Board of Directors, except as otherwise provided in these Bylaws, may authorize any Officer or Officers, agent or agents, to enter into any contract or execute and deliver any instrument in the name of and on behalf of the Corporation, and such authority may be general or confined to specific instances; and unless so authorized, no Officer, agent or employee other than the President shall have any power or authority to bind the Corporation by any contract or engagement or to pledge its credit or to render it liable pecuniarily for any purpose or in any amount.

5.2 **Execution of Instruments.** Unless otherwise specifically determined by the Board of Directors or otherwise required by law, formal contracts of the Corporation, promissory notes, mortgages, and other evidence of indebtedness of the Corporation, and other corporate instruments or documents, and certificated shares of stock owned by the Corporation, shall be executed, signed, or endorsed by the President or a Vice-President and by the Secretary or the Treasurer, or any Assistant Secretary or Assistant Treasurer, and may have the corporate seal affixed thereto.

Table of Contents

5.3 **Bank Accounts and Deposits.** All funds of the Corporation shall be deposited from time to time to the credit of the Corporation with such banks, trust companies, or other depositories as the Board of Directors may select or as may be selected by any Officer or Officers, agent or agents of the Corporation to whom such power may be delegated from time to time by the Board of Directors.

5.4 **Endorsements Without Countersignature.** Endorsements for deposit to the credit of the Corporation in any of its duly authorized depositories may be made without countersignature by the President or any Vice-President, or the Treasurer or any Assistant Treasurer, or by any other Officer or agent of the Corporation to whom the Board of Directors, by resolution, shall have delegated the power, or by hand stamped impression in the name of the Corporation.

5.5 **Signing of Checks, Drafts, Etc.** All checks, drafts, or other orders for payment of money, notes, or other evidences of indebtedness, issued in the name of or payable to the Corporation shall be signed or endorsed by such person or persons and in such manner as shall be determined from time to time by the Chief Executive Officer and the Treasurer.

ARTICLE VI

ISSUANCE AND TRANSFER OF CERTIFICATED AND UNCERTIFICATED SHARES

6.1 **Classes and Series of Shares.** The Corporation may issue shares with such preferences, rights, privileges, and restrictions as stated in the Articles of Incorporation, as amended.

6.2 **Form of Shares.** The shares of the Corporation may be either certificated shares or uncertificated shares or a combination thereof. A resolution approved by a majority of the Board of Directors may provide that some or all of any or all classes and series of the shares of the Corporation will be uncertificated shares. If the Corporation changes to uncertificated shares after certificates have been issued, a certificated ownership interest subject to the change becomes an uncertificated ownership interest only after the certificate is surrendered to the Corporation.

6.3 **Certificates for Fully Paid Shares.** Neither certificated nor uncertificated shares may be issued by the Corporation until the full amount of the consideration has been paid. When such consideration has been paid to the

Corporation, the shares shall be deemed to have been issued and the certificate, or similar documentation in the case of uncertificated shares, representing such shares shall be issued to the shareholder.

6.4 **Fractional Shares.** The Corporation may, but shall not be obligated to, issue a certificate, or similar documentation in the case of uncertificated shares, for a fractional share, and the Board of Directors may, in lieu thereof, arrange for the disposition thereof by those entitled thereto, by paying the fair value in cash or issuing scrip in registered or bearer form which shall entitle the holder to receive a certificate, or similar documentation in the case of uncertificated shares, for a full share only upon the surrender of such scrip aggregating a full share. A certificate, or similar documentation in the case of uncertificated shares, for a fractional share shall, but scrip shall not, unless otherwise provided herein, entitle the holder to exercise voting rights, to receive dividends, or to participate in any of the assets of the Corporation in the event of liquidation. Such scrip, if issued, shall become void if not exchanged for certificates, or similar documentation in the case of uncertificated shares, representing full shares within one year after its issue, or such scrip may be subject to the condition that the shares for which it is exchangeable may be sold by the Corporation and the proceeds thereof distributed to the holders of such scrip, and the same may be subject to any other conditions which the Board of Directors may deem advisable.

6.5 **Consideration for Shares.** The consideration paid for the issuance of shares may consist of money paid, labor done, property actually received, promissory notes or the promise of future services.

6.6 **Contents of Share Certificates.** Certificates for shares, or similar documentation in the case of uncertificated shares, shall be of such form and style, printed or otherwise, as the Board of Directors may designate, and each certificate, or similar documentation in the case of uncertificated shares, shall state all of the following facts:

Table of Contents

- (a) That the Corporation is organized under the laws of the State of Texas;
- (b) The name of the person to whom issued;
- (c) The number and class of shares and the designation of the series, if any, which such certificate represents; and
- (d) The par value of each share represented by such certificate or similar documentation in the case of uncertificated shares, or a statement that the shares are without par value.

6.7 **Restriction on Transfer.** Any restrictions imposed by the Corporation on the sale or other disposition of its shares and on the transfer thereof must be copied at length or in summary form on the face of each certificate representing shares to which the restriction applies or similar documentation in the case of uncertificated shares. The certificate may, however, state on the face or back that such a restriction exists pursuant to a specified document and that the Corporation will furnish a copy of the document to the holder of the certificate without charge upon written request to the Corporation at its principal place of business.

6.8 **Preemptive Rights.** In the case of certificated shares, any preemptive rights of a shareholder to acquire unissued or treasury shares of the Corporation which are limited or denied by the Articles of Incorporation, as amended, must be set forth at length on the face or back of the certificate representing shares subject thereto. In lieu of providing such a statement in full on the certificate, a statement on the face or back of the certificate may provide that the Corporation will furnish such information to any shareholder without charge upon written request to the Corporation at its principal place of business and that a copy of such information is on file in the office of the Secretary of State.

6.9 **Signing Certificates Facsimile Signatures.** All certificated shares shall be signed by the President or a Vice-President and the Secretary or an Assistant Secretary. The signatures of the President or Vice-President, Secretary or Assistant Secretary may be facsimiles if the certificate is countersigned by a transfer agent or registered by a registrar either of which is not the Corporation itself or an employee of the Corporation. If the Officer who has signed or whose facsimile signature has been placed on the certificate has ceased to be such Officer before the certificate is issued, the certificate may be issued by the Corporation with the same effect as if he were such Officer at the date of its issuance.

6.10 **Transfer of Lost or Destroyed Shares.** In the case of certificated shares, where a share certificate has

been lost, apparently destroyed, or wrongfully taken and the owner fails to notify the Corporation of that fact within a reasonable time after he has notice of it, and the Corporation registers a transfer of the share represented by the certificate before receiving such a notification, the owner is precluded from asserting against the Corporation any claim for registering the transfer or any claim to a new certificate.

6.11           **Replacement of Lost or Destroyed Certificates.** In the case of certificated shares, where the holder of a share certificate claims that the certificate has been lost, destroyed, or wrongfully taken, the Corporation shall issue a new certificate in place of the original certificate if the owner so requests (before the Corporation has notice that the share has been acquired by a bona fide purchaser) and files with the Corporation a sufficient indemnity bond and satisfies any other reasonable requirements imposed by the Board of Directors.

6.12           **Transfer After Replacement.** If, after the issue of a new security as a replacement for a lost, destroyed, or wrongfully taken certificated security, a bona fide purchaser of the original certificate presents it for registration or transfer, the Corporation must register the transfer unless registration would result in overissue. In addition to any rights on the indemnity bond, the Corporation may recover the new security from the person to whom it was issued or any person taken under him except a bona fide purchaser.

6.13           **Transfers of Shares.** Certificated shares of the Corporation will only be transferred on its books upon the surrender to the Corporation of the share certificates duly endorsed or accompanied by proper evidence of succession, assignment, or authority to transfer. The surrendered certificates shall be canceled, new certificates issued to the person entitled to them, and the transaction recorded on the books

of the Corporation. Uncertificated shares will only be transferred on the books of the Corporation upon the written instruction from the registered or beneficial owner of such uncertificated shares or from a duly authorized attorney, or from an individual presenting proper evidence of succession, assignment, or authority to transfer the stock.

6.14 **Transfer Agents and Registrars.** The Board of Directors may appoint one or more transfer agents or transfer clerks, and one or more registrars which shall preferably be an incorporated bank or trust company, either domestic or foreign, who shall be appointed at such times and places as the requirements of the Corporation may necessitate and the Board of Directors may designate.

6.15 **Deemed Ownership.** A person in whose name shares of stock stand on the books of the Corporation shall be deemed the owner thereof as regards the Corporation.

6.16 **Reasonable Doubts as to Right to Transfer.** When a transfer of shares is requested and there is reasonable doubt as to the right of the person seeking the transfer, the Corporation or its transfer agent, before recording the transfer of the shares on its books or issuing any certificate therefor, or similar documentation in the case of uncertificated shares, may require from the person seeking the transfer reasonable proof of his right to the transfer. If there remains a reasonable doubt for the right to the transfer, the Corporation may refuse a transfer unless the person gives adequate security or a bond or indemnity executed by a corporate surety or by two individual sureties satisfactory to the Corporation as to form, amount, and reasonability of sureties. The bond shall be conditioned to protect the Corporation, its Officers, transfer agents, and registrars, or any of them, against any loss, damage, expenses, or other liability to the owner of the issuance of new shares.

ARTICLE VII

AMENDMENT OF BYLAWS

8.1 **Adoption, Amendment, or Repeal of Bylaws by Directors.** These Bylaws may be altered, amended, or repealed, and new Bylaws may be adopted by the affirmative vote of a majority of either the Board of Directors or the shareholders, present at any meeting at which a quorum of each respective body is present, provided that notice of the proposed alteration, amendment, repeal, or adoption shall be contained in the notice of the meeting. This power to alter, amend, or repeal the Bylaws, and to adopt new Bylaws, may be modified or divested by action of shareholders representing a majority of the voting common stock of the Corporation taken at any regular or special meeting of the shareholders. ~~Notwithstanding any other provision contained in these Bylaws to the contrary, Section 2.1, 2.2, 2.3, 2.4, 2.7, 2.8 and 2.19 of Article II, Section 3.3 and 3.8 of Article III, and this Article VIII of these Bylaws may be amended, supplemented, or repealed only by the affirmative vote of 66 2/3% or more of all of the shares of the Corporation entitled to vote generally in the election of Directors, voting together as a single class.~~
