These forward looking statements include but are not limited to comments with respect to the objectives and strategies, financial condition, results of operations and business of the Registrant.*

*These forward looking statements involve numerous assumptions, inherent risks and uncertainties, both general and specific, and the risk that predictions and other forward looking statements will not be achieved. The Registrant cautions you not to place undue reliance on these forward looking statements as a number of important factors could cause actual future results to differ materially from the plans, objectives, expectations, estimates and intentions expressed in such forward looking statements.*

**Item 3.03. Material Modification to Rights of Securityholders.**

As previously disclosed in a Current Report on Form 8-K filed by the Registrant on September 21, 2009, the Registrant entered into a stock purchase agreement on September 21, 2009 (the "Stock Purchase Agreement") with all of the members of its board of directors, several of its executive officers and certain other accredited investors. The Stock Purchase Agreement provides for the purchase and sale of 393 shares of a new series of mandatorily convertible preferred stock of the Registrant in a private placement exempt from registration pursuant to Section 4(2) of the Securities Act of 1933, as amended. The mandatorily convertible preferred stock, which has been designated the Series A Convertible Cumulative Preferred Stock (the "Series A Convertible Preferred Stock"), has a liquidation preference of \$100,000 per share.

As a result of the Registrant's expected issuance of the Series A Convertible Preferred Stock on October 29, 2009, the ability of the Registrant to declare or pay dividends or distributions on, or purchase, redeem or otherwise acquire for consideration, shares of its common stock will be subject to certain restrictions, including a restriction on paying dividends on its common stock for a period unless all accrued and unpaid dividends for all past dividend periods on all outstanding shares of Series A Convertible Preferred Stock have been or are contemporaneously declared or paid in full. Such restrictions are set forth in the Certificate of Designation described in Item 5.03. Further, upon the liquidation, winding-up and dissolution of the Registrant, holders of the Registrant's Series A Convertible Preferred Stock will have a preferential claim over holders of common stock to the Registrant's net assets equal to \$100,000 per share, or \$39.3 million in the aggregate, plus the amount of any accrued and unpaid dividends on the Series A Convertible Preferred Stock, whether or not declared.

**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**
