Item 2.02 Results of Operations and Financial Condition.

On January 8, 2010, Cycle Country Accessories Corp. (the Company) issued a press release announcing that it would not be able to file its annual report on Form 10-K by the extended deadline of January 13, 2010. The press release also discloses that the previously issued financial statements for the first three quarters of fiscal 2009 should not be relied upon because of certain errors in those financial statements resulting from the matters discussed below in this report. A copy of the press release is attached to this report as Exhibit 99.1.

Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

With the resignation of one of its independent directors and its report that it will not be able to file its annual report on Form 10-K by the extended deadline of January 13, 2010, the Company believes it is presently out of compliance with Section 610 and Section 8.02(a) of the Company Guide for NYSE AMEX, LLC (the Exchange). The Company has disclosed and discussed the matters contained in this report with the Exchange and is working to develop a plan to remedy these items.

Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

The Company has determined that it will not be able to file its annual report on Form 10-K by the extended deadline of January 13, 2010 and that the previously issued financial statements for the first three quarters of fiscal 2009 should not be relied upon. The Company is working with its auditors to complete and file restatements of its fiscal 2009 quarterly reports and annual report on Form 10-K. The Company currently estimates that it will complete these filings within 60 to 90 days.

For the first fiscal quarter of 2009, the Company reported the acquisition by the Company of 747,250 shares of its own stock, which represented approximately 10-12% of the Company's outstanding shares, at an average cost of \$.72 per share price for a total cost of \$570,000 in cash during the quarter ending December 31, 2008 (the Stock Buyback).

In the process of completing the audit of its financial statements for the fiscal year ended September 30, 2009, the Company was unable to obtain satisfactory documentation and other evidence relating to the Stock Buyback. L.G. (Bob) Hancher, Jr., the then-Chairman of the Company's Board of Directors and the then-Chairman of the Audit Committee, had recommended the Stock Buyback and undertook to complete it on the Company's behalf. Mr. Hancher had previously reported to the Company and its auditors that he had completed the Stock Buyback on the terms disclosed in the Company's filings. In the process of investigating matters relating to the Stock Buyback, a number of irregularities surrounding the purported transactions surfaced.

In response to ongoing inquiries from management for appropriate documentation on the use of \$570,000 in cash provided by the Company to complete the Stock Buyback, the Company received a letter from Mr. Hancher on January 6, 2010 that stated that \$400,000 of the \$570,000 in funds advanced to him by the Company were not used to purchase shares of Company stock. The Company is continuing to investigate the details of the use of the remaining \$170,000 transferred to complete the Stock Buyback.

Edgar Filing: CYCLE COUNTRY ACCESSORIES CORP - Form 8-K

As a result of the actions of Mr. Hancher, the number of outstanding shares was incorrectly reported in the Company's quarterly reports for 2009 on Form 10-Q. Consequently, financial information calculated based on the total number of shares, including earnings per share data, is also incorrectly stated and potentially misleading. In addition, the Company is evaluating other appropriate changes to its financial statements.

Neither the Company's ongoing operations nor its liquidity in current operations are impacted by these transactions. This transaction was undertaken as a long-term capital investment and was funded with cash on hand that management did not believe was needed in its current operations.

The Company is in the process of confirming the facts surrounding the circumstances described above. Until this review is complete, the Company will not be able to fully assess the impact of these actions on the Company. The Company is working diligently to complete its assessment in the near term. Accordingly, estimates noted above are subject to change. The Company will be restating the financial statements and related reports for the impacted quarters to correct the associated errors and misstatements contained in such reports. The matters contained in this report have been discussed with the Company's auditors.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

The Company received Mr. Hancher's resignation from the Board of Directors on January 6, 2010. Mr. Hancher served as the Chairman of the Board of Directors and the Audit Committee. Mr. Hancher has disclosed no disagreement with the Company on any matter relating to the Company's operations, policies or practices. The Company is providing Mr. Hancher with a copy of our disclosure in this Item 5.02 today. As of the time of this filing, Mr. Hancher has not provided a statement about whether or not he agrees with the information set forth herein or whether or not he plans to provide such a statement.

Item 8.01 Other Events.

The Company has determined that it will not be able to file its annual report on Form 10-K by the extended deadline of January 13, 2010 is in the process of restating the financial statements and related reports for the first three quarters of fiscal 2009 to correct the associated errors and misstatements related to the matters reported herein. The Company is also evaluating its internal controls, as well as the impact of these events, if any, on its prior filings.
