Item 1.01 Entry into a Material Definitive Agreement.

On February 10, 2010, Agilent Technologies, Inc., a Delaware corporation (Agilent), entered into an Asset Purchase Agreement (the Asset Purchase Agreement) with JDS Uniphase Corporation, a Delaware corporation (JDSU). Under the terms of the Asset Purchase Agreement, JDSU will acquire substantially all of the assets of Agilent and its affiliates that relate to the design, development, research, manufacture, supply, distribution, sale, support and maintenance of the Agilent Network Protocol Test Products, Agilent Wireless Drive Test Systems and Agilent Network Service Assurance and Test Systems (excluding the Agilent N2X and Agilent Network Tester products) and the provision of services relating to such products (the Business), and assume certain liabilities of Agilent relating to the Business, for a cash purchase price of \$165 million, subject to a post-closing working capital adjustment.

The acquisition is scheduled to close, subject to certain customary closing conditions, upon the receipt of customary government approvals related to anti-trust and competition laws. If the closing has not occurred by August 2, 2010, which may be extended to September 2, 2010 under certain circumstances, either party may terminate the Asset Purchase Agreement without penalty.

Under the Asset Purchase Agreement, JDSU will offer employment to the employees of the Business. JDSU and Agilent have also entered into a Transition Services Agreement under which Agilent will provide to JDSU, for agreed upon fees and beginning on the date of the closing, certain services through June 30, 2010 and certain other services through August 31, 2010 (subject to earlier termination by JDSU under certain circumstances).

The Asset Purchase Agreement contains customary representations, warranties and covenants. Each party has agreed to indemnify the other for (i) subject to certain limitations, losses arising out of breaches of representations, warranties and covenants in the Asset Purchase Agreement and in certain related documents and (ii) liabilities that, in the case of JDSU, are excluded from the transaction and, in the case of Agilent, are assumed by JDSU.

Agilent expects to file a copy of the Asset Purchase Agreement as an exhibit to its Form 10-Q for the quarter ending January 31, 2010. We encourage you to read the Asset Purchase Agreement for a more complete understanding of the transaction. The foregoing description of the Asset Purchase Agreement is qualified in its entirety by reference to the full text of the Asset Purchase Agreement.

On February 11, 2010, Agilent issued a press release announcing the entry into the Asset Purchase Agreement, a copy of which is furnished as Exhibit 99.1 to this Current Report on Form 8-K.
