**Items to be Included in this Report**

**Item 1.01. Entry into a Material Definitive Agreement**

As previously announced on a Current Report on Form 8-K filed on July 15, 2010, Thompson Creek Metals Company Inc. (the Company) announced the execution of a definitive agreement pursuant to which the Company will acquire all of the issued and outstanding equity of Terrane Metals Corp. (Terrane). The acquisition transaction will be implemented by way of a court-approved plan of arrangement under British Columbia law (the Arrangement). Following the announcement of the Arrangement, pursuant to a letter agreement dated August 20, 2010 (the Letter Agreement), the Company and Terrane have agreed to a revised form of plan of arrangement that was attached as Exhibit B to the Arrangement Agreement, dated July 15, 2010, by and among the Company and Terrane (originally included as Exhibit 2.1 to the Company's Current Report on Form 8-K filed with the United States Securities and Exchange Commission on July 21, 2010). Among other changes, the revised form of plan of arrangement specifies the consideration to be received in lieu of the issuance of fractional shares by the Company and includes certain technical and clean-up changes.

The Letter Agreement with Terrane, which includes the revised form of plan of arrangement is attached as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated into this Item 1.01 disclosure by reference.

**Item 7.01. Regulation FD Disclosure**

In connection with the Arrangement, a Notice of Special Meeting and Management Information Circular (the Circular) will be mailed to the common shareholders and optionholders of Terrane containing, among other things, pro forma financial statements of the Company and information regarding the employment agreements with certain Terrane employees following the Arrangement.

The pro forma financial statements of the Company included in the Circular are attached hereto as Exhibit 99.1. The pro forma financial statements contained in the Circular are not intended to replace the pro forma financial information required by Items 2.01 and 9.01 of Form 8-K, which the Company intends to file at the appropriate time.

Terrane has written employment agreements with the following officers of Terrane: (i) Robert Pease, President and Chief Executive Officer, (ii) Basil Huxham, Chief Financial Officer, (iii) Peter Marshall, Senior Vice President Project Development, (iv) Paul Hosford, Vice President Engineering, and (v) Darren O'Brien, Vice President Exploration. These agreements contain change of control provisions entitling the executive to receive a lump sum payment from Terrane if such executive chooses to resign and terminate their employment with Terrane within 46 days of a change of control occurring. The transactions contemplated by the Arrangement will constitute a change of control of Terrane for purposes of these agreements. The Terrane Board of Directors has determined that the Arrangement will result in lump sum payments aggregating approximately \$1.2 million being paid to these executive officers of Terrane following completion of the Arrangement. As of the date of this Current Report on Form 8-K, Mr. Pease, Mr. Huxham and Mr. Marshall have informed Thompson Creek that they intend to exercise their right to terminate their employment and receive aggregate payments of \$926,500. All references in this Current Report on Form 8-K to sums of money are expressed in Canadian dollars.
