PROXY STATEMENT

FOR THE 2011 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD SEPTEMBER 16, 2011

General

These proxy materials and the enclosed proxy card are being furnished in connection with the solicitation of proxies by the Board of Directors of Iteris, Inc., a Delaware corporation (Iteris or the Company), to be voted at the 2011 Annual Meeting of Stockholders (the Annual Meeting) to be held on September 16, 2011 and at any adjournment(s) or postponement(s) of the meeting. The Annual Meeting will be held at 10:00 a.m. Pacific Time, at our principal executive offices located at 1700 Carnegie Avenue, Suite 100, Santa Ana, CA 92705. These proxy materials and the form of proxy are expected to be mailed to our stockholders who are entitled to vote at the Annual Meeting on or about August 4, 2011.

Purpose of Meeting

The specific proposals to be considered and acted upon at the Annual Meeting are summarized in the accompanying Notice of the Annual Meeting of Stockholders and are described in more detail in this proxy statement.

Internet Availability of Materials

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE STOCKHOLDER MEETING TO BE HELD ON SEPTEMBER 16, 2011: The proxy statement, proxy card, and Annual Report on Form 10-K for the fiscal year ended March 31, 2011 (the Annual Report) are available at www.edocumentview.com/ITI, or at www.envisionreports.com/ITI for registered holders (Internet voting included).

Voting Rights

Edgar Filing: ITERIS, INC. - Form DEF 14A

The record date for determining those stockholders who are entitled to notice of, and to vote at, the Annual Meeting has been fixed as July 20, 2011. At the close of business on the record date, 34,379,076 shares of our common stock, par value \$0.10 per share, were outstanding and no shares of our preferred stock were outstanding. Each stockholder is entitled to one vote for each share of common stock held by such stockholder as of the record date.

The presence in person or by proxy of the holders of a majority of the outstanding shares of the common stock entitled to vote will constitute a quorum for the transaction of business at the Annual Meeting. If a quorum is not present, the Annual Meeting will be adjourned until a quorum is obtained.

In the election of directors under Proposal One, directors will be elected by a plurality of the common stock entitled to vote and present in person or represented by proxy at the Annual Meeting, unless cumulative voting is in effect. Pursuant to our bylaws, no stockholder is entitled to cumulate his or her votes for candidates other than those whose names have been placed in nomination prior to the commencement of voting and unless at least one stockholder has given notice prior to commencement of voting of his or her intention to cumulate votes. If any stockholder has given such notice, then each stockholder may cumulate votes by multiplying the number of shares of common stock the stockholder is entitled to vote by the number of directors to be elected. The number of cumulative votes thus determined may be voted all for one candidate or distributed among several candidates, at the discretion of the stockholder. The candidates receiving the highest number of votes, up to the number of directors to be elected, will be elected. If cumulative voting is in effect, the persons named in the accompanying proxy will vote the shares of common stock covered by proxies received by them (unless authority to vote for directors is withheld) among the named candidates as they determine.

Edgar Filing: ITERIS, INC. - Form DEF 14A

With regard to Proposal Two, the affirmative vote of the holders of a majority of our common stock present or represented by proxy and entitled to vote at the Annual Meeting is being sought.

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions, and broker non-votes. Broker non-votes occur when brokers who hold stock in street name return proxy cards stating that they do not have authority to vote the stock which they hold on behalf of beneficial owners. Abstentions and broker non-votes are counted as present for purposes of determining the presence or absence of a quorum for the transaction of business. Abstentions will be counted towards the tabulations of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes will not be counted for purposes of determining whether a proposal has been approved.

Voting

You may vote by one of three ways: (i) by mail, (ii) electronically over the Internet or by telephone, or (iii) by ballot in person at the Annual Meeting. If you are a registered holder (i.e., your shares are registered in your own name through our transfer agent), you may vote by returning a completed proxy card in the enclosed postage-paid envelope or through the Internet at www.envisionreports.com/ITI. If your shares are held in street name (i.e., your shares are held in the name of a brokerage firm, bank or other nominee), in lieu of a proxy card you should receive a voting instruction form from that institution by mail. The voting instruction form should indicate whether the institution has a process for beneficial holders to vote over the Internet or by telephone. Stockholders who vote over the Internet or by telephone need not return a proxy card or voting instruction form by mail, but may incur costs, such as usage charges, from telephone companies or Internet service providers. If your voting instruction form does not reference Internet or telephone information, please complete and return the paper voting instruction form in the self-addressed, postage-paid envelope provided.

If you are a registered holder, you may also vote your shares in person at the Annual Meeting. If your shares are held in street name and you wish to vote in person at the meeting, you must obtain a proxy issued in your name from the record holder and bring it with you to the Annual Meeting. We recommend that you vote your shares in advance as described above so that your vote will be counted if you later decide not to attend the Annual Meeting.

Proxies

Please use the enclosed proxy card to vote by mail. If your shares are held in street name, then in lieu of a proxy card you should receive from that institution an instruction form for voting by mail, the Internet or by telephone. Should you receive more than one proxy card or voting instruction form because your shares are held in multiple accounts or registered in different names or addresses, please be sure to complete, sign, date, and return each proxy card or voting instruction form to ensure that all of your shares will be voted. Only proxy cards and voting instruction forms that have been signed, dated, and timely returned (or otherwise properly voted by Internet or telephone) will be counted in the quorum and voted. Properly executed proxies will be voted in the manner directed by the stockholders. If the proxy does not specify how the shares represented thereby are to be voted, the proxy will be voted FOR the election of the directors proposed by our Board of Directors (the Board) under Proposal One unless the authority to vote for the election of any director is withheld and, if no contrary instructions are given, the proxy will be voted FOR the approval of each of the other proposals as described in this proxy statement and the accompanying notice.

The enclosed proxy also grants the proxy holders discretionary authority to vote on any other business that may properly come before the Annual Meeting as well as any procedural matters. We have not been notified by any stockholder of his or her intent to present a stockholder proposal at the Annual Meeting.

Edgar Filing: ITERIS, INC. - Form DEF 14A

If your shares are held in your name, you may revoke or change your vote at any time before the Annual Meeting by filing a notice of revocation or another signed proxy card with a later date with our Secretary at our principal executive offices. If your shares are held in street name, you should contact the record holder to obtain instructions if you wish to revoke or change your vote before the Annual Meeting. If you attend the Annual Meeting and vote by ballot, any proxy that you submitted previously to vote the same shares will be revoked automatically and only your vote at the Annual Meeting will be counted. *Please note, however, that if your shares are held in street name, your vote in person at the Annual Meeting will not be effective unless you have obtained and present a proxy issued in your name from the record holder.* Attendance at the Annual Meeting will not, by itself, revoke a proxy.

Solicitation

The enclosed proxy is being solicited by our Board of Directors. We will bear the entire cost of proxy solicitation, including the costs of preparing, assembling, printing, and mailing this proxy statement, the proxy card, and any additional material furnished to the stockholders. Copies of the solicitation materials will be furnished to brokerage houses, fiduciaries, and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. In addition, we may reimburse such persons for their reasonable expenses in forwarding the solicitation materials to the beneficial owners. The original solicitation of proxies by mail may be supplemented by a solicitation by personal contact, telephone, facsimile, e-mail or any other means by our directors, officers, or employees. No additional compensation will be paid to these individuals for any such services.

In the discretion of management, we reserve the right to retain a professional firm of proxy solicitors to assist in solicitation of proxies. Although we do not currently expect to retain such a firm, we estimate that the fees of such firm would range from \$5,000 to \$20,000 plus out-of-pocket expenses, all of which would be paid by us.

PROPOSAL ONE:

ELECTION OF DIRECTORS

Our bylaws provide for a Board of Directors consisting of not less than seven nor more than eleven members. The exact number may be changed, within such limits, by a resolution duly adopted by the Board or by the stockholders. The number of directors constituting the full Board is currently set at eight. One of the current directors will not be standing for re-election at the Annual Meeting, and the size of the Board will be reduced to seven persons as of the Annual Meeting. All directors are elected annually and hold office until the next annual meeting of stockholders and until their successors are duly elected and qualified.

On the recommendation of the Nominating and Corporate Governance Committee, our Board of Directors selected and approved the following persons as nominees for election at the Annual Meeting: Richard Char, Kevin C. Daly, Ph.D., Gregory A. Miner, Abbas Mohaddes, Joel Slutzky, Thomas L. Thomas and Mikel Williams. Each nominee for election is currently a member of our Board of Directors and has agreed to serve if elected. We have no reason to believe that any of the nominees will be unavailable to serve. In the event any of the nominees named herein is unable to serve or declines to serve at the time of the Annual Meeting, the persons named in the enclosed proxy will exercise discretionary authority to vote for substitutes. Unless otherwise instructed, the proxy holders will vote the proxies received by them FOR the nominees named above.

Stockholder Approval

The seven candidates receiving the highest number of affirmative votes, present in person or represented by proxies and entitled to vote at the Annual Meeting, will be elected as our directors. However, if cumulative voting is in effect, the proxy holders will have the right to cumulate and allocate votes among those nominees standing for election as such proxy holders in their discretion elect.

Recommendation of the Board of Directors

Our Board of Directors recommends a vote FOR the seven director nominees listed above.

Directors and Nominees

The table and narrative below set forth information as of July 1, 2011 regarding each director and director nominee, including the year they first became directors, business experience during at least the past five years, public company boards they currently serve on or have served on during the past five years, and certain other biographical information and attributes that the Nominating and Corporate Governance Committee determined qualify them to serve as directors. The Nominating and Corporate Governance Committee believes that the directors and director nominees have the following other key attributes that are important to an effective board of directors: integrity and demonstrated high ethical standards; sound judgment; analytical skills; the ability to engage management and each other in a constructive and collaborative fashion; diversity of experience and thought; and the commitment to devote significant time and energy to service on the Board and its committees.

Family Relationships

There are no family relationships among any of our directors, director nominees, or executive officers.

CORPORATE GOVERNANCE

Code of Ethics and Business Conduct

Our Board of Directors has adopted a Code of Ethics and Business Conduct which applies to all directors, officers (including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions) and employees. The full text of our Code of Ethics and Business Conduct is available on the Investor Relations section of our website at www.iteris.com. We intend to disclose future amendments to certain provisions of the Code of Ethics and Business Conduct, and any waivers of provisions of the Code of Ethics required to be disclosed under the rules of the Securities and Exchange Commission (SEC), at the same location on our website.

Director Independence

Our policy is to have at least a majority of the directors qualify as independent under the listing standards of NYSE Amex. The Board of Directors has determined that Messrs. Char, Daly, Miner, Seazholtz, Slutzky, Thomas and Williams each satisfy the requirements for independence under such listing standards.

Board Structure

The Board does not have a policy regarding the separation of the roles of the CEO and Chairman of the Board as the Board believes it is in the best interest of the Company to make that determination based on the position and direction of the Company and the membership of the Board from time to time. However, the Board has determined that having an independent director serve as the Chairman is currently in the best interest of our stockholders in recognition of the different demands and responsibilities of the roles and to emphasize the independence of the role of Chairman. The Board also meets regularly in executive sessions.

Board Meetings and Committees

We currently have several standing committees of the Board of Directors, including the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee. The Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee each has a written charter that is reviewed annually and revised as appropriate. A copy of each committee's charter is available on the Investor Relations section of our website at www.iteris.com.

During the fiscal year ended March 31, 2011 (Fiscal 2011), the Board of Directors and the various committees of the Board held the following number of meetings: Board of Directors five; Audit Committee five; Compensation Committee two; and Nominating and Corporate Governance Committee two. During Fiscal 2011, no director attended fewer than 75% of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings of any committees of the Board held while he was serving on the Board or such committee.

Audit Committee. The current members of our Audit Committee are Messrs. Char, Miner, Seazholtz, and Thomas. The Board has determined that each member of the Audit Committee is independent under the current listing standards of NYSE Amex and the SEC rules regarding audit committee memberships. The Board has identified Mr. Char as the member of the Audit Committee who qualifies as an audit committee financial expert under applicable SEC rules and regulations governing the composition of the Audit Committee.

The Audit Committee oversees on behalf of the Board (a) the conduct of the accounting and financial reporting processes, the audits of our financial statements and the integrity of our audited financial statements and other financial reports; (b) the performance of our internal accounting and financial controls function; (c) the engagement, replacement, compensation, qualifications, independence and performance of our independent registered public accounting firm; and (d) the portions of the Code of Ethics and Business Conduct and related policies regarding our accounting, internal accounting controls or auditing matters.

The Audit Committee meets privately with our independent registered public accounting firm, and such firm has unrestricted access to and reports directly to the Audit Committee. The Audit Committee has selected McGladrey & Pullen, LLP as our independent registered public accounting firm for the fiscal year ending March 31, 2012 and is recommending that our stockholders ratify this appointment at the Annual Meeting.

Compensation Committee. The current members of our Compensation Committee are Messrs. Daly, Seazholtz, and Thomas. The Board has determined that each member of the Compensation Committee is independent under the listing standards of NYSE Amex.

The Compensation Committee (a) evaluates officer and director compensation policies, goals, plans and programs; (b) determines the cash and non-cash compensation of our officers as defined in the rules promulgated under Section 16 of the Securities Exchange Act of 1934, as amended (the Exchange Act); (c) reviews and makes recommendations to the Board with respect to our equity-based and other incentive compensation plans for employees; (d) evaluates the performance of our executive officers; and (e) assists the Board in evaluating potential candidates for executive officer positions and oversees management succession planning.

The Compensation Committee meets periodically to review and establish the salaries, bonuses and incentive plans for our executive officers. The committee considers a number of factors in determining the compensation plans and elements for, and the amount of each compensation element paid to, our executive officers, including publicly available data from independent outside sources, our general business conditions and objectives, and the committee's subjective determination with respect to the executive's individual contributions to such objectives. To assist the committee in its review, our Chief Executive Officer provides to the Compensation Committee his evaluations of the executives, including himself, and recommendations with respect to all executive compensation matters; however, the final decisions regarding the compensation of our executive officers are made by the Compensation Committee. Neither the Compensation Committee nor management engaged a compensation consultant to provide advice or recommendations on the amount or form of executive and director compensation during Fiscal 2011.

Nominating and Corporate Governance Committee. The current members of the Nominating and Corporate Governance Committee are Messrs. Daly, Seazholtz, Slutzky, and Thomas. The Board has determined that each member of the Nominating and Corporate Governance Committee is independent under the listing standards of NYSE Amex.

The primary purposes of the Nominating and Corporate Governance Committee are to (a) identify, screen and review individuals qualified to serve as directors; (b) select or recommend to the Board of Directors the selection of nominees for election at the next annual meeting of stockholders; (c) recommend to the Board of Directors candidates to fill any vacancies on the Board; (d) oversee the implementation and monitoring the effectiveness of our corporate governance policies and developing and recommending to the Board modifications and or additions to such policies; and (e) review on a regular basis our overall corporate governance and recommend improvements when necessary.

In connection with their recommendations regarding the size and composition of the Board, the Nominating and Corporate Governance Committee reviews the appropriate qualities and skills required of directors in the context of the then current make-up of the Board and the needs of the Company. This includes an assessment of each candidate's independence, personal and professional integrity, financial literacy or other professional or business experience relevant to an understanding of our business, ability to think and act independently and with sound judgment, and ability to serve the Company's and our stockholders' long-term interests. While we do not have a formal policy with regard to the consideration of diversity in identifying director nominees, the Nominating and Corporate Governance Committee strives to nominate directors with a variety of complementary skills and backgrounds so that, as a group, the Board will possess the appropriate talent, skills, insight and expertise to oversee our business. These factors, and others as considered useful by the Nominating and Corporate Governance Committee, are reviewed in the context of an assessment of the perceived needs of the Board at a particular point in time. As a result, the priorities and emphasis of the Nominating and Corporate Governance Committee and of the Board may change from time to time to take into account changes in business and other trends, and the portfolio of skills and experience of current and prospective directors. The Nominating and Corporate Governance Committee generally leads the search for and selects, or recommends that the Board select, candidates for election to the Board. Consideration of new director candidates typically involves a series of committee discussions, review of information concerning candidates and interviews with selected candidates. Candidates for nomination to our Board typically have been suggested by other members of the Board or by our executive officers. From time to time, the Nominating and Corporate Governance Committee may engage the services of a third-party search firm to identify director candidates.

Edgar Filing: ITERIS, INC. - Form DEF 14A

The Nominating and Corporate Governance Committee will consider candidates for directors recommended by our stockholders who meet the eligibility requirements for submitting stockholder proposals for inclusion in our next proxy statement. This committee will evaluate such recommendations applying its regular nominee criteria. Eligible stockholders wishing to recommend a nominee must submit such recommendation in writing to the Chair, Nominating and Corporate Governance Committee, care of our corporate Secretary, by the deadline for stockholder proposals set forth in our last proxy statement,

Risk Oversight Role

The Board is responsible for overseeing our risk management, but its duties in this regard are supplemented by committees of the Board. In particular, the Audit Committee focuses on financial risk, including internal controls, and is responsible for discussing with management and our independent auditors policies with respect to risk assessment and risk management, including the process by which we undertake major financial and accounting risk assessment and management. Risks related to our compensation programs are reviewed by the Compensation Committee and legal and regulatory compliance risks are reviewed by the Nominating and Corporate Governance Committee. In connection with its responsibilities relating to risk assessment, our full Board periodically engages in discussions of the most significant risks that the Company is facing and how these risks are being managed.

Stockholder Communications

The Board has implemented a process by which stockholders may send written communications directly to the attention of the Board, any committee of the Board or any individual Board member, care of our corporate Secretary. The name of any specific intended Board recipient should be noted in the communication. Our corporate Secretary will be primarily responsible for collecting, organizing and monitoring communications from stockholders and, where appropriate depending on the facts and circumstances outlined in the communication, providing copies of such communications to the intended recipients. Communications will be forwarded to directors if they relate to appropriate and important substantive corporate or Board matters. Communications that are of a commercial or frivolous nature or otherwise inappropriate for the Board's consideration will not be forwarded to the Board. Stockholders who wish to communicate with the Board can write to the corporate Secretary at Iteris, Inc., 1700 Carnegie Avenue, Suite 100, Santa Ana, California 92705.

The Target amounts represent the maximum amounts that could have been awarded to the executives if the pre-established criteria had been attained. The Maximum amounts consist of the Target amounts plus the maximum overachievement bonuses that could have been awarded to the executives.

(2) The dollar amounts shown represent the grant date fair value of RSUs granted to the NEOs, calculated in accordance with FASB ASC Topic 718, based on the closing sales price of the underlying shares of our common stock on the respective grant dates and without any adjustment for estimated forfeitures. Each RSU represents the right to receive one share of our common stock. The RSUs vest in equal annual installments over four years, with the first installment vesting on August 10, 2011. Vested shares are issued as soon as practicable after the applicable vesting date.

Incentive Cash Bonuses

For Fiscal 2011, the potential compensation for named executive officers included an annual cash bonus based upon criteria established by the Compensation Committee at the beginning of the fiscal year. The bonuses were primarily dependent upon corporate and business unit performance. 80% of the potential bonus for the CEO and 70% of the potential bonus for the CFO were based on the total revenue and operating income achieved for the year, and the remaining 20% and 30%, respectively, of the potential bonus were based on the applicable officer's achievement of individual objectives that were qualitative in nature and were established by the Compensation Committee for our CEO and established by the CEO for our CFO. 70% to 80% of the potential bonus for each of Messrs. Clelland, Kreter and McKhann was based on revenue and operating income achieved by the business unit for which such officer had primary responsibility, as well as the total revenue and

Edgar Filing: ITERIS, INC. - Form DEF 14A

operating income achieved by the Company, and the remaining 20% to 30% of the potential bonus was based on the applicable officer's achievement of individual objectives that were qualitative in nature and were established by the CEO.

For the fiscal year ending March 31, 2012 (Fiscal 2012), the bonus plan will cover our CEO, CFO, SVP of Sensors Development and Operations, and SVP of Sensors Sales and Marketing, and will be entirely based on our corporate and business unit performance. The potential bonuses for Messrs. Mohaddes and Miele will be based on the total revenue and operating income achieved by the Company for the year, and the potential bonuses for Messrs. Kreter and McKhann will be based on revenue and operating income achieved by the Roadway and Vehicle Sensors segment, as well as the total revenue and operating income achieved by the Company.

Performance Targets

The corporate and business unit performance targets for the annual cash bonuses for the named executive officers for Fiscal 2011 were as follows:

Performance Component(1)	No Bonuses At or Below	Target (in thousands)	Maximum
Corporate Revenue	\$ 56,550	\$ 67,300	\$ 70,650
Corporate Operating Income	3,300	4,700	5,150
Transportation Systems Revenue	25,900	28,800	30,250
Transportation Systems Operating Income	1,650	2,050	2,350
Roadway and Vehicle Sensors Revenue	34,650	38,500	40,450
Roadway and Vehicle Sensors Operating Income	2,500	3,150	3,600

(1) The corporate revenue and operating income goals were applicable to each NEO, the Transportation Systems revenue and operating income goals were applicable to Mr. Clelland, and the Sensors revenue and operating income goals were applicable to Messrs. Kreter and McKhann.

If our performance exceeds the revenue and operating income targets set for bonus purposes, the executives can earn an additional bonus of up to 50% of the portion of the target bonus award relating to our operational performance. The full 50% additional bonus would have been earned by the NEOs if the Company had achieved the revenue and operating income goals set forth under the Maximum column above. If the Company had achieved revenue and operating income which were less than the goals set forth under the Maximum column but more than the amounts set forth under the Target column, the additional bonus payable would have been proportional, or based on the level of the Maximum goal achieved when measured from the Target amount. For example, if the performance had exceeded the Target goal by 25% (i.e., by 25% of the difference between the Maximum and Target amounts), then 25% of the additional bonus relating to such performance goal would have been payable.

Individual Objectives

The individual objectives for Fiscal 2011 for the Chief Executive Officer and the Chief Financial Officer were primarily focused on such officer's management of his area of responsibility. The objectives for Mr. Mohaddes generally included strategic development of the Company, achievement of the revenue and operating income plan, and enhancing market value, as well as enhancing the relationship of the Company with the financial community. The objectives for Mr. Miele principally included enhancement of our financial position and financial objectives, including accurate and timely reporting of financial results and managing SEC compliance matters. The individual objectives for the other NEOs primarily consisted of broad, general and qualitative operational and strategic objectives for the business unit for which the NEO is responsible. The objectives for Mr. Kreter, the Company's Senior Vice President of Sensors Development and Operations, generally included providing product on time according to the delivery schedule, improving products, assisting in M&A opportunities, retaining and attracting personnel, improving efficiency and reducing cost, and aligning the Company's research and development emphasis appropriately. The objectives for Mr. McKhann, the Company's Senior Vice President of Sensors Sales and Marketing, generally included focusing on sales and marketing activities for the Sensors unit as well as strategies to boost market penetration, organizing and implementing greater outreach, including by visiting a larger number of customers, hiring appropriate personnel for different markets, preparing and executing launch plans for new products, and working with the other business segments in joint marketing, business development and procurement of contracts. The objectives for Mr. Clelland, the Company's Senior Vice President of Transportation Systems, generally included attracting the necessary staff to implement the Company's plan for the business segment, focusing on strategic initiatives and M&A opportunities, improving efficiency and reducing costs as well as improving profitability, expanding the existing offices and opening new ones as appropriate, and working with the

Edgar Filing: ITERIS, INC. - Form DEF 14A

other business segments in joint marketing, business development and procurement of contracts.

Option Exercises and Stock Vested

No options were exercised by the named executive officers, and no stock awards held by the named executive officers vested, during Fiscal 2011.

Employment Contracts; Termination of Employment and Change of Control Arrangements

We do not currently have any employment contracts in effect with any of our named executive officers other than the agreements described below. We provide incentives such as salary, benefits and option grants to attract and retain executive officers and other key associates. The plan administrators of the 1997 Stock Incentive Plan and the 2007 Omnibus Incentive Plan (the "2007 Plan") have the authority to provide for the accelerated vesting of outstanding options held by an individual in connection with the termination of such individual's employment following an acquisition in which these options are assumed or the repurchase rights with respect to the unvested shares are assigned or upon certain changes in control of the Company. Other than such accelerated vesting and the agreements described above, there is no agreement or policy which would entitle any executive officer to severance payments or any other compensation as a result of such officer's termination.

Agreements with Abbas Mohaddes

On July 27, 2010, we entered into a letter agreement with Abbas Mohaddes (the "Employment Agreement"), our Chief Executive Officer. Under the terms of the Employment Agreement, in the event that he is terminated without cause (as defined in the agreement) within three years after the effective date of the agreement, Mr. Mohaddes is entitled to salary continuation payments for 12 months following termination and payment of 50% of his target bonus for the applicable year, payable at the end of the 12 month salary continuation period. If his employment is terminated as a result of death or disability, then no salary continuation or other severance payments will be made but the vesting of any options, restricted stock or other similar awards then held by him will be accelerated by one year. The Employment Agreement also provided that Mr. Mohaddes will be granted a restricted stock unit award covering 50,000 shares of our common stock, which award will vest over four years.

Also on July 27, 2010, we entered into a change in control agreement with Mr. Mohaddes (the "Change in Control Agreement"), which provides for a lump sum payment of one year's base pay and 50% of his target bonus for the year in the event of an involuntary termination (as defined in the agreement) of Mr. Mohaddes' employment in connection with or within 12 months after a change in control, except that such payment will be reduced to 50% of the annual base pay and no bonus if the involuntary termination is due to his voluntary resignation which does not occur within the first six months after the change in control. Mr. Mohaddes will also be entitled to receive reimbursement for the cost of COBRA coverage for a period of up to one year following the involuntary termination of his employment. In the event of a termination of Mr. Mohaddes' employment after a change in control, the Change in Control Agreement, and not the Employment Agreement, will determine whether Mr. Mohaddes will be entitled to any payments or benefits (including the acceleration of the vesting of any equity-based awards) and the amount of such payments or benefits. The Change in Control Agreement terminates on the fifth anniversary of the date of the agreement, unless earlier terminated in accordance therewith.

Agreement with James Miele

On June 11, 2008, we entered into a change in control agreement with James Miele, our Chief Financial Officer. Pursuant to the terms of the agreement, in the event of an involuntary termination (as defined in the agreement) of Mr. Miele's employment in connection with or within 12 months after a change in control, Mr. Miele will be entitled to receive a lump sum payment of one year's base pay and 50% of his target bonus for the year, with such payment to be reduced to 50% of the annual base pay and 25% of the bonus if the involuntary termination is due to his voluntary resignation which does not occur within the first six months after the change in control. In addition, Mr. Miele will be entitled to receive reimbursement for the cost of COBRA coverage for a period of up to one year following the involuntary termination of his employment. The agreement terminates on the fifth anniversary of the date of the agreement, unless earlier terminated in accordance with the agreement.

Until January 2011, directors who are not employees of Iteris or any of its subsidiaries received an annual retainer of \$12,000 per year, paid quarterly, in addition to \$1,500 for each Board meeting attended in person, \$250 for each telephone conference Board meeting and \$250 for each committee meeting (whether in person or by telephone conference). Beginning January 1, 2011, each non-employee director other than the Chairman of the Board receives an annual retainer of \$28,000 per year, paid quarterly, and the Chairman of the Board receives \$38,000 per year, paid quarterly; no additional amounts will be paid for attending meetings. In addition, beginning January 1, 2011, each non-employee director who serves on a Board committee receives the following annual amounts, paid quarterly: Audit Committee \$2,500 (\$5,000 for the Chair); Compensation Committee - \$1,500 (\$3,000 for the Chair); Nominating and Governance Committee - \$1,000 (\$2,000 for the Chair); ad hoc committees - \$500 (\$1,000 for the Chair). All directors are reimbursed for their out-of-pocket expenses incurred in attending meetings of our Board of Directors and its committees.

Non-employee directors are also eligible to receive periodic option grants pursuant to the Directors' Automatic Option Grant Program under our 2007 Plan. Under the 2007 Plan, each non-employee director receives an option to purchase 20,000 shares of common stock upon his initial appointment to the Board of Directors, which option vests one year after the grant date, and an additional option to purchase shares of common stock on the date of each annual meeting provided he has served on the Board for at least six months as of such annual meeting. Prior to this Annual Meeting, such additional option grant was for 5,000 shares, vesting in equal annual installments over four years. Beginning with this Annual Meeting, the additional option grant will be for 10,000 shares, vesting one year after the grant date. Each option granted to non-employee directors under the Directors' Automatic Option Grant Program will have an exercise price equal to the fair market value of the common stock on the grant date and a maximum term of ten years, subject to earlier termination following the optionee's cessation of service as a Board member.

The following table sets forth a summary of the compensation earned in Fiscal 2011 by each person who served as a director during such year, who is not a named executive officer. Mikel Williams became a director in April 2011 and did not receive any compensation for Fiscal 2011.

Indemnification of Directors and Officers

Under Section 145 of the Delaware General Corporation Law, we can indemnify our directors and officers against liabilities they may incur in such capacities, including liabilities under the Securities Act of 1933, as amended (the Securities Act). Our certificate of incorporation and bylaws provide that we will indemnify our directors and officers to the fullest extent permitted by law, and our bylaws require us to advance litigation expenses upon receipt of an undertaking by the director or officer to repay such advances if it is ultimately determined that the director or officer is not entitled to indemnification. The bylaws further provide that rights conferred under such bylaws do not exclude any other right such persons may have or acquire under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

Our certificate of incorporation provides that, pursuant to Delaware law, our directors shall not be liable for monetary damages for breach of the directors' fiduciary duty of care to us and our stockholders. This provision in the certificate of incorporation does not eliminate the duty of care, and in appropriate circumstances equitable remedies such as injunctive or other forms of non-monetary relief will remain available under Delaware law. In addition, each director will continue to be subject to liability for breach of the director's duty of loyalty to us or our stockholders, for acts or omissions not in good faith or involving intentional misconduct or knowing violations of law, for actions leading to improper personal benefit to the director, and for payment of dividends or approval of stock repurchases or redemptions that are unlawful under

Edgar Filing: ITERIS, INC. - Form DEF 14A

Delaware law. The provision also does not affect a director's responsibilities under any other law, such as the federal securities laws or state or federal environmental laws.

We have entered into agreements to indemnify our directors and certain of our officers in addition to the indemnification provided for in the certificate of incorporation and bylaws. These agreements, among other things, indemnify our directors and certain of our officers for certain expenses (including attorneys' fees), judgments, fines and settlement amounts incurred by such person in any action or proceeding, including any action by or in the right of the Company, on account of services as a director or officer of Iteris, or as a director or officer of any other company or enterprise to which the person provides services at our request.

CERTAIN TRANSACTIONS

Since April 1, 2009, other than the agreements and transactions described in *Executive Compensation and Other Information* and the transactions described below, there has not been, nor is there any proposed transaction, where we (or any of our subsidiaries) were or will be a party in which the amount involved exceeded or will exceed the lesser of \$120,000 or the average of the Company's total assets at year end for the last two fiscal years and in which any director, director nominee, executive officer, holder of more than 5% of any class of our voting securities, or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest.

We previously subleased office space to MAXxess Systems, Inc. (MAXxess), one of our former subsidiaries that we sold in September 2003 and is currently owned by an investor group that includes two of our directors, one of whom is the Chief Executive Officer of MAXxess. The sublease terminated in September 2007, at which time MAXxess owed us an aggregate of \$274,000 related to this sublease and certain related ancillary services that we provided to MAXxess. In August 2009, MAXxess executed a promissory note payable to us for \$274,000. The promissory note bears interest at a rate of 6% per annum, compounded annually, with accrued interest to be paid annually on the first business day of each calendar year. Payments under the note may be made in bona fide services rendered by MAXxess to us to the extent such services and amounts are pre-approved in writing by us. All amounts outstanding under the note will become due and payable on the earliest of (i) August 10, 2014, (ii) a change of control in MAXxess, or (iii) a financing by MAXxess resulting in gross proceeds of at least \$10 million. As of March 31, 2011, approximately \$16,000 of accrued interest along with the entire \$274,000 principal balance was outstanding and payable to us.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under the federal securities laws, our directors and officers and any persons holding more than 10% of our common stock are required to report their ownership of our common stock and any changes in that ownership to the SEC. Specific due dates for these reports have been established, and we are required to report any failure to file by such dates. For Fiscal 2011, the Form 4 filing for a sale of shares on August 5, 2010 by Mr. Slutzky, pursuant to his 10b5-1 plan, was not filed within two business days of such sale. Based solely on our review of copies of the reports on Forms 3, 4 and 5 received by us with respect to the fiscal year ended March 31, 2011 and the written representations received from the reporting persons that no other reports were required, except as indicated in the foregoing sentence or as indicated in our prior proxy statements, we believe that all directors, executive officers and persons who own more than 10% of our common stock have complied with the reporting requirements of Section 16(a) and have filed all reports required by such section.

ANNUAL REPORT

A copy of our Annual Report on Form 10-K for the fiscal year ended March 31, 2011 (excluding the exhibits thereto) accompanies the proxy materials being mailed to all stockholders. The Annual Report is not incorporated into this proxy statement and is not considered proxy solicitation material. Stockholders may obtain a copy of the Annual Report and any of our other filings with the SEC, without charge, by writing to Investor Relations, Iteris, Inc., 1700 Carnegie Avenue, Suite 100, Santa Ana, California 92705. The Annual Report (including the exhibits thereto) is also available on the SEC's website at www.sec.gov.
