Item 1.01 Entry into a Material Definitive Agreement.

On December 10, 2012, Ecolab Inc. (the Company) entered into an underwriting agreement (the Underwriting Agreement) with Merrill Lynch, Pierce, Fenner & Smith Incorporated and RBS Securities Inc., as representatives of the several underwriters listed therein (the Underwriters), pursuant to which the Company agreed to issue and sell to the Underwriters \$500,000,000 aggregate principal amount of its 1.450% Notes due 2017 (the Notes). The Notes will be issued pursuant to an Amended and Restated Indenture (the Base Indenture), dated January 9, 2001, by and between the Company and The Bank of New York Mellon Trust Company, N.A. (formerly known as The Bank of New York Trust Company, N.A., as successor in interest to J.P. Morgan Trust Company, National Association and Bank One, National Association), as trustee (the Original Trustee), as amended by the fourth supplemental indenture, dated December 13, 2012 (the Fourth Supplemental Indenture, and together with the Base Indenture, the Indenture), among the Company, Wells Fargo Bank, National Association, as trustee, and the Original Trustee, as original trustee.

The Notes bear interest at a rate of 1.450% per annum, payable semiannually on June 8 and December 8, beginning on June 8, 2013. The Notes will mature on December 8, 2017 and are redeemable at the Company's option in whole at any time or in part from time to time, at a make-whole redemption price specified in the Indenture.

In the event that the Company does not consummate its pending acquisition of Permian Mud Service, Inc. and its subsidiaries, including Champion Technologies, Inc. and Corsicana Technologies, Inc. (the Acquisition), on or before May 3, 2013 or the merger agreement to which the Acquisition relates is terminated on or before May 3, 2013, the Company may redeem the Notes at its option, in whole but not in part, at a redemption price equal to 101% of the aggregate principal amount of the Notes being redeemed, plus accrued and unpaid interest to, but excluding, the special redemption date.

Under the Indenture, specified changes of control involving the Company, when accompanied by a downgrade of the Notes below investment grade rating by both Moody's Investors Services, Inc. and Standard & Poor's Ratings Services within a specified time period, constitute change of control repurchase events. Upon the occurrence of a change of control repurchase event with respect to the Notes, unless the Company has exercised its option to redeem the Notes, it will be required to offer to repurchase them at a price equal to 101% of the aggregate principal amount thereof, plus any accrued and unpaid interest to the date of repurchase.

The Indenture contains covenants that limit, among other things, the ability of the Company and its subsidiaries to incur liens on certain properties to secure debt, to engage in sale and leaseback transactions and to transfer certain property, stock or debt of any restricted subsidiary to any unrestricted subsidiary (each as defined in the Indenture). The Indenture also provides for customary events of default, which include (subject in certain cases to a customary grace and cure periods), among others, nonpayment of principal or interest on the Notes; failure to comply with certain other covenants or agreements under the Indenture; certain defaults on other indebtedness; and specified events of bankruptcy or insolvency. In the case of an event of default, the trustee or the holders of at least 25% in principal amount of the Notes then outstanding may declare all of the Notes to be due and payable immediately.

The Notes will be senior unsecured and unsubordinated obligations of the Company and will rank equally with all other senior and unsubordinated indebtedness of the Company from time to time outstanding.

The public offering price of the Notes was 99.919% of the principal amount of the Notes. The Company received net proceeds (after deducting underwriting discounts and commissions and the Company's offering expenses) of approximately \$495.5 million and intends to use such net

proceeds to finance a portion of the cash consideration to be paid in connection with the Acquisition, or, if the Acquisition does not occur, to fund the special optional redemption of the Notes described above or for general corporate purposes.

The Notes were offered and sold pursuant to the Company's automatic shelf registration statement on Form S-3 (Registration No. 333-178273) under the Securities Act of 1933, as amended, which was filed and became effective on December 2, 2011. The Company has filed with the Securities and Exchange Commission a prospectus supplement, dated December 10, 2012, together with the accompanying prospectus, dated December 2, 2011, relating to the offering and sale of the Notes.

The above description of the Underwriting Agreement, the Base Indenture, the Fourth Supplemental Indenture and the Notes is qualified in its entirety by reference to the Underwriting Agreement, the Base Indenture, the Fourth Supplemental Indenture and the

form of Notes, each of which is incorporated herein by reference and are attached to this Current Report on Form 8-K as Exhibits 1.1, 4.1, 4.2 and 4.3, respectively.

Some of the Underwriters and their affiliates have engaged in, and may in the future engage in, investment banking and other commercial dealings in the ordinary course of business with the Company or affiliates of the Company. They have received, or may in the future receive, customary fees and commissions for these transactions. In particular, Merrill Lynch, Pierce, Fenner & Smith Incorporated or one of its affiliates acts as administrative agent, co-syndication agent, sole lead arranger and joint lead arranger of, and RBS Securities Inc. or one of its affiliates acts as a lender under, the Company's \$500 million 364-day credit agreement, \$1.5 billion multicurrency credit agreement and \$900 million term loan credit agreement.

In addition, in the ordinary course of their business activities, the Underwriters and their affiliates may make or hold a broad array of investments and may actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Company or the Company's affiliates. Certain of the Underwriters or their affiliates that have a lending relationship with the Company routinely hedge their credit exposure to the Company consistent with their customary risk management policies. Typically, such Underwriters and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in our securities, including potentially the Notes. Any such short positions could adversely affect future trading prices of the Notes. The Underwriters and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

Douglas M. Baker, Jr., Chairman of the Board and Chief Executive Officer of the Company, and two other directors of the Company, Joel W. Johnson and Jerry W. Levin, also serve as directors of U.S. Bancorp, the parent of U.S. Bancorp Investments, Inc., one of the Underwriters.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 above with respect to the Notes and the Indenture is hereby incorporated by reference into this Item 2.03, insofar as it relates to the creation of a direct financial obligation.

Item 8.01 Other Information.

In connection with the issuance of the Notes pursuant to the registration statement on Form S-3 (File No. 333-178273), filed on December 2, 2011, the Company is filing a legal opinion as Exhibit 5.1 to this Current Report on Form 8-K.
