### **Item 3. Source and Amount of Funds or Other Consideration**

On August 11, 2012, the Issuer and Midstates Petroleum Company, LLC (Midstates Sub), a wholly-owned subsidiary of Issuer, entered into an Asset Purchase Agreement (the Agreement) with Eagle, pursuant to which Midstates Sub agreed to acquire certain interests in producing oil and natural gas assets, unevaluated leasehold acreage in Oklahoma and Kansas and the related hedging instruments (the Transaction). The aggregate purchase price, subject to adjustment as provided in the Agreement, consists of (a) \$325.0 million in cash and (b) 325,000 shares of Series A Preferred Stock (Series A Stock) of Midstates with an initial liquidation preference of \$1,000 per share.

On October 1, 2012, Midstates issued 260,000 shares of Series A Stock in connection with the closing of the Transaction to Eagle Operating, and deposited 65,000 shares of Series A Stock (the Escrowed Shares) into an escrow account to secure certain of Eagle's indemnity obligations under the Agreement.

The shares of Series A Stock have an initial liquidation value of \$1,000 per share, and are convertible, in whole but not in part, at the option of the holders of a majority of the outstanding Series A Stock into shares of Common Stock on or after October 1, 2013. At such time, the Series A Stock may be converted, in whole but not in part, at the option of the holders of a majority of the outstanding shares of Series A Stock, into a number of shares of Common Stock calculated by dividing the then-current liquidation preference by the conversion price of \$13.50

per share. If not previously converted, the Series A Stock will be subject to mandatory conversion into shares of Common Stock on September 30, 2015 at a conversion price based upon the volume weighted average price of Common Stock during the 15 trading days immediately prior to the mandatory conversion date, but in no instance will the price be greater than \$13.50 per share or less than \$11.00 per share.

Dividends on the Series A Stock will accrue at a rate of 8.0% per annum, payable semiannually on March 30 and September 30, at the Midstates sole option, in cash or through an increase in the liquidation preference. On March 30, 2013, Midstates elected to pay the \$13 million dividend due on that date through an increase in the Series A Stock liquidation preference to \$1,040.

Additionally, the Series A Stock will be entitled to participate on an as-converted basis in any Common Stock dividends declared during the period in which Series A Stock is outstanding. On October 1, 2013, the total number of the Escrowed Shares less the number of any shares of Series A Stock released to Midstates in satisfaction of any indemnification obligations of Eagle arising after the between closing date of the Transaction and the first anniversary thereof will be released to Eagle.

Holders of the Series A Stock are entitled to vote on an as-converted basis on all matters submitted to common shareholders for approval other than the election of members to Midstates board of directors and proposals seeking the approval of certain transactions where the holders of the Series A Stock would be entitled to consideration at least equal to their liquidation preference. After October 1, 2013, in the event the Midstates volume weighted share price exceeds the conversion price then in effect for 15 consecutive trading days, rights to vote the Series A Stock on an as-converted basis will terminate. Additionally, as long as any shares of Series A Stock remain outstanding, holders of the Series A Stock are entitled to elect one member to the Midstates board of directors.

#### **Item 4. Purpose of Transaction**

The Reporting Persons acquired the Series A Stock reported in Item 3 above for investment purposes. The following describes plans or proposals that the Reporting Persons may have with respect to the matters set forth in Item 4(a) - (j) of Schedule 13D.

*Registration Rights Agreement.* On October 1, 2012, in connection with the closing of the Transaction, Midstates, Eagle, FR Midstates Interholding, LP ( FRMI ) and certain of Midstates' other stockholders entered into a Registration Rights Agreement (the Eagle Registration Rights Agreement ), pursuant to which Midstates has agreed to register the sale of shares of Common Stock under the circumstances described below.

At any time after the conversion of the Series A Stock into Common Stock, Eagle has the right to require Midstates by written notice to register the sale of any number of their shares of Common Stock. Midstates is required to provide notice of the demand request within 30 days following receipt of such demand request to all stockholders party to the Eagle Registration Rights Agreement to allow for inclusion of such other stockholders' Common Stock. Eagle and FRMI each have the right to cause up to an aggregate of six such demand registrations. In no event shall more than one demand registration occur within six months after the effective date of a registration statement filed pursuant to a demand request or within 60 days prior to Midstates' good faith estimate of the date of an offering and 180 days after the effective date of a registration statement we file.

If, at any time, Midstates proposes to register an offering of Common Stock (subject to certain exceptions) for our own account, then it must give prompt notice (subject to reduction to one business days' notice in connection with certain offerings) to all stockholders party to the Eagle Registration Rights Agreement to allow them to include a specified number of their shares in that registration statement.

These registration rights are subject to certain conditions and limitations, including the right of underwriters to limit the number of shares to be included in a registration and Midstates' right to delay or withdraw a registration statement under certain circumstances. The obligations to register shares under the Eagle Registration Rights Agreement will terminate when no registrable shares (as defined in the Eagle Registration Rights Agreement) remain outstanding.
