### PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Simpson Manufacturing Co., Inc. (the Company) has determined that it is unable to file its Annual Report on Form 10-K for the year ended December 31, 2013 (the Form 10-K), by the prescribed date without unreasonable effort or expense. Because of the time needed to finalize its assessment of internal control over financial reporting and disclosure controls and procedures, the Company is unable to complete the preparation of its financial statements for the year ended December 31, 2013, in the prescribed time for filing its Form 10-K. The Company has concluded that it has two material weaknesses in its internal control over financial reporting as of December 31, 2013, related to management's testing to evaluate impairment of goodwill and impairment of indefinite-lived in-process research and development intangible assets. As a result of the material weaknesses, the Company has concluded that its internal control over financial reporting and disclosure controls and procedures were ineffective as of December 31, 2013. The Company is implementing processes and controls to address these material weaknesses.
