Explanatory Note

On September 11, 2015, Theravance Biopharma, Inc. (the Company), filed a Current Report on Form 8-K (the Original Report) to report that it had entered into a Letter Agreement (the Letter Agreement) with Glaxo Group Limited (GSK), whereby GSK elected to purchase from the Company 44,574 ordinary shares (the Shares) for a per Share price of \$13.63, pursuant to GSK's rights under Section 2.1(d)(ii) of the Governance Agreement between the Company and GSK dated March 3, 2014, and that the parties would execute and deliver an Ordinary Share Purchase Agreement (the Purchase Agreement) to effect such purchase. This Amendment No. 1 to Current Report on Form 8-K/A (this Amended Report), which supplements and amends the Original Report, is being filed to report the execution of the Purchase Agreement and file the executed Purchase Agreement as an exhibit hereto. Other than as described herein, this Amended Report does not amend any other information previously filed in the Original Report, which information is incorporated herein by reference.

Item 1.01. Entry into a Material Definitive Agreement

Item 1.01 of the Original Report is hereby amended to add the following information:

On October 7, 2015, the Company and GSK executed and delivered the Purchase Agreement, a copy of which is attached hereto as Exhibit 10.2. The Purchase Agreement was entered into pursuant to Section 2.1(d)(ii) of the Governance Agreement, which affords GSK, on a quarterly basis, the opportunity to purchase the Company's ordinary shares sufficient to maintain GSK's Percentage Interest (as defined in the Governance Agreement) at the same level as prior to any exercise of share options and vesting of restricted shares that occurred during the prior quarter. The Purchase Agreement contains various representations and warranties, conditions to closing, covenants and other provisions that are customary for a share purchase transaction of this nature.

The representations, warranties and covenants contained in the Purchase Agreement were made only for purposes of the Purchase Agreement and as of specific dates specified therein, are solely for the benefit of the parties to the Purchase Agreement, and may be subject to limitations agreed upon by the contracting parties. The representations and warranties may be made for the purposes of allocating contractual risk between the parties to the Purchase Agreement instead of establishing these matters as facts.

The foregoing is a summary of the terms of the Purchase Agreement and is qualified in its entirety by reference to the Purchase Agreement, a copy of which has been filed as an exhibit to this Amended Report.

Item 8.01. Other Events

Also on October 7, 2015, the Company and GSK entered into a Schedule to the Purchase Agreement providing for GSK to purchase from the Company 44,574 ordinary shares (as referenced above) for a per share price of \$13.63, as contemplated in the Letter Agreement. On October 9, 2015, the closing of the purchase of these shares was completed.
