Item 1.01 Entry into a Material Definitive Agreement.

On December 3, 2015, Impac Mortgage Holdings, Inc. (the Company) entered into an Equity Distribution Agreement and a Controlled Equity OfferingSM Sales Agreement (collectively referred to as the Agreements) with JMP Securities LLC and Cantor Fitzgerald & Co., respectively (each referred to as an Agent and collectively as the Agents). Pursuant to the Agreements, the Company may offer and sell up to \$25,000,000 of shares of its common stock (the Shares), from time to time through the Agents.

The sales, if any, of the Shares under the Agreements will be made in at the market offerings as defined in Rule 415 of the Securities Act of 1933, as amended (the Securities Act), including sales made directly on the NYSE MKT, on any other existing trading market for the Shares or to or through a market maker or other transactions at market prices prevailing at the time of the sale, at prices related to the prevailing market prices or at negotiated prices. The Company intends to use the proceeds raised through any at the market sales for general corporate purposes, including working capital, capital expenditures and other general and administrative purposes.

Each time the Company wishes to offer and sell Shares under each Agreement, it will notify an Agent of the number of shares to be issued, the dates on which such sales are anticipated to be made, any minimum price below which sales may not be made and other sales parameters as we deem appropriate. Once the Company has so instructed an Agent, unless the Agent declines to accept the terms of the notice, the Agent has agreed to use its commercially reasonable efforts consistent with its normal trading and sales practices to sell such shares up to the amount specified on such terms. The obligations of the Agents under the Agreements to sell the Shares are subject to a number of conditions that the Company must meet. The Company may only instruct one Agent to issue and sell Shares under the applicable Agreement on any single given day.

The Shares sold in the offering will be issued pursuant to the Company's effective shelf registration statement on Form S-3 (Registration No. 333-204513) previously filed with the Securities and Exchange Commission (the SEC), in accordance with the provisions of the Securities Act, as supplemented by a prospectus supplement dated December 3, 2015, which the Company filed with the SEC pursuant to Rule 424(b)(5) under the Securities Act.

The Company will pay each Agent commissions for its services in acting as agents in the sale of the Shares. The Agents will be entitled to compensation of up to 2.0% of the gross sales price per share of common stock sold under the applicable Agreement. The Company also agreed to reimburse the Agents for certain specified expenses incurred in connection with entering into the Agreements, including the fees and disbursements of their legal counsel, in an amount not to exceed \$50,000. The Agreements contain customary representations, warranties and agreements of the Company and the Agents and customary conditions to completing future sale transactions, indemnification rights and obligations of the parties and termination provisions.

The offering of Shares pursuant to each Agreement will terminate upon the earlier of (1) the sale of all common stock subject to the applicable Agreement, by either of the Agents or (2) termination of such Agreement by the applicable Agent or the Company, as permitted therein. The Company and each Agent may each terminate the applicable Agreement at any time upon ten days advance notice.

This Current Report on Form 8-K shall not constitute an offer to sell or a solicitation of an offer to buy any Shares, nor shall there be any sale of the Shares in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the
