**Item 4. Description of Securities.**

The 2005 Executive Variable Deferred Retirement Plan, as amended and restated (the Plan), provides designated management employees (the Participants) with an opportunity to defer a portion of their pre-tax compensation (including salary and Annual Incentive Plan awards) and accumulate tax-deferred earnings (or losses) thereon. Each Participant is an unsecured general creditor of the Company with respect to his or her Plan benefits. Benefits are payable solely from the Company's general assets, and are subject to the risk of corporate insolvency. Each Participant's deferred compensation will be commingled with the general funds of the Company and may therefore be subject to a lien or security interest of other creditors.

## Edgar Filing: Avery Dennison Corp - Form S-8

The amount of compensation to be deferred by each Participant is based on elections by the Participant in accordance with the terms of the Plan, and the obligations of the Company to pay such deferred compensation (the Obligations ) will become due on retirement, death or other termination of employment in the form and on the date or dates determined in accordance with the Plan. The Obligations will be indexed to one or more investment alternatives chosen by the Participant from a range of such alternatives, and the amount of the Obligations payable to the Participant will increase or decrease based on the investment returns of the chosen investment alternatives. However, no Participant deferrals actually will be invested in any investment alternative, and as a result the Participants will have no ownership interest in any of the investment alternatives.

The Obligations cannot be assigned, transferred, pledged or otherwise encumbered by the Participants, except that each Participant may designate one or more beneficiaries to receive his or her benefits upon the Participant's death.

The total amount of Obligations being registered pursuant to this Registration Statement is \$30,000,000.

The Company may not terminate the Plan. However, the Company reserves the right to amend the Plan, provided that such amendment does not result in any reduction of a Participant's account balance, including previous earnings or losses, as of the date of such amendment. Furthermore, the Company may, in its discretion, but is not obligated to, allow additional deferrals into the Plan.

### **Item 5. Interests of Named Experts and Counsel.**

Not Applicable.

### **Item 6. Indemnification of Directors and Officers.**

Section 145 of the Delaware General Corporation Law, or the DGCL, permits the Company to indemnify its directors and officers against expenses, including attorneys' fees, judgments, fines and amounts paid in settlements actually and reasonably incurred by them in connection with any action, suit or proceeding brought by third parties. The directors or officers must have acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the Company and, with respect to any criminal action or proceeding, had no reason to believe their conduct was unlawful. In a derivative action, an action only by or in the right of the Company, indemnification may be made only for expenses actually and reasonably incurred by directors and officers in connection with the defense or settlement of an action or suit, and only with respect to a matter as to which they shall have acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the Company. No indemnification shall be made if such person shall have been adjudged liable to the Company, unless and only to the extent that the court in which the action or suit was brought shall determine upon application that the defendant officers or directors are fairly and reasonably entitled to indemnity for such expenses despite such adjudication of liability.

Article VI of the Company's bylaws generally provides that the Company will indemnify, to the fullest extent permitted by the DGCL, any person who was or is a party or is threatened to be made a party to any action, suit or proceeding, whether civil, criminal, administrative or investigative, including any action or suit by the Company or in its right, by reason of the fact that such person is or was the Company's director, officer, employee, or, while such person is or was a director, officer or employee of the Company, is or was serving at the Company's request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, including service with respect to

employee benefit plans maintained or sponsored by the Company, against expenses, liability and loss (including attorneys' fees, judgments, fines, excise taxes or penalties under the Employee Retirement Income Security Act of 1974, as amended, and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection with such action, suit or proceeding.

The Company's bylaws further provide that this indemnification shall not be deemed exclusive of any other rights to which the indemnified person may be entitled, and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs and personal representatives of that person.

### **Item 7. Exemption from Registration Claimed.**

Not Applicable.

**Item 8. Exhibits.**

A list of exhibits filed with this Registration Statement on Form S-8 is set forth on the Exhibit Index and is incorporated herein by reference.

**Item 9. Undertakings.**

(a) The undersigned registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however,* that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement;

(2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and

## Edgar Filing: Avery Dennison Corp - Form S-8

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
