Forward-Looking Statements

Certain sections of this Quarterly Report discuss matters that are not historical facts, but expressions of management's expectations, estimates, projections and assumptions, are forward-looking statements. Words such as expects, intends, anticipates, plans, believes, scheduled, estimates and variations of these words and similar expressions are intended to identify forward-looking statements, which include but are not limited to projections of revenues, plans, projections, earnings, product performance, cash flows, contracts, potential market, commercial viability of our technology, production and investment returns. These statements are not guarantees of future performance and involve certain

risks and uncertainties, which are difficult to predict. Therefore, actual future results and trends may differ materially from what is forecast in forward-looking statements due to a variety of factors, including, without limitation:

- .
- General U.S. and international political and economic conditions;
- .
- Changing priorities in the regulatory environment;
- .
- The ability of the Company to secure contracts for its products and services;
- .
- The ability to protect our proprietary technology; and
- .
- The ability to raise sufficient capital to successfully commercialize our technology.

All forward-looking statements speak only as of the date of this report. All subsequent written and oral forward-looking statements attributable to the company or any person acting on the company's behalf are qualified by the cautionary statements in this section. The Company does not undertake any obligation to update or publicly release any revisions to forward-looking statements to reflect events, circumstances or changes in expectations after the date of this report.

PART I FINANCIAL INFORMATION

General

The accompanying condensed consolidated financial statements have been prepared in accordance with the instructions to Form 10-Q. Therefore, they do not include all information and footnotes necessary for a complete presentation of financial position, results of operations, cash flow, and stockholders' deficit in conformity with generally accepted accounting principles in the United States of America. Except as disclosed herein, there has been no material change in the information disclosed in the notes to the consolidated financial statements included in the Company's annual report on Form 10-KSB for the year ended December 31, 2004. In the opinion of management, all adjustments considered necessary for a fair presentation of the results of operations and financial position have been included and all such adjustments are of a normal recurring nature. Operating results for the quarter ended September 30, 2005 are not necessarily indicative of the results that can be expected for the year ended December 31, 2004 or December 31, 2008.
