**PROXY STATEMENT**  
**FOR THE 2005 ANNUAL MEETING OF STOCKHOLDERS**

The Board of Directors of Glowpoint, Inc. (referred to throughout this proxy statement as "Glowpoint" or "we" or "our") is soliciting proxies for our 2005 Annual Meeting of Stockholders or any adjournment or postponement thereof. The Annual Meeting will be held at 9:00 a.m. local time on May 26, 2005, at the Holiday Inn, 304 Route 22 West, Springfield, New Jersey 07081. This proxy statement, the accompanying proxy card and our Annual Report on Form 10-K for 2004 are first being mailed to stockholders on or about April 21, 2005.

At the Annual Meeting, stockholders will be asked to consider and vote on (1) the election of three directors each to serve a three-year term as a Class III Director; and (2) the ratification of the appointment of BDO Seidman, LLP as our Registered Public Accounting Firm for the fiscal year ending December 31, 2005. At the Annual Meeting, stockholders may also be asked to consider and take action with respect to other matters that properly come before the meeting. We have not received notice of other matters that may properly be presented for voting at the Annual Meeting.

**RECORD DATE; QUORUM**

Only holders of record of our common stock at the close of business on April 15, 2005 are entitled to vote at the Annual Meeting. As of the record date, approximately 46,034,176 shares of common stock were issued and outstanding, each of which entitles its holder to cast one vote on each matter to be presented at the Annual Meeting. A quorum is present at the Annual Meeting if a majority of shares of common stock issued and outstanding and entitled to vote on the record date are represented in person or by proxy. If a quorum is not present, the Annual Meeting may be adjourned from time to time until a quorum is obtained.

**VOTING PROCEDURES**

The shares represented by the proxies received, properly dated and executed and not revoked will be voted at the Annual Meeting in accordance with the instructions of the stockholders. Properly executed proxies that do not contain voting instructions will be voted (1) FOR each of the nominees named below for election as directors, and (2) FOR ratification of BDO Seidman, LLP as our Registered Public Accounting Firm for the fiscal year ending December 31, 2005, and with respect to other matters that may come before the Annual Meeting, at the discretion of the proxy holders.

Abstentions and broker "non-votes" will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum. An abstention is the voluntary act of not voting by a stockholder who is present at a meeting and entitled to vote. Abstentions are counted as a "no" vote for any proposals submitted to stockholders for a vote, excluding the election of directors. A broker "non-vote" occurs when a broker nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary power for that particular item and has not received instructions from the beneficial owner. A broker "non-vote" will be treated as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. A plurality of the votes duly cast is required for the election of directors. This means that the three nominees receiving the highest number of affirmative votes will be elected. Abstentions and broker "non-votes" are not counted for purposes of the election of directors.

Stockholders have the option to vote over the Internet or by telephone. If you have Internet access, WE ENCOURAGE YOU TO RECORD YOUR VOTE ON THE INTERNET. It is convenient, and it saves significant postage and processing costs. In addition, when you vote via the Internet or by phone prior to the meeting date, your vote is recorded immediately and there is no risk that postal delays will cause your vote to arrive late and therefore not be counted.

[Back to Contents](#)

## **SOLICITATION AND REVOCATION**

After you have submitted a proxy, you may change your vote at any time before the proxy is exercised by submitting a notice of revocation or a proxy bearing a later date. Regardless of whether you voted using a traditional proxy card, over the Internet or by telephone, you may use any of those three methods to change your vote. You may change your vote either by submitting a proxy card prior to the date of the Annual Meeting or by voting again prior to the time at which the Internet and telephone voting facilities close by following the procedures applicable to those methods of voting. In each event, the later submitted vote will be recorded and the earlier vote revoked. You may also revoke a proxy by voting in person at the Annual Meeting. Your attendance at the Annual Meeting will not by itself constitute revocation of a proxy.

We will bear the cost of the solicitation of proxies from our stockholders, including the cost of preparing, assembling and mailing the proxy solicitation materials. In addition to solicitation by mail, our directors, officers and employees may solicit proxies from stockholders by telephone or other electronic means or in person, but no such person will be specifically compensated for such services. We will cause brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of stock held of record by such persons. We will reimburse such custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in doing so. We have engaged American Stock Transfer and Trust Company to aid in the distribution of the proxy materials and will reimburse the related reasonable out-of-pocket expenses.

## **STOCKHOLDER PROPOSALS**

Any stockholder who intends to present a proposal at the 2006 Annual Meeting of Stockholders must deliver the proposal to the Corporate Secretary, Glowpoint, Inc., 225 Long Avenue, Hillside, New Jersey 07205, no later than December 28, 2005 if such proposal is to be considered for inclusion in our proxy materials for that meeting.

In addition, our by-laws provide that, in order for a stockholder to propose business for consideration at an annual meeting of stockholders, the stockholder must give written notice to our Corporate Secretary at our principal executive offices not less than 60 days nor more than 90 days prior to the anniversary date of the immediately preceding annual meeting of stockholders; provided however, that in the event the annual meeting is called for a date that is not within 30 days before or after such anniversary date, notice by the stockholder in order to be timely must be received not later than the close of business on the 10th day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure of the date the annual meeting was made, whichever occurs first.

We will reimburse such persons and our transfer agent for their reasonable out-of-pocket expenses in forwarding such material.

**Q: If My Shares Are Held In Street Name By My Broker, Will My Broker Vote My Shares For Me?**

A: Your broker may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters, and will not be counted in determining the number of shares necessary for approval. You should follow the directions provided by your broker regarding how to instruct your broker to vote your shares.

**Q: May I Change My Vote After I Have Mailed My Signed Proxy Card?**

A: Yes. Just send in a written revocation or a later dated, signed proxy card before the Annual Meeting or vote again by telephone or over the Internet, or simply attend the Annual Meeting and vote in person. Simply attending the annual meeting, however, will not revoke your proxy; you must vote at the Annual Meeting.

**Q: What Do I Need To Do Now?**

A: Please vote your shares as soon as possible so that your shares may be represented at the Annual Meeting. You may vote by signing and dating your proxy card and mailing it in the enclosed return envelope or by telephone or over the Internet, or you may vote in person at the Annual Meeting.

**Q: Whom Should I Call If I Have Questions?**

A: If you have questions about any of the proposals on which you are voting, you may call Gerard E. Dorsey, our Chief Financial Officer, at (973) 282-2000.

**PROPOSAL NO. 1**  
**ELECTION OF DIRECTORS**

Our directors are divided into three classes. The number of directors is determined from time to time by our board of directors. A single class of directors is elected each year at the annual meeting of stockholders. Each director elected at an annual meeting will serve for a term ending at the third annual meeting of stockholders after his or her election and until his or her successor is elected and duly qualified. Lewis Jaffe resigned his position as a Class III Director as of June 2004 and James Spanfeller was appointed to fill the vacancy created by his resignation. James Kuster resigned his position as a Class I Director as of September 7, 2004; a new director has not yet been appointed to fill the vacancy.

The directors to be elected at the Annual Meeting are Class III Directors and are to serve until the 2008 annual meeting or until their respective successors are duly elected and qualified. The nominees who will stand for election are Dean Hiltzik, Richard Reiss and James Spanfeller, all of whom are currently members of our board of directors. The three nominees receiving the highest number of affirmative votes will be elected as Class III Directors. In the event any nominee is unable or unwilling to serve as a nominee, the board of directors may select a substitute nominee. If a substitute nominee is selected, proxies will be voted in favor of such nominee. Our board of directors has no reason to believe that any of the named nominees will be unable or unwilling to serve as a nominee or as a director if elected.

The following table sets forth information with respect to our current directors, director nominees and executive officers.

### **Board of Directors, Board Committees and Meetings**

Corporate governance is typically defined as the system that allocates duties and authority among a company's stockholders, board of directors and management. The stockholders elect the board and vote on extraordinary matters; the board is the company's governing body, responsible for hiring, overseeing and evaluating management, particularly the chief executive officer; and management runs the company's day-to-day operations. The primary responsibilities of the board of directors are oversight, counseling and direction to our management in the long-term interests of us and our stockholders. Our board of directors currently consists of six directors as described in "Proposal No. 1: Election of Directors." The current board members and nominees for election include four independent directors and one current member and one former member of our senior management.

Our board of directors met six times during the year ended December 31, 2004. During this period, each of the directors attended or participated in more than 75% of the aggregate of (i) the total number of meetings of the board of directors held during the period for which he or she was a director and (ii) the total number of meetings of committees of the board on which he or she served, held during the period for which he or she served. The board has an audit committee, a compensation committee and a nominating committee.

As a general matter, board members are expected to attend our annual meetings. All members of our then current board of directors other than Lewis Jaffe attended our 2004 annual meeting of stockholders. Mr. Jaffe did not attend because he intended to resign from the board shortly after the meeting.

"Independent" Directors. Each of our directors other than Messrs. Reiss and Trachtenberg qualify as "independent" in accordance with the published listing requirements of Nasdaq. The Nasdaq independence definition includes a series of objective tests, such as that the director is not an employee of the company and has not engaged in various types of business dealings with the company.

In addition, as further required by the Nasdaq rules, the board has made a subjective determination as to each independent director that no relationship exist which, in the opinion of the board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the directors reviewed and discussed information provided by the directors and the company with regard to each director's business and personal activities as they may relate to Glowpoint and Glowpoint's management.

In addition, as required by Nasdaq rules, the members of the audit committee each qualify as "independent" under special standards established by the Securities and Exchange Commission (the "SEC") for members of audit committees. The audit committee is also required to have at least one independent member who is determined by the board to meet the qualifications of an "audit committee financial expert" in accordance with SEC rules, including that the person meets the relevant definition of an "independent director." Each member of the audit committee has been determined to be an audit committee financial expert. Stockholders should understand that this designation is a disclosure requirement of the SEC related to these directors' experience and understanding with respect to certain accounting and auditing matters. The designation does not impose upon these directors any duties, obligations or liability that are greater than are generally imposed on them as a member of the audit committee and the board, and their designation as an audit committee financial expert pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of the audit committee or the board.

### **Audit Committee**

We currently have an audit committee consisting of Karen Basian, James Spanfeller and Michael Toporek. James Kuster resigned from the audit committee as of September 7, 2004 and Mr. Spanfeller was appointed as his replacement. Ms. Basian is the chairperson of the audit committee. The audit committee consults and meets with our Registered Public Accounting Firm and chief financial officer and accounting personnel, reviews potential conflict of interest situations where appropriate, and reports and makes recommendations to the full board of directors regarding such matters. The audit committee met six times during the year ended December 31, 2004.

### **Compensation Committee**

We currently have a compensation committee consisting of Karen Basian, Dean Hiltzik and Michael Toporek. James Kuster resigned from the compensation committee as of March 25, 2004 and Mr. Hiltzik was appointed as his replacement. Each member of the compensation committee meets the independence requirements of Nasdaq. The compensation committee is responsible for supervising our executive compensation policies, reviewing officers' salaries, approving significant changes in employee benefits and recommending to the board of directors such other forms of remuneration as it deems appropriate. The compensation committee met three times during the year ended December 31, 2004.

### **Nominating Committee**

We currently have a nominating committee consisting of Dean Hiltzik, James Spanfeller and Michael Toporek. Each member of the nominating committee meets the independence requirements of Nasdaq. The nominating committee is responsible for assessing the performance of our board of directors and making recommendations to our board regarding nominees for the board. The nominating committee was formed in February 2004. Prior to the formation of the committee, its functions were performed by the board of directors. The nominating committee operates under a written nominating committee charter, which was filed with our proxy statement for the 2004 annual meeting of our stockholders.

The nominating committee considers qualified candidates to serve as a member of our board of directors suggested by our stockholders. Stockholders can suggest qualified candidates for director by writing to our Corporate Secretary at 225 Long Avenue, Hillside, New Jersey 07205. Stockholder submissions that are received in accordance with our by-laws and that meet the criteria outlined in the nominating committee charter are forwarded to the members of the nominating committee for review. Stockholder submissions must include the following information:

- A statement that the writer is our stockholder and is proposing a candidate for our board of directors for consideration by the nominating committee;
- The name of and contact information for the candidate;
- A statement of the candidate's business and educational experience;
- Information regarding each of the factors set forth in the nominating committee charter sufficient to enable the nominating committee to evaluate the candidate;
- A statement detailing any relationship between the candidate and any of our customers, suppliers or competitors;
- Detailed information about any relationship or understanding between the proposing stockholder and the candidate; and
- A statement that the candidate is willing to be considered and willing to serve as our director if nominated and elected.

In considering potential new directors and officers, the nominating committee will review individuals from various disciplines and backgrounds. Among the qualifications to be considered in the selection of candidates are broad experience in business, finance or administration; familiarity with national and international business matters; familiarity with our industry; and prominence and reputation. The nominating

[Back to Contents](#)

committee will also consider whether the individual has the time available to devote to the work of our board of directors and one or more of its committees.

The nominating committee will also review the activities and associations of each candidate to ensure that there is no legal impediment, conflict of interest, or other consideration that might hinder or prevent service on our board of directors. In making its selection, the nominating committee will bear in mind that the foremost responsibility of a director of a corporation is to represent the interests of the stockholders as a whole. The nominating committee will periodically review and reassess the adequacy of its charter and propose any changes to the board of directors for approval.

### **REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS**

The audit committee is composed of three directors. Each member meets the current independence standards under the applicable SEC and Nasdaq rules. The audit committee operates under a written audit committee charter, which was filed with our proxy statement for the 2003 annual meeting of our stockholders.

As described more fully in its charter, the purpose of the audit committee is to assist the board in its general oversight of Glowpoint's financial reporting, internal controls and audit functions. Management is responsible for the preparation, presentation and integrity of Glowpoint's financial statements; accounting and financial reporting principles; internal controls; and procedures designed to reasonably assure compliance with accounting standards, applicable laws and regulations. BDO Seidman, LLP, our Registered Public Accounting Firm, is responsible for performing an independent audit of the consolidated financial statements in accordance with the Standards of the Public Company Accounting Oversight Board (United States). In accordance with law, the audit committee has ultimate authority and responsibility to select, compensate, evaluate and, when appropriate, replace our Registered Public Accounting Firm. The audit committee has the authority to engage its own outside advisers, including experts in particular areas of accounting, as it determines appropriate, apart from counsel or advisers hired by management.

The audit committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the Registered Public Accounting Firm, nor can the audit committee certify that the Registered Public Accounting Firm is "independent" under applicable rules. The audit committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the Registered Public Accounting Firm on the basis of the information it receives, discussions with management and the Registered Public Accounting Firm, and the experience of the audit committee's members in business, financial and accounting matters. Each member of the audit committee has been determined by the board to meet the qualifications of an "audit committee financial expert" in accordance with SEC rules. Stockholders should understand that this designation is an SEC disclosure requirement related to these directors' experience and understanding with respect to certain accounting and auditing matters. The designation does not impose on these directors any duties, obligations or liability that are greater than are generally imposed on them as a member of the audit committee and the board, and their designation as an audit committee financial expert pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of the audit committee or the board.

In accordance with law, the audit committee is responsible for establishing procedures for the receipt, retention and treatment of complaints received by Glowpoint regarding accounting, internal accounting controls or auditing matters, including the confidential, anonymous submission by our employees, received through established procedures, of concerns regarding questionable accounting or auditing matters.

Among other matters, the audit committee monitors the activities and performance of Glowpoint's Registered Public Accounting Firm, including the audit scope, external audit fees, Registered Public Accounting Firm independence matters and the extent to which the Registered Public Accounting Firm may be retained to perform non-audit services.

In accordance with audit committee policy and the requirements of law, all services to be provided by BDO Seidman, LLP, are pre-approved by the audit committee. Pre-approval includes audit services, audit-related services, tax services and other services. To avoid certain potential conflicts of interest, the law prohibits a publicly traded company from obtaining certain non-audit services from its Registered Public Accounting Firm. We obtain these services from other service providers as needed.

The audit committee has reviewed our audited financial statements and met and held discussions with management regarding the audited financial statements. Management has represented to the audit committee

[Back to Contents](#)

that our consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States.

The audit committee has discussed with BDO Seidman, LLP, our Registered Public Accounting Firm, the matters required to be discussed by Statement of Auditing Standards No. 61 (Communication with Audit Committees). These discussions have included a review as to the quality, not just the acceptability, of our accounting principles.

Our Registered Public Accounting Firm also provided to the audit committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees), and the audit committee discussed with the Registered Public Accounting Firm its independence from management and our company. The audit committee has also considered the compatibility of non-audit services with the Registered Public Accounting Firm's independence.

Based on the audit committee's discussion with management and the Registered Public Accounting Firm, the audit committee's review of the audited financial statements, the representations of management and the report of the Registered Public Accounting Firm to the audit committee, the audit committee recommended that the board of directors include the audited consolidated financial statements in our annual report on Form 10-K for the year ended December 31, 2004 filed with the SEC.

Respectfully submitted,

Karen Basian

## REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

### Scope Of The Committee's Work

The compensation committee of the board of directors has the authority and responsibility to establish our overall compensation strategy, including salary and bonus levels, and to review and make recommendations to the board with respect to the compensation of our executive officers. The compensation committee was established in 1999; prior thereto, compensation decisions and grants of stock options were made only by the full board.

### Executive Compensation Philosophy And Policies

Our overall compensation philosophy is to provide a total compensation package that is competitive and enables us to attract, motivate, reward and retain key executives and other employees who have the skills and experience necessary to promote our short- and long- term financial performance and growth.

The compensation committee recognizes the critical role of our executive officers in our growth and success to date and in our future prospects. Accordingly, our executive compensation policies are designed to (1) align the interests of executive officers with those of stockholders by encouraging stock ownership by executive officers and by making a significant portion of executive compensation dependent on our financial performance, (2) provide compensation that will attract and retain talented professionals, (3) reward individual results through base salary, annual cash bonuses, long-term incentive compensation in the form of stock options, restricted stock awards and various other benefits and (4) manage compensation based on skill, knowledge, effort and responsibility needed to perform a particular job successfully.

In establishing salary, bonuses and long-term incentive compensation for its executive officers, the compensation committee takes into account both the position and the expertise of a particular executive, as well as the committee's understanding of competitive compensation for similarly situated executives in our sector of the technology industry.

### Executive Compensation

**Base Salary.** Salaries for executive officers for 2004 were generally determined by the compensation committee on an individual basis in connection with the determination of the terms of such executive's applicable employment agreement, based on the following criteria: the executive's scope of responsibility, performance, prior experience and salary history, as well as the salaries for similar positions at comparable companies.

**Bonus/Incentive Compensation.** The compensation committee believes that a substantial portion of the annual compensation of each executive officer should be in the form of variable cash incentive pay. Accordingly, we did not award a guaranteed bonus to any executive officer in 2004, other than Mr. Zigmont, who received a cash bonus of \$50,000 in January 2005 for 2004 in satisfaction of a condition in his employment agreement. However, each executive officer is eligible to receive a percentage of his base salary for the fiscal year upon the achievement of certain financial performance goals or other criteria and metrics as established by the President and CEO, at times in conjunction with the CFO or the compensation committee.

**Long-Term Incentive Awards.** The compensation committee believes that equity-based compensation in the form of stock options or restricted stock links the interests of executives with the long-term interests of our stockholders and encourages executives to remain in our employ. We grant stock options in accordance with our various stock option plans. Grants of options and/or restricted stock are awarded based on a number of factors, including the individual's level of responsibility, the amount and term of options already held by the individual, the individual's contributions to the achievement of our financial and strategic objectives, and industry practices and norms.

### Compensation Of The Chief Executive Officer

We entered into an agreement with David Trachtenberg to serve as President and Chief Executive Officer having a three-year term commencing October 15, 2003. Under the agreement, Mr. Trachtenberg is

[Back to Contents](#)

entitled, in year one, two and three of his employment to annual base compensation of \$315,000, \$345,000 and \$375,000. Mr. Trachtenberg is also entitled to annual incentive compensation in an amount equivalent to 50% of his then annual base salary subject to the achievement of goals and metrics established by Mr. Trachtenberg and our Compensation Committee and updated on an annual basis. The agreement provides for an award of 360,000 restricted shares of our common stock, the fair value of which was determined to be \$1,116,000. These restricted shares will be forfeited if Mr. Trachtenberg's employment with us is terminated for any reason, with risk of forfeiture lapsing with respect to 120,000 shares on each anniversary of the commencement of his employment. Mr. Trachtenberg is also entitled to reimbursement for the costs of a car to conduct company business and for parking his car in New York City. Under the agreement, we must secure and pay the premium on a \$2,000,000 life insurance policy payable to Mr. Trachtenberg's designated beneficiary. Either we or Mr. Trachtenberg may terminate his employment at any time, for any reason or no reason; however, if Mr. Trachtenberg is terminated without cause or if he resigns for good reason or dies, he is entitled to one year of his then annual base salary, one year of his then annual incentive compensation, one year of continued reimbursement for his car and parking expenses and one year of accelerated vesting on the restricted shares granted under the employment agreement. If Mr. Trachtenberg's employment is terminated for cause or if he voluntarily resigns, he is entitled to his base salary and other benefits through the last day actually worked.

#### **Internal Revenue Code Section 162(M) Limitation**

Section 162(m) of the Internal Revenue Code, enacted in 1993, generally disallows a tax deduction to publicly held companies for compensation exceeding \$1 million per year paid to certain executive officers. The limitation applies only to compensation that is not considered to be performance-based. The non-performance based compensation paid to our executive officers in 2004 did not, in the case of any officer, exceed the \$1 million per year limit. The compensation committee generally intends to limit the dollar amount of all non-performance based compensation payable to our executive officers to no more than \$1 million per year.

Respectfully submitted,

Karen Basian, Dean Hiltzik (member since March 2004) and Michael Toporek

#### **Compensation Committee Interlocks And Insider Participation**

Karen Basian, Dean Hiltzik, James Kuster, and Michael Toporek served as members of the compensation committee of the board of directors during 2004. Mr. Hiltzik replaced Mr. Kuster as a member of the compensation committee on March 25, 2004. No member of the compensation committee was at any time during 2004 or at any other time our officer or employee. No member of the compensation committee served on the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of the board or our compensation committee.

#### **CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

We receive financial and tax services from Schneider & Associates LLP, an accounting firm in which Dean Hiltzik, one of our directors, is a partner. Since Mr. Hiltzik became a director of ACC on September 15, 1999, we have incurred fees of approximately \$303,000 for services received from this firm, \$29,000 of which were incurred in 2004. We also entered into a consulting agreement with Mr. Hiltzik, dated January 2, 2001, for the provision of tax and financial services for one year. Mr. Hiltzik received an option to purchase 30,000 shares of common stock at an exercise price of \$3.94 per share pursuant to that agreement.

[Back to Contents](#)**Section 16(A) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires executive officers and directors and persons who beneficially own more than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Executive officers, directors and greater than 10% stockholders are required by regulations of the Securities and Exchange Commission to furnish us with copies of all Section 16(a) reports they file.

Based solely on our review of the copies of reports we received, or written representations that no such reports were required for those persons, we believe that, for 2004, all statements of beneficial ownership required to be filed with the Securities and Exchange Commission were filed on a timely basis except that reports on Form 4 were late in being filed for Ms. Basian and Mssrs. Hiltzik, Kuster and Spanfeller, and a report on Form 5 was late in being filed for Mr. Zigmont. The delay generally was the result of our administrative difficulties and not the fault of any of the directors or executives. These reports reflected options granted to our non-employee directors for their attendance at meetings of the board of directors and audit committee, options and restricted shares of our common stock granted to some of our executives in consideration for their service to us, restricted shares of our common stock granted to an independent director, and the exercise of options where the grant had already been reported on a Section 16(a) report.

**EQUITY COMPENSATION PLAN INFORMATION**

The following table provides information regarding the aggregate number of securities to be issued under all of our stock options and equity-based plans upon exercise of outstanding options, warrants and other rights and their weighted-average exercise prices as of December 31, 2004. The securities issued under equity compensation plans not approved by security holders consist entirely of options issued with respect to individual compensation arrangements for officers, directors, consultants and one employee. Specifically, we issued most of these options to Richard Reiss, our chairman, in connection with his employment agreement. We issued the remainder of these options to two consultants and two directors as compensation for services.

PLAN CATEGORY	Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants, and Rights	Weighted-Average Exercise Price of Outstanding Options, Warrants, and Rights	Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans (Excluding Securities Reflecting In Column (a))

**PROPOSAL NO. 2**  
**RATIFICATION OF APPOINTMENT OF REGISTERED PUBLIC ACCOUNTING FIRM**

**General**

The audit committee, composed entirely of independent, non-employee members of the board of directors, has appointed the firm of BDO Seidman, LLP (BDO Seidman) as the Registered Public Accounting Firm to audit the consolidated financial statements of our company and its subsidiaries for fiscal 2004 and is asking the stockholders for ratification of the appointment. Stockholder ratification is not required by our company's bylaws or under any other applicable legal requirement. If the stockholders do not approve the selection of BDO Seidman, the audit committee will reconsider the appointment.

BDO Seidman has audited our company's consolidated financial statements since 2000. As our Registered Public Accounting Firm, BDO Seidman would audit our consolidated financial statements for fiscal 2005 and perform audit-related services and consultation in connection with various accounting and financial reporting matters. BDO Seidman also performs certain non-audit services for our company. The audit committee has determined that the provision of the services provided by BDO Seidman as set forth herein are compatible with maintaining BDO Seidman's independence and the prohibitions on performing non-audit services set forth in the Sarbanes-Oxley Act and relevant Securities and Exchange Commission rules.

BDO Seidman will have a representative present at the annual meeting who will be available to respond to appropriate questions. The representative will also have the opportunity to make a statement if he or she desires to do so.

**Audit Fees**

BDO Seidman billed us \$116,000 in 2004 and \$146,334 in 2003 in the aggregate for professional services rendered by it for the audit of our annual financial statements for the 2004 and 2003 fiscal years and the reviews of the financial statements included in our quarterly reports on Form 10-Q for the 2004 and 2003 fiscal years.

**Audit-Related Fees**

BDO Seidman billed us \$11,000 in 2004 and \$49,733 in 2003 in the aggregate for assurance and related services that are reasonably related to the performance of the audit and review of our financial statements that are not already reported in the paragraph immediately above. These fees were billed in connection with our filings with the Securities and Exchange Commission, consultation with respect to financial accounting pronouncements and attendance at audit committee and annual stockholder meetings.

**Tax Fees**

BDO Seidman did not render any professional services to us for tax compliance, tax advice and tax planning in 2004 or 2003.

**All Other Fees**

BDO Seidman billed us \$4,500 in 2004 and \$9,322 in 2003 in the aggregate for all other services rendered to us. These fees were billed in connection with assistance provided relating to the sale of our Video Solutions business.

In accordance with audit committee policy and the requirements of law, all services to be provided by BDO Seidman are pre-approved by the audit committee. Pre-approval includes audit services, audit-related services, tax services and other services. To avoid certain potential conflicts of interest, the law prohibits a publicly traded company from obtaining certain non-audit services from its auditing firm. We obtain these services from other service providers as needed.

Approval of the Registered Public Accounting Firm proposal requires the affirmative vote of a majority of the votes cast by holders of common stock present at the annual meeting in person or by proxy entitled to vote. The board of directors recommends that stockholders vote for the ratification of the selection of BDO Seidman as our Registered Public Accounting Firm for the fiscal year ending December 31, 2005.
