EXPLANATORY NOTE

This registration statement has been prepared on the assumption that, among other things, the Arrangement (as described in the Plan of Arrangement which is filed as an exhibit to this registration statement) and the related transactions contemplated to occur immediately prior to, contemporaneously with, or immediately following the effective date of the Plan of Arrangement will be consummated as contemplated by the Plan of Arrangement. No assurance is given, however, that any or all of the transactions provided for in the Plan of Arrangement will occur or will occur as so contemplated. The Plan of Arrangement was approved by the securityholders of Fording Inc., a Canadian corporation, at a special meeting of shareholders and optionholders held on February 19, 2003, and is expected to be effective on February 28, 2003. Upon such effective date, Fording Canadian Coal Trust (the Trust) will become the successor to Fording Inc. and each outstanding option to purchase common shares of Fording Inc. under its Key Employee Stock Option Plan or its Directors Stock Option Plan will be converted into a option (an Exchange Option) to purchase an equal number of units of the Trust under the Trust's Exchange Option Plan (which is filed as an exhibit to this registration statement). This registration statement covers the units issuable to holders of Exchange Options that are residents of the United States.

Item 6. Indemnification of Directors and Officers.

Fording Inc.

Section 124 of the *Canada Business Corporations Act* (*CBCA*), which governs the Registrant, provides that the Registrant may indemnify a director or officer of the Registrant, a former director or officer of the Registrant or another individual who acts or acted at the Registrant's request as a director or officer, or an individual acting in a similar capacity, of another entity, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by the individual in respect of any civil, criminal, administrative, investigative or other proceeding in which the individual is involved because of that association with the Registrant or other entity (a *Registrant Indemnified Individual*).

The *CBCA* also provides that the Registrant may advance moneys to a director, officer or other individual for the costs, charges and expenses of such proceedings. However, the individual shall repay the moneys and the Registrant may not indemnify an individual unless such individual (a) acted honestly and in good faith with a view to the best interests of the Registrant, or, as the case may be, to the best interests of the other entity for which the individual acted as director or officer or in a similar capacity at the Registrant's request; and (b) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, the individual had reasonable grounds for believing that the individual's conduct was lawful.

The Registrant may, with the approval of a court, indemnify an individual or advance moneys in respect of an action by or on behalf of the Registrant or other entity to procure a judgment in its favor, to which the individual is made a party because of the individual's association with the Registrant or other entity against all costs, charges and expenses reasonably incurred by the individual in connection with such action, if the individual fulfils the conditions set out in (a) and (b) above.

A *Registrant Indemnified Individual* is also entitled to indemnity from the Registrant in respect of all costs, charges and expenses reasonably incurred by the individual in connection with the defense of any civil, criminal, administrative, investigative or other proceeding to which the individual is subject because of the individual's association with the Registrant or other entity, if the individual seeking indemnity (x) was not judged by the court or other competent authority to have committed any fault or omitted to do anything that the individual ought to have done; and (y) fulfils the conditions set out in (a) and (b) above.

The *CBCA* provides that the Registrant may purchase and maintain insurance for the benefit of *Registrant Indemnified Individuals* against any liability incurred by the individual in the individual's capacity as a director or officer of the corporation; or in the individual's capacity as a director or officer, or similar capacity, of another entity, if the individual acts or acted in that capacity at the Registrant's request. The Registrant or a *Registrant Indemnified Individual* may apply to a court for an order approving an indemnity under Section 124 of the *CBCA* and the court may so order and make any further order that it sees fit.

A by-law of the Registrant provides that the Registrant shall indemnify a director or officer of the Registrant, a former director or officer of the Registrant or a person who acts or acted at the Registrant's request as a director or officer of a body corporate of which the Registrant is or was a shareholder or creditor, and the heirs and legal representatives thereof, to the extent permitted by the *CBCA* or otherwise by law.

The Registrant maintains insurance for the benefit of the directors and officers of both itself and its subsidiaries against liability incurred by them in their capacity as directors and officers.

The Registrant has indemnification agreements with its directors and officers whereby the Registrant agrees to indemnify such directors and officer from losses, costs or damages incurred or sustained by them acting in the capacity of director or officer. Pursuant to the terms of the indemnification agreements, the Registrant has agreed to purchase and maintain, or cause to be purchased and maintained, while directors and officers of the Registrant remain in office and for a period of seven years thereafter, directors' and officers' errors and omissions insurance for the benefit of such directors and officers

Fording Canadian Coal Trust

The Trust was created on February 26, 2003. Pursuant to the declaration of trust (the *Declaration*), any current or former Trustee shall be indemnified by the Trust against all liabilities, damages, losses, debts and

claims whatsoever, including costs, charges and expenses in connection therewith, sustained, incurred, brought, commenced or prosecuted against such Trustee for or in respect of any act, deed, matter or thing whatsoever made, done or omitted to be done in connection with the execution of duties while acting in the capacity of Trustee and all other liabilities, damages, losses, debts, claims, costs, charges and expenses which such Trustee sustains or incurs in relation to the affairs of the Trust. However, the Trust is not obliged to indemnify such Trustee unless the Trustee acted in good faith with a view to the best interests of the Trust and the unitholders of the Trust and, in the case of a criminal or administrative proceeding that is enforced by a monetary penalty, the Trustee had reasonable grounds for believing his or her conduct was lawful.

In addition, the Declaration permits the Trust, to the extent permitted by law, to indemnify, or to enter into agreements with respect to the indemnification of, any person with whom the Trust has dealings to such extent as the Trustees shall determine. The Trust may also arrange for insurance contracts and policies insuring any or all of the Trustees, officers, employees or agents of the Trust, in their capacity as such, including against any and all claims and liabilities of any nature asserted by any person arising by reason of any action alleged to have been taken or omitted to be taken by the Trust or by the Trustees, officers, employees or agents of the Trust.

The Trust has entered into indemnification agreements with certain Trustees and officers of the Trust (each a Trust Indemnified Individual) which shall become effective February 28, 2003.

The indemnification agreements provide that the Trust and a wholly-owned corporation of the Trust formed as part of the Arrangement (New Fording) will jointly and severally indemnify a Trust Indemnified Individual for all costs, changes, expenses, fees, damages, amounts paid to settle any claim or satisfy any judgment, fines, penalties or liabilities which the individual may suffer, sustain, incur or be required to pay arising out of or incurred in respect of any claim, act, matter or thing done, made, permitted or omitted by the individual arising out of, in connection with or incidental to the affairs of the Trust or certain subsidiaries thereof or the exercise by the individual of his or her powers or the performance of his or her duties as a Trustee, director or officer of the Trust or its subsidiaries, as the case may be, provided that (c) the individual acted honestly and in good faith with a view to the best interests of the Trust and its Unitholders, or to the best interests of certain subsidiaries thereof, as the case may be, and (d) in the in the case of a criminal or administrative proceeding that is enforced by a monetary penalty, the individual had reasonable grounds for believing his or her conduct was lawful. New Fording has entered into similar agreements with its directors and officers.

Upon a Trust Indemnified Individual becoming directly or indirectly a party to any action, proceeding or inquiry of any nature referred to in the preceding paragraph, the Trust and New Fording must forthwith indemnify the individual for all losses. If the outcome of such action, proceeding or inquiry establishes that the conditions set out in (c) and (d) above were not satisfied, the Trust Indemnified Individual must repay all amounts for which there was no entitlement to indemnification.

The Trust shall also indemnify a Trust Indemnified Individual or advance moneys in respect of an action by or on behalf of the Trust or certain subsidiaries thereof to procure a judgment in favor of such entity, to which the individual is subject because of the association of the individual with such entity, against all costs, charges and expenses reasonably incurred by the individual in connection with such action, provided the individual satisfies the conditions set out in (c) and (d) above and further provided that New Fording's obligation to so indemnify shall be contingent on approval of the Alberta Court of Queen's Bench if required by applicable law.

A Trust Indemnified Individual is also entitled to indemnity from the Trust and New Fording in respect of all costs, charges and expenses reasonably incurred by the individual in connection with the defense of any civil, criminal, administrative, investigative or other proceeding to which the individual is subject because of the individual's association with the Trust or certain subsidiaries thereof, as the case may be, if the individual seeking indemnity (x) was not judged by the court or other competent authority to have committed any fault or omitted to do anything that the individual ought to have done; and (y) fulfils the conditions set out in (c) and (d) above.

Pursuant to the terms of the applicable indemnification agreements, the Trust and New Fording have agreed to purchase and maintain, or cause to be purchased and maintained, while the Trust Indemnified Individuals remain in office and for six years thereafter, errors and omissions insurance for the benefit of the Trust Indemnified

Item 7. Exemption from Registration Claimed.

Not required.

Item 8. Exhibits.

See the Exhibit Index accompanying this registration statement.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

- (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the

opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
