The document listed below as Exhibit 99.1 to this Form 6-K is a copy of the Registrant's Letter to Shareowners dated September 18, 2008 and mailed to all shareowners on September 24, 2008. This letter is being furnished, not filed, and will not be incorporated by reference into any registration statement filed by TransAlta Corporation under the Securities Act of 1933, as amended.

This report contains forward-looking statements. All forward-looking statements are based on TransAlta Corporation's beliefs and assumptions based on information available at the time the assumptions were made. In some cases, forward-looking statements can be identified by terms such as may, will, believe, expect, potential, enable, other comparable terminology. The forward-looking statements relate to, among other things, statements regarding the anticipated business prospects and financial performance of TransAlta Corporation. These statements are not guarantees of the Corporation's future performance and are subject to risks, uncertainties and other important factors that could cause the Corporation's actual performance to be materially different from those projected. Certain of the risks, uncertainties, and factors include, but are not limited to: legislative and regulatory developments that could affect revenues, costs, cost and availability of fuel to produce electricity, fleet availability, the speed and degree of competition entering the market; global capital markets activity; timing and extent of changes in commodity prices, prevailing interest rates, currency exchange rates, inflation levels and general economic conditions where TransAlta Corporation operates; results of financing efforts; changes in counterparty risk; and the impact of accounting policies issued by standard setters. Given these uncertainties, the reader should not place undue reliance on any of these forward-looking statements which are given as of the date expressed in this Exhibit and TransAlta Corporation undertakes no obligation to update publicly or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by law.
