You should be prepared to present photo identification for admittance. In addition, if you are a shareholder of record, your name will be verified against the list of shareholders of record on the record date prior to your being admitted to the annual meeting. If you are not a shareholder of record but hold shares through a broker or nominee (*i.e.*, in street name), you should provide proof of beneficial ownership on the record date, such as your most recent account statement prior to the record date, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the

REMARKS:

procedures outlined above upon request, you will not be admitted to the annual meeting. The meeting is scheduled to begin promptly at 11:30 a.m. Pacific Daylight Time.

Q: How can I vote my shares in person at the annual meeting?

A: Shares held in your name as the shareholder of record may be voted in person at the annual meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. *Even if you plan to attend the annual meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.*

Q: How can I vote my shares without attending the annual meeting?

A: Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. If you are a shareholder of record, you may vote by submitting a proxy or by voting online or by telephone. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, trustee or nominee.

Table of Contents

Q: Can I change my vote?

A: You may change your vote at any time prior to the vote at the annual meeting. If you are the shareholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to Teekay Tankers Corporate Secretary by mail received prior to your shares being voted, or by attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Teekay Tankers or to third parties, except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote and (3) to facilitate a successful proxy solicitation. Occasionally, shareholders provide written comments on their proxy card, which are then forwarded to Teekay Tankers management.

Q: What are the relative voting rights of Teekay Tankers Class A common stock and Class B common stock?

A: Holders of shares of Class A common stock and Class B common stock will vote together as a single class on all matters submitted to a vote of shareholders at the meeting, including the election of directors. Holders of Teekay Tankers Class A common stock will be entitled to one vote per share on all matters voted on at the meeting. Pursuant to Teekay Tankers articles of incorporation, holders of Teekay Tankers Class B common stock are generally entitled to five votes per share, provided that the voting power of the Class B common stock is limited such that the aggregate voting power of all shares of outstanding Class B common stock can at no time exceed 49% of the voting power of our outstanding Class A common stock and Class B common stock, voting together as a single class. Based on the current number of outstanding shares of Teekay Tankers Class A common stock and Class B common stock, each outstanding share of Class B common stock will be entitled to five votes on all matters voted on at the meeting.

Q: How many shares must be present or represented to conduct business at the annual meeting?

A: The general quorum requirement for holding the annual meeting and transacting business is that holders of a majority of the total voting power of all shares of Teekay Tankers Class A and Class B common stock entitled to vote must be present in person or represented by proxy. However, when specified business is to be voted on by a class or series of stock voting as a class, the holders of a majority of the then-outstanding shares of such class or series shall constitute a quorum of such class or series for the transaction of such business. There are no matters proposed to be voted on at the meeting that would require separate voting by the holders of Class A common stock and the holders of Class B common stock. Abstentions are counted for the purpose of determining the

presence of a quorum, but broker non-votes will not be counted for purposes of determining the presence of a quorum.

Q: How are votes counted?

A: In the election of directors, you may vote FOR all of the nominees or your vote may be WITHHELD with respect to one or more of the nominees. For any other item of business, you may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN, the abstention has the same effect as a vote AGAINST.

If you provide specific instructions for a given item, your shares will be voted as you instruct on such item. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (*i.e.*, FOR all of Teekay Tankers' nominees to the Board, and in the discretion of the proxyholders on any other matters that properly come before the meeting.)

Table of Contents

If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute broker non-votes. Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained.

Q: What is the voting requirement to approve each of the proposals?

A: In the election of directors, the five persons receiving the highest number of FOR votes at the annual meeting will be elected. Any other proposal requires the affirmative FOR vote of a majority of the total voting power of those shares of common stock present in person or represented by proxy and entitled to vote on that proposal at the annual meeting.

Q: Is cumulative voting permitted for the election of directors?

A: No. Teekay Tankers does not allow you to cumulate your vote in the election of directors. For all matters proposed for shareholder action at the annual meeting, each share of Class A common stock outstanding as of the close of business on the record date is entitled to one vote.

Q: What happens if additional matters are presented at the annual meeting?

A: Other than the one item of business described in this proxy statement, we are not aware of any business to be acted upon at the annual meeting. If you grant a proxy, the persons named as proxyholders, Vincent Lok and Arthur Bensler, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any unforeseen reason any of our nominees are not available as a candidate for director, the persons named as proxyholders will vote your proxy for such candidate or candidates as may be nominated by the Board, unless the Board chooses to reduce the number of directors serving on the Board.

Q: What should I do if I receive more than one set of voting materials?

A: If you request a printed set of voting materials, you may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a shareholder of record requesting printed voting materials and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive.

Q: How may I obtain a separate set of voting materials?

A: If you share an address with another shareholder and request a printed set of voting materials, you may receive only one set of proxy materials unless you have provided contrary instructions. If you wish to receive a separate set of proxy materials now or in the future, you may contact us to request a separate copy of these materials at:

Similarly, if you share an address with another shareholder and have received multiple copies of our proxy materials, you may contact us as indicated above to request delivery of a single copy of these materials.

Table of Contents

Q: Who will bear the cost of soliciting votes for the annual meeting?

A: Teekay Tankers is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing proxy materials and soliciting votes. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. Upon request, we will reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy and solicitation materials to shareholders.

Q: Where can I find the voting results of the annual meeting?

A: We intend to announce preliminary voting results at the annual meeting and publish final results in our report on Form 6-K for the second quarter of 2014.

Q: What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?

A: You may submit proposals, including director nominations, for consideration at future shareholder meetings as indicated below.

Nomination of Director Candidates

You may propose director candidates for consideration by the Board's Nominating and Corporate Governance Committee. Any such recommendation should include the nominee's name and qualifications for Board membership and should be directed to Teekay Tankers' Corporate Secretary at the address set forth above. Please read Corporate Governance Principles and Board Matters - Consideration of Director Nominees below. In addition, Teekay Tankers' bylaws permit shareholders to nominate directors for election at an annual shareholder meeting. To nominate a director, the shareholder must deliver a proxy statement and form of proxy to holders of a sufficient number of shares of Teekay common stock to elect such nominee and provide the information required by Teekay Tankers' bylaws, as well as a statement by the nominee acknowledging that he or she consents to being nominated and will owe a fiduciary obligation to Teekay Tankers and its shareholders if elected. In addition, the shareholder must give timely notice to Teekay Tankers' Corporate Secretary in accordance with the bylaws, which, in general, require that the notice be received by the Corporate Secretary within the time period described above under Shareholder Proposals.

Table of Contents**CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS**

Teekay Tankers is committed to sound corporate governance principles. These principles contribute to Teekay Tankers' business success and are essential to maintaining Teekay Tankers' integrity in the marketplace. Teekay Tankers' Corporate Governance Guidelines and Standards of Business Conduct are available under Corporate Governance in the About Us section of our website at www.teekaytankers.com. Although Teekay Tankers is a foreign private issuer, the Company has voluntarily chosen to comply in all material respects with the New York Stock Exchange (or NYSE) domestic corporate governance listing standards applicable to U.S. controlled companies.

Board Independence

The Board has determined that each of our directors, other than Bruce Chan, our Chief Executive Officer, who also serves as President of the Teekay Tanker Services division of Teekay Corporation, Bjorn Moller, our previous Chief Executive Officer, and Arthur Bensler, the Executive Vice President and General Counsel of Teekay Corporation, has no material relationship with Teekay Tankers (either directly or as a partner, shareholder or officer of an organization that has a relationship with Teekay Tankers) and is *independent* within the meaning of Teekay Tankers' director independence standards, which reflect the NYSE director independence standards, as currently in effect. Three of the current directors standing for re-election at the annual meeting are independent directors.

The Board has determined that each member of Teekay Tankers' Audit Committee and Conflicts Committee has no material relationship with Teekay Tankers (either directly or as a partner, shareholder or officer of an organization that has a relationship with Teekay Tankers) and is independent within the meaning of Teekay Tankers' director independence standards. In addition, the Board has determined that each member of the Audit Committee and the Conflicts Committee also satisfies Teekay Tankers' Audit Committee member independence standards, which reflect applicable NYSE and SEC audit committee member independence standards.

Board Structure and Committee Composition

Teekay Tankers has chosen to separate the positions of Chairman of the Board and Chief Executive Officer and to have those positions occupied by different individuals believing such separation promotes greater management accountability to shareholders.

As of the date of this proxy statement, the Board has six directors and the following three committees: (1) Audit, (2) Conflicts, and (3) Nominating and Corporate Governance. The function of each of the committees is described later in this section. Each of the committees operates under a written charter adopted by the Board. All of the committee charters are available under Corporate Governance in the About Us section of Teekay Tankers' website at www.teekaytankers.com. During 2013, the Board held seven meetings. Directors attended all board meetings, with the exception of two board members not attending one meeting and a third board member who did not attend two meetings. There were two committee member absences from a total of one committee meeting in 2013. The membership of each of the committees for 2013, and as of the date of this proxy statement, and the number of meetings of each committee held during 2013 are as follows:

Periodically, the Audit Committee meets separately with management, with internal audit personnel and with the independent auditors to discuss matters that the Committee or the other groups believe deserve Committee attention. The report of the Audit Committee is included on page 22 of this proxy statement.

Table of Contents

Conflicts Committee

Teekay Tankers' Conflicts Committee is composed entirely of directors who satisfy the same heightened NYSE and SEC independence standards as apply to audit committee membership. The Conflicts Committee reviews matters that the Board refers to the committee for consideration and which constitute (a) matters the Board believes may involve conflicts of interest between (1) Teekay Tankers and (2) its controlling shareholder Teekay Corporation or its affiliates (other than Teekay Tankers) or (b) material related-party transactions, including transactions between Teekay Tankers and its officers or directors or their affiliates. The Board is not obligated to seek approval of the Conflicts Committee on any matter, and may determine the resolution of any conflict of interest itself. The Conflicts Committee has the authority to obtain advice and assistance from, and receive appropriate funding from Teekay Tankers for, outside advisers as the Conflicts Committee deems necessary to fulfill its duties.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee:

identifies individuals qualified to become Board members;

selects and recommends to the Board director and committee member candidates;

develops and recommends to the Board corporate governance principles and policies applicable to Teekay Tankers, monitors compliance with these principles and policies and recommends to the Board appropriate changes; and

oversees the evaluation of the Board and its committees.

Specific duties of the Nominating and Corporate Governance Committee include, among others: annually assessing the size and composition of the Board; periodically reviewing director qualification criteria; annually reviewing and, as appropriate, recommending directors for continued service; overseeing the Board's committee structure; recommending Board committee assignments; monitoring compliance with Board and Board committee membership criteria; developing procedures for selecting the Chair of the Board; determining the method of communication between employees, shareholders and other interested parties and non-management directors; and annually evaluating the Committee's performance and its charter. The Committee has the authority to obtain assistance from outside advisors in fulfilling its duties and to compensate these advisors.

Consideration of Director Nominees

Shareholder Nominees

The policy of the Nominating and Corporate Governance Committee is to consider properly submitted shareholder nominations for Board of Directors candidates as described below under "Identifying and Evaluating Nominees for Directors." In evaluating these nominations, the Committee considers the balance of knowledge, experience and capability of Directors and the membership guidelines set forth below under "Director Qualifications." Any shareholder nominations proposed for consideration by the Nominating and Corporate Governance Committee should include the

nominee's name and qualifications for Board membership and should be delivered or mailed, addressed to:

Corporate Secretary

Teekay Tankers Ltd.

Suite 2000, Bentall 5

550 Burrard Street

Vancouver, BC V6C 2K2

In addition, Teekay Tankers' bylaws permit shareholders to nominate directors for consideration at an annual shareholders meeting. For a description of the process for nominating directors in accordance with Teekay Tankers' bylaws, please read *Questions and Answers about the Proxy Materials and the Annual Meeting* "What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?" on page 6 of this proxy statement.

Director Qualifications

Teekay Tankers' Corporate Governance Guidelines include Board membership guidelines that the Nominating and Corporate Governance Committee should consider in reviewing and in recommending to the Board director nominees. Under these guidelines, members of the Board should have high standards of personal and professional ethics, integrity and values. Among other things, the Nominating and Corporate Governance Committee should consider: the nominee's training, experience and ability in making and overseeing policy in business, government or education sectors; willingness and availability to carry out his or her duties effectively; and commitment to act in the best interests of Teekay Tankers and its stakeholders; and to assess objectively Board, committee and management performance. In evaluating director nominees, the Nominating and Corporate Governance Committee also assesses an individual's qualifications, skills, experience, background and knowledge in light of the overall composition of the existing Board. Teekay Tankers' Corporate Governance Guidelines, which include a more detailed discussion of desired director qualifications, are available under 'Corporate Governance' in the 'About Us' section of our website at www.teekaytankers.com.

Identifying and Evaluating Nominees for Directors

The Nominating and Corporate Governance Committee uses a variety of methods for identifying and evaluating director nominees for recommendation to the Board for approval. The Nominating and Corporate Governance Committee regularly assesses the appropriate size of the Board, and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated or otherwise arise, the Nominating and Corporate Governance Committee considers potential director candidates. Candidates may come to the attention of the Nominating and Corporate Governance Committee through current Board members, professional search firms, shareholders or others. These candidates are evaluated at regular or special meetings of the Nominating and Corporate Governance Committee, and may be considered at any time during the year. As described above, the Nominating and Corporate Governance Committee considers properly submitted shareholder nominations for candidates for the Board. Following verification of the shareholder status of persons proposing candidates, any recommendations are aggregated and considered by the Nominating and Corporate Governance Committee. If any materials are provided by a shareholder in connection with the nomination of a director candidate, these materials are forwarded to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee also reviews materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a shareholder. In evaluating these nominations, the Nominating and Corporate Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board.

Executive Sessions

Teekay Tankers' non-management directors hold at least four executive sessions each year at which the non-management directors meet without management directors or other executives present. A non-management director presides over each executive session of the non-management directors, although the same director is not required to preside over each session. Any non-management director may request that additional executive sessions of the non-management directors be held, and the presiding non-management director for the previous session will determine whether to call any such meeting.

Exemptions from NYSE Corporate Governance Rules

As a foreign private issuer and as a controlled company, Teekay Tankers is exempt from certain corporate governance rules that apply to U.S. domestic companies under NYSE listing standards. The following are the significant ways in which Teekay Tankers' corporate governance practices differ from those followed by U.S. domestic companies:

Unlike domestic companies listed on the NYSE, foreign private issuers and controlled companies are not required to have a majority of independent directors. Teekay Tankers' Board has determined that three of its six current directors (being Richard J. F. Bronks, Richard T. du Moulin and William Lawes) satisfy the NYSE's independence standards for domestic companies.

U.S. issuers are required to have a compensation committee and a nominating and corporate governance committee, each comprised entirely of independent directors. Although as a foreign private issuer and controlled company these rules do not apply to Teekay Tankers, the Board has a nominating and corporate governance committee that currently includes three independent directors. Primarily because Teekay Tankers' executive officers are employees of Teekay Corporation, with a portion of their compensation reimbursed by Teekay Tankers, the Board does not have a compensation committee. Please read "Executive Officers Executive Compensation."

PROPOSALS TO BE VOTED ON

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Teekay Tankers' Board of Directors currently consists of six directors. Effective on the date of the 2014 annual meeting, the Board of Directors will consist of five directors. At the 2014 annual meeting, five directors will be elected to serve for a one year term until the 2015 annual meeting and until their successors are elected. Votes may not be cast for a greater number of director nominees than five.

Information regarding the business experience of each nominee is provided below. There are no family relationships among Teekay Tankers' executive officers and directors.

If you sign and return your proxy or voting instruction card, or vote online or by telephone, but do not give instructions for the voting of directors, your shares will be voted **FOR** the five persons recommended by the Board. If you wish to give specific instructions for the voting of directors, you may do so by indicating your instructions on your proxy or voting instruction card.

The five persons receiving the highest number of **FOR** votes represented by shares of Teekay Tankers' common stock, present in person or represented by proxy and entitled to be voted at the annual meeting will be elected.

The Board expects that all of the nominees will be available to serve as directors. If for any unforeseen reason any of the Board's nominees is not available as a candidate for director, the proxyholders, Vincent Lok and Arthur Bensler, will vote your proxy for such other candidate or candidates as may be nominated by the Board, unless the Board chooses to reduce the number of directors serving on the Board.

Unless otherwise indicated, each person or entity has sole voting and investment power (or shares such powers with his or her spouse) with respect to the shares set forth in the following table.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Teekay Tankers has relationships or is a party to transactions with Teekay Corporation and certain of its subsidiaries. These relationships and transactions are described below.

Teekay Corporation's Ownership Interest and Voting Control; Renunciation of Business Opportunities in Favor of Teekay Corporation

Teekay Corporation owns, directly or indirectly, 12,500,000 shares of Teekay Tankers' Class B common stock and 8,476,530 shares of Teekay Tankers' Class A common stock, representing an 11.9% ownership interest in Teekay Tankers and 53.1% of the aggregate voting power of Teekay Tankers' outstanding shares of common stock. Please read Common Stock Ownership of Certain Beneficial Owners and Management.

Teekay Tankers' Class B common stock has five votes per share, subject to a 49% aggregate Class B common stock voting power maximum, while Teekay Tankers' Class A common stock has one vote per share. Except as otherwise provided by the Marshall Islands Business Corporations Act, holders of shares of Class A common stock and Class B common stock vote together as a single class on all matters submitted to a vote of shareholders, including the election of directors. Teekay Corporation currently controls all of Teekay Tankers' outstanding Class B common stock and additional shares of Class A common stock. Because of Teekay Tankers' dual-class structure, Teekay Corporation may continue to control all matters submitted to Teekay Tankers' shareholders for approval even if it and its affiliates come to own significantly less than 50% of the shares of Teekay Tankers' outstanding common stock.

Teekay Tankers' articles of incorporation renounce in favor of Teekay Corporation business opportunities that may be attractive to both Teekay Corporation and Teekay Tankers. This provision effectively limits the fiduciary duties Teekay Tankers or its shareholders otherwise may be owed regarding these business opportunities by the Teekay Tankers' directors and officers, who also serve as directors or officers of Teekay Corporation or its other affiliates. If Teekay Corporation or its affiliates no longer beneficially own shares representing at least 20% of the total voting power of Teekay Tankers' outstanding capital stock and no person who is an officer or director of Teekay Tankers is also an officer or director of Teekay Corporation or its other affiliates, then this business opportunity provision of Teekay Tankers' articles of incorporation will terminate.
