All shareholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Edgar Filing: RiceBran Technologies - Form DEF 14A

Company encourages shareholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact of its annual meetings.

The Notice will provide you with instructions regarding how to view on the Internet the Company's proxy materials for the Annual Meeting. The Company's proxy materials are also available on the Company's website at www.ricebrantech.com/InvestorRelations.

Revocability of Proxies

You may change your proxy instructions at any time prior to the vote at the Annual Meeting. For shares held directly in your name, you may accomplish this by voting again via the Internet or by telephone, by executing a new proxy card or voting instruction card with a later date (which automatically revokes the earlier proxy) and delivering it to the Secretary of the Company at or prior to the taking of the vote at the Annual Meeting or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically so request. Please note, however, that if a shareholder has instructed a broker, bank or nominee to vote his, her or its shares of our common stock, the shareholder must follow the directions received from the broker, bank or nominee to change the shareholder's instructions. In the event of multiple online or telephone votes by a shareholder, each vote will supersede the previous vote and the last vote cast will be deemed to be the final vote of the shareholder, unless such vote is revoked in person at the Annual Meeting according to the revocability instructions outlined above.

Voting Procedures

You may vote by mail. If you are a registered shareholder (that is, if you hold your stock directly and not in street name), you may vote by mail by completing, signing and dating the accompanying proxy card and returning it in the enclosed postage prepaid envelope. Your proxy will then be voted at the Annual Meeting in accordance with your instructions.

You may vote by telephone or on the Internet. If you are a registered shareholder, you may vote by telephone or on the Internet by following the instructions included on the proxy card. Shareholders with shares registered directly with American Stock Transfer and Trust Company, LLC, our transfer agent, may vote (i) on the Internet at the following web address: <http://www.voteproxy.com> or (ii) by telephone by dialing the toll-free number in the Notice. If you vote by telephone or on the Internet, you do not have to mail in your proxy card. If you wish to attend the meeting in person, however, you will need to bring valid picture identification with you. Internet and telephone voting are available 24 hours a day. Votes submitted through the Internet or by telephone must be received by 11:59 p.m. (Eastern Time) on the day before the meeting date.

You may vote in person at the meeting. If you are a registered shareholder and attend the meeting (please remember to bring your valid picture identification, admission ticket or other acceptable evidence of stock ownership as of the record date), you may deliver your completed proxy card in person. If your shares are held in the name of your broker or other nominee, you are considered the beneficial owner of shares held in your name. In that case if you wish to vote at the meeting, you will need to bring with you to the meeting a legal proxy from your broker or other nominee authorizing you to vote these shares, along with valid picture identification.

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a voting card and voting instructions with these proxy materials from that organization rather than from us. Your bank or broker may permit you to vote your shares electronically by telephone or on the Internet. A large number of banks and brokerage firms participate in programs that offer telephone and Internet voting options. If your shares are held in an account at a bank or brokerage firm that participates in such a program, you may vote those shares electronically by telephone or on the Internet by following the instructions set forth on the voting form provided to you by your bank or brokerage firm.

These Internet and telephone voting procedures, which comply with California law, are designed to authenticate shareholders' identities, allow shareholders to vote their shares and confirm that shareholders' votes have been recorded properly. Shareholders voting via either telephone or the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies that

must be borne by the shareholder using such services. Also, please be aware that we are not involved in the operation of these voting procedures and cannot take responsibility for any access, Internet or telephone service interruptions that may occur or any inaccuracies, erroneous or incomplete information that may appear.

Voting and Solicitation

With respect to the election of directors, every shareholder voting at the election of directors may cumulate such shareholder's votes and give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of votes to which the shareholder's shares are entitled, or distribute the shareholder's votes on the same principle among as many candidates as the shareholder thinks fit, provided that votes cannot be cast for more than five (5) candidates. However, no shareholder shall be entitled to cumulate votes unless the candidate's name has been placed in nomination prior to the voting and the shareholder, or any other shareholder, has given notice at the Annual Meeting prior to the voting of the intention to cumulate the shareholder's votes. On all other matters, each share of Common Stock outstanding on the Record Date entitles its owner to one vote.

Expenses of solicitation of proxies will be borne by us. We may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. Proxies may also be solicited by certain of our directors, officers and regular employees, without additional compensation, personally or by telephone, telegram or letter. We may engage the services of a professional proxy solicitation firm to aid in the solicitation of proxies from certain brokers, bank nominees and other institutional owners. Our costs for such services, if retained, will not be material.

Quorum; Abstentions; Broker Non-votes

A majority of the shares of Common Stock outstanding on the Record Date and entitled to vote must be present, in person or represented by proxy, to constitute the required quorum for the transaction of business at the Annual Meeting. Shares that are voted “FOR,” “AGAINST,” or “ABSTAIN” are treated as being present at the meeting for purposes of establishing a quorum. Shares that are voted “FOR” or “AGAINST” a matter will also be treated as shares entitled to vote (Votes Cast) with respect to such matter.

A plurality of Votes Cast is required for the election of directors and only affirmative votes (either “FOR” or “AGAINST”) will affect the outcome of the election of directors (Proposal 1). The affirmative vote of a majority in voting power of all of our outstanding shares of common stock is required to approve the amendments of our articles of incorporation (Proposal 2 and 3). Assuming a quorum is present, the affirmative vote of both (i) a majority of the shares of our common stock represented at the Annual Meeting and (ii) a majority of the shares required to constitute a quorum, are required to approve the advisory vote on executive compensation (Proposal 4), to approve the advisory vote on the frequency of the advisory vote on executive compensation (Proposal 5) and to ratify the selection of our independent registered public accountants (Proposal 6).

While there is no definitive statutory or case law authority in California as to the proper treatment of abstentions or broker “non-votes”, we believe that both abstentions and broker “non-votes” should be counted for purposes of determining the presence or absence of a quorum for the transaction of business. We further believe that neither abstentions nor broker “non-votes” should be counted as shares “represented and voting” with respect to a particular matter for purposes of determining the total number of Votes Cast with respect to such matter. In the absence of controlling precedent to the contrary, we intend to treat abstentions and broker “non-votes” in this manner. Accordingly, abstentions and broker “non-votes” will not affect the determination as to whether the requisite majority of Votes Cast has been obtained with respect to a particular matter.

A broker “non-vote” occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Nominees will not have discretionary voting power with respect to the first, fourth and fifth proposals to elect our directors, the advisory vote on executive compensation and the frequency of the advisory vote on executive compensation, and will consequently be unable to vote shares held by beneficial owners who do not give voting instructions to their brokers, banks or nominees with respect to these proposals.

Deadlines for Submission of Shareholder Proposals for 2014 Annual Meeting

Requirements for Shareholder Proposals to be Considered for Inclusion in Proxy Materials. Our shareholders are entitled to present proposals for consideration at forthcoming shareholder meetings provided that they comply with the proxy rules promulgated by the SEC or our bylaws. Shareholders who wish to have a proposal considered for inclusion in the proxy materials for our 2014 Annual Meeting must submit such proposal to us by December 31, 2013. If we change the date of our 2014 Annual Meeting by more than 30 days from the date of this year’s meeting, the deadline is a reasonable time before we begin to print and send our proxy materials for the 2014 Annual Meeting. The submission of a proposal does not guarantee that it will be included in our proxy statement or proxy.

Requirements for Shareholder Proposals not to be Included in Proxy Materials. Shareholders who wish to present a proposal at our 2014 Annual Shareholder Meeting that is not intended to be included in the proxy materials relating to such meeting must deliver notice of such proposal to our secretary at our principal executive offices by March 16, 2014. If the date of our 2014 Annual Meeting is changed by more than 30 days from the date of this year’s meeting, notice of the proposal must be received by us no later than the close of business on a date determined and publicized by our Board, which date shall be at least ten (10) days after such date is publicized. Shareholders wishing to make

such proposals must also satisfy the other requirements set forth in our bylaws. If a shareholder does not also comply with the requirements of Rule 14a-4 under the Securities Exchange Act of 1934 (Exchange Act), we may exercise discretionary voting authority under proxies it solicits to vote in accordance with its best judgment on any such proposal submitted by a shareholder.

If there is a change in the deadlines set forth above for shareholder proposals with respect to the 2014 Annual Meeting, we will disclose the new deadlines in a Quarterly Report on Form 10-Q, a Current Report on Form 8-K, or by other means.

The term of office of each person elected as a director will continue until the next annual meeting of shareholders or until the director's successor has been elected and qualified.

Role of the Board; Corporate Governance Matters

Board Leadership Structure

The Board does not have a policy, one way or the other, with respect to whether the same person should serve as both the chief executive officer and chairman of the board or, if the roles are separate, whether the chairman should be selected from the non-employee directors or should be an employee. The Board believes that it should have the flexibility to make these determinations at any given point in time in the way that it believes best to provide appropriate leadership for the Company at that time. Currently, Mr. Schweitzer, an independent director, serves as chairman of the Board.

Risk Oversight

Our Board of Directors is currently comprised of six directors, three of whom are independent. One of our independent directors, Richard H. Koppes, will not stand for reelection at the Annual Meeting and will no longer serve on our Board or any of our Board committees after the Annual Meeting. The Board has four standing committees - the Audit, Compensation, Nominating and Governance and Executive Committees. A majority of the members of each of the Audit, Compensation and Executive Committees are independent directors. Two of the four current members of the Nominating and Corporate Governance Committee (including Mr. Koppes) are independent. Our Audit Committee is responsible for overseeing risk management and on at least an annual basis reviews and discusses with management policies and systems pursuant to which management addresses risk, including risks associated with our audit, financial reporting, internal control, disclosure control, legal and regulatory compliance, and investment policies. Our Audit Committee also serves as the contact point for employees to report corporate compliance issues. Our Audit Committee regularly reviews with our Board any issues that arise in connection with such topics. Our full Board regularly engages in discussions of risk management to assess major risks facing the Company and review options for their mitigation. Each of our Board committees also considers the risk within its area of responsibilities. For example, our Compensation Committee periodically reviews enterprise risks to ensure that our compensation programs do not encourage excessive risk-taking and our Nominating and Governance Committee oversees risks related to governance issues.

Board Independence

The Board has affirmatively determined that each current member of the Board, other than Messrs. Short, Halpern, and Hoogenkamp are independent under the criteria established by The Nasdaq Stock Market, or Nasdaq, for independent board members.

Board Meetings and Committee Meetings

During 2012, the Board held 13 meetings and each director attended at least 75% of those meetings during the period that he was a director. Our Board and its committees set schedules to meet throughout the year and also can hold special meetings and act by written consent from time to time, as appropriate. Our Board has delegated various responsibilities and authority to its committees as generally described below. The committees will regularly report on their activities and actions to the Board.

Audit Committee

The Audit Committee, which has been established in accordance with Section 3(a)(58)(A) of the Exchange Act, assists the Board in its general oversight of our financial reporting, internal controls, and audit functions, and is directly responsible for the appointment, compensation and oversight of the work of our independent registered public accounting firm. The members of the Audit Committee are David Goldman, Baruch Halpern and Robert C. Schweitzer. Each of Messrs. Goldman and Schweitzer is independent under Nasdaq's independence standards for audit committee members. The Audit Committee met 8 times in 2012 and each member of the Audit Committee attended all of those meetings. The Audit Committee is governed by its own charter that sets forth its specific responsibilities and the qualifications for membership to the committee. The charter of the Audit Committee is available on our website at www.ricebrantech.com, on the Investor Relations page. The Board has determined that each of Mr. Goldman and Mr. Schweitzer is an "audit committee financial expert", as defined by the rules of the SEC.

Compensation Committee

The Compensation Committee establishes our executive compensation policy, determines the salary and bonuses of our executive officers and recommends to the Board stock option grants for our executive officers. The current members of the Compensation Committee are David Goldman, Baruch Halpern, Richard H. Koppes and Robert C. Schweitzer. Each of Messrs. Goldman, Koppes and Schweitzer is independent under Nasdaq's independence standards for compensation committee members. Our chief executive officer often makes recommendations to the Compensation Committee and the Board concerning compensation of other executive officers. The Compensation Committee seeks input on certain compensation policies from the chief executive officer. In 2012, the Compensation Committee met 6 times and all members of the Compensation Committee attended each of the meetings. The Compensation Committee has its own charter that sets forth its specific responsibilities. The charter of the Compensation Committee is available on our website at www.ricebrantech.com, on the Investor Relations page. The Compensation Committee has the authority to retain and terminate any compensation consultant to be used to assist in the evaluation of executive compensation and has authority to approve the consultant's fees and other retention terms. The Compensation Committee retained no firm to review and evaluate the compensation of our executives in 2012.

Executive Committee

The primary function of the Executive Committee is to exercise the power and authority of the Board as may be necessary during the intervals between meetings of the Board, subject to such limitations as are provided by law or by resolution of the Board. The members of the Executive Committee are David Goldman, Robert C. Schweitzer and W. John Short. In 2012, the Executive Committee held 5 meetings. Each of Messrs. Goldman and Schweitzer is independent under Nasdaq's independence standards.

Strategic Committee

On April 9, 2013, the Board established a Strategic Committee. The primary functions of the Strategic Committee are to actively engage with management on strategic planning and to review and evaluate potential strategic transactions, with the goal of improving Company performance and shareholder value. The members of the Strategic Committee are David Goldman, Richard H. Koppes and Robert C. Schweitzer, each of whom is independent under Nasdaq's independence standards.

Nominating and Governance Committee

The Nominating and Governance Committee is responsible for matters relating to the corporate governance of our company and the nomination of members of the Board and committees thereof. The current members of the Nominating and Governance Committee are Richard H. Koppes, Baruch Halpern, Henk W. Hoogenkamp and Robert C. Schweitzer. Each of Messrs. Koppes and Schweitzer are independent under Nasdaq's independence standards. The Nominating and Governance Committee met 7 times in 2012 and all members of this committee at the time of a meeting attended each of these meetings. The Nominating and Governance Committee has hired a consultant to identify and introduce to the committee potential candidates to serve on the Board. The Nominating and Governance Committee has its own charter that outlines its responsibilities. The charter of the Nominating and Governance Committee is available on our website at www.ricebrantech.com on the Investor Relations page.

Nomination Process

In evaluating potential candidates for membership on the Board, the Nominating and Governance Committee may consider such factors as it deems appropriate. These factors may include judgment, skill, diversity, integrity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board. While the Nominating and Governance Committee has not established any specific minimum qualifications for director nominees, the Nominating and Governance Committee believes that demonstrated leadership, as well as significant years of service in an area of endeavor such as business, law, public service, related industry or academia, is a desirable qualification for service as our director. Upon the identification of a qualified candidate, the Nominating and Governance Committee selects, or recommends for consideration by the full Board, the nominee for the election of directors to the Board.

Although we do not have a formal policy in place, we consider diversity, among other factors, to identify our nominees for the Board. We view diversity broadly to include diversity of experience, skills and viewpoint as well as more traditional diversity concepts. In sum, we strive to assemble a diverse Board that is strong in its collective knowledge and that also consists of individuals who bring a variety of complementary attributes and skills to the Board such that the Board, taken as a whole, has the necessary and appropriate skills and experience to provide an enriched environment. The needs of the Board and the factors that the Nominating and Governance Committee considers in evaluating candidates are reassessed on an annual basis, when the committee's charter is reviewed.

Edgar Filing: RiceBran Technologies - Form DEF 14A

The Nominating and Governance Committee will consider nominees recommended by shareholders. Any shareholder may make recommendations to the Nominating and Governance Committee for membership on the Board by sending a written statement of the qualifications of the recommended individual to: Secretary, RiceBran Technologies, 6720 N. Scottsdale Road, Suite # 390, Scottsdale, Arizona 85253. Such recommendations should be received no later than sixty (60) days prior to the annual meeting for which the shareholder wishes his or her recommendation to be considered. The Board will evaluate candidates recommended by shareholders on the same basis as it evaluates other candidates, including the following criteria:

- Directors should be of the highest ethical character and share values that reflect positively on themselves and us.
 - Directors should have reputations, both personal and professional, consistent with our image and reputation.
 - Directors should be highly accomplished in their respective fields, with superior credentials and recognition.

The fact that a proposed director nominee meets some or all of the above criteria will not obligate the Nominating and Governance Committee to nominate or recommend the candidate for election to the Board in the proxy materials.
