PROXY STATEMENT

GENERAL INFORMATION

This proxy statement and the enclosed form of proxy are being furnished in connection with the solicitation of proxies by our board of directors to be used at the annual meeting of shareholders to be held at 9:00 a.m. local time, on Friday, June 11, 2004 and any adjournments. The annual meeting will be held at the Marriott Hotel, 1501 International Parkway, Lake Mary, Florida. The matters to be considered at the meeting are set forth in the attached Notice of Meeting.

Our executive offices are located at 8493 Baymeadows Way, Jacksonville, Florida 32256. This proxy statement and the enclosed form of proxy are first being sent to shareholders on or about May 5, 2004.

RECORD DATE; VOTING SECURITIES

Our board of directors has fixed the close of business on April 29, 2004 as the record date for determination of shareholders entitled to notice of, and to vote at, the annual meeting. As of April 29, 2004, we had issued and outstanding 17,959,504 shares of common stock, par value \$.01 per share, our only class of voting securities outstanding. Each of our shareholders is entitled to one vote for each share of common stock registered in his or her name on the record date.

SOLICITATION, VOTING AND REVOCATION OF PROXIES

Proxies in the form enclosed are solicited by and on behalf of our board of directors. The persons named in the proxy have been designated as proxies by our board of directors. Any proxy given pursuant to this solicitation and received in time for the meeting will be voted as specified in the returned proxy. If no instructions are given, proxies returned by shareholders will be voted "FOR" the election of the nominees as our directors listed below under the caption "Proposal I: Election of Directors" and as the proxies named in the proxy determine in their discretion with respect to any other matters properly brought before the meeting. Any proxy may be revoked by written notice received by our secretary at any time prior to the voting at the meeting, by submitting a subsequent proxy or by attending the annual meeting and voting in person. Attendance by a shareholder at the annual meeting does not alone serve to revoke his or her proxy.

The presence, in person or by proxy, of a majority of the votes entitled to be cast at the meeting will constitute a quorum at the meeting. A proxy submitted by a shareholder may indicate that all or a portion of the shares represented by his or her proxy are not being voted ("shareholder withholding") with respect to a particular matter. Similarly, a broker may not be permitted to vote stock ("broker non-vote") held in street name on a particular matter in the absence of instructions from the beneficial owner of the stock. The shares subject to a proxy which are not being voted on a particular matter because of either shareholder withholding or broker non-vote will not be considered shares present and entitled to vote on the matter. These shares, however, may be considered present and entitled to vote on other matters and will count for purposes of determining the presence of a quorum, unless the proxy indicates

## Edgar Filing: PARKERVISION INC - Form DEF 14A

that the shares are not being voted on any matter at the meeting, in which case the shares will not be counted for purposes of determining the presence of a quorum.

The directors will be elected by a plurality of the votes cast at the meeting. "Plurality" means that the nominees who receive the highest number of votes in their favor will be elected as our directors. Consequently, any shares

1

not voted "FOR" a particular nominee, because of either shareholder withholding or broker non-vote, will not be counted in the nominee's favor.

All other matters that may be brought before the shareholders must be approved by the affirmative vote of a majority of the votes cast at the meeting. Abstentions from voting are counted as "votes cast" with respect to the proposal and, therefore, have the same effect as a vote against the proposal. Shares deemed present at the meeting but not entitled to vote because of either shareholder withholding or broker non-vote are not deemed "votes cast" with respect to the proposal and therefore will have no effect on the vote.

### ANNUAL REPORT

Our Annual Report on Form 10-K for the fiscal year ended December 31, 2003, which contains our audited financial statements, is being mailed along with this proxy statement.

We will provide to you exhibits to the Annual Report upon payment of a fee of \$.25 per page, plus \$5.00 postage and handling charge, if requested in writing to The Secretary, ParkerVision, Inc., 8493 Baymeadows Way, Jacksonville, Florida 32256.

The charter, among other things, contains the committee's membership requirements and responsibilities. The audit committee oversees the Company's accounting, financial reporting process, internal controls and audits, and consults with management and the independent auditors on, among other items, matters related to the annual audit, the published financial statements and the accounting principles applied. As part of its duties, the audit committee appoints, evaluates and retains the Company's independent auditors. It maintains direct responsibility for the compensation, termination and oversight of the Company's independent auditors and evaluates the independent auditors' qualifications, performance and independence. The audit committee also monitors compliance with the Company's policies on ethical business practices and reports on these items to the board of directors. The audit committee has established policies and procedures for the pre-approval of all services provided by the independent auditors. Further the audit committee has established procedures for the receipt, retention and treatment, on a confidential basis, of complaints received by the Company, which are described under "Shareholder Communications with the Board."

Financial Expert on Audit Committee. The board of directors made a qualitative assessment of each of the audit committee members to determine their level of financial knowledge and experience based on a number of factors and has determined that each member is a financial expert within the meaning of all applicable rules. The board of directors considered each of these persons' ability to understand generally accepted accounting principles and financial statements, their ability to assess the general application of generally accepted accounting principles in connection with our financial statements, including estimates, accruals and reserves, their experience in analyzing or evaluating financial statements of similar breadth and complexity as our

7

financial statements, their understanding of internal controls and procedures for financial reporting and their understanding of the audit committee functions.

Meetings and Attendance. During the fiscal year ended December 31, 2003, the audit committee met five times. The audit committee has also met three times since January 1, 2004, twice in connection with the annual report for the fiscal year ended December 31, 2003 and once to discuss the audit plan with PricewaterhouseCoopers LLP.

## Edgar Filing: PARKERVISION INC - Form DEF 14A

included in our quarterly reports were approximately \$118,500 and \$127,000, respectively.

Financial Information Systems Design and Implementation Fees. For the fiscal years ended December 31, 2002 and December 31, 2003, there were no fees billed for professional services by our independent auditors rendered in connection with, directly or indirectly, operating or supervising the operation of our information system or managing our local area network.

Tax Services Fees. For the fiscal years ended December 31, 2002 and December 31, 2003, the aggregate fees billed for professional services rendered for tax services by our independent auditors were approximately \$17,800 and \$800, respectively.

All Other Fees. For the fiscal years ended December 31, 2002 and December 31, 2003, the aggregate fees billed for all other professional services rendered by our independent auditors were approximately \$10,200 and \$46,900, respectively.

### AUDIT COMMITTEE REPORT

Pursuant to the charter of the audit committee originally adopted on June 12, 2000 and amended on April 25, 2003, the audit committee's responsibilities include, among other things:

- o annually reviewing and reassessing the adequacy of the committee's formal charter;
- o reviewing our annual audited financial statements with our management and our independent auditors and the adequacy of our internal accounting controls;
- o reviewing analyses prepared by management and independent auditors concerning significant financial reporting issues and judgments made in connection with the preparation of our financial statements;
- o the engagement of the independent auditor;
- o reviewing the independence of the independent auditors;
- o reviewing our auditing and accounting principles and practices with the independent auditors and reviewing major changes to our auditing and accounting principles and practices as suggested by the independent auditor or our management;
- o the appointment of the independent auditor to the board of directors, which firm is ultimately accountable to the audit committee and the board of directors;

8

- o approving professional services provided by the independent auditors, including the range of audit and nonaudit fees; and
- o reviewing all related party transactions on an ongoing basis for potential conflict of interest situations.

The audit committee pre-approves the services to be provided by its independent auditors. During the period January 1, 2003 through March 31, 2004,

## Edgar Filing: PARKERVISION INC - Form DEF 14A

the committee reviewed in advance the scope of the annual audit, non-audit services to be performed by the independent auditors and the independent auditors' audit and non-audit fees and approved them. The audit committee also reviews and recommends to the board of directors whether or not to approve transactions between the Company and an officer or director outside the ordinary course.

On many occasions during fiscal year 2003 and thereafter, the audit committee met and held discussions with management, the chief accounting officer and our independent auditors. Management represented to the committee that our consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), various accounting issues relating to presentation of certain things in our financial statements and compliance with Section 10A of the Securities Exchange Act of 1934. Our independent auditors also provided the audit committee with the written disclosures required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and the committee discussed with the independent auditors and management the auditors' independence. The committee discussed financial risk exposures relating to the Company with management and the processes in place to monitor and control the exposure resulting therefrom, if any. Based upon the committee's discussion with management and the independent auditors and the committee's review of the representations of management and the report of the independent auditors to the audit committee, the committee recommended that the board of directors include our audited consolidated financial statements in the Annual Report on Form 10-K for the fiscal year ended December 31, 2003. The committee evaluated the performance of PricewaterhouseCoopers LLP and recommended to the board their re-appointment as the independent auditors for the fiscal year ending December 31, 2004.

### COMPENSATION COMMITTEE

The compensation committee, which is comprised of independent directors, consults generally with management on matters concerning executive compensation and benefit plans where board of directors or stockholder action is contemplated with respect to the adoption of or amendments to such plans. It makes recommendations to the board of directors on compensation generally, executive officer salaries, bonus awards and stock options grants, special awards and supplemental compensation. The compensation committee makes recommendations on organization, succession, the election of officers, consultantships and similar matters where board of director approval is required. It also administers the Company's 2000 Stock Option Plan and, to the extent of outstanding awards, the 1993 Stock Option Plan.

Meetings and Attendance. During fiscal year ended December 31, 2003, the compensation committee met five times and acted by unanimous consent two times.

### COMPENSATION COMMITTEE REPORT

General Compensation Policy. We operate in a competitive and rapidly

changing high technology industry. The compensation committee believes that the compensation program for our executive officers should be designed to attract, motivate and retain talented executives responsible for the success of our Company. The compensation committee believes the compensation program should be determined within a competitive framework and should be based on achievement of overall financial results and individual contribution.

Compensation Components. The three major components that make up the compensation of our executive officers are: base salary; annual cash incentive awards in the form of a cash bonus; and long-term equity-based incentive awards in the form of stock option grants.

The compensation committee's determination of the compensation components for executive officers is highly subjective and not subject to specific criteria. The compensation committee has, however, compared its executives' compensation levels to independent compensation surveys and compensation packages for executives in similarly sized technology companies and has found its compensation packages to be comparable.

The base salary for each executive officer is determined at levels considered appropriate for comparable positions at other companies. Annual cash bonuses are subjective and are based on our achievement of financial performance targets as well as individual contribution. Long-term equity-based incentive awards, in the form of stock option grants, are determined subjectively based on the executive's position within us, individual performance, potential for future responsibility and promotion, and the number of unvested options held at the time of the new grant. The relative weight given to each of these factors varies among individuals at the compensation committee's discretion.

Executive Compensation Reviewed. There was no review of Mr. Jeffrey Parker's salary for fiscal year 2003. Pursuant to his written employment agreement, Mr. Parker's salary was increased to \$300,000 per annum on October 1, 2002 and it remains the same until October 1, 2004. After consideration of Mr. Parker's involvement in raising additional capital for the Company and implementing the strategic shifts in the Company's product focus, the compensation committee awarded Mr. Parker a bonus of \$25,000 for the fiscal year 2003.

Mr. William A. Hightower is employed pursuant to an employment agreement which expires September 2, 2008. The terms of employment are set forth in a written agreement entered into before commencement of his duties on September 3, 2003, which was reviewed by the compensation committee. Mr. Hightower receives an annual salary of \$250,000 and is eligible for performance incentive amounts and salary adjustment as the board approves. Mr. Hightower was also granted an option to purchase up to 500,000 shares of common stock at \$8.00 per share, vesting as to 100,000 on September 2nd in each of 2004, 2005, 2006, 2007 and 2008 and once exercisable, outstanding until September 2, 2013. After consideration of Mr. Hightower's efforts in connection with strategic planning for the Company and the initial launch of the wireless products of the Company, the compensation committee awarded Mr. Hightower a cash bonus of \$25,000 for the fiscal year 2003.

Mr. David Sorrells is employed pursuant to a written employment agreement which expires on March 7, 2007. The terms of employment and compensation are set forth in that agreement and his salary was not reviewed by the compensation committee in fiscal year 2003. Pursuant to the employment agreement, Mr. Sorrells is entitled to be considered for an annual cash bonus. Based on management input and consideration of his work in helping to bring to completion and market the Company's first wireless products and his efforts in helping to secure additional financing during fiscal year 2003, the compensation committee awarded a cash bonus of \$125,000 to Mr. Sorrells and an option to acquire up to 125,000 shares of common stock at \$9.00 per share, vesting ratably over five

Mr. Todd Parker is employed as the president of the video business unit of the Company. Mr. Parker is not employed under a written employment agreement. The committee reviewed his compensation and decided to increase Mr. Parker's compensation from \$150,000 to \$200,000. Based on management input and consideration of his work in preparing the Company's wireless manufacturing facilities and bringing on line the wireless production, the compensation committee awarded Mr. Parker a bonus of \$25,000 for fiscal year 2003.

Ms. Cynthia Poehlman is employed as the chief accounting officer of the Company. Ms. Poehlman is not employed under a written employment agreement. Based on management input and consideration of her undertaking additional duties, the compensation committee awarded Ms. Poehlman a bonus of \$17,000 for fiscal year 2003. The compensation committee also reviewed her compensation and set it at \$120,000 for the 2004 fiscal year.

### NOMINATIONS COMMITTEE

General. The nominations committee, which consists of independent directors, is responsible for overseeing the selection of persons to be nominated as directors of the Company.

The nominations committee considers persons identified by its members, management, shareholders, potential investors, investment bankers and others. The nominations committee may also use the services of search firms to assist in identifying potential directors, in gathering information about the background and experience of such persons and acting as an intermediary with such persons.

The nominations committee adopted a written charter in April 2004 which is available on the Company's website at [www.parkervision.com](http://www.parkervision.com). The nominations committee does not have any formal criteria for nominees; however, it believes that persons to be nominated should be actively engaged in business endeavors, have an understanding of financial statements, corporate budgeting and capital structure, be familiar with the requirements of a publicly traded company, be familiar with industries relevant to the Company's business endeavors, be willing to devote significant time to the oversight duties of the board of directors of a public company, and be able to promote a diversity of views based on the person's education, experience and professional employments. The nominations committee evaluates each individual in the context of the board as a whole, with the objective of recommending a group of persons that can best implement the Company's business plan, perpetuate its business and represent shareholder interests. The nominations committee may require certain skills or attributes, for example financial or accounting experience, to meet specific

## Edgar Filing: PARKERVISION INC - Form DEF 14A

board needs that arise from time to time. The nominations committee does not distinguish among nominees recommended by shareholders and other persons.

Shareholders and others wishing to suggest candidates to the nominations committee for consideration as directors must submit written notice to the corporate secretary, who will provide it to the nominations committee. The

11

Company also has a method by which shareholders may nominate persons as directors which is described in the section "Shareholder Proposals and Nominations."

The nominations committee was established in 2003. Prior to its creation, nominations were handled by the board of directors acting as a whole.

At the annual meeting to which this proxy relates, eight of the persons are current directors standing for re-election and one person, Mr. Metcalf, is a nominee located through the services of a search firm which will be compensated once the nominee is elected to the board in an amount based on a percentage of the value of the overall compensation paid to the director. The search firm identified a number of persons to the Company for consideration and provides background check services for the Company on these persons, as well as due diligence services on the Company to the candidates. Four of the persons standing for re-election are employed by the Company in executive capacities.

### CODE OF ETHICS AND SHAREHOLDER CONTACT

The board of directors has adopted a code of ethics that is designed to deter wrongdoing and to promote ethical conduct and full, fair, accurate, timely and understandable reports that the Company files or submits to the SEC and others. A copy of the code of ethics may be found on the Company's website.

Shareholders may contact members of the board of directors by writing to them in care of the corporate secretary at the headquarters. The corporate secretary will forward correspondence received to the directors from time to time. This procedure was approved by the independent directors.

### COMPENSATION OF OUTSIDE DIRECTORS

During 2003, each non-employee director received a retainer of \$8,000, payable in quarterly installments. In addition, each of the non-employee directors received on January 15, 2003 an annual grant of an option to purchase 10,000 shares of common stock that vested immediately. The committee chairpersons received an additional option per year to purchase 5,000 shares and each committee member receives an additional option per year to purchase 2,500 shares of common stock for committee work. Options for committee work will not exceed 5,000 shares of common stock in any fiscal year. All board members were reimbursed for reasonable expenses incurred in attending meetings.

### EMPLOYMENT AGREEMENTS

In September 2000, we entered into a written employment agreement with Jeffrey L. Parker, our chairman of the board and chief executive officer, which expires on September 30, 2005. Mr. Parker receives a current annual base salary of not less than \$300,000 for the two-year period ending October 1, 2000, and not less than \$325,000 for the last year of the term of the agreement, October 1, 2004 to October 1, 2005. Mr. Parker will also receive bonuses as may be determined from time to time by the compensation committee and participate in the various benefit plans available to executives of the Company. Mr. Parker was

14

awarded a cash bonus of \$25,000 for fiscal year 2003. Mr. Parker was awarded two stock options in connection with his employment agreement with us. The first option is for 350,000 shares of common stock, exercisable at a price per share of \$41. This option vested immediately and is exercisable until September 7, 2010, except as provided in the option agreement. The second option is for 150,000 shares of common stock, exercisable at \$61.50 per share and vesting in five equal installments of 30,000 shares on October 1 in each year from 2001 through 2005. Once vested, the options remain exercisable until October 1, 2010, except as provided in the option agreement. As bonus compensation in recognition of fiscal year 2001 employment, Mr. Parker was granted in February 2002 an option to purchase 15,000 shares of common stock at \$19.99 per share, which immediately vested and expire February 26, 2012.

In March 2002, we entered into a written employment agreement with David F. Sorrells, our chief technical officer and a director, which expires March 6, 2007. Mr. Sorrells receives an annual base salary of not less than \$250,000 for the first two-year period during the term, and thereafter the base will be increased as determined by the Company, but the increase will be by not less than 5% of the prior year's base salary. Mr. Sorrells will also receive an annual bonus as may be determined by the compensation committee as recommended by the chief executive officer. Mr. Sorrells received a cash bonus of \$125,000 for fiscal year 2003. Mr. Sorrells was awarded in fiscal year 2003, an option to acquire 125,000 shares of common stock at \$9.00 per share, vesting ratably over five years and expiring November 21, 2012. Mr. Sorrells will be eligible for future awards under our performance equity plans as determined from time to time.

In September 2003, we entered into a written employment agreement with William A. Hightower, our president of the Company and a director, which expires September 2, 2008. Mr. Hightower receives an annual base salary of \$250,000 and may be awarded bonuses and increases by the board of directors. Mr. Hightower was also granted an option under the 2000 Performance Equity Plan to purchase up to 500,000 shares of common stock at \$8.00 per share. The option vests as to 100,000 shares on September 2 in each of 2004 through 2008 and once vested, may be exercised until September 2013.

### SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our officers, directors and persons who beneficially own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC and the National Association of Securities Dealers, Inc. Officers, directors and ten percent shareholders are charged by SEC regulation to furnish us with copies of all Section 16(a) forms they file. Based solely upon our review of the copies of such forms received by us, or written representations from certain reporting persons that no Forms 5 were required for those persons, we believe that, during the fiscal year ended December 31, 2003, all filing requirements applicable to our executive officers, directors and ten percent shareholders were fulfilled.

### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We lease our executive offices pursuant to a lease agreement dated March 1, 1992 with Jeffrey L. Parker and Barbara Parker. Barbara Parker is Mr. Parker's mother. The term of the lease expires in 2007 and is renewable for an additional five-year term. For each of the fiscal years ended December 31, 2003 and 2002, we incurred approximately \$298,900 in rental expense under the lease. We believe that the terms of the lease are no less favorable than terms we could have obtained from an unaffiliated third party.

On March 26, 2003, to raise additional working capital, we sold shares of common stock for cash to Leucadia National Corporation, a then holder of greater than 5% beneficial ownership of our common stock, at \$3.91 per share for an aggregate of \$2,500,000, which per-share price was 80% of the ten-day weighted average price per share ending on the day immediately prior to the sale. Leucadia was also granted registration rights for the purchased shares and a four-year pre-emptive right to acquire additional shares in certain circumstances. As a condition to this purchase, members of the Parker family, including Jeffrey L. Parker, our chief executive officer and chairman of the board, Todd Parker, the president of our Video Business Unit and a director and Stacie Wilf, our corporate secretary and a director, were required to purchase 495,050 shares of common stock for cash at \$5.05 per share for an aggregate of \$2,500,000, which per-share price was the five-day closing bid price average per share ending on the day immediately prior to the sale. Each of these purchasers was granted registration rights. The transactions were approved in advance by the audit committee and the board of directors, with the interested parties abstaining. As a result of this transaction, Jeffrey L. Parker had a matching transaction to a prior sale of 2,500 shares of common stock pursuant to Section 16(b) and paid the recoverable profit due to the Company of \$11,715.

### INDEPENDENT ACCOUNTANTS

PricewaterhouseCoopers LLP was our independent accountants for the fiscal year ending December 31, 2003. A representative of Pricewaterhouse Coopers LLP is expected to be present at the meeting with an opportunity to make a statement if he desires to do so and is expected to be available to respond to appropriate questions.

### SOLICITATION OF PROXIES

We are soliciting the proxies of shareholders pursuant to this proxy

In addition to solicitations of proxies by use of the mail, some of our officers or employees, without additional remuneration, may solicit proxies personally or by telephone. We may also request brokers, dealers, banks and their nominees to solicit proxies from their clients where appropriate, and may reimburse them for reasonable expenses related thereto.

### SHAREHOLDER PROPOSALS AND NOMINATIONS

Proposals of shareholders intended to be presented at the annual meeting to be held in 2005 must be received at our offices by January 2, 2005 for inclusion in the proxy materials relating to that meeting.

Our by-laws contain provisions in it intended to promote the efficient functioning of our shareholder meetings. Some of the provisions describe our right to determine the time, place and conduct of shareholder meetings and to require advance notice by mail or delivery to us of shareholder proposals or director nominations for shareholder meetings.

Under the by-laws, shareholders must provide us with at least 120 days notice of business the shareholder proposes for consideration at the meeting and persons the shareholder intends to nominate for election as directors at the meeting. This notice must be received for the annual meeting in the year 2005 on January 2, 2005. Shareholder proposals must include the exact language of the proposal, a brief description of the matter and the reasons for the proposal, the name and address of the shareholder making the proposal and disclosure of that shareholder's number of shares of common stock owned, length of ownership of the shares, representation that the shareholder will continue to own the shares through the shareholder meeting, intention to appear in person or proxy at the shareholder meeting and material interest, if any, in the matter being proposed. Shareholder nominations for persons to be elected as directors must include the name and address of the shareholder making the nomination, a representation that the shareholder owns shares of common stock entitled to vote at the shareholder meeting, a description of all arrangements between the shareholder and each nominee and any other persons relating to the nomination, the information about the nominees required by the Exchange Act of 1934 and a consent to nomination of the person nominated.

We do not now intend to bring before the annual meeting any matters other than those specified in the Notice of the Annual Meeting, and we do not know of any business which persons other than the board of directors intend to present at the annual meeting. Should any business requiring a vote of the shareholders, which is not specified in the notice, properly come before the annual meeting, the persons named in the accompanying proxy intend to vote the shares represented by them in accordance with their best judgment.
