RE: REGISTRATION OF INTERNATIONAL MICROCOMPUTER SOFTWARE, INC. ("IMSI") STOCK  
FORM SB-2 FILED SEPTEMBER 29, 2004  
REGISTRATION NO. - 333-119359

Dear Mr. Fuller;

We are in receipt of your letter dated October 28, 2004 and offer the following to your comments contained in that letter.

COMMENT #1: SELLING SECURITY SHAREHOLDERS:

We have amended the Selling Security Holders table with the addition of footnotes (1) - (3) to that table which refer the reader to the description of the transactions which generated the issuance of the shares. We have also added to those descriptions, as detailed in the prospectus, the exemption under which those shares and/or the warrants were issued.

COMMENT #2: SELLING SECURITY SHAREHOLDERS:

Mr. Brian Swift is an affiliate of a registered broker-dealer and we have added footnote (4) to fully disclose the terms and nature of the issuance of those warrants. More specifically, the warrants were issued in the ordinary course of business and there were no other agreements or understandings, directly or indirectly, with any person to distribute securities at the time of purchase.

COMMENT #3: SELLING SECURITY SHAREHOLDERS:

Edgar Filing: INTERNATIONAL MICROCOMPUTER SOFTWARE INC /CA/ - Form CORRESP

We have amended the Selling Security Holders table with the addition of footnotes (5) - (9) which more fully describe the natural persons who exercise voting and/or dispositive powers over the securities.

COMMENT #4: PLAN OF DISTRIBUTION:

We are aware of Corporation Finance Telephone Interpretation A.65 where short sales of unregistered securities is in violation of Section 5. We have made the selling shareholders aware of that restriction as well and are attaching a copy of that letter as an exhibit to this letter.

COMMENT #5: FORM 10-KSB/A FOR JUNE 30, 2004 -- ITEM 9A CONTROLS AND PROCEDURES:

Our evaluation was made as of the end of the period and we will amend our filing to reflect that.

Please do not hesitate to call with any questions.

Very truly yours,

/s/ William Bush
