Item 4. Description of Securities.

The deferred compensation obligations are general unsecured obligations of the registrant to pay the value of deferred compensation accounts in accordance with the terms and conditions of the WMS Industries Inc. Non-Qualified Deferred Compensation Plan (the Plan).

The Plan is an unfunded non-qualified deferred compensation plan for selected members of the registrant's Board of Directors and employees. It is intended to help participants supplement their savings and retirement income by allowing them to defer a portion of their pre-tax compensation in excess of the limitations on their contributions to the registrant's tax-qualified 401(k) plan and to defer taxation on earnings.

The Plan is administered by the Compensation Committee of the registrant's Board of Directors. The Plan became effective on December 1, 2003 and is perpetual in duration. The registrant's Board of Directors may amend or terminate the Plan, provided that the amendment or termination does not result in a reduction of a participant's account balance as of the date of the amendment or termination. Currently, selected employees and directors of the registrant earning at least \$200,000 per year are eligible to participate in the plan, but the registrant's Compensation Committee may change who is selected to participate, including inviting directors to participate.

Under the Plan, participants may elect to defer up to 50% of their base salary in excess of \$205,000 and 100% of their bonus in excess of \$205,000 of total compensation, but the Compensation Committee may change those percentages and amounts. The registrant may make matching contributions and profit-sharing contributions to the Plan on behalf of participants. Amounts deferred under the Plan and any employer contributions are credited to a deferred compensation account maintained on behalf of each participant. Each participant may elect to allocate his or her deferred compensation among a number of hypothetical investment options. The hypothetical earnings and losses on those investment options are credited to or debited from the participant's account.

The participants elect the length of the deferral, subject to a minimum, and the schedule of payouts from their accounts. Under current tax law, the deferrals are subject to FICA tax, but not federal or state income taxes, when deferred, and the distributions are treated as ordinary income and are subject to federal and state income tax, but not FICA tax.

Item 5. Interests of Named Experts and Counsel.

The validity of the deferred compensation obligations offered hereby will be passed upon for the registrant by Kathleen J. McJohn, the Senior Vice President, Secretary and General Counsel of the registrant.

Item 6. Indemnification of Directors and Officers.

The registrant's authority to indemnify its officers and directors is governed by the provisions of Section 145 of the General Corporation Law of the State of Delaware (the DGCL), by the Amended and Restated Bylaws of the registrant, as amended (the Bylaws), by the Restated Certificate of Incorporation, as amended, of the registrant (the Certificate of Incorporation) and by indemnity agreements entered into with directors and officers (the Indemnity Agreements).

Under Section 145 of the DGCL, directors and officers as well as other employees and individuals may be indemnified against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement in connection with specified actions, suits or proceedings, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation (a derivative action)) if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the registrant, and with respect to any criminal

action or proceeding, had no reasonable cause to believe their conduct was unlawful. A similar standard of care is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys fees) incurred in connection with defense or settlement of such an action and the DGCL requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the registrant.

The Certificate of Incorporation and Bylaws provide that the registrant shall, to the fullest extent permitted by Section 145 of the DGCL, (i) indemnify any and all persons whom it shall have power to indemnify under said section from and against any and all of the expenses, liabilities or other matters referred to in or covered by said section, and (ii) advance expenses related thereto to any and all said persons. The indemnification and advancement of expenses provided for therein shall not be deemed to be exclusive of any other rights to which those indemnified may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in their official capacities and as to action in another capacity while holding such offices, and shall continue as to persons who have ceased to be directors, officers, employees or agents and shall inure to the benefit of the heirs, executors and administrators of such persons. In addition, the Certificate of Incorporation provides for the elimination of personal liability of directors of the registrant to the registrant or its stockholders for monetary damages for breach of fiduciary duty as a director, to the fullest extent permitted by the DGCL, as amended and supplemented.

Each Indemnity Agreement provides for the registrant to indemnify the applicable officer or director, to the fullest extent permitted by the laws of the State of Delaware, and obligate the registrant to provide the maximum protection allowed under Delaware law.

The registrant has purchased directors, officers and corporate liability insurance policies. The policies cover up to an annual aggregate amount of \$40 million for losses of directors and officers of the registrant arising from claims made against the directors or officers for any actual or alleged wrongful act in their capacities as directors or officers of the registrant. Of this \$40 million, \$20 million is available only for claims for which indemnity is not available as described in this Item 6. The remaining \$20 million under the policies also covers losses of the registrant for class action securities claims made against the registrant and for the amount of any indemnification paid to directors and officers, in each case up to the aggregate limit of \$20 million. The policy covers securities derivative claims and claims without indemnification for up to \$40 million.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the registrant pursuant to the foregoing provisions, the registrant has been informed that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

a. The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

b. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

h. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
