Item 1.01. Entry into a Material Definitive Agreement.

Item 2.01. Completion of Acquisition or Disposition of Assets.

Item 2.03. Creation of a Direct Financial Obligation.

On April 15, 2005, RCG Companies Incorporated (the "Registrant") closed the acquisition by merger of OneTravel, Inc. ("OneTravel"), pursuant to the previously announced Agreement and Plan of Merger, dated February 10, 2005, by and among OneTravel, OT Acquisition Corporation, Terra Networks Asociadas, S.L., Amadeus Americas, Inc. and Avanti Management, Inc. (collectively, the "Shareholders").

The terms of the acquisition provide for a total purchase price of \$25.5 million, plus or minus the amount of net working capital (current assets over current liabilities) of OneTravel as of the closing. \$2.5 million of the total consideration was paid by the Registrant as a deposit upon signing. \$10.5 million of the total consideration, plus the estimated working capital adjustment of \$827,488, was paid in cash at closing, and the remaining \$12.5 million was paid at closing by the issuance of six-month, interest-free, convertible promissory notes to the Shareholders. The notes are convertible into common stock of the Registrant at the option of the note-holder. The Registrant's obligation to issue shares of common stock upon conversion is subject in all respects to the rules or regulations of the American Stock Exchange and stockholder approval. The conversion price per share of common stock of the Registrant will initially equal \$0.6875. This conversion price will be adjusted to equal 125% of the market price of the Registrant's common stock in the event that the Registrant's contemplated one for ten reverse stock split is approved by its stockholders, and the average market value of the Registrant's common stock is lower than the split adjusted conversion price for the twenty trading days immediately following the effectuation of the reverse stock split. The Registrant has agreed to file a registration statement with the Securities and Exchange Commission in order to register the resale of the shares issuable upon conversion of the convertible promissory notes. The Registrant has the right to extend the maturity of the convertible note by up to five months upon payment of an extension fee to the note-holders of an aggregate of \$125,000 per each one month extension.

The Registrant funded the closing consideration for this transaction by utilizing a portion of the proceeds received from the closing of its previously announced Securities Purchase Agreement with 12 institutional investors for a private placement of Series C Convertible Preferred Stock totaling \$31,110,165, and associated warrants.
