We will bear the cost of solicitation of proxies. Brokerage houses, banks and other custodians, nominees and fiduciaries will be reimbursed for out-of-pocket and reasonable expenses incurred in forwarding proxies and proxy statements. The Board of Directors has set April 21, 2005 as the record date (the "Record Date") to determine those holders of record of common stock, par value \$.001 ("Common Stock") who are entitled to notice of, and to vote at the Annual Meeting. On or about May 13, 2005, the Company's 2004 Annual Report, including financial statements, this Proxy Statement and the proxy card (the "Proxy Card" or "Proxy") are being mailed to stockholders of record as of the close of business on April 21, 2005.

ABOUT THE MEETING

WHAT IS BEING CONSIDERED AT THE MEETING?

You will be voting on the following:

- o the election of three directors each to serve for a three year term;
- o the approval of the appointment of Amper, Politziner and Mattia, P.C., as our independent public accountants.

WHO IS ENTITLED TO VOTE AT THE MEETING?

You may vote if you owned common stock as of the close of business on April 21, 2005. Each share of common stock is entitled to one vote.

HOW MANY VOTES MUST BE PRESENT TO HOLD THE MEETING?

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a proxy by mail. In order for us to conduct our meeting, a majority of the combined voting power of our common stock as of April 21, 2005 must be present at the meeting. This is referred to as a quorum. On April 21, 2005, there were 10,754,240 shares outstanding of common stock entitled to vote.

Edgar Filing: INTELLI CHECK INC - Form DEF 14A

HOW DO I VOTE?

You can vote in two ways:

- o by attending the meeting in person; or
- o by completing, signing and returning the enclosed proxy card.

CAN I CHANGE MY MIND AFTER I SUBMIT MY PROXY?

Yes, you may change your mind at any time before a vote is taken at the meeting. You can do this by either (1) signing another proxy with a later date and returning it to us prior to the meeting or filing with our corporate secretary a written notice revoking your proxy, or (2) voting again at the meeting.

WHAT IF I RETURN MY PROXY CARD BUT DO NOT INCLUDE VOTING INSTRUCTIONS?

Proxies that are signed and returned but do not include voting instructions will be voted FOR the election of the three nominated directors and FOR the approval of the appointment of our independent public accountants.

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

It means that you have multiple accounts with brokers and/or our transfer agent. Please vote all of these shares. We recommend that you contact your broker and/or our transfer agent to consolidate as many accounts as possible under the same name and address. Our transfer agent is Continental Sock Transfer and Trust Company. The transfer agent's telephone number is (212) 509-4000.

WILL MY SHARES BE VOTED IF I DO NOT PROVIDE MY PROXY?

If you hold your shares directly in your own name, they will not be voted if you do not provide a proxy. Your shares may be voted under certain circumstances if they are held in the name of a brokerage firm. Brokerage firms generally have the authority to vote customers' unvoted shares on certain "routine" matters, including the election of directors and the ratification or approval of the appointment of independent public accountants. When a brokerage firm votes its customer's unvoted shares, these shares are counted for purposes of establishing a quorum. At our meeting these shares will be counted as voted by the brokerage firm in the election of directors and the approval of the appointment of our independent public accountants.

WHAT VOTE IS REQUIRED TO APPROVE EACH ITEM?

The affirmative vote of a plurality of the votes cast at the annual meeting is required for approval of the election of directors and the affirmative vote of a majority of the votes cast is required for the approval of the appointment of our independent public accountants.

DO WE CURRENTLY HAVE, OR DO WE INTEND TO SUBMIT FOR STOCKHOLDER APPROVAL, ANY ANTI-TAKEOVER DEVICE?

Our Certificate of Incorporation, By-Laws and other corporate documents do not contain any provisions that contain material anti-takeover aspects except for our classified board of directors. We have no plans or proposals to submit any other amendments to the Certificate of Incorporation or By-Laws or other measures in the future that have anti-takeover effects.

Edgar Filing: INTELLI CHECK INC - Form DEF 14A

be timely under the Commission's rules. During the review of Forms 3, it was determined that Mr. Prendergast failed to file a timely report of the grant of 7,500 stock options on April 1, 2004 due to his not having EDGAR access codes; however, such failure was remedied by the reporting of this transaction on April 7, 2004. It was also determined that Mr. Rao failed to file a timely report concerning his appointment as a director of the Company and the grant of 75,000 stock options on December 3, 2004 due to his not having EDGAR access codes; however, such failure was remedied by the reporting of this transaction on December 14, 2004. It was further determined that Mr. Liebman failed to file a timely report concerning his becoming an executive officer of the Company on December 10, 2004 and the grant of 175,000 stock options on December 10, 2004 due to his not having EDGAR access codes; however, such failure was remedied by the reporting of this transaction on December 17, 2004. It was also determined that Mr. Levy failed to file a timely report regarding the purchase of 500 shares of common stock on December 1, 2004; however, such failure was remedied by the reporting of this transaction on December 7, 2004. All of the directors attended at least 75% of the aggregate of all Board and meetings of committees on which they served. Jeffrey Levy did not attend one meeting of the board of directors. The Board of Directors has determined that Ms. Berezin, Messrs. Prendergast, McQuinn, Levy, Rao, Money and Hatsopoulos, each of whom is independent pursuant as defined in Section 121(A) of the American Stock Exchange's listing standards. The Company does not have a written policy relating to attendance by members of the board of directors at annual shareholder meetings. The board of directors has established a compensation committee which is currently comprised of Mr. Levy, chairperson, Mr. Hatsopoulos, Mr. Money and Mr. Rao. CORPORATE GOVERNANCE AND NOMINATING COMMITTEE

The board of directors has established a corporate governance and nominating committee, which is comprised of Mr. McQuinn, chairperson, Ms. Berezin and Mr. Levy. Edgar Filing: INTELLI CHECK INC - Form DEF 14A

of the corporate governance and nominating committee charter is attached hereto as EXHIBIT A. The corporate governance and nominating committee reviews our internal policies and procedures and by-laws. With respect to nominating director candidates, this committee identifies and evaluates potential director candidates and recommends candidates for appointment or election to the Board.

The corporate governance and nominating committee may consider those factors it deems appropriate in evaluating director nominees, including judgment, skill, diversity, strength of character, experience with businesses and organizations comparable in size or scope to the Company, experience and skill relative to other board members, and specialized knowledge or experience. Depending upon the current needs of our Board of Directors, certain factors may be weighed more or less heavily by the corporate governance and nominating committee. In considering candidates for our Board of Directors, the corporate governance and nominating committee will evaluate the entirety of each candidate's credentials and, other than the eligibility requirements established by the corporate governance and nominating committee, will not have any specific minimum qualifications that must be met by a nominee. The corporate governance and nominating committee will consider candidates for the Board from any reasonable source, including current board members, shareholders, professional search firms or other persons. The corporate governance and nominating committee will not evaluate candidates differently based on who has made the recommendation.

Although we do not currently have a formal policy or procedure for stockholder recommendations of director candidates, the Board of Directors welcomes such recommendations and will consider candidates recommended by stockholders. Because we do not prohibit or restrict such recommendations, we have not implemented a formal policy with respect to stockholder recommendations. However, the Board may consider implementing such a policy in the future.

Our new director nominee, Guy L. Smith, was recommended to the committee by a non-management director.

The audit committee recommends to the board of directors the annual engagement of a firm of independent accountants and reviews with the independent accountants the scope and results of audits, our internal accounting controls and audit practices and professional services rendered to us by our independent accountants. The Audit Committee has adopted a written charter. The charter sets forth the responsibilities, authority and specific duties of the Audit Committee. A copy of the Audit Committee Charter is attached hereto as EXHIBIT B.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL
ARRANGEMENTS

On November 9, 2004, we entered into a new one-year employment contract with our Chairman and Chief Executive Officer, Frank Mandelbaum that was effective on January 1, 2005. The agreement provides for an annual base salary of \$250,000. In addition, we granted to Mr. Mandelbaum an option to purchase 75,000 shares of common stock at an exercise price of \$4.37 per share, of which 25,000 options became exercisable on January 1, 2005; 25,000 options shall become exercisable on January 1, 2006 and the remaining 25,000 options shall become exercisable on January 1, 2007.

If there shall occur a change of control, as defined in the employment agreement, the employee may terminate his employment at any time and be entitled to receive a payment equal to 2.99 times his average annual compensation, including bonuses, during the three years preceding the date of termination, payable in cash to the extent of three months salary and the balance in shares of our common stock based on a valuation of \$2.00 per share.

On November 9, 2004, we entered into a new employment agreement with our Senior Executive Vice President and Chief Financial Officer, Edwin Winiarz, effective January 1, 2005. The agreement, which expires December 31, 2006, provides for a fixed base annual salary of \$162,086. In addition, we granted to Mr. Winiarz an option to purchase 50,000 shares of common stock at an exercise price of \$4.37 per share, of which 25,000 options became exercisable on January 1, 2005 and the remaining 25,000 options shall become exercisable on January 1, 2006.

Each of the employment agreements requires the executive to devote substantially all his time and efforts to our business and contains non-competition and nondisclosure covenants of the officer for the term of his employment and for a period of two years thereafter. Each employment agreement provides that we may terminate the agreement for cause.

COMPENSATION OF DIRECTORS

Non-employee directors receive a fee of \$500 for attending board meetings and \$250 for attendance at such meetings telephonically. They also receive a fee of \$300 for each committee meeting held on a date other than that of a board meeting and are reimbursed for expenses incurred in connection with the performance of their respective duties as directors. Non-employee directors are granted 25,000 options for each full year of service. In addition, non-employee directors who are members of a committee are entitled to receive grants of stock options for each year served. The chairperson of the audit committee receives options to purchase 7,500 shares of our common stock and audit committee members receive options to purchase 3,000 shares of our common stock. Of the remaining committees, each chairperson receives options to purchase 2,500 shares of our common stock, while a committee member receives options to purchase 1,500 shares of our common stock. These options are immediately exercisable during the committee members' term and expire ten years from date of grant.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

Introduction. The disclosure rules of the Securities and Exchange Commission require us to provide certain information concerning the compensation of the Chief Executive Officer and other executive officers of our company. We review and recommend to our board of directors compensation of the executive officers of our company. Decisions on the compensation of our Chief Executive Officer are made by the board and salaries of other executive officers are set in relation to the salary of the Chief Executive Officer.

Structure. Compensation of our executive officers consists of salary and stock option grants. Stock options have been used to reward executives for actions which increase shareholder value and to attract and retain high quality executives by providing long-term incentives. The Company has no bonus plan for executives nor does it provide retirement benefits. We believe our compensation policy is fair to our employees and shareholders. Our total compensation package is competitive within our industry.

Base Salary. Since 1996, we have relied on our own informal surveys of compensation levels to gauge the reasonableness of the compensation of Frank Mandelbaum, our Chief Executive Officer. Mr. Mandelbaum's compensation was at an annual rate of \$250,000 for the 2004 fiscal year which was established in February 2002 when we entered into a new three year employment agreement with him.

All executive officer salaries are reviewed on an annual basis. In deciding on changes in the annual base salary of the Chief Executive Officer, which occurs upon employment contract renewal, the Compensation Committee considers several performance factors. Among these are operating and administrative efficiency and the maintenance of an appropriately experienced management team. The Compensation Committee also evaluates the Chief Executive Officer's performance in the area of finding and evaluating new business opportunities to establish the most productive strategic direction for our company. Salary changes for other executives are based primarily on their performance in supporting the strategic initiatives of the Chief Executive Officer, meeting individual goals and objectives set by the Chief Executive Officer, and improving the operating efficiency of our company. Also, where applicable, changes in the duties and responsibilities of each other executive officer may be considered in deciding on changes in annual salary.

Stock Options. Stock options have been administered by the Compensation Committee of the Board of Directors. Our board and shareholders have approved four stock option plans for employees, directors and consultants of our company. Amounts available and options granted pursuant to those plans are set forth in the tables below.
