**Item 1.01 Entry into a Material Definitive Agreement**

On August 5, 2005, the Company entered into an agreement with SHF IX, LLC, dated as of August 1, 2005, which amended its Amended and Restated Loan and Security Agreement, dated as of November 28, 1994, as amended, to extend the maturity of the Company's senior debt to September 30, 2005. The agreement provides for payments to SHF IX of \$112,500 on each of August 5, 2005, which has been made, August 31, 2005 and September 30, 2005 on account of the Company's senior debt and a payment of \$100,000 to SHF IX on account of its expenses, including legal expenses, relating to the extension agreement and related matters. As part of the extension, SHF IX agreed to continue the suspension of the accrual of interest on approximately \$23 million of the senior debt. SHF IX is the successor to the Company's former senior lender, Wells Fargo Foothill, Inc.

As a condition to the extension, the Company agreed to take steps to effect a restructure of the senior debt in a manner which results in the payment of a significant portion of the senior debt and the issuance of secured debt and equity for the balance of the senior debt on specified terms. Any such restructure will require the Company to obtain financing from a new investor. Although the Company intends to seek such an investor, the Company cannot give any assurance that it will be able to obtain an investor on terms that are acceptable to SHF IX. The Company has also agreed to engage an investment banker to assist it in exploring strategic alternatives.
