Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

In August 2003, Argan, Inc., a Delaware corporation (together with its affiliated entities, the "Company"), entered into a financing arrangement (the "Credit Facility") with Bank of America, N.A. (the "Bank") aggregating

## Edgar Filing: ARGAN INC - Form 8-K

\$2,950,000 in available financing in two facilities - a revolving line of credit with \$1,750,000 in availability, having an initial expiration date of July 31, 2004 and bearing interest at LIBOR plus 2.75% (the "Revolving Loan"), and a three year term note with an original outstanding balance of \$1,200,000, expiring July 31, 2006 and bearing interest at LIBOR plus 2.95% (the "Term Loan").

In August 2004, the Company and the Bank amended the Credit Facility. Under the amended documents, the Revolving Loan was increased to \$3,500,000, bearing interest at a rate of LIBOR plus 3.25% with interest to be paid monthly and with a maturity date of May 31, 2005. Under the Revolving Loan, borrowing is limited based upon eligible accounts receivable and eligible inventory. The Term Loan was amended to bear interest at an increased rate of LIBOR plus 3.45%, with interest payable monthly and with a maturity date of July 31, 2006. In addition, the Credit Facility is secured by substantially all of the Company's assets. The Credit Facility contains certain affirmative and negative covenants including: requiring the ratio of funded debt to EBITDA to not exceed 2.5 to 1, requiring a fixed charge coverage ratio of not less than 1.25 to 1 and requiring the Bank's consent for acquisitions and divestitures. Finally, the Bank may accelerate the entire amount due under the Credit Facility in an event of default.

On April 8, 2005, the Company and the Bank further amended the Credit Facility by entering into a Second Amended and Restated Revolving Credit Note dated April 8, 2005 and a Fourth Amendment to Financing and Security Agreement dated April 8, 2005 (collectively, the "Amended Credit Facility"). Under the Amended Credit Facility, the expiration date for the Revolving Loan was extended to May 31, 2006, and the line of credit was increased to \$4,250,000. In addition, the Bank waived the Company's non-compliance with the financial covenants described above and released its lien on a certain \$300,000 certificate of deposit previously pledged by the Company as collateral security for the Company's obligations under the Credit Facility.

On November 7, 2005, the Company and the Bank further modified the Amended Credit Facility by entering into a Fifth Amendment to Financing and Security Agreement dated November 7, 2005 (the "Fifth Amendment"). Under the Fifth Amendment, the Bank waived the Company's non-compliance with certain financial covenants described above, and the parties modified certain definitions contained in the Amended Credit Facility to account for (i) an investment made by MSR I SBIC, L.P. in the Company on January 28, 2005 and (ii) an agreement entered into with Kevin Thomas on January 28, 2005 with respect to debt subordination and related concessions given to Mr. Thomas.
