PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON
JUNE 14, 2006

INFORMATION CONCERNING SOLICITATION AND VOTING

Introduction

This Proxy Statement and the enclosed proxy card (Proxy) are being furnished on behalf of the Board of Directors of Bankrate, Inc., a Florida corporation (the Company), for use at the 2006 Annual Meeting of Stockholders of the Company (the Annual Meeting), or at any adjournments or postponements, for the purposes set forth below and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at The Embassy Suites Hotel, 4350 PGA Boulevard, Palm Beach Gardens, Florida 33408, at 9:00 a.m. local time, on Wednesday, June 14, 2006. The Company intends to mail this Proxy Statement and the Proxy on or about May 12, 2006, to all stockholders entitled to vote at the Annual Meeting.

Stockholders Entitled to Notice and to Vote; Quorum

Only holders of record of the Company s Common Stock at the close of business on April 13, 2006 (the Record Date), will be entitled to notice of and to vote at the Annual Meeting. At the Record Date, the Company had outstanding and entitled to vote 15,892,865 shares of Common Stock. Each holder of record of Common Stock on the Record Date will be entitled to one vote for each share held on all matters to be voted upon at the Annual Meeting.

The holders of a majority of the Common Stock outstanding on the Record Date, whether present at the Annual Meeting in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. The shares held by each stockholder who signs and returns a valid Proxy will be counted for purposes of determining the presence of a quorum at the Annual Meeting, whether or not the stockholder abstains on all or any matters to be acted on. Abstentions and broker non-votes both will be counted toward fulfillment of quorum requirements. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner.

Voting Requirements

Edgar Filing: BANKRATE INC - Form DEF 14A

At the Annual Meeting, stockholders will consider and act upon the election of directors, the ratification of the selection of the Company's independent registered public accounting firm, and such other business as may properly come before the Annual Meeting.

The Company's Bylaws provide that directors are elected by a plurality of the votes cast. The withholding of authority by a stockholder (including broker non-votes) as to the election of directors (Proposal 1) thus has no effect on the results of the election.

Under Florida law, the ratification of the selection of the Company's independent registered public accounting firm (Proposal 2) must be approved by a majority of the votes cast. Abstentions and broker non-votes are not treated as votes cast and thus have no effect on the vote for Proposal 2.

At the Record Date, the directors and executive officers of the Company owned or controlled the power to vote 6,023,630 shares of Common Stock eligible to be voted at the Annual Meeting, constituting approximately 38% of the outstanding Common Stock. The Company believes that directors and executive officers will vote all of their shares of Common Stock in favor of the election of each of the director nominees and in favor of Proposal 2 and, therefore, assuming the presence of a quorum, the election of the director nominees and the ratification of the selection of the independent registered public accounting firm is reasonably assured.

Proxies

When a Proxy is properly signed and returned, the shares that it represents will be voted at the Annual Meeting in accordance with the owner's instructions. In the absence of such instructions, the shares represented by a signed Proxy will be voted in favor of each of the nominees for election to the Board of Directors, as set forth in Proposal 1, and in favor of the ratification of the selection of the independent registered public accounting firm, as set forth in Proposal 2.

Discretionary authority is provided in the Proxy as to any matters not specifically referred to in the Proxy or this Proxy Statement. The Board of Directors is not aware of any other matters that are likely to be brought before the Annual Meeting. If any other matter is properly presented for action at the Annual Meeting, including a proposal to adjourn or postpone the Annual Meeting to permit the Company to solicit additional proxies in favor of any proposal, the persons named in the Proxy will vote on such matter in their own discretion.

Any stockholder who signs and returns a Proxy has the power to revoke it at any time before it is exercised by providing written notice of revocation to the Secretary of the Company or by filing with the Secretary of the Company a Proxy bearing a later date. Alternatively, a stockholder can revoke a Proxy by attending the Annual Meeting and voting in person.

Proxies will be solicited from the Company's stockholders by mail. The Company will pay all expenses in connection with the solicitation, including postage, printing and handling, and the expenses incurred by brokers, custodians, nominees and fiduciaries in forwarding proxy material to beneficial owners. The Company may employ a proxy solicitation firm to solicit proxies in connection with the Annual Meeting, and the Company estimates that the fee payable for such services would be less than \$10,000. It is possible that directors, officers and other employees of the Company may make further solicitations personally or by telephone, facsimile or mail. Directors, officers and other employees of the Company will receive no additional compensation for any such further solicitations.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth the amount and percent of shares of Common Stock that, at the Record Date, are deemed under the rules of the Securities and Exchange Commission (the Commission) to be beneficially owned by each member of the Board of Directors, by each nominee for election to the Board of Directors, by each executive officer of the Company named in the Summary Compensation Table below, by all directors and executive officers of the Company as a group, and by any person or group (as that term is used in the Securities Exchange Act of 1934, as amended (Exchange Act)) known to the Company to be a beneficial owner of more than 5% of the outstanding shares of Common Stock as of that date. The information concerning the beneficial ownership of the Company's directors and officers is based solely on information provided by those individuals.

PROPOSAL 1

ELECTION OF DIRECTORS

Introduction

The Board of Directors is divided into three classes, each of whose members serve for staggered three-year terms. At each annual meeting of stockholders, a class of directors is elected for a three-year term to succeed the directors of the same class whose terms are then expiring. The Board is currently comprised of two Class I directors (Mr. O Block and Mr. Poliner) whose terms expire at the Annual Meeting, two Class II directors (Mr. Evans and Mr. Pinola) whose terms expire at the 2007 annual meeting of stockholders, and two Class III directors (Mr. Morse and Mr. Martin) whose terms expire at the 2008 annual meeting of stockholders. The Board of Directors has nominated Mr. O Block and Mr. Poliner to stand for reelection as directors at the Annual Meeting. If reelected, they will serve as Class I directors with terms expiring at the 2009 annual meeting of stockholders. There are no family relationships among any of the directors or the nominees.

Shares represented by validly executed Proxies will be voted for the election of the nominees, if authority to do so is not withheld. In the event that any nominee is unavailable for election, such shares may be voted for the election of such substitute nominee or nominees, if any, as the Board of Directors may select.

The Board of Directors recommends a vote FOR each of the nominees.

Since 1982, Mr. Morse has also served as president of Morse Partners, Ltd., a private equity firm that acquires operating companies and provides expansion capital. Mr. Martin currently serves on the board of The International Longevity Center, a not-for-profit organization that studies the impact of population aging on society.

Board of Directors Meetings and Committees

During 2005, the Board of Directors held five meetings. Each incumbent director attended at least 75% of the aggregate number of meetings of the Board of Directors and committees of the Board on which he served.

The Board has affirmatively determined that a majority of its directors are independent directors under the Nasdaq rules. Included among our independent directors are the following current directors and nominees for director: William C. Martin, Robert P. O'Block, Richard J. Pinola, and Randall E. Poliner. The Company's independent directors have established a policy to meet separately from the other directors in regularly scheduled executive sessions at least twice annually, and at such other times as may be deemed appropriate by the Company's independent directors. Any independent director may call an executive session of independent directors at any time. In 2005, the independent directors met in an executive session two times.

The Board of Directors has two standing committees: Audit and Compensation. The Audit Committee has a written charter, which is published on the Investor Relations section of our website at www.bankrate.com. The Board has determined that all members of the Audit and Compensation Committees are independent as that term is defined in Rule 4200(a)(15) of the National Association of Securities Dealers listing standards.

The members of the Audit Committee are Messrs. Pinola (Chairman), O'Block and Poliner. The Board of Directors has determined that each Audit Committee member meets the Nasdaq financial knowledge requirements. In addition, the Board of Directors has determined that Mr. Poliner is an audit committee financial expert as defined by the Securities and Exchange Commission. The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to governmental bodies or the public; the Company's systems of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; and the Company's

accounting and financial reporting process. The Audit Committee encourages continuous improvement of, and fosters adherence to, the Company's policies, procedures and practices at all levels. In 2005, the Audit Committee met four times.

The members of the Compensation Committee are Messrs. O Block (Chairman) and Poliner. The Compensation Committee reviews and evaluates the compensation and benefits of all our officers, reviews general policy matters relating to compensation and benefits of employees of the Company and makes recommendations

concerning these matters to the Board of Directors. The Compensation Committee also administers our stock option plans. In 2005, the Compensation Committee met two times.

Nomination of Directors

The Board does not have a standing nominating committee or a charter with respect to the process for nominating directors for election to the Company's Board of Directors. The Board has determined that it is appropriate and in the best interests of the Company to have all independent directors evaluate all Board of Director nominees rather than have a separate designated committee. The Company's Board of Directors has adopted a resolution establishing nominating procedures. Under the Company's nominating procedures, members of the Company's Board submit nominees for election to the Company's Board of Directors to the independent directors (as that term is defined under the Nasdaq's listing standards) of the Board for their consideration.

The Company's Bylaws provide that a stockholder may submit a nomination for election to the Company's Board of Directors by delivering a written notice to the principal executive offices of the Company not less than sixty (60) days prior to an Annual or Special Meeting of the stockholders; provided, however, that in the event that stockholders are provided with fewer than seventy (70) days notice of the meeting, notice by the stockholder will be timely if received by the Company no later than the tenth (10th) day following the earlier of the day on which notice of the meeting was mailed or the date on which public disclosure of the meeting was made.

The stockholder's notice to the Company must set forth, as to each person that the stockholder proposes to nominate for election (or re-election) as a director:

-

The proposed nominee's name, age, business address and residence address;

-

The proposed nominee's principal occupation or employment;

-

The class and number of shares of the Company's capital stock beneficially owned by the proposed nominee; and

-

Any other information relating to the proposed nominee that is required to be disclosed in solicitations for proxies for election of directors pursuant to Schedule 14A under the Exchange Act.

The stockholder's notice to the Company must also set forth, as to the stockholder giving notice:

-

The stockholder's name and address, as they appear on the Company's books; and

-

The class and number of shares of the Company's stock beneficially owned by the stockholder on the date of such notice.

The Company may require any proposed nominee to furnish such other information as may be reasonably required by the Company to determine the proposed nominee's eligibility to serve as a director.

Mr. O Block and Mr. Poliner were nominated for re-election by the other members of the Company's Board of Directors. To date, other than from Peter C. Morse, the Company's Chairman and largest shareholder, the Company has not received any recommendations from stockholders requesting that the Board consider a candidate for inclusion among the nominees in the Company's Proxy Statement. The absence of such a recommendation does not mean, however, that a recommendation would not have been considered had one been received. The Board would consider any candidate proposed in good faith by a stockholder. To propose a nominee, a stockholder should send the candidate's name, credentials, contact information, and his or her consent to be considered as a candidate to Edward J. DiMaria, the Company's Senior Vice President - Chief Financial Officer. The proposing stockholder should also include his or her contact information and a statement of his or her share ownership (how many shares owned and for how long).

In evaluating a director nominee, the Board considers the following factors:

- the appropriate size of the Company's Board of Directors;
- the needs of the Company with respect to the particular talents and experience of its directors;

- the nominee's knowledge, skills and experience, including experience in finance, administration or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;
- whether the nominee is independent, as that term is defined under Nasdaq's listing standards;
- the familiarity with the Company's industry;
- the nominee's experience in political affairs;
- the nominee's experience with accounting rules and practices; and
- the desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by new Board members.

The Company's goal is to assemble a Board of Directors that brings together a variety of perspectives and skills derived from high quality business and professional experience. In doing so, the Board will also consider candidates with appropriate non-business backgrounds.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the independent directors may also consider such other factors as they may deem are in the best interests of the Company and its stockholders. The Company also believes it appropriate for certain key members of the Company's management to participate as members of the Board.

Members of the Board identify nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination. If any member of the Board does not wish to continue in service or if the independent directors decide not to re-nominate a member for re-election, the Board then identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of the Board of Directors are polled for suggestions as to individuals meeting the criteria described above. The independent directors may also engage in research to identify qualified individuals. To date, the Company has not engaged third parties to identify or evaluate or assist in identifying potential nominees, although the Company reserves the right in the future to retain a third party search firm, if necessary.

Stockholder Communications with the Board of Directors

Historically, the Company has not adopted a formal process for stockholder communications with the Board. Nevertheless, every effort has been made to ensure that the Board or individual directors, as applicable, hear the views of stockholders and that appropriate responses are provided to stockholders in a timely manner. Any matter intended

for the Board, or for any individual member or members of the Board, should be directed to Edward J. DiMaria, the Company's Senior Vice President - Chief Financial Officer, with a request to forward the matter to the intended recipient. All such communications will be forwarded unopened.

Director Attendance at Annual Meeting of Stockholders

The Company encourages all incumbent directors, as well as all nominees for election as director, to attend the Annual Meeting of Stockholders. All of the Company's incumbent directors attended the Company's Annual Meeting in June 2005.

Corporate Governance

The Company has adopted the Bankrate, Inc. Code of Business Conduct (the code of conduct), applicable to all officers, directors and employees, and the Bankrate, Inc. Finance Code of Professional Conduct (the finance code of ethics), applicable to our Chief Executive Officer, Chief Financial Officer, Controller and other finance organization employees. Both the code of conduct and the finance code of ethics are publicly available on our Web site at <http://www.bankrate.com/investor-relations/default.asp>.

Executive Officers

The names, ages, and current positions of our executive officers as of the record date are listed in the table below. Executive officers are elected annually by the Board of Directors at its meeting following the annual meeting of shareowners to serve for a one year term and until their successors are elected and qualified. Amounts represent hypothetical gains that could be achieved for the respective options if exercised at the end of the option term. These gains are based on the fair market value per share on the date of grant and assumed rates of stock price appreciation of 5% and 10%, compounded annually, from the date the respective options were granted to their expiration date. These assumptions are mandated by the rules of the Commission and are not intended to forecast future appreciation of our stock price. The potential realizable value computation is net of the applicable exercise price, but does not take into account federal or state income tax consequences and other expenses of option exercises or sales of appreciated stock. Actual gains, if any, are dependent upon the timing of such exercise and the future performance of our Common Stock. There can be no assurance that the rates of appreciation in this table can be achieved. This table does not take into account any appreciation in the price of our common stock to date.
