1

INFORMATION CONCERNING SOLICITATION AND VOTING

As of the Record Date, there were 49,988,634 outstanding shares of Common Stock, each share entitled to one vote on each matter to be voted on at the Annual Meeting. As of the Record Date, the Company had approximately 474 beneficial holders of record of Common Stock. Only holders of shares of Common Stock on the Record Date will be entitled to vote at the Annual Meeting. The holders of Common Stock are entitled to one vote on all matters presented at the meeting for each share held of record. The presence in person or by proxy of holders of record of a majority of the shares outstanding and entitled to vote as of the Record Date shall be required for a quorum to transact business at the Annual Meeting. If a quorum should not be present, the Annual Meeting may be adjourned until a quorum is obtained.

Each nominee to be elected as a director named in Proposal 1 must receive the vote of a plurality of the votes of the shares of Common Stock present in person or represented by proxy at the meeting. For the purposes of election of directors, although abstentions will count toward the presence of a quorum, they will not be counted as votes cast and will have no effect on the result of the vote.

The affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the meeting is required for approval of the ratification of the selection of Friedman LLP as independent auditors of the Company for the fiscal year 2006 described in Proposal 2. Abstentions will not be counted as votes entitled to be cast on this matter and will have no effect on the result of the vote.

The amendment of the Company's Certificate of Incorporation to increase the number of authorized shares of Common Stock, as described in Proposal 3, requires the affirmative vote of the holders of a majority of the Company's

Edgar Filing: CONVERSION SERVICES INTERNATIONAL INC - Form DEF 14A

outstanding shares of Common Stock entitled to vote.

The amendment of the Company's Plan to increase the number of stock options reserved for issuance, as described in Proposal 4, requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the meeting.

"Broker non-votes," which occur when brokers are prohibited from exercising discretionary voting authority for beneficial owners who have not provided voting instructions, will not be counted for the purpose of determining the number of shares present in person or by proxy on a voting matter and will have no effect on the outcome of the vote. Brokers who hold shares in street name may vote on behalf of beneficial owners with respect to Proposals 1 and 2. The approval of all other matters to be considered at the Annual Meeting requires the affirmative vote of a majority of the eligible votes cast at the Annual Meeting on such matters.

The expense of preparing, printing and mailing this Proxy Statement, exhibits and the proxies solicited hereby will be borne by the Company. In addition to the use of the mails, proxies may be solicited by officers and directors and regular employees of the Company, without additional remuneration, by personal interviews, telephone or facsimile transmission. The Company will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of Common Stock held of record and will provide reimbursements for the cost of forwarding the material in accordance with customary charges.

Proxies given by stockholders of record for use at the Annual Meeting may be revoked at any time prior to the exercise of the powers conferred. In addition to revocation in any other manner permitted by law, stockholders of record giving a proxy may revoke the proxy by an instrument in writing, executed by the stockholder or his or her attorney authorized in writing or, if the stockholder is a corporation, by an officer or attorney thereof duly authorized, and deposited either at the corporate headquarters of the Company at any time up to and including the last business day preceding the day of the Annual Meeting, or any adjournments thereof, at which the proxy is to be used, or with the chairman of such Annual Meeting on the day of the Annual Meeting or adjournments thereof, and upon either of such deposits the proxy is revoked.

Proposals 1, 2, 3 and 4 do not give rise to any statutory right of a stockholder to dissent and obtain the appraisal of or payment for such stockholder's shares.

ALL PROXIES RECEIVED WILL BE VOTED IN ACCORDANCE WITH THE CHOICES SPECIFIED ON SUCH PROXIES. PROXIES WILL BE VOTED IN FAVOR OF A PROPOSAL IF NO CONTRARY SPECIFICATION IS MADE. ALL VALID PROXIES OBTAINED WILL BE VOTED AT THE DISCRETION OF THE PERSONS NAMED IN THE PROXY WITH RESPECT TO ANY OTHER BUSINESS THAT MAY COME BEFORE THE ANNUAL MEETING.

Corporate Governance

The Company's Board of Directors has long believed that good corporate governance is important to ensure that the Company is managed for the long-term benefit of stockholders. During the past year, the Company's Board of Directors has continued to review its governance practices in light of the Sarbanes-Oxley Act of 2002 and new Securities and Exchange Commission (the "SEC") rules and regulations. This section describes key corporate governance guidelines and practices that the Company has adopted. Complete copies of the Audit Committee,

Edgar Filing: CONVERSION SERVICES INTERNATIONAL INC - Form DEF 14A

Compensation Committee and Nominating and Corporate Governance Committee charters are posted on the Company's website at www.csiwhq.com. Alternatively, you can request a copy of any of these documents by writing to the Company. The contents of our website should not be considered proxy solicitation material.

Code of Conduct and Ethics

Our Board of Directors has adopted a Code of Conduct and Ethics which is applicable to all our directors, officers, employees, agents and representatives, including our principal executive officer and principal financial officer, principal accounting officer or controller, or other persons performing similar functions. We have made available on our website copies of our Code of Conduct and Ethics and charters for the committees of our Board and other information that may be of interest to investors.

Board Meetings and Attendance of Directors

During fiscal year 2005, the Board of Directors held four meetings, all of which were attended by all of the Company's Directors during the period that such person was a member of the Board of Directors, and took action by unanimous written consent on 18 occasions. Directors are expected to attend all meetings. All of our Directors are expected to attend the Annual Meeting.

Special meetings are held from time to time to consider matters for which approval of the Board of Directors is desirable or required by law.

Director Independence

The Board has reviewed each of the directors' relationships with the Company in conjunction with Section 121(A) of the listing standards of the American Stock Exchange ("AMEX") and has affirmatively determined that two of our directors, Lawrence K. Reisman and Joseph Santiso, are independent of management and free of any relationship that would interfere with their independent judgment as members of the Audit Committee. Frederick Lester and Thomas Pear, who are being nominated for the first time, if approved, would be independent of management and free of any relationship that would interfere with their independent judgment. It is expected that Thomas Pear will become a member of the Audit Committee.

Committees of the Board of Directors

The Board of Directors has established three standing committees: (1) the Audit Committee, (2) the Compensation Committee and (3) the Nominating and Corporate Governance Committee. Each committee operates under a charter that has been approved by the Board. Copies of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee's charters are posted on the Company's website. Mr. Reisman and Mr. Santiso are the members of each of such committees. Mr. Pear, if approved, would be a member of each such committee as well. Mr. Reisman serves as the Chair of each of such committees.

3

Audit Committee

The Audit Committee was formed in April 2005. The Audit Committee met three since its formation and each member of the Audit Committee was present at such meeting. The Audit Committee is responsible for matters relating to financial reporting, internal controls, risk management and compliance. These responsibilities include appointing, overseeing, evaluating and approving the fees of our independent auditors, reviewing financial information which is included in our Annual Report on Form 10-KSB/A, discussions with management and

Edgar Filing: CONVERSION SERVICES INTERNATIONAL INC - Form DEF 14A

the independent auditors the results of the annual audit and our quarterly financial statements, reviewing with management our system of internal controls and financial reporting process and monitoring our compliance program and system.

The Audit Committee operates pursuant to a written charter, adopted by the Board, which sets forth the functions and responsibilities of this committee. A copy of the charter can be viewed on our website. All members of this committee are independent directors under the AMEX listing standards.

The Audit Committee currently is composed of two independent directors. The Board of Directors has determined that Lawrence K. Reisman, the committee's chairman, meets the SEC criteria of an "audit committee financial expert", as defined in Item 401(h) of Regulation S-K.

Audit Committee Report

The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the Company's consolidated financial statements, the Company's compliance with legal and regulatory requirements, the Company's system of internal control over financial reporting and the qualifications, independence and performance of its internal and independent auditors. The Audit Committee has the sole authority and responsibility to select, evaluate and, when appropriate, replace the Company's independent auditors.

Management is responsible for the Company's financial reporting process, including the Company's internal control over financial reporting, and for the preparation of the Company's consolidated financial statements in accordance with generally accepted accounting principles. Friedman LLP ("Friedman") as the Company's independent auditors, are responsible for auditing those financial statements and management's assessment of internal control over financial reporting and expressing its opinion as to the fairness of the financial statement presentation in accordance with generally accepted accounting principles, the fairness of management's assessment of the Company's internal control over financial reporting, and the effectiveness of the Company's internal control over financial reporting. Our responsibility is to oversee and review these processes. We are not, however, professionally engaged in the practice of accounting or auditing and do not provide any expert or other special assurance as to such financial statements concerning compliance with laws, regulations or generally accepted accounting principles or as to auditor independence. We rely, without independent verification, on the information provided to us and on the representations made by management and the independent auditors.

In this context, we have met and held discussions with management and Friedman, the Company's independent auditors for the fiscal year ended December 31, 2005. Management represented to us that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and we have reviewed and discussed with management, the Company's internal auditors and Friedman the Company's consolidated financial statements for the fiscal year ended December 31, 2005 and the Company's internal control over financial reporting. We also discussed with Friedman the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees). Friedman provided to us the written disclosures required by Independence Standards Board Standard No. 1, as amended (Independence Discussions with Audit Committees), and we discussed their independence with them. In determining Friedman's independence, we considered whether their provision of non-audit services to the Company was compatible with maintaining independence. We received regular updates on Friedman's fees and the scope of audit and non-audit services they provided. All such services were provided consistent with applicable rules and our pre-approval policies and

procedures.

4

Based on our discussions with management, our internal auditors and Friedman and our review of the representations of management and Friedman, and subject in all cases to the limitations on our role and responsibilities referred to above and set forth in the Audit Committee Charter, we recommended to the Board of Directors that the Company's audited consolidated financial statements for the fiscal year ended December 31, 2005 be included in the Company's Annual Report on Form 10-KSB/A. We also approved, subject to stockholder ratification, the selection of Friedman as the Company's independent auditors for the fiscal year ending December 31, 2006.

Members of the Audit Committee

Lawrence K. Reisman (Chair)
Joseph Santiso

Compensation Committee

The Compensation Committee was formed in May 2005 and did not meet in fiscal 2005. The Compensation Committee is responsible for matters relating to the development, attraction and retention of the Company's management and for matters relating to the Company's compensation and benefit programs. As part of its responsibilities, this committee evaluates the performance and determines the compensation of the Company's Chief Executive Officer and approves the compensation of our senior officers.

The Compensation Committee operates under a written charter that sets forth the functions and responsibilities of this committee. A copy of the charter can be viewed on our website.

Pursuant to its charter, the Compensation Committee must be comprised of at least two (2) Directors who, in the opinion of the Board of Directors, must meet the definition of "independent director" within the rules and regulations of the SEC. The Board of Directors has determined that all members of this committee are independent directors under the AMEX listing standards.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for providing oversight on a broad range of issues regarding our corporate governance practices and policies and the composition and operation of the Board of Directors. These responsibilities include reviewing potential candidates for membership on the Board and recommending to the Board nominees for election as directors of the Company.

5

The Nominating and Corporate Governance Committee was formed in May 2005 and did not meet in fiscal 2005. A complete description of the Nominating and Corporate Governance Committee's responsibilities is set forth in the Nominating and Corporate Governance written charter. A copy of the charter is available to stockholders on the Company's website. All members of the Nominating and Corporate Governance Committee are "independent" as independence for nominating committee members is defined under the AMEX listing standards. The Nominating and Corporate Governance Committee will consider director nominees recommended by stockholders. To recommend a nominee please write to the Nominating and

Edgar Filing: CONVERSION SERVICES INTERNATIONAL INC - Form DEF 14A

Corporate Governance Committee c/o the Company, Attn: Secretary. There are no minimum qualifications for consideration for nomination to be a director of the Company. The nominating committee will assess all director nominees using the same criteria. Nominations made by stockholders must be made by written notice received by the Secretary of the Company within 30 days of the date on which notice of a meeting for the election of directors is first given to stockholders. The Nominating and Corporate Governance Committee and the Board of Directors carefully consider nominees regardless of whether they are nominated by stockholders, the Nominating and Corporate Governance Committee or existing board-members. Four of the seven nominees to serve as directors on the Board of Directors of the Company have previously served in such capacities. During 2005 the Company did not pay any fees to any third parties to assist in the identification of nominees. The Company did not receive any director nominee suggestions from stockholders for the Annual Meeting.

Compensation of Directors

Directors of the Company who are not employees of the Company or its subsidiaries are entitled to receive compensation for serving as directors in the amount of \$10,000 per annum (50% cash and 50% stock), \$1,000 per Board meeting attended in person, \$500 per Board meeting attended via teleconference, \$500 per Committee meeting attended, and an annual stock option grant to be determined by the Board of Directors. Directors may be removed with or without cause by a vote of the majority of the stockholders then entitled to vote. Other than as described in "Executive Compensation" below, there were no other arrangements pursuant to which any director was compensated during fiscal 2005 for any services provided as a director.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee is or has been an officer or employee of the Company. In addition, none of the members of the Compensation Committee had any relationships with the Company or any other entity that require disclosure under the proxy rules and regulations promulgated by the SEC.

PROPOSAL 2

RATIFICATION OF APPOINTMENT

OF INDEPENDENT AUDITORS

Also submitted for consideration and voting at the Annual Meeting is the ratification of the appointment by the Company's Board of Directors upon the recommendation of the Audit Committee, of Freidman LLP ("Friedman") as independent auditors for the purpose of auditing and reporting upon the financial statements of the Company for the fiscal year ending December 31, 2006. The Board of Directors of the Company upon the recommendation of the Audit Committee, has selected and approved Friedman as independent auditors to audit and report upon the Company's financial statements. Friedman has no direct or indirect financial interest in the Company.

Representatives of Friedman are expected to be present at the Annual Meeting, and they will be afforded an opportunity to make a statement at the Annual Meeting if they desire to do so. It is also expected that such representatives will be available at the Annual Meeting to respond to appropriate questions by stockholders.

On June 1, 2004, Ehrenkrantz Sterling & Co., LLC ("Ehrenkrantz") merged with Friedman. Freidman was selected by the Board of Directors on June 7, 2004 to audit the Company's financial statements.

Edgar Filing: CONVERSION SERVICES INTERNATIONAL INC - Form DEF 14A

For the period since Ehrenkrantz's appointment through June 7, 2004, there had been no disagreements with Ehrenkrantz on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of Ehrenkrantz would have caused them to make reference thereto in their independent auditors report. In addition, for the period since Ehrenkrantz's appointment through June 7, 2004, we did not consult with Friedman regarding any matter that was the subject of a "disagreement" with Ehrenkrantz, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K, or with regard to any "reportable event," as that term is defined in Item 304(a)(1)(v) of Regulation S-K, except as such consultations as may have been made with former employees of Ehrenkrantz who are now employees of Friedman.

Vote Required

The affirmative vote of holders of a majority of the votes cast at the Annual Meeting is required for the ratification of the selection of Friedman as the Company's independent auditors for the fiscal year ending December 31, 2006.

Recommendation of the Board of Directors

The Board of Directors recommends a vote "FOR" the ratification of the appointment of Friedman LLP as the Company's independent auditors for the fiscal year ending December 31, 2006. Unless marked to the contrary, proxies received from stockholders will be voted in favor of the ratification of the selection of Friedman LLP as independent auditors for the Company for the fiscal year 2006.

PROPOSAL 3

DIRECTORS' PROPOSAL TO AMEND THE CERTIFICATE OF INCORPORATION
TO EFFECT AN INCREASE IN AUTHORIZED COMMON STOCK

General

We are requesting stockholder approval to grant the Board of Directors the authority to effect an increase in the Company's authorized Common Stock from eighty-five million (85,000,000) to one hundred million (100,000,000) (the "Increase in Authorized"), for the following reasons:

(1) the Company is authorized to issue 85,000,000 shares of Common Stock of which 49,988,634 shares are currently outstanding and approximately 12,300,000 shares are reserved for issuance under outstanding notes, warrants and options. Therefore, we currently have only approximately 22,711,366 authorized shares available to be issued or reserved for issuance upon the granting of new options or upon the issuance of new warrants or other securities convertible into shares of Common Stock.

The Board of Directors has unanimously adopted an amendment to the Certificate of Incorporation to effect the Increase in Authorized and declared that it is advisable for the stockholders to approve such amendment.

Principal Effects Of The Increase in Authorized

The Increase in Authorized was determined by the Company's Board of Directors, in its sole discretion.

The Company's stockholders will not realize any dilution in their voting rights as a result of the Increase in Authorized but will experience dilution to the extent that additional shares would be issued.

Issuance of significant numbers of additional shares of the Company's Common Stock in the future (i) will dilute stockholders' percentage ownership and (ii) if such shares are issued at prices below what current stockholders' paid for their shares, may dilute the value of current stockholders' shares.

When the Board of Directors decides to implement the Increase in Authorized, the Company will amend Article Fourth Section A of the Company's certificate of incorporation, relating to the Company's authorized capital, in its entirety to state as follows:

FOURTH:

A. AUTHORIZED

The aggregate number of shares of all classes of capital stock with the Corporation shall have authority to issue shall be one hundred twenty million (120,000,000) shares, consisting of:

(1) twenty million (20,000,000) shares of preferred stock, par value \$.001 per share ("Preferred Stock"); and

(2) one hundred million (100,000,000) shares of common stock, par value \$.001 per share ("Common Stock").

Edgar Filing: CONVERSION SERVICES INTERNATIONAL INC - Form DEF 14A

Based on stock information as of the Record Date after completion of the Increase in Authorized, the Company will have approximately 49,988,634 shares of issued and outstanding Common Stock and 100,000,000 shares of authorized Common Stock.

The shares of authorized, but unissued Common Stock will be available from time to time for corporate purposes including raising additional capital, acquisitions of companies or assets, for strategic transactions, and sales of Common Stock or securities convertible into Common Stock. The Company does not have any present intention, plan, arrangement or agreement, written or oral, to issue shares of Common Stock for any purpose, except for the issuance of shares of Common Stock upon the exercise of outstanding convertible securities, options or warrants to purchase Common Stock. Although the Company does not have any present intention to issue shares of Common Stock, except as noted above, the Company may in the future raise funds through the issuance of Common Stock when conditions are favorable, even if the Company does not have an immediate need for additional capital at such time.

The Company believes that the availability of the additional shares will provide the Company with the flexibility to meet business needs as they arise, to take advantage of favorable opportunities and to respond to a changing corporate environment. If the Company issues additional shares, the ownership interests of holders of the Company's Common Stock may be diluted.

The following chart illustrates the impact of the Increase in Authorized on the amount of Company Common Stock outstanding, reserved for issuance and available for issuance

Number of shares of CSI Common Stock that is:	Current	After giving effect to proposal no. 3
currently outstanding	49,988,634	49,988,634
reserved for issuance	16,314,164	16,314,164
available for issuance	18,697,202	33,697,202

The issuance of additional shares of Common Stock may, among other things, have a dilutive effect on earnings per share, and on stockholders' equity and voting rights. The issuance of additional shares, or the perception that additional shares may be issued, may also adversely affect the market price of the Common Stock. Holders of Common Stock have no preemptive rights.

Shares of authorized and unissued Common Stock could be issued in one or more transactions that could make more difficult, and therefore less likely, that any takeover of the Company could occur. Issuance of additional Common Stock could have a deterrent effect on persons seeking to acquire control. The Board also could, although it has no present intention of so doing, authorize the issuance of shares of Common Stock to a holder who might thereby obtain sufficient voting power to assure that any proposal to effect certain business combinations or amendment to the Company's Certificate of Incorporation or Bylaws would not receive the required stockholder approval. Accordingly, the power to issue additional shares of Common Stock could enable the Board to make it more difficult to replace incumbent directors and to accomplish business combinations opposed by the incumbent Board.

Edgar Filing: CONVERSION SERVICES INTERNATIONAL INC - Form DEF 14A

Provisions in our certificate of incorporation, our amended and restated bylaws and applicable provisions of the Delaware General Corporation Law may make it more difficult and expensive for a third party to acquire control of us even if a change of control would be beneficial to the interests of our stockholders. Such provisions could discourage potential takeover attempts and could adversely affect the market price of our common stock. Specifically, the Company is authorized to issue blank check preferred stock to thwart a takeover attempt and currently neither our certificate of incorporation nor our amended and restated bylaws allows cumulative voting in the election of directors, which would otherwise allow holders of less than a majority of stock to elect some directors.

In addition, Section 203 of the Delaware General Corporation Law may discourage, delay or prevent a change in control by prohibiting us from engaging in a business combination with an interested stockholder for a period of three years after the person becomes an interested stockholder. The Company also has in place employment agreements with Scott Newman, Glenn Peipert, and Mitchell Peipert, which provide for the payment to each of them in the event of a change of control. See "Employment Agreements" below.

Procedure For Effecting The Increase in Authorized

The Company will file the certificate of amendment to the Certificate of Incorporation with the Secretary of State of the State of Delaware at such time as the Board of Directors has determined the appropriate effective time for the Increase in Authorized. The form of certificate of amendment to the Certificate of Incorporation is attached as Exhibit A to this Proxy Statement.

Vote Required

The approval of the Increase in Authorized requires the affirmative vote of a majority of the shares of voting stock present in person or represented by proxy at the Meeting.

Recommendation of the Board of Directors

The Board of Directors recommends that the Stockholders vote "FOR" Proposal 3 to approve the Increase in Authorized.

PROPOSAL 4

APPROVAL OF AMENDMENT TO 2003 INCENTIVE PLAN TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK RESERVED FOR ISSUANCE THEREUNDER

2003 Incentive Plan

General

The 2003 Incentive Plan (the "Plan") was approved at a special meeting of the Company's stockholders on January 23, 2004. The Plan authorizes the Company to issue 6,666,667 shares of Common Stock for issuance upon exercise of options, and such shares have been reserved. It also authorizes the issuance of stock appreciation rights, referred to herein as SARs. The Plan authorizes the Company to grant:

- o incentive stock options to purchase shares of Common Stock,
- o non-qualified stock options to purchase shares of Common Stock, and

Edgar Filing: CONVERSION SERVICES INTERNATIONAL INC - Form DEF 14A

- o SARs and shares of restricted Common Stock.

The Plan may be amended, terminated or modified by the Board of Directors or the Stock Option Committee at any time, subject to stockholder approval as required by law, rule or regulation. No such termination, modification or amendment may affect the rights of an optionee under an outstanding option or the grantee of an award.

Objectives

The purpose of the Plan is to advance the interests of the Company and its stockholders by encouraging and facilitating the ownership of the Company's Common Stock by persons performing services for the Company in order to enhance the ability of the Company to attract, retain and reward such persons and motivate them to contribute to the growth and profitability of the Company.

Oversight

The Stock Option Committee, consisting of independent directors Lawrence K. Reisman (chairman), Joseph Santiso, and if approved Thomas Pear, administer the Plan by making determinations regarding the persons to whom options should be granted and the amount, terms, conditions and restrictions of the awards. The Board or the Stock Option Committee also has the authority to interpret the provisions of the Plan and to establish and amend rules for its administration subject to the Plan's limitations.

Types of grants

The Plan allows the Company to grant incentive stock options, non-qualified stock options, shares of restricted stock, SARs in connections with options and independent SARs. The Plan does not specify what portion of the awards may be in the form of any of the foregoing. Incentive stock options awarded to our employees are qualified stock options under the Internal Revenue Code.

15

Eligibility

Under the Plan, the Company may grant incentive stock options only to officers and employees, and the Company may grant non-qualified options to officers and employees, as well as directors, independent contractors and agents.

Statutory Conditions on Stock Options

Exercise Price. To the extent that options designated as incentive stock options become exercisable by an optionee for the first time during any calendar year for Common Stock having a fair market value greater than One Hundred Thousand Dollars (\$100,000), the portions of such options which exceed such amount shall be treated as nonqualified stock options. Incentive stock options granted to any person who owns, immediately after the grant, stock possessing more than 10% of the combined voting power of all classes of our stock, or of any parent or subsidiary of ours, must have an exercise price at least equal to 110% of the fair market value of Common Stock on the date of grant and the term of the option may not be longer than five years.

Expiration Date. Any option granted under the Plan will expire at the time fixed by the Board or the Stock Option Committee, which cannot be more than ten (10) years after the date it is granted or, in the case of any person who owns more than 10% of the combined voting power of all classes of the Company's stock

Edgar Filing: CONVERSION SERVICES INTERNATIONAL INC - Form DEF 14A

or of any parent or subsidiary corporation, not more than five (5) years after the date of grant.

Exerciseability. The Board or its committee may also specify when all or part of an option becomes exercisable, but in the absence of such specification, the option will ordinarily be exercisable in whole or part at any time during its term. However, the Board or its committee may accelerate the exerciseability of any option at its discretion.

Assignability. Options granted under the Plan are not assignable, except by the laws of descent and distribution or as may be otherwise provided by the Board or its committee.

Payment Upon Exercise Of Options

Payment of the exercise price for any option may be in cash or by broker assisted exercise.

Stock Appreciation Rights

A Stock Appreciation Right is the right to benefit from appreciation in the value of Common Stock. A SAR holder, on exercise of the SAR, is entitled to receive from the Company in cash or Common Stock an amount equal to the excess of: (a) the fair market value of Common Stock covered by the exercised portion of the SAR, as of the date of such exercise, over (b) the fair market value of Common Stock covered by the exercised portion of the SAR as of the date on which the SAR was granted.

The Board or the Stock Option Committee may grant SARs in connection with all or any part of an option granted under the Plan, either concurrently with the grant of the option or at any time thereafter, and may also grant SARs independently of options.

Tax Consequences

An employee or director will not recognize income on the awarding of incentive stock options and nonstatutory options under the Plan.

16

An optionee will recognize ordinary income as the result of the exercise of a nonstatutory stock option in the amount of the excess of the fair market value of the stock on the day of exercise over the option exercise price.

An employee will not recognize income on the exercise of an incentive stock option, unless the option exercise price is paid with stock acquired on the exercise of an incentive stock option and the following holding period for such stock has not been satisfied. The employee will recognize long-term capital gain or loss on a sale of the shares acquired on exercise, provided the shares acquired are not sold or otherwise disposed of before the earlier of:

- (i) two years from the date of award of the option, or
- (ii) one year from the date of exercise.

If the shares are not held for the required period of time, the employee will recognize ordinary income to the extent the fair market value of the stock at the time the option is exercised exceeds the option price, but limited to the gain recognized on sale. The balance of any such gain will be a short-term capital gain. Exercise of an option with previously owned stock is not a taxable disposition of such stock. An employee generally must include in alternative

Edgar Filing: CONVERSION SERVICES INTERNATIONAL INC - Form DEF 14A

minimum taxable income the amount by which the price such employee paid for an incentive stock option is exceeded by the option's fair market value at the time his or her rights to the stock are freely transferable or are not subject to a substantial risk of forfeiture.

As of December 31, 2005, options to purchase a total of 4,883,114 shares of Common Stock were outstanding at exercise prices ranging from \$0.825 to \$3.45 per share. Generally, one-third of the options granted vest on the first anniversary, one-third of the options granted vest on the second anniversary and one-third of the options granted vest on the third anniversary. All options expire on the ten (10) year anniversary of their grant date.

All options described above have been issued pursuant to the 2003 Incentive Plan described above.

Reasons for the Plan Amendment

The purpose of the Plan Amendment is to enable the Company to obtain and retain competent personnel who will contribute to the Company's success by their ability, ingenuity and industry knowledge, and to provide incentives to such personnel and members that are linked directly to increases in stockholder value, and will therefore, inure to the benefit of all stockholders of the Company. Eligible recipients of awards under the Plan include employees, directors, consultants and advisors of the Company.

17

The Board of Directors determined to increase the number of shares of common stock reserved for issuance under the Plan because it believes that the current number is insufficient for the purposes of the Plan as stated above. The market for quality personnel is competitive, and the ability to obtain and retain competent personnel is of great importance to the Company's business operations.

Vote Required

To amend the Company's Plan (the "Plan Amendment") to increase the number of stock options reserved for issuance under such plan from 6,666,667 to 10,000,000, an affirmative vote of the holders of a majority of shares voting on the proposal must be obtained. Abstentions and brokers non-votes will have no effect on the outcome. If the proposal is not approved by the stockholders, the Plan Amendment will not be effective and the proposal will not be implemented. Recommendation of the Board of Directors

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE AMENDMENT TO THE 2003 INCENTIVE PLAN.

The Company will bear the cost of preparing, printing, assembling and mailing all proxy materials that may be sent to stockholders in connection with this solicitation. Arrangements will also be made with brokerage houses, other custodians, nominees and fiduciaries, to forward soliciting material to the beneficial owners of the Common Stock of the Company held by such persons. The Company will reimburse such persons for reasonable out-of-pocket expenses incurred by them. In addition to the solicitation of proxies by use of the mails, officers and regular employees of the Company may solicit proxies without additional compensation, by telephone or facsimile transmission. The Company does not expect to pay any compensation for the solicitation of proxies.

A copy of the Company's Form 10-KSB/A for the fiscal year ended December 31, 2005, as filed with the SEC, accompanies this Proxy Statement. However, no such revocation will be effective unless and until such notice of revocation has been received by the Company at or prior to the Annual Meeting.

25

Method of Counting Votes

Unless a contrary choice is indicated, all duly executed proxies will be voted in accordance with the instructions set forth on the proxy card. A broker non-vote occurs when a broker holding shares registered in street name is permitted to vote, in the broker's discretion, on routine matters without receiving instructions from the client, but is not permitted to vote without instructions on non-routine matters, and the broker returns a proxy card with no vote (the "non-vote") on the non-routine matter. Under the rules and regulations of the primary trading markets applicable to most brokers, both the election of directors and the ratification of the appointment of auditors are routine matters on which a broker has the discretion to vote if instructions are not received from the client in a timely manner. Abstentions will be counted as present for purposes of determining a quorum but will not be counted for or against the election of directors or the ratification of independent auditors. As to Item 1, the Proxy confers authority to vote for all of the seven persons listed as candidates for a position on the Board of Directors even though the block in Item 1 is not marked unless the names of one or more candidates are lined out. The Proxy will be voted "For" Items 2, 3 and 4 unless "Against" or "Abstain" is indicated. If any other business is presented at the meeting, the Proxy shall be voted in accordance with the recommendations of the Board of Directors.
