Item 1.01 Entry into a Material Definitive Agreement.  
Item 3.02 Unregistered Sales of Equity Securities.

Tornado Gold International Corp., a Nevada corporation (the "Company"), today announced that it sold an aggregate of approximately 6.15 million units of its securities to a limited number of accredited investors or non-U.S. persons in a private placement. The closing occurred on July 18, 2006, subject to receipt of funds from certain of the investors. Each unit consists of one share of common stock and one warrant ("Warrant") to purchase one share of common stock. The purchase price was \$0.30 per unit, for an aggregate amount of approximately \$1.84 million. The Warrants have an exercise period of three years and an exercise price of \$.60 per share. Pursuant to the terms of the Registration Rights Agreement entered into by the Company and the investors, the Company agreed to file a registration statement with the SEC to cover the resale of the shares of common stock and the shares underlying the Warrants within 120 days after the closing and to use commercially reasonable efforts to cause the registration statement to be declared effective by the Sec within 180 days after the closing. If the registration statement is not so filed within the 120-day period or if it has not been declared effective within the 180-day period, the Company will pay to each investor an amount equal to one percent of the aggregate amount invested by the investor for each 30-day period following the expiration of either such period until the registration statement has been filed or declared effective, respectively. The Company sold to one of the investors units consisting of five million special warrants and an equivalent number of Warrants. Each special warrant converts into one share of common stock not later than 10 years from the closing without the tender of any additional consideration. The special warrants have no voting rights. The Company also agreed to pay eight percent of the proceeds received in the Private Placement as finders' fees.

The securities sold by the Company in the Private Placement were exempt from registration under the Securities Act of 1933, as amended, pursuant to Regulation S or Regulation D promulgated thereunder.

A copy of each of the forms of Subscription Agreement, Common Stock Purchase Warrant, the Registration Rights Agreement, and Special Warrant are attached as Exhibits 10.1, 10.2, 10.3, and 10.4, respectively, and are incorporated herein by reference.
