The internal review necessary to complete registrant's Form 10-Q is not yet finished.

Registrant anticipates there will be a significant change in its results of operations for the three months ended June 30, 2006 as compared to the three months ended June 30, 2005. Registrant estimates that revenue will be approximately \$14.8 million, loss from operations will be approximately \$3.5 million and net loss will be approximately \$3.9 million or \$0.31 per diluted share. This compares to 2005 second quarter revenue of \$9.7 million, income from operations of \$0.5 million, net income of \$0.3 million and diluted earnings per share of \$0.03.

The significant revenue increase is attributable to revenue from Technical Career Institutes of approximately \$8.5 million as well as \$0.3 million from Pennsylvania School of Business, which was partially offset by a \$3.7 million decrease in revenue from Interboro Institute. The 2006 second quarter loss is primarily attributable to the decline in Interboro's revenue. Due to severance obligations, there was an insignificant reduction in this loss from the operating cost reductions of approximately \$2.3 million, annualized, as a result of a reduction in employees at Interboro during June 2006. Benefits from first quarter operating cost reductions of approximately \$2.2 million, annualized, were offset by second quarter increases in expenses of approximately \$0.4 million resulting from the adoption of SFAS No. 123R and approximately \$0.4 million of interest and financing costs relating to our bank facility.
