Attachment to Form 12b-25
Part IV - Other Information, Item (3)

The Company expects the results of operations for the three and six months ended October 31, 2006 will not be comparable to the results of operations for the three and six months ended October 31, 2005 for the following reasons:

During the three and six months ended October 31, 2005 we were engaged in a drilling program, creating revenue for those periods; while, during the same periods in 2006, all drilling was done through the Wind Mill Oil & Gas, LLC Joint Venture, which is not reflected on our books as revenue. Also during the three and six months ended October 31, 2005, we were carrying approximately \$4,500,000 of debt. Most of the debt was paid off in December 2005 from the sale of \$4,350,000 of stock to Wind City Oil & Gas, LLC. This resulted a decrease in interest expense and loan cost for 2006.
