GMAC Inc. (“GMAC”) today announced that James Mackey, group vice president and senior Finance executive, has been appointed interim chief financial officer, effective April 2, 2010.

Mackey, 42, joined GMAC in March 2009 and has responsibility for Financial Planning and Analysis, Investor Relations and Finance support for the company’s Treasury and Risk activities. He will continue to have oversight for these areas in addition to serving as interim chief financial officer.

Before joining GMAC, Mackey served as the chief financial officer of the Corporate Investments, Treasury and Private Equity divisions at Bank of America from 2007 to March 2009. Prior to this, from 1998 to 2007, he held several roles in the Global Structured Products group at Banc of America Securities with increasing responsibility, serving as a managing director since 2006. Mackey began his Finance career in 1992 at PriceWaterhouseCoopers.

GMAC’s search for a permanent chief financial officer is ongoing. The appointment of an interim chief financial officer is to ensure that the company has appropriate Finance leadership during the quarterly financial review process and to aid in the transition of a permanent chief financial officer.
