4. To transact any other business as may properly be presented at the Annual Meeting or any adjournment or postponement thereof.

The Board of Directors set May 24, 2011 as the record date (the "Record Date") to determine those holders of common stock, par value \$0.001 per share, of the Company (the "Common Stock") who are entitled to notice of, and to vote at, the Annual Meeting. A list of the stockholders entitled to vote at the Annual Meeting may be examined at the Company's office during the 10-day period preceding the Annual Meeting.

On or about June 3, 2011, this proxy statement, the proxy card and annual report are being mailed to stockholders of record as of the close of business on the Record Date.

GENERAL INFORMATION ABOUT VOTING

Who can vote?

You can vote your shares of Common Stock if our records show that you owned the shares on the Record Date. Persons who are not stockholders of record on the Record Date will not be allowed to vote at the Annual Meeting. As of the close of business on the Record Date, a total of 13,692,179 shares of Common Stock are entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote on matters presented at the Annual Meeting.

If I am a stockholder of record, how do I cast my vote?

If you are a stockholder of record, you may vote in person at the Annual Meeting. We will give you a ballot when you arrive.

If you do not wish to vote in person or you will not be attending the Annual Meeting, you may vote by proxy using the enclosed proxy card. To vote by proxy using the enclosed proxy card complete, sign and date your proxy card and return it promptly in the envelope provided.

If you vote by proxy, your vote must be received by 11:59 p.m. U.S. Eastern Standard Time on June 26, 2011 to be counted.

How do I vote by proxy?

Follow the instructions on the enclosed proxy card to vote on each proposal to be considered at the Annual Meeting. Sign and date the proxy card and mail it back to us in the enclosed envelope.

The enclosed proxy, when properly signed and returned to the Company, will be voted by the proxy holders at the Annual Meeting as directed by the proxy. Proxies which are signed by stockholders but which lack any such specification will be voted in favor of the proposals set forth in the Notice of Annual Meeting.

What if other matters come up at the Annual Meeting?

The matters described in this proxy statement are the only matters we know of that will be voted on at the Annual Meeting. If other matters are properly presented at the meeting, the proxy holders will vote your shares as they see fit.

Can I change my vote after I return my proxy card?

Yes. You may revoke your proxy card at any time before its exercise at the Annual Meeting by giving our Secretary, a written notice revoking your proxy card, or a duly executed proxy bearing a later date, or by attendance at the Annual Meeting and electing to vote in person.

Can I vote in person at the Annual Meeting rather than by completing the proxy card?

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the Annual Meeting and vote your shares in person.

How are votes counted?

We will hold the Annual Meeting if holders representing a majority of the shares of Common Stock issued and outstanding and entitled to vote in person or by proxy either sign and return their proxy cards or attend the meeting. If you sign and return your proxy card your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on any of the proposals listed on the proxy card. The election of directors under Proposal 1 will be by the affirmative vote of a plurality of the shares of Common Stock, represented in person or by proxy at the Annual Meeting. Proposal 2 shall be approved upon the affirmative vote of a majority those shares present in person or represented by proxy and entitled to vote at the Annual Meeting. An abstention with respect to Proposal 2, will have the effect of a vote against the proposal. Approval of the adoption of our 2011 Omnibus Securities and Incentive Plan under Proposal 3 requires the affirmative vote of a majority of those shares present in person or represented by proxy and entitled to vote at the Annual Meeting. An abstention with respect to Proposal 3 will have the same effect as a vote against the proposal. Unless otherwise stated, the enclosed proxy will be voted in accordance with the instructions thereon.

Brokers who hold shares of our Common Stock in “street name” for a beneficial owner of those shares typically have the authority to vote in their discretion on “routine” proposals when they have not received instructions from beneficial owners. However, brokers are not allowed to exercise their voting discretion with respect to the approval of matters that are “non-routine,” including, among other things, the election of directors and the adoption of our 2011 Omnibus Securities and Incentive Plan, without specific instructions from the beneficial owner.

A broker non-vote occurs when a bank, broker or other holder of record holding shares for a beneficial owner submits a proxy for the Annual Meeting but does not vote on a particular proposal because that holder does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner. If your broker or other nominee holds your shares of the our Common Stock in “street name,” your broker or other nominee will vote your shares only if you provide instructions on how to vote by filling out the voter instruction form sent to you by your broker with this proxy statement. Broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting, but broker non-votes will not be counted for purposes of determining the number of votes cast with respect to the particular proposal on which a broker has expressly not voted. We encourage you to provide instructions to your broker regarding the voting of your shares.

Who pays for this proxy solicitation?

We do. In addition to sending you these materials, some of our employees may contact you by telephone, by mail, by fax, by email, or in person. None of these employees will receive any extra compensation for doing this. We may reimburse brokerage firms and other custodians for their reasonable out-of-pocket costs in forwarding these proxy materials to stockholders.

Where can I find the voting results of the Annual Meeting?

We intend to announce the preliminary voting results at the Annual Meeting and the public final results in a current report on Form 8-K, which we will file with the Securities and Exchange Commission within four business days, which period begins to run on the day on which the Annual Meeting ended.

Why are we seeking stockholder approval for these proposals?

Proposal No. 1. The Florida Business Corporation Act and the rules applicable to us as a result of the listing of our common stock on the NASDAQ Global Market require corporations to hold elections for directors each year.

Proposal No. 2. We appointed Marcum Bernstein & Pinchuk LLP to serve as our independent auditors for the fiscal year ending June 30, 2011. We elect to have our stockholders ratify such appointment.

Proposal No. 3. The rules applicable to us as a result of the listing of our common stock on the NASDAQ Global Market require us to obtain the approval of our stockholders to the adoption of our 2011 Omnibus Securities and Incentive Plan.

Our Contractual Arrangements with Laiyang Jiangbo and Its Shareholders

PRC law currently limits foreign equity ownership of Chinese companies. To comply with these foreign ownership restrictions, we operate our business in China through a series of contractual arrangements with Laiyang Jiangbo and its shareholders. The contractual arrangements are primarily between two entities associated with our wholly owned subsidiary Karmoya International Limited, a British Virgin Islands Company ("Karmoya"): (1) Genesis Jiangbo (Laiyang) Biotech Technologies Co., Ltd. ("GJBT"), Karmoya's wholly foreign owned enterprise in PRC, and (2) Laiyang Jiangbo Pharmaceutical Co., Ltd. ("Laiyang Jiangbo"), Karmoya's operating company in PRC. Under PRC laws, each of GJBT and Laiyang Jiangbo is an independent legal person and neither of them is exposed to liabilities incurred by the other party. The contractual arrangements constitute valid and binding obligations of the parties of such agreements. Each of the contractual arrangements, as amended and restated, and the rights and obligations of the parties thereto are enforceable and valid in accordance with the laws of the PRC. Other than pursuant to the contractual arrangements described below, Laiyang Jiangbo does not transfer any other funds generated from its operations to any other member of the LJ Group. On September 21, 2007, we entered into the following contractual arrangements (collectively, the "LJ Agreements"):

Consulting Services Agreement. Pursuant to the exclusive consulting services agreement between GJBT and Laiyang Jiangbo, GJBT has the exclusive right to provide to Laiyang Jiangbo general consulting services related to pharmaceutical business operations, as well as consulting services related to human resources and technological research and development of pharmaceutical products and health supplements (the "Services"). Under this agreement, GJBT owns the intellectual property rights developed or discovered through research and development while providing the Services for Laiyang Jiangbo. Laiyang Jiangbo pays a quarterly consulting service fee in Chinese Renminbi ("RMB") to GJBT that is equal to all of Laiyang Jiangbo's revenue for such quarter.

Operating Agreement. Pursuant to the operating agreement among GJBT, Laiyang Jiangbo and the shareholders of Laiyang Jiangbo who collectively hold 100% of the outstanding shares of Laiyang Jiangbo (collectively, the "Laiyang Shareholders"), GJBT provides guidance and instructions on Laiyang Jiangbo's daily operations, financial management and employment issues. The Laiyang Shareholders must appoint the candidates recommended by GJBT as members

of Laiyang Jiangbo's board of directors. GJBT has the right to appoint senior executives of Laiyang Jiangbo. In addition, GJBT agrees to guarantee Laiyang Jiangbo's performance under any agreements or arrangements relating to Laiyang Jiangbo's business arrangements with any third party. Laiyang Jiangbo, in return, agrees to pledge its accounts receivable and all of its assets to GJBT. Moreover, Laiyang Jiangbo agrees that without the prior consent of GJBT, Laiyang Jiangbo will not engage in any transactions that could materially affect the assets, liabilities, rights or operations of Laiyang Jiangbo, including, but not limited to, incurrence or assumption of any indebtedness, sale or purchase of any assets or rights, incurrence of any encumbrance on any of its assets or intellectual property rights in favor of a third party, or transfer of any agreements relating to its business operation to any third party. The term of this agreement is ten (10) years from September 21, 2007 unless early termination occurs in accordance with the provisions of the agreement and may be extended only upon GJBT's written confirmation prior to the expiration of the this agreement, with the extended term to be mutually agreed upon by the parties.

Equity Pledge Agreement. Pursuant to the equity pledge agreement among GJBT, Laiyang Jiangbo and the Laiyang Shareholders, the Laiyang Shareholders pledged all of their equity interests in Laiyang Jiangbo to GJBT to guarantee Laiyang Jiangbo's performance of its obligations under the consulting services agreement. If either Laiyang Jiangbo or any of the Laiyang Shareholders breaches its respective contractual obligations, GJBT, as pledgee, will be entitled to certain rights, including the right to sell the pledged equity interests. The Laiyang Shareholders also granted GJBT an exclusive, irrevocable power of attorney to take actions in the place and stead of the Laiyang Shareholders to carry out the security provisions of the equity pledge agreement and take any action and execute any instrument that GJBT may deem necessary or advisable to accomplish the purposes of the equity pledge agreement. The Laiyang Shareholders agreed, among other things, not to dispose of the pledged equity interests or take any actions that would prejudice GJBT's interest. The equity pledge agreement will expire two (2) years after Laiyang Jiangbo obligations under the exclusive consulting services agreement have been fulfilled.

Option Agreement. Pursuant to the option agreement among GJBT, Laiyang Jiangbo and the Laiyang Shareholders, the Laiyang Shareholders irrevocably granted GJBT or its designated person an exclusive option to purchase, to the extent permitted under PRC law, all or part of the equity interests in Laiyang Jiangbo for the cost of the initial contributions to the registered capital or the minimum amount of consideration permitted by applicable PRC law. GJBT or its designated person has sole discretion to decide when to exercise the option, whether in part or in full. The term of this agreement is ten (10) years from September 21, 2007 unless early termination occurs in accordance with the provisions of the agreement and may be extended only upon GJBT's written confirmation prior to the expiration of the this agreement, with the extended term to be mutually agreed upon by the parties.

Proxy Agreement. Pursuant to the proxy agreement among GJBT and the Laiyang Shareholders, the Laiyang Shareholders agreed to irrevocably grant and entrust all the rights to exercise their voting power to the person(s) appointed by GJBT. GJBT may from time to time establish and amend rules to govern how GJBT shall exercise the powers granted to it by the Laiyang Shareholders, and GJBT shall take action only in accordance with such rules. The Laiyang Shareholders shall not transfer their equity interests in Laiyang Jiangbo to any individual or company (other than GJBT or the individuals or entities designated by GJBT). The Laiyang Shareholders acknowledged that they will continue to perform this agreement even if one or more than one of them no longer hold the equity interests of Laiyang Jiangbo. This agreement may not be terminated without the unanimous consent of all of the parties, except that GJBT may terminate this agreement by giving thirty (30) days prior written notice to the Laiyang Shareholders.

As a result of the Exchange Transaction, we have contractual arrangements with Laiyang Jiangbo which give us the ability to substantially influence Laiyang Jiangbo's daily operations and financial affairs, appoint its senior executives and approve all matters requiring shareholder approval.

On December 23, 2010, the Company advanced approximately \$104,000 to Jiangbo Chinese-Western Pharmacy, an entity 90% owned by the Company's Chairman, on an unsecured and interest free basis. The amount was fully repaid by Jiangbo Chinese-Western Pharmacy on December 30, 2010.

Policy on Related Party Transactions

It is our policy to not enter any transaction (other than compensation arrangements in the ordinary course) with any director, executive officer, employee, or principal stockholder or party related to them, unless the Audit Committee or another independent body of the Board of Directors first reviews and approves the transactions.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the executive officers and directors of the Company and every person who is directly or indirectly the beneficial owner of more than 10% of

any class of security of the Company to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Such persons also are required to furnish our company with copies of all Section 16(a) forms they file. Based solely on our review of such forms furnished to us and written representations from certain reporting persons, we believe that during our fiscal year ended June 30, 2010, Mr. Wubo Cao, Ms. Elsa Sung, Mr. Michael Marks, and Mr. John Wang did not timely file a Form 4 and Mr. Linxian Jin did not timely file a Form 3.

BOARD OPERATIONS

Board Leadership Structure

The positions of Chief Executive Officer and Chairman of the Board of Directors of our Company are held by different persons. Mr. Cao, who previously served as the Chief Executive Officer and Chairman of the Board of Directors of the Company, resigned from his position as our Chief Executive Officer on June 29, 2010. Mr. Cao continues his role as the Chairman of the Board of Directors of the Company. Mr. Jin Linxian was appointed as the Company's Chief Executive Officer, effective July 1, 2010, to fill the vacancy caused as a result of resignation of Mr. Cao as the Company's Chief Executive Officer.

Each of the directors other than Wubo Cao is independent (see "Director Independence" below), and the Board of Directors believes that the independent directors provide effective oversight of management. The Board of Directors has not designated a lead director. Our independent directors call and plan their executive sessions collaboratively and, between Board of Directors meetings, communicate with management and one another directly. In the circumstances, the directors believe that formalizing in a lead director functions in which they all participate might detract from rather than enhance performance of their responsibilities as directors.

Director Qualifications

We seek directors with established strong professional reputations and experience in areas relevant to the strategy and operations of our businesses. We seek directors who possess the qualities of integrity and candor, who have strong analytical skills and who are willing to engage management and each other in a constructive and collaborative fashion. We also seek directors who have the ability and commitment to devote significant time and energy to service on the Board and its committees. We believe that all of our directors meet the foregoing qualifications.

The Nominating and Corporate Governance Committee and the Board believe that the leadership skills and other experiences of its Board members, as described below, provide the Company with a range of perspectives and judgment necessary to guide our strategies and monitor their execution.

Cao Wubo: Cao Wubo is the principal founder of our Company and he contributes to our Board of Directors his leadership skills and his vision of the direction of the development of the Company's business in the future. Mr. Cao has accumulated his skills and experience over 20 years of business practice in the pharmaceutical industry.

Feng Xiaowei: Feng Xiaowei contributes to our Board of Directors his skills in business and financial management. Mr. Feng accumulated his knowledge and experience through his business experience managing companies doing business throughout China.

Huang Lei: Huang Lei contributes to our Board of Directors her overall business experience that she accumulated from her education and work experience in Canada.

Ge Jian: Ge Jian contributes to the Board of Directors of the Company his management and business development expertise and 20 years of experience of managing and working with companies whose operations are based in China.

George Zhou: George Zhou's strong academic background and extensive experience in reviewing financial results of companies as an investor together with his exposure in other boards of US companies enables him to be an effective director.

Board Practices

Our business and affairs are managed under the direction of our Board of Directors. The primary responsibilities of our Board of Directors are to provide oversight, strategic guidance, counseling and direction to our management. It is our expectation that the Board of Directors will meet regularly on a quarterly basis and additionally as required.

Board's Role in Risk Oversight

The Board of Directors as a whole has responsibility for risk oversight, with reviews of certain areas being conducted by the relevant Board of Directors committees. These committees then provide reports to the full Board of Directors. The oversight responsibility of the Board of Directors and its committees is enabled by management reporting processes that are designed to provide visibility to the Board of Directors about the identification, assessment, and management of critical risks. These areas of focus include strategic, operational, financial and reporting, succession and compensation, compliance, and other risks. The Board of Directors and its committees oversee risks associated with their respective areas of responsibility, as summarized below.

MEETINGS OF THE BOARD OF DIRECTORS

The Board of Directors held four meetings during the fiscal year 2010. During the fiscal year 2010, no director attended fewer than 75% of the meetings of the Board. During the fiscal year 2010, no director attended less than 75% of any meeting of a committee of which the director was a member. We do not have a policy with regard to Board members' attendance at annual meetings of stockholders. This is our first Annual Meeting of Stockholders.

DIRECTOR INDEPENDENCE

A majority of the directors serving on our Board must be independent directors under Rule 5605(b)(1) of the Marketplace Rules of The NASDAQ Stock Market ("NASDAQ"). The Board of Directors has a responsibility to make an affirmative determination whether a directors has a material relationships with the listed company through the application of Rule 5605(a)(2) of the Marketplace Rules of NASDAQ, which provides the definition of an independent director.

The Board of Directors has determined that each of the director nominees standing for election, except Cao Wubo, has no relationship that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and is an "independent director" as defined in the Marketplace Rules of NASDAQ. In determining the independence of our directors, the Board of Directors has adopted independence standards that follow the criteria specified by applicable laws and regulations of the SEC and the Marketplace Rules of NASDAQ. In determining the independence of our directors, the Board of Directors considered all transactions in which the Company and any director had any interest, including those discussed under "Certain Relationships and Related Transactions" above.

Based on the application of the independence standards and the examination of all of the relevant facts and circumstances, the Board determined that none of the following directors and nominees had any material relationship with the Company and, thus, are independent under Rule 5605(a)(2) of the Marketplace Rules of NASDAQ: Feng Xiaowei, Huang Lei, Ge Jian, Michael Marks John (Yang) Wang and George (Guoqing) Zhou . In accordance with the Marketplace Rules of NASDAQ a majority of our Board of Directors is independent.

The Nominating and Corporate Governance Committee will consider director candidates recommended by any reasonable source, including current Board members, stockholders, professional search firms or other persons. The directors will not evaluate candidates differently based on who has made the recommendation. The Board does not have a formal policy on Board candidate qualifications. The Board may consider those factors it deems appropriate in evaluating director nominees made either by the Board or stockholders, including judgment, skill, strength of character, experience with businesses and organizations comparable in size or scope to the Company, experience and skill relative to other Board members, and specialized knowledge or experience in business or financial matters as would make such nominee an asset to the Board of Directors and may, under certain circumstances, be required to be “independent”, as such term is defined in the NASDAQ Marketplace Rules and applicable SEC regulations. Depending upon the current needs of the Board, certain factors may be weighed more or less heavily. “Diversity,” as such, is not a criterion that the committee considers. In considering candidates for the Board, the directors evaluate the entirety of each candidate’s credentials and do not have any specific minimum qualifications that must be met.

Security holders wishing to submit the name of a person as a potential nominee to the Board of Directors must send the name, address, and a brief (no more than 500 words) biographical description of such potential nominee to the Nominating and Corporate Governance Committee at the following address: Nominating and Corporate Governance Committee of the Board of Directors, c/o Jiangbo Pharmaceuticals, Inc., at the Company’s office located at 25 Haihe Road, Laiyang Economic Development Zone, Laiyang City, Yantai, Shandong Province, People’s Republic of China 265200. Potential director nominees will be evaluated by personal interview, such interview to be conducted by one or more members of the Nominating and Corporate Governance Committee, and/or any other method the Nominating and Corporate Governance Committee deems appropriate, which may, but need not, include a questionnaire. The Nominating and Corporate Governance Committee may solicit or receive information concerning potential nominees from any source it deems appropriate. The Nominating and Corporate Governance Committee need not engage in an evaluation process unless (i) there is a vacancy on the Board of Directors, (ii) a director is not standing for re-election, or (iii) the Nominating and Corporate Governance Committee does not intend to recommend the nomination of a sitting director for re-election. A potential director nominee recommended by a security holder will not be evaluated any differently than any other potential nominee. Although it has not done so in the past, the Nominating and Corporate Governance Committee may retain search firms to assist in identifying suitable director candidates.

The Audit Committee met four times during fiscal year 2010. The members of the Audit Committee during fiscal year 2010 were John (Yang) Wang, Feng Xiaowei and Michael Marks. Michael Marks served as the Chairperson of the Audit Committee. On May 23, 2011, Mr. Marks and Mr. Wang each notified the Company that for personal reasons, they did not wish to stand for re-election to the Board at the Company's 2011 Annual Meeting of Stockholders and as a result will cease to be members of the Audit Committee following the Company's 2011 Annual Meeting of Stockholders. On May 27, 2011, Dr. George (Guoqing) Zhou was appointed to serve as a member of the Audit Committee. Each of the above-listed Audit Committee members are considered "independent" under the current independence standards of NASDAQ Marketplace Rule 4200(a)(15) and meet the criteria for independence set forth in Rule 10A-3(b)(1) of the Securities Exchange Act of 1934, as amended, as determined by the Board of Directors.

Our Board of Directors has determined that we have one audit committee financial expert, as defined in the Exchange Act, serving on our Audit Committee. Michael Marks is the "audit committee financial expert" and is an independent member of our Board of Directors.

REPORT OF THE AUDIT COMMITTEE (1)

The role of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting process. The Board of Directors, in its business judgment, has determined that all members of the committee are "independent" as required by applicable Marketplace Rules of NASDAQ. The Audit Committee operates pursuant to a charter that was approved by the Board. Management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the Company's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of the oversight of the Company's financial reporting process, the Audit Committee has reviewed and discussed the audited financial statements with management, the internal auditors and the independent auditors. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61, Communication with Audit Committee, as amended, as adopted by the Public Company Accounting Oversight Board ("PCAOB") in Rule 3200T. Finally, the Audit Committee has received written disclosures and the letter from the independent auditors, as required by applicable requirements of the PCAOB

regarding the independent accountant's communications with the Audit Committee concerning independence, and has discussed with the independent accountant the independent accountant's independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting, are not experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's consideration and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted accounting principles or that the Company's auditors are in fact "independent."

Based upon the reports, review and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the charter, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended June 30, 2010, as filed with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION

Introductions

We endeavor to provide our “named executive officers” (as defined in Item 402 of Regulation S-K) with a competitive base salary that is in-line with their roles and responsibilities when compared to peer companies of comparable size in the same or similar locality. It is not uncommon for PRC private corporations in that locality to have base salaries as the sole and only form of compensation. The base salary level is established and reviewed based on the level of responsibilities, the experience and tenure of the individual and the current and potential contributions of the individual. The base salary is compared to similar positions within comparable peer companies and with consideration of the executive’s relative experience in his or her position. Base salaries are reviewed periodically and at the time of promotion or other changes in responsibilities.

Under the governance of our newly established compensation committee, we plan to implement a more comprehensive compensation program, which takes into account other elements of compensation, including, without limitation, short and long term compensation, cash and non-cash compensation, and other equity-based compensation such as stock options. This compensation program shall be comparative to our peers in the industry and aimed to retain and attract talented individuals.

PROPOSAL 3

APPROVAL OF THE JIANGBO PHARMACEUTICALS, INC. 2011 OMNIBUS SECURITIES AND INCENTIVE PLAN

The Company is seeking approval of the stockholders to adopt the Jiangbo Pharmaceuticals, Inc. 2011 Omnibus Securities and Incentive Plan (the “2011 Plan”). The purpose of the 2011 Plan is to attract and retain qualified individuals for positions of substantial responsibility with the Company and to provide incentives to such individuals to promote the success of the Company’s business. If the 2011 Plan is approved, the aggregate number of shares of Common Stock that may be issued under the 2011 Plan shall not exceed 500,000 shares.

General Description of the 2011 Plan

The following is a summary of the material provisions of the 2011 Plan and is qualified in its entirety by reference to the complete text of the 2011 Plan, a copy of which is attached to this proxy statement as Appendix D.

Administration. The 2011 Plan is administered by the Compensation Committee of the Board of Directors, which consists of three members of the Board of Directors, each of whom is a “non-employee director” within the meaning of Rule 16b-3 promulgated under the Exchange Act and an “outside director” within the meaning of Code Section 162(m). Among other things, the Compensation Committee has complete discretion, subject to the express limits of the 2011 Plan, to determine the directors, employees and nonemployee consultants to be granted an award, the type of award to be granted, the number of shares of Common Stock subject to each award, the exercise price of each option and base price of each SAR, the term of each award, the vesting schedule for an award, whether to accelerate vesting, the value of the Common Stock underlying the award, and the required withholding, if any. The Compensation Committee may amend, modify or terminate any outstanding award, provided that the participant’s consent to such action is required if the action would materially and adversely impair the participant’s rights or entitlements with respect to that award. The Compensation Committee is also authorized to construe the award agreements, and may prescribe rules relating to the 2011 Plan. Notwithstanding the foregoing, the Compensation Committee does not have any authority to grant or modify an award under the 2011 Plan with terms or conditions that would cause the grant, vesting or exercise to be considered nonqualified “deferred compensation” subject to Code Section 409A. The last reported sales price on the NASDAQ Stock Market of the Company’s Common Stock on May 26, 2011 was \$3.15.

Grant of Awards; Shares Available for Awards. The 2011 Plan provides for the grant of distribution equivalent rights, incentive stock options, non-qualified stock options, performance share awards, performance unit awards, restricted stock awards, restricted stock unit awards, stock appreciation rights, tandem stock appreciation rights, unrestricted stock awards to directors, officers, employees and nonemployee consultants of the Company or its affiliates. The Company has reserved a total of 500,000 shares of Common Stock for issuance as or under awards to be made under the 2011 Plan. If any award lapses, expires, is cancelled, or terminates unexercised or ceases to be exercisable for any reason, the number of shares subject thereto is again available for grant under the 2011 Plan. The number of shares of Common Stock for which awards may be granted to a participant under the 2011 Plan in any calendar year is limited to 100,000.

Currently, there are ten (10) employees, directors, and non-employee consultants who would be entitled to receive stock options and/or restricted shares under the 2011 Plan. Future new hires and additional consultants would be eligible to participate in the 2011 Plan as well. The number of options and/or restricted shares to be granted to executives and directors cannot be determined at this time as the grant of stock options and/or restricted shares is dependent upon various factors such as hiring requirements and job performance.

Stock Options. Options granted under the 2011 Plan may be either “incentive stock options” (“ISOs”), which are intended to meet the requirements for special federal income tax treatment under the Internal Revenue Code of 1986, as amended, or “nonqualified stock options” (“NQSOs”). Options may be granted on such terms and conditions as the Compensation Committee may determine; provided, however, that the per share exercise price under an option may not be less than the fair market value of a share of the underlying Common Stock on the date of grant and the term of the option may not exceed 10 years (110% of such value and 5 years in the case of an ISO granted to an employee who owns (or is deemed to own) more than 10% of the total combined voting power of all classes of capital stock of the Company or a parent or subsidiary of the Company). ISOs may only be granted to employees. In addition, the aggregate fair market value of Common Stock covered by ISOs (determined at the time of grant) which are exercisable for the first time by an employee during any calendar year may not exceed \$100,000. Any excess is treated as a NQSO.

Stock Appreciation Rights. A SAR entitles the participant, upon exercise, to receive an amount, in cash or stock or a combination thereof, equal to the increase in the fair market value of the underlying Common Stock between the date of grant and the date of exercise. SARs may be granted in tandem with, or independently of, options granted under the 2011 Plan. A SAR granted in tandem with an option (i) is exercisable only at such times, and to the extent, that the related option is exercisable in accordance with the procedure for exercise of the related option; (ii) terminates upon termination or exercise of the related option (likewise, the option granted in tandem with a SAR terminates upon exercise of the SAR); (iii) is transferable only with the related option; and (iv) if the related option is an ISO, may be exercised only when the value of the stock subject to the option exceeds the exercise price of the option. A SAR that is not granted in tandem with an option is exercisable at such times as the compensation committee may specify.

Performance Shares or Performance Unit Awards. Performance share or performance unit awards entitle the participant to receive cash or shares of Common Stock upon attaining specified performance goals. In the case of performance units, the right to acquire the units is denominated in cash values.

Distribution Equivalent Right Awards. A distribution equivalent right award entitles the participant to receive bookkeeping credits, cash payments and/or Common Stock distributions equal in amount to the distributions that would have been made to the participant had the participant held a specified number of shares of the Company's Common Stock during the period the participant held the distribution equivalent right. A distribution equivalent right may be awarded as a component of another award, where, if so awarded, such distribution equivalent right will expire or be forfeited by the participant under the same conditions as under such other award.

Restricted Stock Awards or Restricted Stock Unit Award. A restricted stock award is a grant or sale of Common Stock to the participant, subject to the Company's right to repurchase all or part of the shares at their purchase price (or to require forfeiture of such shares if purchased at no cost) in the event that conditions specified by the Compensation Committee in the award are not satisfied prior to the end of the time period during which the shares subject to the award may be repurchased by or forfeited to the Company. A restricted stock unit entitles the participant to receive a cash payment equal to the fair market value of a share of Common Stock for each restricted stock unit subject to such restricted stock unit award, if the holder satisfies the applicable vesting requirement.

Unrestricted Stock Awards. An unrestricted stock award is a grant or sale of Common Stock to the participant that is not subject to transfer, forfeiture or other restrictions, in consideration for past services rendered to the Company or an affiliate or for other valid consideration.

Change of Control Provisions. In connection with the grant of an award, the Compensation Committee may provide that, in the event of a change in control, such award will become fully vested and immediately exercisable.

Amendment and Termination. The Board of Directors may adopt, amend and rescind rules relating to the administration of the 2011 Plan, and amend, suspend or terminate the 2011 Plan, but no such amendment or termination will be made that materially and adversely impairs the rights of the participant with respect to any award without the participant's consent, other than amendments that are necessary to permit the granting of awards in compliance with Code Sections 162(m) and/or 409A. We have attempted to structure the 2011 Plan so that remuneration attributable to options and other awards will not be subject to the deduction limitation contained in Code Section 162(m).

Certain Federal Income Tax Consequences of the 2011 Plan

The following is a general summary of the federal income tax consequences under current U.S. tax law of options, stock appreciation rights, restricted stock, performance shares, performance units, restricted stock units, distribution equivalent rights and unrestricted stock. It does not purport to cover all of the special rules, including special rules relating to participants subject to Section 16(b) of the Exchange Act and the exercise of an option with previously-acquired shares, or the state or local income or other tax consequences.

A participant does not recognize taxable income upon the grant of a NQSO or an ISO. Upon the exercise of a NQSO, the participant recognizes ordinary income in an amount equal to the excess, if any, of the fair market value of the shares acquired on the date of exercise over the exercise price paid therefore, and the Company, if it is subject to U.S. income taxation, will generally be entitled to a deduction for such amount at that time. If the participant later sells shares acquired pursuant to the exercise of a NQSO, the participant recognizes long-term or short-term capital gain or loss, depending on the period for which the shares were held. Long-term capital gain is generally subject to more favorable tax treatment than ordinary income or short-term capital gain. Upon the exercise of an ISO, the participant does not recognize taxable income. If the participant disposes of the shares acquired pursuant to the exercise of an ISO more than two years after the date of grant and more than one year after the transfer of the shares to the participant, the participant recognizes long-term capital gain or loss and the Company, if it is subject to U.S. income taxation, will not be entitled to a deduction. However, if the participant disposes of such shares within the required holding period, all or a portion of the gain is treated as ordinary income and the Company is generally entitled to deduct such amount. In addition to the tax consequences described above, a participant may be subject to the alternative minimum tax, which is payable to the extent it exceeds the participant's regular tax. For this purpose, upon the exercise of an ISO, the excess of the fair market value of the shares over the exercise price paid therefore is a preference item for alternative minimum taxable income determination purposes. In addition, the participant's basis in such shares is increased by such excess for purposes of computing the gain or loss on the disposition of the shares for alternative minimum tax purposes.

A participant does not recognize income upon the grant of a SAR. The participant has ordinary compensation income upon exercise of the SAR equal to the increase in the value of the underlying shares, and the Company, if it is subject to U.S. income taxation, will generally be entitled to a deduction for such amount.

A participant does not recognize income on the receipt of a performance share award until the shares are received. At such time, the participant recognizes ordinary compensation income equal to the excess, if any, of the fair market value of the shares over any amount paid for the shares, and the Company, if it is subject to U.S. income taxation, will generally be entitled to deduct such amount at such time.

A participant does not recognize income on the receipt of a performance unit award, restricted stock unit award or dividend equivalent right award until a cash payment is received. At such time, the participant recognizes ordinary compensation income equal to the amount of cash received, and the Company, if it is subject to U.S. income taxation, will generally be entitled to deduct such amount at such time.

A participant who receives a grant of restricted stock generally recognizes ordinary compensation income equal to the excess, if any, of fair market value of the stock at the time the restriction lapses over any amount paid for the shares. Alternatively, the participant may elect to be taxed on the value at the time of grant. The Company, if it is subject to U.S. income taxation, will generally be entitled to a deduction at the same time and in the same amount as the income required to be included by the participant.

A participant recognizes ordinary compensation income on receipt of the shares under an unrestricted stock award equal to the excess, if any, of the fair market value of the shares over any amount paid for the shares, and the

Company, if it is subject to U.S. income taxation, will generally be entitled to deduct such amount at such time.

AUDIT COMMITTEE CHARTER
OF
JIANGBO PHARMACEUTICALS, INC.

MISSION STATEMENT

The Audit Committee of Jiangbo Pharmaceuticals, Inc. (the “Company”) has been established by the board of directors of the Company (the “Board”) to assist the Board in fulfilling its responsibilities to oversee the Company’s financial and accounting operations. The Audit Committee will review and be responsible for, among other things, the Company’s system of internal controls, its financial reporting process, the audit process, and the Company’s processes for monitoring compliance with laws and regulations. In performing its duties, the Audit Committee will maintain effective working relationships with the Board, management, the Company’s internal auditors, and the independent auditors. The Audit Committee will confirm with the independent auditor its understanding that it has access to the Audit Committee at any time.

ORGANIZATION AND MEETINGS

Audit Committee Composition

The Audit Committee shall consist of such number of members as the Board shall determine, but in no event less than three members. The Board shall designate one member of the Audit Committee to be the Chairperson. Each member of the Audit Committee must be independent, as defined under applicable Securities and Exchange Commission (“SEC”) and stock exchange rules and regulations as they currently exist and as they may be amended from time to time.

Each member must be able to read and understand fundamental financial statements, including a company’s balance sheet, income statement, and cash flow statement or, if and so long as permitted under applicable stock exchange rules, become able to do so within a reasonable period of time after his or her appointment to the Audit Committee. Audit Committee members shall have such other qualifications as the Board may from time to time deem appropriate in light of the mission of the Audit Committee.

At least one member of the Audit Committee shall qualify as a “audit committee financial expert” in compliance with the requirements established under applicable SEC and stock exchange laws and regulations as they currently exist and as they may be amended from time to time.

Notwithstanding anything to the contrary in this charter, if permitted by applicable SEC and stock exchange laws and regulations in effect from time to time, one director who (i) is not independent as defined under applicable stock exchange rules, and (ii) is not a current employee or an immediate family member (as defined under applicable stock exchange rules) of such employee, may be appointed to the Audit Committee if the Board, under exceptional and limited circumstances, determines that membership on the Audit Committee by the individual is required in the best interests of the Company and its stockholders. In such event, the Board will disclose in the Company’s next annual proxy statement the nature of that director’s relationship with the Company and the reasons for that determination.

If the Company fails to comply with the Audit Committee composition requirements under applicable SEC and stock exchange rules and regulations, the Company shall have an opportunity to cure such defect as provided under such rules.

In addition, the Committee expects to meet with the independent auditors and management quarterly to review the Company's financial statements.

The Committee may invite to its meetings any director, member of management of the company and such other persons as it deems appropriate in order to carry out its responsibilities. The Committee may also exclude from its meetings any persons it deems appropriate in order to carry out its responsibilities.

ROLE AND RESPONSIBILITIES

The Committee's primary responsibility is one of oversight and it recognizes that the Company's management is responsible for preparing the Company's financial statements and that the independent auditors are responsible for auditing those financial statements. The Committee also recognizes that financial management, as well as the independent auditors, have more time, knowledge and more detailed information regarding the Company than do Committee members; consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the independent auditor's work. The Committee shall also perform any other activities consistent with this Charter as the Audit Committee or the Board deems necessary or appropriate or as may be required under applicable SEC and stock exchange rules and regulations in effect from time to time.

If a member of the Committee shall be eligible to receive an Award under the Plan, such Committee member shall have no authority hereunder with respect to his or her own Award.

Section 4.2 **Powers.** Subject to the provisions of the Plan, the Committee shall have the sole authority, in its discretion, to make all determinations under the Plan, including but not limited to determining which Employees, Directors or Consultants shall receive an Award, the time or times when an Award shall be made (the date of grant of an Award shall be the date on which the Award is awarded by the Committee), what type of Award shall be granted, the term of an Award, the date or dates on which an Award vests (including acceleration of vesting), the form of any payment to be made pursuant to an Award, the terms and conditions of an Award (including the forfeiture of the Award (and/or any financial gain) if the Holder of the Award violates any applicable restrictive covenant thereof), the Restrictions under a Restricted Stock Award and the number of shares of Common Stock which may be issued under an Award, all as applicable. In making such determinations the Committee may take into account the nature of the services rendered by the respective Employees, Directors and Consultants, their present and potential contribution to the Company’s (or the Affiliate’s) success and such other factors as the Committee in its discretion shall deem relevant.

Section 4.3 **Additional Powers.** The Committee shall have such additional powers as are delegated to it under the other provisions of the Plan. Subject to the express provisions of the Plan, the Committee is authorized to construe the Plan and the respective Award Agreements executed hereunder, to prescribe such rules and regulations relating to the Plan as it may deem advisable to carry out the intent of the Plan, and to determine the terms, restrictions and provisions of each Award, including such terms, restrictions and provisions as shall be requisite in the judgment of the Committee to cause designated Options to qualify as Incentive Stock Options, and to make all other determinations necessary or advisable for administering the Plan. ARTICLE V
STOCK SUBJECT TO PLAN AND LIMITATIONS THEREON

Section 5.1 Stock Grant and Award Limits. The Committee may from time to time grant Awards to one or more Employees, Directors and/or Consultants determined by it to be eligible for participation in the Plan in accordance with the provisions of Article VI. Subject to Article XV, the aggregate number of shares of Common Stock that may be issued under the Plan shall not exceed five hundred thousand (500,000) shares. Shares shall be deemed to have been issued under the Plan solely to the extent actually issued and delivered pursuant to an Award. To the extent that an Award lapses, expires, is canceled, is terminated unexercised or ceases to be exercisable for any reason, or the rights of its Holder terminate, any shares of Common Stock subject to such Award shall again be available for the grant of a new Award. Notwithstanding any provision in the Plan to the contrary, the maximum number of shares of Common Stock that may be subject to Awards of Options under Article VII and/or Stock Appreciation Rights under Article XIV, in either or both cases granted to any one Employee during any calendar year, shall be one hundred thousand (100,000) shares (subject to adjustment in the same manner as provided in Article XV with respect to shares of Common Stock subject to Awards then outstanding). The limitation set forth in the preceding sentence shall be applied in a manner which shall permit compensation generated in connection with the exercise of Options or Stock Appreciation Rights to constitute “performance-based” compensation for purposes of Section 162(m) of the Code, including, but not limited to, counting against such maximum number of shares, to the extent required under Section 162(m) of the Code, any shares subject to Options or Stock Appreciation Rights that are canceled or repriced.

Section 5.2 Stock Offered. The stock to be offered pursuant to the grant of an Award may be authorized but unissued Common Stock, Common Stock purchased on the open market or Common Stock previously issued and outstanding and reacquired by the Company.

ARTICLE VI
ELIGIBILITY FOR AWARDS; TERMINATION OF
EMPLOYMENT, DIRECTOR STATUS OR CONSULTANT STATUS

Section 6.1 Eligibility. Awards made under the Plan may be granted solely to persons or entities who, at the time of grant, are Employees, Directors or Consultants. An Award may be granted on more than one occasion to the same Employee, Director or Consultant, and, subject to the limitations set forth in the Plan, such Award may include, a Non-Qualified Stock Option, a Restricted Stock Award, an Unrestricted Stock Award, a Distribution Equivalent Right Award, a Performance Stock Award, a Performance Unit Award, a Stock Appreciation Right, a Tandem Stock Appreciation Right, any combination thereof or, solely for Employees, an Incentive Stock Option.

Section 6.2 Termination of Employment or Director Status. Except to the extent inconsistent with the terms of the applicable Award Agreement and/or the provisions of Section 6.4 or 6.5, the following terms and conditions shall apply with respect to the termination of a Holder’s employment with, or status as a Director of, the Company or an Affiliate, as applicable, for any reason, including, without limitation, Total and Permanent Disability or death:

(a) The Holder’s rights, if any, to exercise any then exercisable Non-Qualified Stock Options and/or Stock Appreciation Rights shall terminate:

(1) If such termination is for a reason other than the Holder’s Total and Permanent Disability or death, ninety (90) days after the date of such termination of employment or after the date of such termination of Director status;

(2) If such termination is on account of the Holder’s Total and Permanent Disability, one (1) year after the date of such termination of employment or Director status; or

- (3) If such termination is on account of the Holder's death, one (1) year after the date of the Holder's death.

Upon such applicable date the Holder (and such Holder's estate, designated beneficiary or other legal representative) shall forfeit any rights or interests in or with respect to any such Non-Qualified Stock Options and Stock Appreciation Rights.

- (b) The Holder's rights, if any, to exercise any then exercisable Incentive Stock Option shall terminate:

- (1) If such termination is for a reason other than the Holder's Total and Permanent Disability or death, three (3) months after the date of such termination of employment;
- (2) If such termination is on account of the Holder's Total and Permanent Disability, one (1) year after the date of such termination of employment; or
- (3) If such termination is on account of the Holder's death, one (1) year after the date of the Holder's death.

Upon such applicable date the Holder (and such Holder's estate, designated beneficiary or other legal representative) shall forfeit any rights or interests in or with respect to any such Incentive Stock Options.

(c) If a Holder's employment with, or status as a Director of, the Company or an Affiliate, as applicable, terminates for any reason prior to the actual or deemed satisfaction and/or lapse of the Restrictions, vesting requirements, terms and conditions applicable to a Restricted Stock Award and/or Restricted Stock Unit Award, such Restricted Stock and/or Restricted Stock Units shall immediately be canceled, and the Holder (and such Holder's estate, designated beneficiary or other legal representative) shall forfeit any rights or interests in and with respect to any such Restricted Stock and/or Restricted Stock Units. The immediately preceding sentence to the contrary notwithstanding, the Committee, in its sole discretion, may determine, prior to or within thirty (30) days after the date of such termination of employment or Director status, that all or a portion of any such Holder's Restricted Stock and/or Restricted Stock Units shall not be so canceled and forfeited.

Section 6.3 Termination of Consultant Status. Except to the extent inconsistent with the terms of the applicable Award Agreement and/or the provisions of Section 6.4 or 6.5, the following terms and conditions shall apply with respect to the termination of a Holder's status as a Consultant, for any reason:

(a) The Holder's rights, if any, to exercise any then exercisable Non-Qualified Stock Options and/or Stock Appreciation Rights shall terminate:

(1) If such termination is for a reason other than the Holder's death, ninety (90) days after the date of such termination; or

(2) If such termination is on account of the Holder's death, one (1) year after the date of the Holder's death.

(b) If the status of a Holder as a Consultant terminates for any reason prior to the actual or deemed satisfaction and/or lapse of the Restrictions, vesting requirements, terms and conditions applicable to a Restricted Stock Award and/or Restricted Stock Unit Award, such Restricted Stock and/or Restricted Stock Units shall immediately be canceled, and the Holder (and such Holder's estate, designated beneficiary or other legal representative) shall forfeit any rights or interests in and with respect to any such Restricted Stock and/or Restricted Stock Units. The immediately preceding sentence to the contrary notwithstanding, the Committee, in its sole discretion, may determine, prior to or within thirty (30) days after the date of such termination of such a Holder's status as a Consultant, that all or a portion of any such Holder's Restricted Stock and/or Restricted Stock Units shall not be so canceled and forfeited.

Section 6.4 Special Termination Rule. Except to the extent inconsistent with the terms of the applicable Award Agreement, and notwithstanding anything to the contrary contained in this Article VI, if a Holder's employment with, or status as a Director of, the Company or an Affiliate shall terminate, and if, within ninety (90) days of such termination, such Holder shall become a Consultant, such Holder's rights with respect to any Award or portion thereof granted thereto prior to the date of such termination may be preserved, if and to the extent determined by the Committee in its sole discretion, as if such Holder had been a Consultant for the entire period during which such Award or portion thereof had been outstanding. Should the Committee effect such determination with respect to such Holder, for all purposes of the Plan, such Holder shall not be treated as if his or her employment or Director status had terminated until such time as his or her Consultant status shall terminate, in which case his or her Award, as it may have been reduced in connection with the Holder's becoming a Consultant, shall be treated pursuant to the provisions of Section 6.3; provided, however, that any such Award which is intended to be an Incentive Stock Option shall, upon the Holder's no longer being an Employee, automatically convert to a Non-Qualified Stock Option. Should a Holder's status as a Consultant terminate, and if, within ninety (90) days of such termination, such Holder shall become an Employee or a Director, such Holder's rights with respect to any Award or portion thereof granted thereto prior to the date of such termination may be preserved, if and to the extent determined by the Committee in its sole discretion, as if such Holder had been an Employee or a Director, as applicable, for the entire period during which such Award or portion thereof had been outstanding, and, should the Committee effect such determination with respect to such Holder, for all purposes of the Plan, such Holder shall not be treated as if his or her Consultant status had terminated until such time as his or her employment with the Company or an Affiliate, or his or her Director status, as applicable, shall terminate, in which case his or her Award shall be treated pursuant to the provisions of Section 6.2.

Section 6.5 Termination for Cause. Notwithstanding anything in this Article VI or elsewhere in the Plan to the contrary, and unless a Holder's Award Agreement specifically provides otherwise, should a Holder's employment, Director status or engagement as a Consultant with or for the Company or an Affiliate be terminated by the Company or Affiliate for Cause, all of such Holder's then outstanding Awards shall expire immediately and be forfeited in their entirety upon such termination.

ARTICLE VII OPTIONS

Section 7.1 Option Period. The term of each Option shall be as specified in the Option Agreement; provided, however, that except as set forth in Section 7.3, no Option shall be exercisable after the expiration of ten (10) years from the date of its grant.

Section 7.2 Limitations on Exercise of Option. An Option shall be exercisable in whole or in such installments and at such times as specified in the Option Agreement.

Section 7.3 Special Limitations on Incentive Stock Options. To the extent that the aggregate Fair Market Value (determined at the time the respective Incentive Stock Option is granted) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by an individual during any calendar year under all plans of the Company and any parent corporation or subsidiary corporation thereof (both as defined in Section 424 of the Code) which provide for the grant of Incentive Stock Options exceeds One Hundred Thousand Dollars (\$100,000) (or such other individual limit as may be in effect under the Code on the date of grant), the portion of such Incentive Stock Options that exceeds such threshold shall be treated as Non-Qualified Stock Options. The Committee shall determine, in accordance with applicable provisions of the Code, Treasury Regulations and other administrative pronouncements, which of a Holder's Options, which were intended by the Committee to be Incentive Stock Options when granted to the Holder, will not constitute Incentive Stock Options because of such limitation, and shall notify the Holder of such determination as soon as practicable after such determination. No Incentive Stock Option shall be granted to an Employee if, at the time the Option is granted, such Employee is a Ten Percent Stockholder, unless (i) at

the time such Incentive Stock Option is granted the Option price is at least one hundred ten percent (110 %) of the Fair Market Value of the Common Stock subject to the Option, and (ii) such Incentive Stock Option by its terms is not exercisable after the expiration of five (5) years from the date of grant. No Incentive Stock Option shall be granted more than ten (10) years from the date on which the Plan is approved by the Company's stockholders. The designation by the Committee of an Option as an Incentive Stock Option shall not guarantee the Holder that the Option will satisfy the applicable requirements for "incentive stock option" status under Section 422 of the Code.

Section 7.4 Option Agreement. Each Option shall be evidenced by an Option Agreement in such form and containing such provisions not inconsistent with the provisions of the Plan as the Committee from time to time shall approve, including, but not limited to, provisions intended to qualify an Option as an Incentive Stock Option. An Option Agreement may provide for the payment of the Option price, in whole or in part, by the delivery of a number of shares of Common Stock (plus cash if necessary) that have been owned by the Holder for at least six (6) months and having a Fair Market Value equal to such Option price, or such other forms or methods as the Committee may determine from time to time, in each case, subject to such rules and regulations as may be adopted by the Committee. Each Option Agreement shall, solely to the extent inconsistent with the provisions of Sections 6.2, 6.3, 6.4 and 6.5, as applicable, specify the effect of termination of employment, Director status or Consultant status on the exercisability of the Option. Moreover, without limited the generality of the foregoing, an Option Agreement may provide for a “cashless exercise” of the Option, in whole or in part, by (a) establishing procedures whereby the Holder, by a properly-executed written notice, directs (i) an immediate market sale or margin loan as to all or a part of the shares of Common Stock to which he is entitled to receive upon exercise of the Option, pursuant to an extension of credit by the Company to the Holder of the Option price, (ii) the delivery of the shares of Common Stock from the Company directly to a brokerage firm and (iii) the delivery of the Option price from sale or margin loan proceeds from the brokerage firm directly to the Company, or (b) reducing the number of shares of Common Stock to be issued upon exercise of the Option by the number of such shares having an aggregate Fair Market Value equal to the Option price (or portion thereof to be so paid) as of the date of the Option’s exercise. Each Option Agreement shall, solely to the extent inconsistent with the provisions of Sections 6.2, 6.3, 6.4 and 6.5, as applicable, specify the effect of the termination of the Holder’s employment, Director status or Consultant status on the exercisability of the Option. An Option Agreement may also include provisions relating to (i) subject to the provisions hereof, accelerated vesting of Options, including but not limited to upon the occurrence of a Change of Control, (ii) tax matters (including provisions covering any applicable Employee wage withholding requirements and requiring additional “gross-up” payments to Holders to meet any excise taxes or other additional income tax liability imposed as a result of a payment made upon a Change of Control resulting from the operation of the Plan or of such Option Agreement) and (iii) any other matters not inconsistent with the terms and provisions of the Plan that the Committee shall in its sole discretion determine. The terms and conditions of the respective Option Agreements need not be identical.

Section 7.5 Option Price and Payment. The price at which a share of Common Stock may be purchased upon exercise of an Option shall be determined by the Committee; provided, however, that such Option price (i) shall not be less than the Fair Market Value of a share of Common Stock on the date such Option is granted, and (ii) shall be subject to adjustment as provided in Article XV. The Option or portion thereof may be exercised by delivery of an irrevocable notice of exercise to the Company. The Option price for the Option or portion thereof shall be paid in full in the manner prescribed by the Committee as set forth in the Plan and the applicable Option Agreement, which manner, with the consent of the Committee, may include the withholding of shares of Common Stock otherwise issuable in connection with the exercise of the Option, for purposes of Section 7.4 (b). Separate stock certificates shall be issued by the Company for those shares of Common Stock acquired pursuant to the exercise of an Incentive Stock Option and for those shares of Common Stock acquired pursuant to the exercise of a Non-Qualified Stock Option.

Section 7.6 Stockholder Rights and Privileges. The Holder of an Option shall be entitled to all the privileges and rights of a stockholder of the Company solely with respect to such shares of Common Stock as have been purchased under the Option and for which certificates of stock have been registered in the Holder’s name.

Section 7.7 Options and Rights in Substitution for Stock Options Granted by Other Corporations. Options may be granted under the Plan from time to time in substitution for stock options held by individuals employed by entities who become Employees as a result of a merger or consolidation of the employing entity with the Company or any Affiliate, or the acquisition by the Company or an Affiliate of the assets of the employing entity, or the acquisition by the Company or an Affiliate of stock of the employing entity with the result that such employing entity becomes an Affiliate.

Section 7.8 Prohibition Against Repricing. Except to the extent (i) approved in advance by holders of a majority of the shares of the Company entitled to vote generally in the election of directors, or (ii) as a result of any Change of Control or any adjustment as provided in Article XV, the Committee shall not have the power or authority to reduce, whether through amendment or otherwise, the exercise price of any outstanding Option or Stock Appreciation right, or to grant any new Award or make any payment of cash in substitution for or upon the cancellation of Options and/or Stock Appreciation Rights previously granted.

ARTICLE VIII RESTRICTED STOCK AWARDS

Section 8.1 Restriction Period to be Established by Committee. At the time a Restricted Stock Award is made, the Committee shall establish the Restriction Period applicable to such Award. Each Restricted Stock Award may have a different Restriction Period, in the discretion of the Committee. The Restriction Period applicable to a particular Restricted Stock Award shall not be changed except as permitted by Section 8.2.

Section 8.2 Other Terms and Conditions. Common Stock awarded pursuant to a Restricted Stock Award shall be represented by a stock certificate registered in the name of the Holder of such Restricted Stock Award. If provided for under the Restricted Stock Award Agreement, the Holder shall have the right to vote Common Stock subject thereto and to enjoy all other stockholder rights, including the entitlement to receive dividends on the Common Stock during the Restriction Period, except that (i) the Holder shall not be entitled to delivery of the stock certificate until the Restriction Period shall have expired, (ii) the Company shall retain custody of the stock certificate during the Restriction Period (with a stock power endorsed by the Holder in blank), (iii) the Holder may not sell, transfer, pledge, exchange, hypothecate or otherwise dispose of the Common Stock during the Restriction Period and (iv) a breach of the terms and conditions established by the Committee pursuant to the Restricted Stock Award Agreement shall cause a forfeiture of the Restricted Stock Award. At the time of such Award, the Committee may, in its sole discretion, prescribe additional terms and conditions or restrictions relating to Restricted Stock Awards, including, but not limited to, rules pertaining to the effect of termination of employment, Director status or Consultant status prior to expiration of the Restriction Period. Such additional terms, conditions or restrictions shall, to the extent inconsistent with the provisions of Sections 6.2, 6.3 and 6.4, as applicable, be set forth in a Restricted Stock Award Agreement made in conjunction with the Award. Such Restricted Stock Award Agreement may also include provisions relating to (i) subject to the provisions hereof, accelerated vesting of Awards, including but not limited to accelerated vesting upon the occurrence of a Change of Control, (ii) tax matters (including provisions covering any applicable Employee wage withholding requirements and requiring additional “gross-up” payments to Holders to meet any excise taxes or other additional income tax liability imposed as a result of a payment made in connection with a Change of Control resulting from the operation of the Plan or of such Restricted Stock Award Agreement) and (iii) any other matters not inconsistent with the terms and provisions of the Plan that the Committee shall in its sole discretion determine. The terms and conditions of the respective Restricted Stock Agreements need not be identical. All shares of Common Stock delivered to a Holder as part of a Restricted Stock Award shall be delivered and reported by the Company or the Affiliate, as applicable, to the Holder by no later than by the fifteenth (15th) day of the third (3rd) calendar month next following the end of the Company’s fiscal year in which the Holder’s entitlement to such shares becomes vested.

Section 8.3 Payment for Restricted Stock. The Committee shall determine the amount and form of any payment from a Holder for Common Stock received pursuant to a Restricted Stock Award, if any, provided that in the absence of such a determination, a Holder shall not be required to make any payment for Common Stock received pursuant to a Restricted Stock Award, except to the extent otherwise required by law.

Section 8.4 Restricted Stock Award Agreements. At the time any Award is made under this Article VIII, the Company and the Holder shall enter into a Restricted Stock Award Agreement setting forth each of the matters contemplated hereby and such other matters as the Committee may determine to be appropriate.

ARTICLE IX
UNRESTRICTED STOCK AWARDS

Pursuant to the terms of the applicable Unrestricted Stock Award Agreement, a Holder may be awarded (or sold) shares of Common Stock which are not subject to Restrictions, in consideration for past services rendered thereby to the Company or an Affiliate or for other valid consideration.

ARTICLE X
RESTRICTED STOCK UNIT AWARDS

Section 10.1 Terms and Conditions. The Committee shall set forth in the applicable Restricted Stock Unit Award Agreement the individual service-based vesting requirement which the Holder would be required to satisfy before the Holder would become entitled to payment pursuant to Section 10.2 and the number of Units awarded to the Holder. Such payment shall be subject to a “substantial risk of forfeiture” under Section 409A of the Code. At the time of such Award, the Committee may, in its sole discretion, prescribe additional terms and conditions or restrictions relating to Restricted Stock Unit Awards, including, but not limited to, rules pertaining to the effect of termination of employment, Director status or Consultant status prior to expiration of the applicable vesting period. The terms and conditions of the respective Restricted Stock Unit Award Agreements need not be identical.

Section 10.2 Payments. The Holder of a Restricted Stock Unit shall be entitled to receive a cash payment equal to the Fair Market Value of a share of Common Stock, or one (1) share of Common Stock, as determined in the sole discretion of the Committee and as set forth in the Restricted Stock Unit Award Agreement, for each Restricted Stock Unit subject to such Restricted Stock Unit Award, if the Holder satisfies the applicable vesting requirement. Such payment shall be made no later than by the fifteenth (15th) day of the third (3rd) calendar month next following the end of the calendar year in which the Restricted Stock Unit first becomes vested.

ARTICLE XI
PERFORMANCE UNIT AWARDS

Section 11.1 Terms and Conditions. The Committee shall set forth in the applicable Performance Unit Award Agreement the performance goals and objectives (and the period of time to which such goals and objectives shall apply) which the Holder and/or the Company would be required to satisfy before the Holder would become entitled to payment pursuant to Section 11.2, the number of Units awarded to the Holder and the dollar value assigned to each such Unit. Such payment shall be subject to a “substantial risk of forfeiture” under Section 409A of the Code. At the time of such Award, the Committee may, in its sole discretion, prescribe additional terms and conditions or restrictions relating to Performance Unit Awards, including, but not limited to, rules pertaining to the effect of termination of employment, Director status or Consultant status prior to expiration of the applicable performance period. The terms and conditions of the respective Performance Unit Award Agreements need not be identical.

Section 11.2 Payments. The Holder of a Performance Unit shall be entitled to receive a cash payment equal to the dollar value assigned to such Unit under the applicable Performance Unit Award Agreement if the Holder and/or the Company satisfy (or partially satisfy, if applicable under the applicable Performance Unit Award Agreement) the performance goals and objectives set forth in such Performance Unit Award Agreement. If achieved, such payment shall be made no later than by the fifteenth (15th) day of the third (3rd) calendar month next following the end of the Company’s fiscal year to which such performance goals and objectives relate.

ARTICLE XII PERFORMANCE SHARE AWARDS

Section 12.1 Terms and Conditions. The Committee shall set forth in the applicable Performance Share Award Agreement the performance goals and objectives (and the period of time to which such goals and objectives shall apply) which the Holder and/or the Company would be required to satisfy before the Holder would become entitled to the receipt of shares of Common Stock pursuant to such Holder's Performance Share Award and the number of shares of Common Stock subject to such Performance Share Award. Such payment shall be subject to a "substantial risk of forfeiture" under Section 409A of the Code and, if such goals and objectives are achieved, the distribution of such Common Shares shall be made no later than by the fifteenth (15th) day of the third (3rd) calendar month next following the end of the Company's fiscal year to which such goals and objectives relate. At the time of such Award, the Committee may, in its sole discretion, prescribe additional terms and conditions or restrictions relating to Performance Share Awards, including, but not limited to, rules pertaining to the effect of termination of the Holder's employment, Director status or Consultant status prior to the expiration of the applicable performance period. The terms and conditions of the respective Performance Share Award Agreements need not be identical.

Section 12.2 Stockholder Rights and Privileges. The Holder of a Performance Share Award shall have no rights as a stockholder of the Company until such time, if any, as the Holder actually receives shares of Common Stock pursuant to the Performance Share Award.

ARTICLE XIII DISTRIBUTION EQUIVALENT RIGHTS

Section 13.1 Terms and Conditions. The Committee shall set forth in the applicable Distribution Equivalent Rights Award Agreement the terms and conditions, if any, including whether the Holder is to receive credits currently in cash, is to have such credits reinvested (at Fair Market Value determined as of the date of reinvestment) in additional shares of Common Stock or is to be entitled to choose among such alternatives. Such receipt shall be subject to a "substantial risk of forfeiture" under Section 409A of the Code and, if such Award becomes vested, the distribution of such cash or shares of Common Stock shall be made no later than by the fifteenth (15th) day of the third (3rd) calendar month next following the end of the Company's fiscal year in which the Holder's interest in the Award vests. Distribution Equivalent Rights Awards may be settled in cash or in shares of Common Stock, as set forth in the applicable Distribution Equivalent Rights Award Agreement. A Distribution Equivalent Rights Award may, but need not be, awarded in tandem with another Award, whereby, if so awarded, such Distribution Equivalent Rights Award shall expire, terminate or be forfeited by the Holder, as applicable, under the same conditions as under such other Award.

Section 13.2 Interest Equivalents. The Distribution Equivalent Rights Award Agreement for a Distribution Equivalent Rights Award may provide for the crediting of interest on a Distribution Rights Award to be settled in cash at a future date (but in no event later than by the fifteenth (15th) day of the third (3rd) calendar month next following the end of the Company's fiscal year in which such interest was credited), at a rate set forth in the applicable Distribution Equivalent Rights Award Agreement, on the amount of cash payable thereunder.

ARTICLE XIV
STOCK APPRECIATION RIGHTS

Section 14.1 Terms and Conditions. The Committee shall set forth in the applicable Stock Appreciation Right Award Agreement the terms and conditions of the Stock Appreciation Right, including (i) the base value (the “Base Value”) for the Stock Appreciation Right, which for purposes of a Stock Appreciation which is not a Tandem Stock Appreciation Right, shall be not less than the Fair Market Value of a share of the Common Stock on the date of grant of the Stock Appreciation Right, (ii) the number of shares of Common Stock subject to the Stock Appreciation Right, (iii) the period during which the Stock Appreciation Right may be exercised; provided, however, that no Stock Appreciation Right shall be exercisable after the expiration of ten (10) years from the date of its grant, and (iv) any other special rules and/or requirements which the Committee imposes upon the Stock Appreciation Right. Upon the exercise of some or all of a Stock Appreciation Right, the Holder shall receive a payment from the Company, in cash or in the form of shares of Common Stock having an equivalent Fair Market Value or in a combination of both, as determined in the sole discretion of the Committee, equal to the product of:

- (a) The excess of (i) the Fair Market Value of a share of the Common Stock on the date of exercise, over (ii) the Base Value, multiplied by;
- (b) The number of shares of Common Stock with respect to which the Stock Appreciation Right is exercised.

Section 14.2 Tandem Stock Appreciation Rights. If the Committee grants a Stock Appreciation Right which is intended to be a Tandem Stock Appreciation Right, the Tandem Stock Appreciation Right must be granted at the same time as the related Option, and the following special rules shall apply:

- (a) The Base Value shall be equal to or greater than the per share exercise price under the related Option;
- (b) The Tandem Stock Appreciation Right may be exercised for all or part of the shares of Common Stock which are subject to the related Option, but solely upon the surrender by the Holder of the Holder’s right to exercise the equivalent portion of the related Option (and when a share of Common Stock is purchased under the related Option, an equivalent portion of the related Tandem Stock Appreciation Right shall be cancelled);
- (c) The Tandem Stock Appreciation Right shall expire no later than the date of the expiration of the related Option;
- (d) The value of the payment with respect to the Tandem Stock Appreciation Right may be no more than one hundred percent (100%) of the difference between the per share exercise price under the related Option and the Fair Market Value of the shares of Common Stock subject to the related Option at the time the Tandem Stock Appreciation Right is exercised, multiplied by the number of shares of Common Stock with respect to which the Tandem Stock Appreciation Right is exercised; and
- (e) The Tandem Stock Appreciation Right may be exercised solely when the Fair Market Value of a share of Common Stock subject to the related Option exceeds the per share the exercise price under the related Option.

ARTICLE XV
RECAPITALIZATION OR REORGANIZATION

Section 15.1 Adjustments to Common Stock. The shares with respect to which Awards may be granted under the Plan are shares of Common Stock as presently constituted; provided, however, that if, and whenever, prior to the expiration or distribution to the Holder of shares of Common Stock underlying an Award theretofore granted, the

Company shall effect a subdivision or consolidation of shares of Common Stock or the payment of a stock dividend on Common Stock without receipt of consideration by the Company, the number of shares of Common Stock with respect to which such Award may thereafter be exercised or satisfied, as applicable, (i) in the event of an increase in the number of outstanding shares, shall be proportionately increased, and the purchase price per share of the Common Stock shall be proportionately reduced, and (ii) in the event of a reduction in the number of outstanding shares, shall be proportionately reduced, and the purchase price per share of the Common Stock shall be proportionately increased. Notwithstanding the foregoing or any other provision of this Article XV, any adjustment made with respect to an Award (x) which is an Incentive Stock Option, shall comply with the requirements of Section 424(a) of the Code, and in no event shall any adjustment be made which would render any Incentive Stock Option granted under the Plan to be other than an “incentive stock option” for purposes of Section 422 of the Code, and (y) which is a Non-Qualified Stock Option, shall comply with the requirements of Section 409A of the Code, and in no event shall any adjustment be made which would render any Non-Qualified Stock Option granted under the Plan to become subject to Section 409A of the Code.

Section 15.2 Recapitalization. If the Company recapitalizes or otherwise changes its capital structure, thereafter upon any exercise or satisfaction, as applicable, of a previously granted Award, the Holder shall be entitled to receive (or entitled to purchase, if applicable) under such Award, in lieu of the number of shares of Common Stock then covered by such Award, the number and class of shares of stock and securities to which the Holder would have been entitled pursuant to the terms of the recapitalization if, immediately prior to such recapitalization, the Holder had been the holder of record of the number of shares of Common Stock then covered by such Award.

Section 15.3 Other Events. In the event of changes to the outstanding Common Stock by reason of extraordinary cash dividend, reorganization, mergers, consolidations, combinations, split-ups, spin-offs, exchanges or other relevant changes in capitalization occurring after the date of the grant of any Award and not otherwise provided for under this Article XV, any outstanding Awards and any Award Agreements evidencing such Awards shall be adjusted by the Board in its discretion in such manner as the Board shall deem equitable or appropriate taking into consideration the applicable accounting and tax consequences, as to the number and price of shares of Common Stock or other consideration subject to such Awards. In the event of any adjustment pursuant to Sections 15.1, 15.2 or this Section 15.3, the aggregate number of shares available under the Plan pursuant to Section 5.1 (and the Code Section 162(m) limit set forth therein) may be appropriately adjusted by the Board, the determination of which shall be conclusive. In addition, the Committee may make provision for a cash payment to a Participant or a person who has an outstanding Award. The number of shares of Common Stock subject to any Award shall be rounded to the nearest whole number.

Section 15.4 Powers Not Affected. The existence of the Plan and the Awards granted hereunder shall not affect in any way the right or power of the Board or of the stockholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change of the Company's capital structure or business, any merger or consolidation of the Company, any issue of debt or equity securities ahead of or affecting Common Stock or the rights thereof, the dissolution or liquidation of the Company or any sale, lease, exchange or other disposition of all or any part of its assets or business or any other corporate act or proceeding.

Section 15.5 No Adjustment for Certain Awards. Except as hereinabove expressly provided, the issuance by the Company of shares of stock of any class or securities convertible into shares of stock of any class, for cash, property, labor or services, upon direct sale, upon the exercise of rights or warrants to subscribe therefor or upon conversion of shares or obligations of the Company convertible into such shares or other securities, and in any case whether or not for fair value, shall not affect previously granted Awards, and no adjustment by reason thereof shall be made with respect to the number of shares of Common Stock subject to Awards theretofore granted or the purchase price per share, if applicable.

ARTICLE XVI
AMENDMENT AND TERMINATION OF PLAN

The Plan shall continue in effect, unless sooner terminated pursuant to this Article XVI, until the tenth (10th) anniversary of the date on which it is adopted by the Board (except as to Awards outstanding on that date). The Board in its discretion may terminate the Plan at any time with respect to any shares for which Awards have not theretofore been granted; provided, however, that the Plan's termination shall not materially and adversely impair the rights of a Holder with respect to any Award theretofore granted without the consent of the Holder. The Board shall have the right to alter or amend the Plan or any part hereof from time to time; provided, however, that without the approval by a majority of the votes cast at a meeting of shareholders at which a quorum representing a majority of the shares of the Company entitled to vote generally in the election of directors is present in person or by proxy, no amendment or modification of the Plan may (i) materially increase the benefits accruing to Holders, (ii) except as otherwise expressly provided in Article XV, materially increase the number of shares of Common Stock subject to the Plan or the individual Award Agreements specified in Article V, (iii) materially modify the requirements for participation in the Plan, or (iv) amend, modify or suspend Section 7.8 (repricing prohibitions) or this Article XVI. In addition, no change in any Award theretofore granted may be made which would materially and adversely impair the rights of a Holder with respect to such Award without the consent of the Holder (unless such change is required in order to cause the benefits under the Plan to qualify as "performance-based" compensation within the meaning of Section 162(m) of the Code) or to exempt the Plan or any Award from Section 409A of the Code.

ARTICLE XVII
MISCELLANEOUS

Section 17.1 No Right to Award. Neither the adoption of the Plan by the Company nor any action of the Board or the Committee shall be deemed to give an Employee, Director or Consultant any right to an Award except as may be evidenced by an Award Agreement duly executed on behalf of the Company, and then solely to the extent and on the terms and conditions expressly set forth therein.

Section 17.2 No Rights Conferred. Nothing contained in the Plan shall (i) confer upon any Employee any right with respect to continuation of employment with the Company or any Affiliate, (ii) interfere in any way with any right of the Company or any Affiliate to terminate the employment of an Employee at any time, (iii) confer upon any Director any right with respect to continuation of such Director's membership on the Board, (iv) interfere in any way with any right of the Company or an Affiliate to terminate a Director's membership on the Board at any time, (v) confer upon any Consultant any right with respect to continuation of his or her consulting engagement with the Company or any Affiliate, or (vi) interfere in any way with any right of the Company or an Affiliate to terminate a Consultant's consulting engagement with the Company or an Affiliate at any time.

Section 17.3 Other Laws; No Fractional Shares; Withholding. The Company shall not be obligated by virtue of any provision of the Plan to recognize the exercise of any Award or to otherwise sell or issue shares of Common Stock in violation of any laws, rules or regulations, and any postponement of the exercise or settlement of any Award under this provision shall not extend the term of such Award. Neither the Company nor its directors or officers shall have any obligation or liability to a Holder with respect to any Award (or shares of Common Stock issuable thereunder) (i) that shall lapse because of such postponement, or (ii) for any failure to comply with the requirements of any applicable law, rules or regulations, including but not limited to any failure to comply with the requirements of Section 409A of this Code. No fractional shares of Common Stock shall be delivered, nor shall any cash in lieu of fractional shares be paid. The Company shall have the right to deduct in cash (whether under this Plan or otherwise) in connection with all Awards any taxes required by law to be withheld and to require any payments required to enable it to satisfy its withholding obligations. In the case of any Award satisfied in the form of shares of Common Stock, no shares shall be issued unless and until arrangements satisfactory to the Company shall have been made to satisfy any

tax withholding obligations applicable with respect to such Award. Subject to such terms and conditions as the Committee may impose, the Company shall have the right to retain, or the Committee may, subject to such terms and conditions as it may establish from time to time, permit Holders to elect to tender, Common Stock (including Common Stock issuable in respect of an Award) to satisfy, in whole or in part, the amount required to be withheld.

Section 17.4 No Restriction on Corporate Action. Nothing contained in the Plan shall be construed to prevent the Company or any Affiliate from taking any corporate action which is deemed by the Company or such Affiliate to be appropriate or in its best interest, whether or not such action would have an adverse effect on the Plan or any Award made under the Plan. No Employee, Director, Consultant, beneficiary or other person shall have any claim against the Company or any Affiliate as a result of any such action.

Section 17.5 **Restrictions on Transfer.** No Award under the Plan or any Award Agreement and no rights or interests herein or therein, shall or may be assigned, transferred, sold, exchanged, encumbered, pledged or otherwise hypothecated or disposed of by a Holder except (i) by will or by the laws of descent and distribution, or (ii) except for an Incentive Stock Option, by gift to any Family Member of the Holder. An Award may be exercisable during the lifetime of the Holder only by such Holder or by the Holder's guardian or legal representative unless it has been transferred by gift to a Family Member of the Holder, in which case it shall be exercisable solely by such transferee. Notwithstanding any such transfer, the Holder shall continue to be subject to the withholding requirements provided for under Section 17.3 hereof.

Section 17.6 **Beneficiary Designations.** Each Holder may, from time to time, name a beneficiary or beneficiaries (who may be contingent or successive beneficiaries) for purposes of receiving any amount which is payable in connection with an Award under the Plan upon or subsequent to the Holder's death. Each such beneficiary designation shall serve to revoke all prior beneficiary designations, be in a form prescribed by the Company and be effective solely when filed by the Holder in writing with the Company during the Holder's lifetime. In the absence of any such written beneficiary designation, for purposes of the Plan, a Holder's beneficiary shall be the Holder's estate.

Section 17.7 **Rule 16b-3.** It is intended that the Plan and any Award made to a person subject to Section 16 of the Exchange Act shall meet all of the requirements of Rule 16b-3. If any provision of the Plan or of any such Award would disqualify the Plan or such Award under, or would otherwise not comply with the requirements of, Rule 16b-3, such provision or Award shall be construed or deemed to have been amended as necessary to conform to the requirements of Rule 16b-3.

Section 17.8 **Section 162(m).** It is intended that the Plan shall comply fully with and meet all the requirements of Section 162(m) of the Code so that Awards hereunder which are made to Holders who are "covered employees" (as defined in Section 162(m) of the Code) shall constitute "performance-based" compensation within the meaning of Section 162(m) of the Code. Any Performance Goal(s) applicable to Qualified Performance-Based Awards shall be objective, shall be established not later than ninety (90) days after the beginning of any applicable Performance Period (or at such other date as may be required or permitted for "performance-based" compensation under Section 162(m) of the Code) and shall otherwise meet the requirements of Section 162(m) of the Code, including the requirement that the outcome of the Performance Goal or Goals be substantially uncertain (as defined in the regulations under Section 162(m) of the Code) at the time established. The Performance Criteria to be utilized under the Plan to establish Performance Goals shall consist of objective tests based on one or more of the following: earnings or earnings per share, cash flow or cash flow per share, operating cash flow or operating cash flow per share revenue growth, product revenue growth, financial return ratios (such as return on equity, return on investment and/or return on assets), share price performance, stockholder return, equity and/or value, operating income, operating margins, earnings before interest, taxes, depreciation and amortization, earnings, pre- or post-tax income, economic value added (or an equivalent metric), profit returns and margins, credit quality, sales growth, market share, working capital levels, comparisons with various stock market indices, year-end cash, debt reduction, assets under management, operating efficiencies, strategic partnerships or transactions (including co-development, co-marketing, profit sharing, joint venture or other similar arrangements), and/or financing and other capital raising transaction. Performance criteria may be established on a Company-wide basis or with respect to one or more Company business units or divisions or subsidiaries; and either in absolute terms, relative to the performance of one or more similarly situated companies, or relative to the performance of an index covering a peer group of companies. When establishing Performance Goals for the applicable Performance Period, the Committee may exclude any or all "extraordinary items" as determined under U.S. generally accepted accounting principles including, without limitation, the charges or costs associated with restructurings of the Company, discontinued operations, other unusual or non-recurring items, and the cumulative effects of accounting changes, and as identified in the Company's financial statements, notes to the Company's financial statements or management's discussion and analysis of financial condition and results of operations contained in the Company's most recent annual report filed with the U.S. Securities and Exchange Commission pursuant to the

Exchange Act. Holders who are “covered employees” (as defined in Section 162(m) of the Code) shall be eligible to receive payment under a Qualified Performance-Based Award which is subject to achievement of a Performance Goal or Goals only if the applicable Performance Goal or Goals are achieved within the applicable Performance Period, as determined by the Committee. If any provision of the Plan would disqualify the Plan or would not otherwise permit the Plan to comply with Section 162(m) of the Code as so intended, such provision shall be construed or deemed amended to conform to the requirements or provisions of Section 162(m) of the Code. The Committee may postpone the exercising of Awards, the issuance or delivery of Common Stock under any Award or any action permitted under the Plan to prevent the Company or any subsidiary from being denied a federal income tax deduction with respect to any Award other than an Incentive Stock Option, provided that such deferral satisfies the requirements of Section 409A of the Code. For purposes of the requirements of Treasury Regulation Section 1.162-27(e)(4)(i), the maximum amount of compensation that may be paid to any Employee under the Plan for a calendar year shall be one million Dollars (\$1,000,000).

Section 17.9 Section 409A. Notwithstanding any other provision of the Plan, the Committee shall have no authority to issue an Award under the Plan with terms and/or conditions which would cause such Award to constitute non-qualified “deferred compensation” under Section 409A of the Code. Accordingly, by way of example but not limitation, no Option shall be granted under the Plan with a per share Option exercise price which is less than the Fair Market Value of a share of Common Stock on the date of grant of the Option. Notwithstanding anything herein to the contrary, no Award Agreement shall provide for any deferral feature with respect to an Award which constitutes a deferral of compensation under Section 409A of the Code. The Plan and all Award Agreements are intended to comply with the requirements of Section 409A of the Code (so as to be exempt therefrom) and shall be so interpreted and construed.

Section 17.10 Indemnification. Each person who is or shall have been a member of the Committee or of the Board shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred thereby in connection with or resulting from any claim, action, suit, or proceeding to which such person may be made a party or may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid thereby in settlement thereof, with the Company’s approval, or paid thereby in satisfaction of any judgment in any such action, suit, or proceeding against such person; provided, however, that such person shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive and shall be independent of any other rights of indemnification to which such persons may be entitled under the Company’s Articles of Incorporation or By-laws, by contract, as a matter of law, or otherwise.

Section 17.11 Other Plans. No Award, payment or amount received hereunder shall be taken into account in computing an Employee’s salary or compensation for the purposes of determining any benefits under any pension, retirement, life insurance or other benefit plan of the Company or any Affiliate, unless such other plan specifically provides for the inclusion of such Award, payment or amount received. Nothing in the Plan shall be construed to limit the right of the Company to establish other plans or to pay compensation to its employees, in cash or property, in a manner which is not expressly authorized under the Plan.

Section 17.12 Limits of Liability. Any liability of the Company with respect to an Award shall be based solely upon the contractual obligations created under the Plan and the Award Agreement. None of the Company, any member of the Board nor any member of the Committee shall have any liability to any party for any action taken or not taken, in good faith, in connection with or under the Plan.

Section 17.13 Governing Law. Except as otherwise provided herein, the Plan shall be construed in accordance with the laws of the State of Florida, without regard to principles of conflicts of law.

Section 17.14 Severability of Provisions. If any provision of the Plan is held invalid or unenforceable, such invalidity or unenforceability shall not affect any other provision of the Plan, and the Plan shall be construed and enforced as if such invalid or unenforceable provision had not been included in the Plan.

Section 17.15 No Funding. The Plan shall be unfunded. The Company shall not be required to establish any special or separate fund or to make any other segregation of funds or assets to ensure the payment of any Award.

Section 17.16 Headings. Headings used throughout the Plan are for convenience only and shall not be given legal significance.

Section 17.17 Terms of Award Agreements. Each Award shall be evidenced by an Award Agreement, which Award Agreement, if it provides for the issuance of Common Stock, shall require the Holder to enter into and be bound by the terms of the Company's Stockholders' Agreement, if any. The terms of the Award Agreements utilized under the Plan need not be the same.

Section 17.18 California Information Requirements. To the extent applicable, the Company shall comply with the information requirements applicable to the Plan pursuant to Section 260.140.46 of the California Code of Regulations.
