This Amendment is an amendment and restatement of the Original Report, in its entirety in order to provide a complete presentation.

Item 3.02 Unregistered Sales of Equity Securities

On March 27, 2013, MusclePharm Corporation (the "Company") sold an aggregate of 703,236 shares of its common stock, \$0.001 par value per share (the "Common Stock") at a per share price of \$8.50 in a private placement (the "Private Placement") to certain accredited investors (the "Purchasers") for an aggregate purchase price of approximately \$5,977,506.

The Common Stock was sold pursuant to subscription agreements dated March 27, 2013 (the "Subscription Agreements") between the Company and the Purchasers. The Subscription Agreements contained customary terms regarding, among other things, representations and warranties and indemnification.

The Company has entered into registration rights agreements with the Purchasers, pursuant to which the Company has agreed to file a "resale" registration statement with the Securities and Exchange Commission covering all shares of Common Stock sold in the Private Placement within 90 days of the final closing of the Private Placement (the "Filing Date"). The Company has agreed to maintain the effectiveness of the registration statement from the effective date until all securities have been sold or are otherwise able to be sold pursuant to Rule 144. The Company has agreed to use its reasonable best efforts to have the registration statement declared effective as soon as practicable after the Filing Date.

The Company is obligated to pay the Purchasers a fee of 1.5% per month of the Purchaser's investment, payable in cash, for every thirty (30) day period up to a maximum of 5%, following the Filing Date that the registration statement has not been filed; provided, however, that the Company shall not be obligated to pay any such damages under certain circumstances, as more fully set forth in the Registration Rights Agreement.

In connection with the foregoing private placement, the Company paid registered broker dealers an aggregate of approximately \$149,325 in cash fees.

Copies of the Subscription Agreement and the Registration Rights Agreement are filed herewith as Exhibits 10.1 and 10.2, respectively. The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the text of the exhibits. A copy of a related press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

The Company issued the foregoing shares of Common Stock in reliance on the exemption from registration under the Securities Act set forth in Section 4(2) thereof and Rule 506 of Regulation D.
