Such termination is to be effective November 30, 2014. The PBRP was intended to restore certain benefits that may not be provided under the company's pension plan, due to certain limitations imposed on tax-qualified plans by the Internal Revenue Code. As a result of the termination, amounts held under the plan, totaling approximately \$2.4 million will be distributed to the participants in the plan. In general, it is currently anticipated payments to participants will be made in December 2015.
