TERENCE BERNARD WISE

_____, 2014

Dear Fellow Forward Stockholder:

I am the beneficial owner of 1,608,541 shares of common stock, par value \$0.01 per share (the “Common Stock”), of Forward Industries, Inc., a New York corporation (“Forward” or the “Company”), representing approximately 19.6% of the outstanding shares of Common Stock. For the reasons set forth in the attached Proxy Statement, I believe significant changes to the composition of the Board of Directors of the Company (the “Board”) are necessary in order to ensure that the Company is being run in a manner consistent with your best interests. I am therefore seeking your support for the election of five nominees at the 2014 annual meeting of stockholders scheduled to be held [at the offices of Olshan Frome Wolosky LLP, Park Avenue Tower, 65 East 55th Street, New York, New York 10022] on [December 30, 2014] at []:00 a/p.m., Eastern Time (including any adjournments or postponements thereof and any meeting which may be called in lieu thereof, the “Annual Meeting”). I am seeking to replace five out of the seven current members of the Board due to my significant concerns over what I believe to be a number of highly-questionable related party transactions and poorly conceived corporate strategies being pursued by the Company that I believe have obstructed the realization of shareholder value. I believe the Board will greatly benefit

from the experience of this new slate of nominees. The individuals I have nominated are highly-qualified, capable and ready to serve stockholders to help make Forward a stronger, more profitable, and ultimately more valuable company.

As Forward's largest shareholder, my interests are aligned with the interests of all Forward shareholders. There is significant value to be realized at Forward; however, I am concerned that, in my opinion, the Board as currently constituted is not taking the proper action to unlock this value for the benefit of all stockholders. I strongly believe that the Board must be reconstituted to ensure that the interests of the stockholders, the true owners of the Company, are appropriately represented.

As publicly disclosed, I submitted two notices of nominations on June 6 and 26, 2014 to the Company declaring my intent to nominate seven director nominees. On November 14, 2014, the Board voted to reduce the size of the Board from seven directors to five directors – the five-member Board will take effect subsequent to the conclusion of the Annual Meeting. On November 21, 2014, I resubmitted my notice of nominations to the Company to nominate the five director nominees I am now seeking to elect in accordance with the reduced size of the Board. These include three new, independent directors, in addition to myself and Howard Morgan, who currently serve on Forward's Board, to reconstitute the Board and reestablish its full commitment to a business strategy aimed at enhancing value at this critical juncture. Your vote to elect my nominees will have the legal effect of replacing three of the Company's directors.

Certain current members of the Board are seeking to invalidate my notice of nominations and deprive shareholders of a choice for leadership at the Annual Meeting. To that end, on November 13, 2014, they filed a lawsuit in the Supreme Court of the State of New York, Kings County against myself and the individuals that I have nominated to stand for election as directors at the Annual Meeting seeking a judicial declaration that my nominations are invalid. The practical effect of their lawsuit could result in injunctive relief that would enjoin me from soliciting proxies for my nominees and would render any votes for my nominees null. The case is currently pending before the Court, and I intend to vigorously fight against the Board's efforts to disenfranchise Forward's shareholders. It is paramount that the shareholders' democratic right to have a voice in their company's leadership is upheld.

I urge you to carefully consider the information contained in the attached Proxy Statement and then support my efforts by signing, dating and returning the enclosed [GOLD] proxy card today. The attached Proxy Statement and the enclosed [GOLD] proxy card are first being furnished to the stockholders on or about _____, 2014.

If you have already voted for the incumbent management slate on the [COLOR] proxy card, you have every right to change your vote by signing, dating and returning a later dated proxy or by voting in person at the Annual Meeting.

FORWARD INDUSTRIES, INC.

PROXY STATEMENT

OF

TERENCE BERNARD WISE

PLEASE SIGN, DATE AND MAIL THE ENCLOSED [GOLD] PROXY CARD TODAY

Terence Bernard Wise is a significant stockholder of Forward Industries, Inc., a New York corporation (“Forward” or the “Company”), owning approximately 19.6% of the outstanding shares of common stock, par value \$0.01 per share (the “Common Stock”), of the Company. Mr. Wise believes that the Board of Directors of the Company (the “Board”) must be reconstituted to ensure that the interests of the stockholders of the Company are being appropriately represented. Mr. Wise has nominated directors who have strong, relevant backgrounds and who are committed to fully exploring all opportunities to unlock stockholder value. Mr. Wise is seeking your support at the annual meeting of stockholders scheduled to be held [at the offices of Olshan Frome Wolosky LLP, Park Avenue Tower, 65 East 55th Street, New York, New York 10022] on [December 30, 2014] at []:00 a/p.m., Eastern Time (including any adjournments or postponements thereof and any meeting which may be called in lieu thereof, the “Annual Meeting”), for the following:

1. To elect the five (5) director nominees nominated by Mr. Wise: Terence Bernard Wise, Howard Morgan, Michael Luetkemeyer, Eric Freitag, and N. Each share of Common Stock entitles the holder of record on the Record Date to one vote on each matter to be voted on at the Annual Meeting. Each share of Convertible Preferred Stock is entitled to vote on an as-converted basis with the Common Stock at the Annual Meeting. As of the Record Date, the Convertible Preferred Stock outstanding was convertible into [] shares of Common Stock. Cumulative voting is not permitted.

If your shares are held in "street" name—that is, your shares are registered in the name of a bank, broker, or other nominee—your broker, bank or other nominee, as the record holder of your shares, is required to vote your shares according to your instructions. Background to the Solicitation

The following is a chronology of events leading up to this proxy solicitation:

On December 8, 2011, Mr. Wise purchased in a private placement 1,076,808 shares of Common Stock beneficially owned by Frank LaGrange Johnson, the current Chairman of the Company. At that time, Mr. Wise also entered into an option agreement (the "Option Agreement") with Mr. Johnson to acquire an additional 506,733 shares of Common Stock for \$1.80 per share exercisable at or within 18 months from the agreement date.

On December 15, 2011, Mr. Wise filed a beneficial ownership report with the United States Securities and Exchange Commission (the "SEC") on Schedule 13D with respect to his ownership of 1,076,808 shares of Common Stock.

On February 28, 2012, Mr. Wise was elected to the Board.

On or around October 31, 2012, Mr. Johnson exercised his put option under the Option Agreement, and Mr. Wise acquired an additional 506,733 shares of Common Stock.

On October 31, 2012, Mr. Wise filed an amended Schedule 13D with the SEC disclosing the transaction and his resulting ownership of 19.6% of Common Stock.

On December 10, 2013, following several informal communications expressing his discontent with the investment strategy and general corporate misgovernance of Forward, Mr. Wise delivered a letter to the Board expressing his serious concerns regarding corporate governance issues. In the letter, Mr. Wise expressed his belief that important corporate and strategic decisions were being taken by Board committees without sufficient oversight by the full Board and put forward several committee appointment proposals aimed at diversifying the Board committees.

On February 8, 2014, Mr. Wise delivered a letter to the Board reiterating his continuing concerns regarding corporate governance issues as well as his concerns over the independence of the Chairman of the Board, Mr. Johnson. In addition, Mr. Wise posited that the Company was being sidetracked by Mr. Johnson's efforts to secure a lucrative executive position for himself, rather than focusing on improving Forward's profitability and performance.

On May 5, 2014, Mr. Wise delivered a letter to the Board expressing his belief that certain significant changes to the Board composition should be reviewed and implemented to strengthen its performance. In his letter, Mr. Wise reiterated his belief that the Company and the Board would benefit from the appointment of an independent Chairman, new independent directors, and the diversification of its committees. Mr. Wise also put forward concrete

appointment proposals and director nominations aimed at increasing committee independence and diversity.

On May 9, 2014, Mr. Wise, upon reviewing recent management accounts, delivered a letter to the Board that, in conjunction with reiterating his concerns regarding corporate governance issues and the independence of the Chairman of the Board, expressed his disapproval of the Company's decision to amend a rental agreement with LaGrange Capital Administration, LLC ("LaGrange Capital") and ratify a fourfold increase in rental charges paid by Forward to LaGrange Capital without Board notice or approval. In his letter, Mr. Wise further commented on the need for improved Board procedures and requested the timely production of Board and committee minute drafts for Board approval.

On May 23, 2014, Mr. Wise, concerned with the lack of constructive dialogue or meaningful proposals on the Board's part to respond to the issues he had raised in previous correspondence, delivered to the Board his form of notice of director nominations for the Annual Meeting.

On May 28, 2014, the Board convened a special Board meeting at which an amendment to the Third Amended and Restated By-laws of the Company was approved, providing that in connection with the Company's Annual Meeting, the deadline for shareholder notices of nominations would be extended until the close of business on June 27, 2014. Additionally, the Board constituted a special committee whose authority was to review and consider the potential nomination of directors by Mr. Wise, enter into any negotiations related thereto, and determine and authorize any agreements with Mr. Wise relating to the potential nominations.

On June 2, 2014, Mr. Wise delivered a letter to the Board expressing his disappointment with the Board's lack of engagement since the May 28, 2014 meeting, despite a commitment to negotiate in good faith. Mr. Wise expressed his intent to file his proxy solicitation if the Board continued to evade commencing a substantive dialogue.

On June 3, 2014, Owen King, Chairman of the Board's Nominating and Governance Committee, delivered a letter to Mr. Wise informing him that the Nominating and Governance Committee had commenced review of Mr. Wise's director nominations. The letter did not respond to or otherwise mention any of Mr. Wise's other concerns or proposals.

On June 5, 2014, Mr. Wise delivered a letter to Mr. King reiterating his disappointment with the Board's lack of proposals or other substantive responses to Mr. Wise's concerns and the Nominating and Governance Committee's delayed response to his director nominations. In the same letter, Mr. Wise informed the Committee of a replacement director nomination.

On June 5, 2014, Mr. Wise also delivered a letter to the Board reiterating his disappointment with the Board's lack of a constructive response since Mr. Wise's first letter of December 10, 2013 expressing serious concern with Forward's underperformance and poor corporate governance.

On June 5, 2014, Mr. King delivered a letter to Mr. Wise informing him that the Nominating and Governance Committee would not address Mr. Wise's corporate governance proposals prior to considering the composition of the Board. The letter did not respond to or otherwise mention any of Mr. Wise's other concerns or proposals.

On June 6, 2014, having received no overture from the Board or any Board committees regarding negotiations over Mr. Wise's potential nominations, Mr. Wise delivered a letter to Mr. Adam W. Finerman of Olshan Frome Wolosky LLP ("Olshan") in his capacity as the corporate secretary of the Company nominating four nominees for election to the Board at the Annual Meeting. In the same letter, Mr. Wise requested to inspect certain records and documents of the Company, including a list of security holders.

On June 6, 2014, Mr. Wise also issued an open letter to the Board and issued a press release expressing his disappointment with the Company's chronic underperformance under Mr. Johnson's Chairmanship and introducing his nominees for election.

On June 11, 2014, the Board convened a special Board meeting at which it adopted two resolutions: one, adopting a confidentiality policy; and, another extending the powers given by the Board to the special committee initially formed on May 28, 2014 to include the authority to analyze the ramifications of Mr. Wise's nominations and to consider any and all actions that should be taken on behalf of the Company as deemed appropriate by the special committee relating directly or indirectly thereto.

On June 12, 2014, Mr. Wise delivered a letter to the Board expressing alarm over the procedures taken in connection with the June 11, 2014 meeting, including the failure to circulate an agenda or permit sufficient time to review the resolutions prior to the commencement of the meeting, and reiterating his substantive concerns with Forward's corporate governance practices. In the same letter, Mr. Wise highlighted the lack of independence of the Olshan attorneys, given their individual representation of Mr. Johnson and his personal business entities in multiple previous matters.

On June 16, 2014, Mr. King delivered a letter to Mr. Wise defending the procedures taken in connection with the June 11, 2014 meeting and the independence of the special committee and Olshan attorneys.

On June 20, 2014, Mr. Wise delivered an open letter to the Board and issued a press release reiterating his concerns with the prolonged underperformance of Forward since the appointment of Mr. Johnson as Chairman and the resulting destruction of shareholder value. Mr. Wise also highlighted his serious concerns with the misalignment of interests between Mr. Johnson and Forward's and shareholders, and provided clarifications as to his involvement in the sourcing arrangement between Forward and Forward Industries (Asia-Pacific) Corporation.

On June 26, 2014, due to the Board's continued failure to address or engage in a dialogue regarding the serious corporate governance and performance issues Mr. Wise had raised, Mr. Wise proposed three additional independent directors for nomination at the Annual Meeting. Mr. Wise also filed a Schedule 13D with the SEC with respect to his nominations.

On June 26, 2014, Mr. Wise also issued a press release attesting to his nomination of three additional independent directors.

On July 1, 2014, Mr. Wise signed a confidentiality agreement to facilitate receipt of Company records and documents.

On July 1, 2014, Mr. Wise delivered a letter to the Chairman of the Board, and other Board members, expressing strong condemnation of any prospective extraordinary action taken by the Board without shareholder approval prior to the contested Annual Meeting.

On July 1, 2014, Mr. Wise issued a press release warning the Board against taking further value-destroying action, in addition to delivering an open letter to the Board warning against approving a dilutive capital raise or taking other extraordinary action to disenfranchise shareholders in advance of the contested Annual Meeting. Mr. Wise also filed a Schedule 13D with the SEC with respect to the open letter.

On July 9, 2014, Mr. Wise delivered a letter to the Board communicating his alarm over an email received from James McKenna, the Company's chief financial officer (the "CFO"), stating that he had received an email from Nasdaq informing him that an application to list additional shares of common stock underlying a prospective issuance of convertible preferred stock had been filed with Nasdaq on July 8, 2014, with issuance intending to occur on July 17, 2014. The listing application falsely stated that the proposed issuance had been approved by the Board on July 7, 2014. The listing application also purported to have been filed under the cover of the CFO's name, office and initials. In his July 9, 2014 email, however, the CFO stated that he had no prior knowledge of the listing application and had not authorized any third party to use his signature or initials. In his letter, Mr. Wise reiterated his concerns regarding the failure to apprise the full Board of material developments at the Company and requested a full investigation into the event.

On July 14, 2014, the Company's counsel responded to the CFO's July 9, 2014 email, stating that the form had been filed in error and therefore withdrawn on July 9, 2014.

On July 15, 2014, Mr. Wise filed a derivative suit on behalf of the Company in the Supreme Court of the State of New York against Mr. Johnson and affiliated members of Forward's Board seeking an injunction to prevent a dilutive stock issuance and any other extraordinary action, without shareholder approval, that would alter Forward's capital structure.

On July 17, 2014, Mr. Wise issued a press release attesting to the derivative suit that had been filed on July 15, 2014, and further warning the Board from taking additional entrenchment action and interfering with the right of Forward's shareholders to vote.

On July 18, 2014, Mr. Wise was approached by Mr. Garrett to buy Forward's OEM core medical bag business. It was made clear during the course of these discussions that Mr. Johnson and affiliated directors intended to sell off Forward's existing assets in order to raise capital and retain the resulting public shell, with which they intended to undertake one or more acquisitions in a different industry. No indication that the Board had been contemplating such a fundamental structural reconfiguration had been made to Mr. Wise prior to this proposal.

On July 18, 2014, Mr. Wise filed a Schedule 13D with the SEC with respect to his filing of a derivative suit against Mr. Johnson and affiliated members of Forward's Board.

On July 22, 2014, Forward filed a lawsuit in the U.S. District Court for the Southern District of New York against Mr. Wise and another shareholder, Jenny P. Yu, alleging certain violations of federal securities law and seeking a preliminary injunction against Mr. Wise with the intent of invalidating his nominations to Forward's Board.

On August 8, 2014, Mr. Wise issued a press release announcing he had withdrawn the motion for a preliminary injunction that had been filed on July 15, 2014, based upon certain representations made by Forward's Board that there was no imminent plan to issue preferred shares or otherwise engage in any dilutive or extraordinary action in advance of the Annual Meeting without the requisite approvals. Mr. Wise expressly reserved the right to seek injunctive relief in the event that the Board's representations proved to be false and the interests of the Company were again threatened by imminent and improper conduct.

On August 15, 2014, Mr. Wise issued a press release affirming the continuation of his campaign to elect new independent directors and indicating his intent to continue pursuing ancillary claims before the Supreme Court of the State of New York against Mr. Johnson and affiliated members of Forward's Board.

On August 19, 2014, a U.S. District Court in the Southern District of New York rejected Forward's request for a preliminary injunction against Mr. Wise and scheduled a hearing on Mr. Wise's proposed motion to dismiss the case.

On August 21, 2014, Mr. Wise issued a press release regarding the rejection of Forward's request for a preliminary injunction and calling on Forward's Board to set a date for the Annual Meeting.

On August 28, 2014, Mr. Wise issued a press release criticizing Forward's dismissal of Mr. McKenna, Forward's CFO, and the ensuing federal whistleblower suit that had been initiated by Mr. McKenna against Forward, Messrs. Johnson and Garrett and their supporters on the Board alleging illegal and improper conduct perpetrated by them against Forward.

On September 16, 2014, Mr. Wise issued a press release refuting an open letter that had been published by Forward, calling attention to Forward's declining profits and increased expenses under Mr. Johnson's chairmanship and requesting that Forward set a date for the Annual Meeting without delay.

On September 16, 2014, Mr. Wise also delivered a letter to the Chairman of the Board, and other Board members, demanding a full, immediate, and independent investigation into Mr. McKenna's allegations against Forward, Messrs. Johnson and Garrett and their supporters on the Board, including several instances of alleged wrongdoing by Forward officers and a number of violations of Forward's Code of Business Conduct and Ethics, in addition to a full and detailed written account of the investigation and its conclusions to the Board.

On September 22, 2014, the U.S. District Court in the Southern District of New York dismissed Forward's claims against Mr. Wise, upholding Mr. Wise's nominees' right to stand for election to the Board.

On September 23, 2014, Mr. Johnson delivered a letter to Mr. Wise in response to the September 16, 2014 letter, refusing to conduct an investigation into Mr. McKenna's allegations.

On September 24, 2014, Mr. Wise issued a press release commenting on the dismissal of Forward's claims against Mr. Wise in the U.S. District Court in the Southern District of New York and urging Forward to set a date for the Annual Meeting in order to avoid violating NASDAQ rules and a potential delisting of Forward's shares.

On September 29, 2014, the Board convened a special Board meeting at which it, among other things, adopted a resolution setting the record date and meeting date for the Annual Meeting as December 8, 2014 and December 30, 2014, respectively.

On October 8, 2014, Mr. Wise issued a press release calling on Forward to hold its Annual Meeting as soon as practicable and criticizing the date of December 30, 2014 chosen by the Board as a stalling tactic aimed at disenfranchising shareholders.

On November 14, 2014, the Board convened a special Board meeting at which it, among other things, adopted a resolution reducing the size of the Board from seven directors to five directors, with effect from the date of the Annual Meeting.

On November 21, 2014, in response to the aforementioned reduction in size of the Board, Mr. Wise delivered a letter to Mr. Robert H. Friedman of Olshan in his capacity as the corporate secretary of the Company, resubmitting his notice of nominations to put forth the five directors Mr. Wise intends to nominate for election at the Annual Meeting.

REASONS FOR THE SOLICITATION

I BELIEVE THAT CHANGE IS NEEDED NOW IN THE COMPOSITION OF FORWARD'S BOARD

I am soliciting your support to elect my Nominees at the Annual Meeting because it is my belief that the Board, as currently composed, has been misusing Forward's resources and funds for its own purposes, having failed to either provide or enact a strategic vision that enhances stockholder value at Forward. I believe my Nominees will bring significant and relevant experience, new insight and fresh perspectives to the Board. If elected, my Nominees are committed to working constructively, drawing upon their experience to help effect more prudent and thoughtful decision-making in order to execute a strategic plan that maximizes value for all stockholders.

The Company's Poor Performance

Forward's stock is worth []% less than it was one year ago and []% less than it was on August 9, 2010, the day prior to the Company's public announcement that it had appointed Mr. Johnson as director and Chairman, along with the appointment of two additional individuals selected by Mr. Johnson as directors and the replacement of Forward's CEO with his chosen candidate.

During this time, the Company's balance sheet value (i.e., total assets less total liabilities) has fallen significantly—dropping from \$22,473,167 as at June 30, 2010 (the last reporting date prior to Mr. Johnson's appointment as Chairman) to \$10,124,244 as at June 30, 2014 (a nearly 55% decline in four years). Over the same period, Forward has also witnessed a significant decline in cash reserves. Forward's reported cash and cash equivalents (including marketable securities) have dropped from \$19,877,077 as at June 30, 2010 to \$8,270,478 as at June 30, 2014. This represents a reduction in cash and cash equivalents (including marketable securities) of \$11,606,599, or a 58.4% decline.

I believe the above statistics demonstrate the clear and compelling need for change at Forward.

Related Party Transactions

In addition to the financial declines detailed above, over the past two years, a subset of the Board (from which Howard Morgan and I have been consistently excluded) has overseen and approved a number of transactions that we disagreed with, in each case involving Mr. Johnson (and often other insiders). I believe these related-party transactions demonstrate a troubling lack of independence on the Board. Some particularly disconcerting examples include:

Investment of Significant Corporate Funds with Mr. Johnson's Company, Leading to Significant Losses. Forward has invested nearly \$2 million of corporate funds with LaGrange Capital Administration LLC, of which Mr. Johnson is the managing member and entitled to advisory fees, comprised of a 1% asset-based fee and a 20% performance fee. As a result of these activities, Forward has recognized approximately \$750,000 of net investment losses in its public filings to date.

Issuance of New 6% Senior Convertible Preferred Stock. In June 2013, a special committee of the Board unilaterally designated and issued a new series of 6% senior convertible preferred stock to Mr. Johnson and eleven other investors (including a former member of the Board—and former LaGrange Capital partner—Tim Gordon), with preferential dividend, governance, and liquidation rights that materially impact the rights of the Company's common stockholders. This private placement was made without any input from (or prior notice to) me or independent director Howard Morgan. Mr. Johnson, Mr. Gordon, and the other preferred stockholders are now entitled to a 6% cumulative dividend and have the right to demand a liquidation payment (currently equal to \$1,275,000) upon certain events, including a change in the composition of a majority of the Board as a result of a proxy contest. Moreover, the terms of the preferred stock prohibit the Company from paying dividends on its common stock without the consent of the preferred stockholders. This issuance constitutes a material impairment to Forward's existing shareholders, intended only to dilute Forward's common shareholders' economic and voting power, while affording monetary benefits to preferred shareholders that purchased these preferred shares in the private placement.

400%+ Increase in Rent Payable to Mr. Johnson's Company. In February of this year, Forward began leasing an office space for its CEO, Robert Garrett, from Mr. Johnson's LaGrange Capital at a rate of \$2,500 per month, or \$30,000 per annum. As of April 1st, however, Mr. Garrett agreed to increase the amount of rental charges payable to Mr. Johnson's fund to \$12,700 per month, or \$152,400 per annum. This increase was made without any disclosed additional consideration and without either alerting or seeking consent from the full Board. Neither myself nor Howard Morgan were apprised of this rental increase or any additional details of the transaction and only learned of the amended agreement through the Company's quarterly report filed on August 19, 2014. The Company's Nominating and Governance Committee, comprising affiliates of Mr. Johnson, retroactively approved this rent increase after it had already gone into effect.

New dilutive issuance of convertible preferred stock. Mr. Johnson and his affiliates on the Board are attempting to issue a new series of convertible preferred stock to undisclosed investors at a discount to market value, without submitting such action to a shareholder vote. As a result of this issuance, your voting and economic interests in Forward will be significantly diluted further. Assuming the terms of the prospective issuance are similar to the dilutive issuances enacted last year, Forward's existing shareholders' rights will be materially impacted through preferential dividend rights and liquidation payments afforded to preferred stockholders. Moreover, this issuance is being pursued without the full involvement of Forward's CFO and without even notifying the full Board.

MY FIVE NOMINEES HAVE THE EXPERIENCE, QUALIFICATIONS AND COMMITMENT NECESSARY TO FULLY EXPLORE AVAILABLE OPPORTUNITIES TO UNLOCK VALUE FOR STOCKHOLDERS

I have identified three new, highly-qualified, independent directors, in addition to Howard Morgan and me, who all bring valuable and relevant business, financial and operational experience that I believe will bring a fresh perspective into the boardroom and will be extremely helpful in evaluating and executing initiatives to unlock value at the Company.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Board is currently composed of seven directors whose terms expire at the Annual Meeting. As previously stated, the Board voted on November 14, 2014 to reduce the size of the Board from seven to five directors. I am seeking your support at the Annual Meeting to elect five Nominees: myself, Howard Morgan, Michael Luetkemeyer, Eric Freitag, and N. Scott Fine. Your vote to elect the Nominees will have the legal effect of replacing three incumbent directors of the Company with the Nominees.

THE NOMINEES

The following information sets forth the name, age, business address, present principal occupation, and employment and material occupations, positions, offices, or employments for the past five years of each of the Nominees. The nominations were made in a timely manner and in compliance with the applicable provisions of the Company's governing instruments. The specific experience, qualifications, attributes and skills that led us to conclude that the Nominees should serve as directors of the Company are set forth above in the section entitled "Reasons for the Solicitation" and below. This information has been furnished to us by the Nominees.

N. Scott Fine. Mr. Fine has been an investment banker for over 35 years, having previously worked since 2007 for Scarsdale Equities LLC, a boutique investment banking firm, and formerly served as the Vice Chairman and Lead Director of Central European Distribution Corporation ("CEDC"), a multi-billion dollar alcohol beverage company domiciled in Delaware with the majority of its operations in Eastern Europe. Mr. Fine served as a director of CEDC for over a decade, during which time he co-managed its IPO and listing on NASDAQ, and led the CEDC Board's successful efforts in 2013 to restructure the company through a pre-packaged Chapter 11 process whereby CEDC was acquired by the Russian Standard alcohol group. Mr. Fine has been involved in corporate finance for over 30 years and has considerable experience in the medical and medical device sectors, having served as an advisor for companies such as Research Medical, Derma Sciences, and Interleukin Genetics, among many others. Mr. Fine also acts as Vice Chairman and Lead Director of CTD Holdings, Inc., a specialty biopharmaceutical manufacturing and marketing company. Mr. Fine is the sole director of Better Place, Inc., an electric car company, where he was brought in to design, oversee and manage the orderly liquidation of the Delaware holding company of the Better Place group. He is also a director of Operation Respect, an anti-bullying education non-profit organization.

Mr. Fine will bring crucially needed experience in corporate finance and restructuring and M&A strategy to the Board.

Michael Luetkemeyer. Mr. Luetkemeyer, has extensive executive experience in the medical device industry, Forward's largest market, having served as the Chief Financial Officer of TranS1, Inc., a NASDAQ-listed medical device company from April 2007 through March 2010. He currently works as an independent consultant in the areas of strategic planning, financial management and infrastructure development. Prior to serving as CFO of TranS1, Mr. Luetkemeyer served as Senior Vice President and Chief Financial Officer of Micromuse, Inc., a NASDAQ-listed provider of network management software, from October 2001 to May 2006. He also served as a member of Micromuse's board of directors from January 2003 through February 2005, and as its interim CEO during 2003. Prior to Micromuse, Mr. Luetkemeyer also served as Chief Financial Officer at NASDAQ-listed companies Rawlings Sporting Goods and Electronic Retailing Systems. Mr. Luetkemeyer has held a variety of senior finance positions throughout his career, including more than 10 years with General Electric, where he served with GE Aerospace, GE Semiconductor, and GE Plastics.

Mr. Luetkemeyer will bring extensive financial and accounting experience to the Board.

Eric Freitag. Mr. Freitag currently acts as the Group Director of Product Innovation for R/GA, an international digital advertising agency, focusing on brand development and technology. Mr. Freitag specializes in the healthcare sector with extensive experience working with pharmaceutical, medical device and healthcare provider clients. Mr. Freitag has previously held leadership management positions at Smart Design, an innovation consulting firm, subsequent to a career in product development, having served as Global Director of its Healthcare Practice and Director of Engineering Services for nearly a decade.

Mr. Freitag will bring crucially needed experience in product design and strategic innovation to the Board.

Howard Morgan. Mr. Morgan has served as an independent director of Forward since February 2012. Mr. Morgan has been the Managing Director of The Justwise Group Limited, a consumer durable products company, since 1997, having previously been employed by Justwise in various senior executive roles since 1989. Mr. Morgan has also served as a Director of Eurofresh, a wholesale distribution company of fresh produce, since March 2013.

Mr. Morgan brings significant business management and operational skills and experience to the Board.

Terence Bernard Wise. Mr. Wise has served as a director of Forward since February 2012 and has over 30 years of experience in the furniture, plastics, luggage and accessories industries. Mr. Wise serves as principal and Chairman of The Justwise Group Limited, which he founded in 1977, a company that specializes in the procurement of consumer durable products from Asia and is an established supplier to a list of major UK multi-channel retailers. Mr. Wise also serves as a principal of Forward Industries Asia-Pacific Corporation (f/k/a Seaton Global Corporation) (“Forward China”) and has significant shareholdings in two manufacturing plants in China.

In addition to his business management skills, Mr. Wise brings extensive experience in Asian markets to the Board.

I URGE YOU TO VOTE FOR THE ELECTION OF THESE NOMINEES ON THE ENCLOSED [GOLD] PROXY CARD.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

I anticipate the Company will ask shareholders to consider and vote upon the ratification of the appointment of CohnReznick as the Company's independent registered public accounting firm for Fiscal 2014 by the Audit Committee of the Board. It is my understanding that shareholder approval is not required to appoint CohnReznick as the Company's independent registered public accounting firm. The Board, in its discretion, may direct the appointment of a new independent registered public accounting firm at any time during the year, if the Board believes that such a change would be in the best interest of the Company and its shareholders.

[I MAKE NO RECOMMENDATION WITH RESPECT TO THE RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS AND INTEND TO VOTE MY SHARES [FOR/AGAINST] THIS PROPOSAL.]

PROPOSAL 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

I anticipate that the Company will ask shareholders to consider and vote upon the compensation of the Company's named executive officers. It is my understanding that this advisory vote on executive compensation is not binding on the Board.

[I MAKE NO RECOMMENDATION WITH RESPECT TO THE ADVISORY VOTE ON EXECUTIVE COMPENSATION AND INTEND TO VOTE MY SHARES [AGAINST] THIS PROPOSAL.]

VOTING AND PROXY PROCEDURES

Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Each share of Common Stock entitles the holder of record on the Record Date to one vote on each matter to be voted on at the Annual Meeting. Each share of Convertible Preferred Stock is entitled to vote on an as-converted basis with the Common Stock at the Annual Meeting. Stockholders who sell their shares before the Record Date (or acquire them without voting rights after the Record Date) may not vote such shares. Stockholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such shares after the Record Date.

Shares represented by properly executed [GOLD] proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, or if executed but unmarked, will be voted FOR the election of Terence Bernard Wise, Howard Morgan, Michael Luetkemeyer, Eric Freitag and N. Scott Fine, the Nominees to the Board, [FOR/AGAINST] the ratification of the appointment of CohnReznick LLP as Forward's independent registered public accounting firm for the fiscal year ending September 30, 2014, and [AGAINST] the non-binding resolution to approve the compensation of Forward's named executive officers, as described here, and in the discretion of the persons named as proxies on all other matters as may properly come before the Annual Meeting.

[According to the Company's proxy statement for the Annual Meeting, the incumbent members of the Board of the Company intend to nominate five of the seven incumbent nominees for election as directors.] This Proxy Statement is soliciting proxies to elect our five Nominees and none of the incumbent nominees.

QUORUM; BROKER NON-VOTES; DISCRETIONARY VOTING

A quorum is the minimum number of shares that must be represented at a duly called meeting in person or by proxy in order to legally conduct business at the meeting. For the Annual Meeting, the presence, in person or by proxy, of the holders of at least [·] shares of Common Stock, which represents a majority of the [·] shares of Common Stock outstanding as of the Record Date, will be considered a quorum allowing votes to be taken and counted for the matters before the stockholders.

Abstentions are counted as present and entitled to vote for purposes of determining a quorum. Shares represented by "broker non-votes," if any, also are counted as present and entitled to vote for purposes of determining a quorum. However, if you hold your shares in street name and do not provide voting instructions to your broker, your

shares will not be voted on any proposal on which your broker does not have discretionary authority to vote (a “broker non-vote”). Under the rules of the New York Stock Exchange, for those brokerage accounts that we send soliciting materials, all items on the agenda will be considered “non-discretionary” items. Thus, if you hold your shares in “street name” and you receive this proxy statement through your broker, your broker will not be able to vote your shares unless you provide instructions as to how your shares are to be voted.

If you are a stockholder of record, you must vote by proxy or attend the Annual Meeting in person and vote in order to be counted in the determination of a quorum.

If you are a beneficial owner, your broker will vote your shares pursuant to your instructions, and those shares will count in the determination of a quorum. As stated above, brokers do not have discretionary authority to vote on any of the proposals at the Annual Meeting given its contested nature. Accordingly, unless you vote via proxy card or provide instructions to your broker, your shares of Common Stock will not be voted.

VOTES REQUIRED FOR APPROVAL

Election of Directors Assuming a quorum is achieved at the Annual Meeting, to be elected as a director, a nominee must receive a plurality of the votes cast at the Annual Meeting by holders of shares present in person or represented by proxy and entitled to vote for the election of directors. This means that the five nominees who receive the highest number of “**FOR**” votes will be elected to fill the available seats on the Board. Proxy cards specifying that votes should be withheld with respect to one or more nominees will result in those nominees receiving fewer votes but will not count as a vote against the nominees. Neither an abstention nor a broker non-vote will count as a vote cast “**FOR**” or “**AGAINST**” a director nominee. Therefore, abstentions and broker non-votes will have no direct effect on the outcome of the election of directors.

REVOCAION OF PROXIES

Stockholders of the Company may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation. The delivery of a subsequently dated proxy which is properly completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to Innisfree at the address set forth on the back cover of this Proxy Statement or to the Company at 477 Rosemary Avenue, Suite 219, West Palm Beach, Florida 33401 or any other address provided by the Company. Although a revocation is effective if delivered to the Company, we request that either the original or photostatic copies of all revocations be mailed to Innisfree at the address set forth on the back cover of this Proxy Statement so that we will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority of the outstanding shares. Additionally, Innisfree may use this information to contact stockholders who have revoked their proxies in order to solicit later dated proxies for the election of the Nominees.

IF YOU WISH TO VOTE FOR THE ELECTION OF OUR NOMINEES TO THE BOARD, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED [GOLD] PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED OR, IF YOU HOLD IN STREET NAME, FOLLOW THE INSTRUCTIONS LOCATED ON THE [GOLD] PROXY CARD TO VOTE BY TELEPHONE OR INTERNET.

NO DISSENTER'S RIGHTS

Under the New York Business Corporation Law, stockholders are not entitled to dissenters' rights of appraisal with respect to any of the proposals currently anticipated at the Annual Meeting.

SOLICITATION OF PROXIES

The solicitation of proxies pursuant to this Proxy Statement is being made by Terence Bernard Wise. Proxies may be solicited by mail, facsimile, telephone, telegraph, Internet, in person and by advertisements.

Terence Bernard Wise has entered into an agreement with Innisfree for solicitation and advisory services in connection with this solicitation, for which Innisfree will receive a fee not to exceed \$[·], together with reimbursement for its reasonable out-of-pocket expenses, and will be indemnified against certain liabilities and expenses, including certain liabilities under the federal securities laws. Innisfree will solicit proxies from individuals, brokers, banks, bank

nominees and other institutional holders. Mr. Wise has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the shares they hold of record. Mr. Wise will reimburse these record holders for their reasonable out-of-pocket expenses in so doing. It is anticipated that Innisfree will employ approximately 20 persons to solicit the Company's stockholders for the Annual Meeting.

The entire expense of soliciting proxies is being borne by Mr. Wise. Costs of this solicitation of proxies are currently estimated to be approximately \$[-]. Mr. Wise estimates that through the date hereof its expenses in connection with this solicitation are approximately \$[-]. In the event that the Nominees are elected to the Board, Mr. Wise may seek reimbursement from the Company of all expenses he incurs in connection with this solicitation. Mr. Wise does not intend to submit the question of such reimbursement to a vote of security holders of the Company.

On March 13, 2014, the Company entered into Amendment No. 1 to the Amended and Restated Buying Agency and Supply Agreement with Forward China, dated as of March 11, 2014 extending the term until March 11, 2015, and amending certain other provisions as provided therein. Under such amended agreement, the Company has agreed to pay Forward China \$100,000 per month plus 4% of the adjusted gross profit of products ordered and shipped thereunder in consideration for Forward China's services.

Mr. Wise is party to a Stock Purchase Agreement, effective as of December 8, 2011, with LaGrange Capital Partners, LP, LaGrange Capital Partners Offshore Fund, Ltd. and LaGrange Special Situations Yield Master Fund, Ltd. (together, the "LaGrange Group"), pursuant to which Mr. Wise purchased 1,076,808 shares of the Company's common stock from the LaGrange Group (an affiliate of Forward's Chairman Frank LaGrange Johnson).

On July 15, 2014, Mr. Wise filed a derivative suit on behalf of the Company in the Supreme Court of the State of New York against Chairman Frank LaGrange Johnson and certain other members of the Company's Board (the "Defendants") for breach of fiduciary duty, seeking, among other relief, an injunction prohibiting Mr. Johnson and the other Defendants from causing Forward to engage in any dilutive or other extraordinary transaction without shareholder approval in advance of the Annual Meeting, including the offering or issuance of any shares of common or preferred stock in the Company or any other transaction impacting the Company's capital structure or interfering with the stockholders' right to vote.

On November 13, 2014, the Company filed a lawsuit in the Supreme Court of the State of New York, Kings County against Mr. Wise and the six individuals whom Mr. Wise has nominated to stand for election as directors at the Company's Annual Meeting—including Messrs. Morgan, Luetkemeyer, Freitag, Fine and Keys and Ms. Shah—seeking a judicial declaration that Mr. Wise's purported nominations are invalid and injunctive relief enjoining Mr. Wise from soliciting proxies for his nominees. The Court has scheduled a hearing for December 1, 2014 on Forward's request for preliminary injunctive relief. The case is currently pending before the Court.

Mr. Wise, Mr. Morgan, Mr. Luetkemeyer, Mr. Freitag, Ms. Shah, Mr. Fine and Mr. Keys have signed written consents to being named in the proxy statement as nominee and serving as a director, if elected, the form of which can be found as an exhibit to the Schedule 13D filed by Mr. Wise with the SEC on June 6, 2014. Except as set forth in this Proxy Statement (including the Schedules hereto), there are no material proceedings to which any Nominee or any of his associates is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries. With respect to the Nominees, none of the events enumerated in Item 401(f)(1)-(8) of Regulation S-K of the Exchange Act occurred during the past ten years.

Mr. Wise reserves the right to nominate substitute person(s) if the Company makes or announces any changes to its Bylaws or takes or verbalizes any other action that has, or if consummated would have, disqualified any of the forgoing nominees, to the extent this action is not prohibited under the Bylaws and applicable law. Mr. Wise reserves the right to nominate additional person(s), to the extent that opting for this action is not prohibited under the Bylaws and applicable law, if the Company increases the size of the Board above its existing number, or above its contemplated size at the conclusion of the Annual Meeting, or seeks to enlarge the size of the Board at the Annual Meeting.

OTHER MATTERS AND ADDITIONAL INFORMATION

Mr. Wise is unaware of any other matters to be considered at the Annual Meeting. However, should other matters, which Mr. Wise is not aware of a reasonable time before this solicitation, be brought before the Annual Meeting, the persons named as proxies on the enclosed [GOLD] proxy card will vote on such matters in their discretion.

STOCKHOLDER PROPOSALS

Proposals of stockholders intended to be presented at the 2015 Annual Meeting of Stockholders (the “2015 Annual Meeting”) must, in order to be included in the Company’s proxy statement and the form of proxy for the 2015 Annual Meeting, be received by the Company’s Corporate Secretary at 477 Rosemary Avenue, Suite 219, West Palm Beach, Florida 33401, addressed to the attention of the Company’s Corporate Secretary/Annual Meeting, on or before [·], 2015.

Under the Bylaws, any stockholder intending to present any proposal (other than a proposal made by, or at the direction of, the Board) at the 2015 Annual Meeting, must give written notice of that proposal to the Company’s Secretary not less than 120 days nor more than 150 days prior to the anniversary date of the Annual Meeting ([·]). Therefore, to be presented at the 2015 Annual Meeting, such a proposal must be given on or after [·], 2015 but no later than [·], 2015. However, if the meeting date in 2015 changes by more than 30 days before or after such anniversary date, notice by the stockholder to be timely must be so delivered not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such changed annual meeting date or the 10th day following the day on which the Company first makes a public announcement of the date of such meeting by means of a press release or filing with the SEC. In respect of stockholder nominations for directors, in the event that the number of directors to be elected to the Board is increased and if all nominees for director, or the fact of the increase in number, is not publicly announced at least 70 days’ prior to the anniversary of the Annual Meeting, then a nomination must be made not later than the 10th day following the first date of public disclosure of all such nominees or such increased number of directors.

The information set forth above regarding the procedures for submitting stockholder proposals for consideration at the 2015 Annual Meeting is based on information contained in the Company’s proxy statement. The incorporation of this information in this Proxy Statement should not be construed as an admission by Mr. Wise that such procedures are legal, valid or binding.

INFORMATION CONCERNING THE COMPANY

Mr. Wise has omitted from this Proxy Statement certain disclosure required by applicable law to be included in the Company's Proxy Statement in reliance on Rule 14a-5(c) of the Exchange Act. Such disclosure includes, among other things, information regarding securities of the Company beneficially owned by the Company's directors, nominees and management; certain stockholders' beneficial ownership of more than 5% of the Company's voting securities; information concerning executive compensation; and information concerning the procedures for submitting stockholder proposals and director nominations intended for consideration at the 2015 annual meeting of stockholders and for consideration for inclusion in the proxy materials for that meeting. If the Company does not distribute the Company's Proxy Statement to shareholders at least ten days prior to the Annual Meeting, Mr. Wise will distribute to the shareholders a supplement to this Proxy Statement containing such disclosures at least ten days prior to the Annual Meeting. Mr. Wise takes no responsibility for the accuracy or completeness of information contained in the Company's Proxy Statement. Except as otherwise noted herein, the information in this Proxy Statement and the Schedules attached hereto concerning the Company has been taken from or is based upon documents and records on file with the SEC and other publicly available information. Although Mr. Wise does not have any knowledge indicating that any statement contained herein is untrue, Mr. Wise does not take responsibility, except to the extent imposed by law, for the accuracy or completeness of statements taken from public documents and records that were not prepared by or on behalf of Mr. Wise, or for any failure of the Company to disclose events that may affect the accuracy or completeness of such information.
