Item 1.01 Entry Into A Material Definitive Agreement.

Healthwarehouse.com, Inc. (the “Company”) is a party to a Loan and Security Agreement, dated as of March 28, 2013 (the “Loan Agreement”) with Melrose Capital Advisors, LLC (the “Lender”). Under the terms of the Loan Agreement, the Company borrowed an aggregate of \$1,200,000 from the Lender (the “Loan”). The Loan is evidenced by a promissory note in the face amount of \$1,200,000, as amended (the “Senior Note”). The Senior Note bears interest on the unpaid principal balance until the full amount of principal has been paid at a floating rate equal to the prime rate plus four and one-quarter percent (4.25%) per annum. Under the terms of the Loan Agreement, the Company has agreed to make monthly payments of accrued interest on the first day of every month. The principal amount and all unpaid accrued interest on the Senior Note was payable on October 14, 2016. The Loan may be prepaid in whole or in part at any time by the Company without penalty.

The Company granted the Lender a first priority security interest in all of the Company’s assets, in order to secure the Company’s obligation to repay the Loan, including a Deposit Account Control Agreement, dated as of July 8, 2016, which grants the Lender a security interest in certain bank accounts of the Company. The Loan Agreement contains customary negative covenants restricting the Company’s ability to take certain actions without the Lender’s consent, including incurring additional indebtedness, transferring or encumbering assets, paying dividends or making certain other payments, and acquiring other businesses. Upon the occurrence of an event of default, the Lender has the right to impose interest at a rate equal to eight percent (8.0%) per annum above the otherwise applicable interest rate (the “Default Rate”). The repayment of the Loan may be accelerated prior to the maturity date upon certain specified events of default, including failure to pay, bankruptcy, breach of covenant, and breach of representations and warranties.

On October 14, 2016, the Company and the Lender entered into a Second Amendment to Amended and Restated Promissory Note, effective October 14, 2016, pursuant to which the Lender agreed to extend the maturity date of the Senior Note from October 14, 2016 to October 31, 2016.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangement of Certain Officers.
