It is expected that delivery of the Debentures will be made against payment therefor on or about August 28, 2018, which will be the third business day following the date of pricing of the Debentures. Under Rule 15c6-1 of the Securities Exchange Act of 1934, trades in the secondary market generally are required to settle in two business \*days, unless the parties to any such trade expressly agree otherwise. Accordingly, by virtue of the fact that the Debentures initially will settle in T+3, purchasers who wish to trade the Debentures on the date of pricing of the Debentures should specify an extended settlement cycle at the time they enter into any such trade to prevent failed settlement and should consult their own advisors.

\*\*A security rating is not a recommendation to buy, sell or hold securities and should be evaluated independently of any other rating. The rating is subject to revision or withdrawal at any time by the assigning rating organization.

The term “Three-Month LIBOR Rate” has the meaning ascribed to that term in the Issuer’s Preliminary Prospectus Supplement, dated August 23, 2018.
