Section 3 Securities and Trading Markets

Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

January 8, 2008 Guernsey, Channel Islands CanArgo Energy Corporation (CanArgo or the Company) (OSE: CNR, AMEX:CNR) announced that the Company has received a deficiency letter from the American Stock Exchange advising the Company that in view of its continued non compliance with Section 121(A)(1) and Section 121(B)(2)a of the continued listing standards of the AMEX Company Guide, which was previously disclosed by the Company, it has until January 18, 2008 to submit a plan to the Exchange of steps it has taken, or will take, in order to regain compliance with these requirements by no later than April 4, 2008.

The Company has submitted a plan to the Staff of the Exchange, which includes liaising with a specialist recruiting agency and taking independent steps to find candidates with the necessary qualifications to comply with the requirements of the listing standards that a majority of the Company's Board of Directors and the members of the Company's Audit Committee qualify as independent directors. The Company has maintained a dialogue with the Amex, and had notified the AMEX of its plan and had also taken steps to follow this plan of action prior to the receipt of the recent correspondence from the AMEX. If the plan is accepted by the Staff of the Exchange, the Company may be able to continue its listing during the plan period, during which time it will be subject to periodic review to determine whether it is making progress consistent with the plan. Failure of the Staff of the Exchange to accept the plan, or, if the plan is accepted, the failure to regain compliance within the plan period could result in the commencement of proceedings to de-list the Company's securities from the Exchange.
