Revised Non-Employee Board of Director Compensation Policy

On June 21, 2007, the Board of Directors of Sharps Compliance, Corp. (the "Company") approved a revised director compensation policy for the Company's non-employee directors. The revised policy replaces the existing director compensation policy for the Company's non-employee directors and is effective for the fiscal year 2008 (beginning July 1, 2007). Under the revised policy, non-employee directors will receive compensation as follows: (i) each non-employee director will be granted, on July 2, 2007, either 8,000 shares of restricted stock or options to purchase 10,700 shares of the Company's common stock, each such grant to vest over three years in equal annual installments (one third at each anniversary date), subject to the non-employee director's continued service to the Company through each vesting date, (ii) an annual retainer for all non-employee directors of \$16,000, paid \$4,000 subsequent to each attended quarterly Board of Directors meeting (no more than two meetings attended telephonically), (iii) 1,500 shares of restricted stock for the chairperson of the Audit Committee and 500 shares of restricted stock for the Audit Committee member (vesting over three years in equal annual installments, subject to the non-employee director's continued service to the Company through each vesting date), (iv) 750 shares of restricted stock for each member of the Compensation Committee (vesting over three years in equal annual installments, subject to the non-employee director's continued service to the Company through each vesting date), (v) 500 shares of restricted stock for each member of the Acquisition Committee (vesting over three years in equal annual installments, subject to the non-employee director's continued service to the Company through each vesting date), (vi) 1,000 shares of restricted stock for the chairperson of the Nominating / Corporate Governance Committee and 500 shares of restricted stock for Nominating / Corporate Governance Committee member (vesting over three years in equal annual installments, subject to the non-employee director's continued service to the Company through each vesting date), (vii) 3,000 shares of restricted stock for the Lead Independent Director (vesting over three years in equal annual installments, subject to the non-employee director's continued service to the Company through each vesting date) and (viii) each non-employee director will receive fees of \$1,000 for each special Board of Directors meeting attended in person or via telephone.

The revised (versus the prior) policy significantly reduces the impact of the non-employee board of director compensation on the Company's fiscal year 2008 income statement in light of, (i) SFAS 123 R "Accounting For Share-Based Payment Arrangements" and (ii) the increase in the Company's stock price.

Prior Policy

The above revised policy replaces, in its entirety, the prior non-employee Board of Director compensation policy summarized below:

- o 30,000 stock options to each non-employee Director;
- o an additional 20,000 stock options to the Chairman of the Audit Committee;
- o an additional 10,000 stock options to the Chairman of the Compensation Committee; and
- o an additional 10,000 stock options to the other Audit Committee members.
- o an additional 10,000 stock options to members of the Acquisition Committee

Edgar Filing: SHARPS COMPLIANCE CORP - Form 8-K

In accordance with the prior policy, 260,000 stock options, with an exercise price of \$0.85, were granted on June 28, 2006 to the five non-employee Directors as compensation for director services performed over the prior fiscal ended June 30, 2007.
