Item 1.01. Entry into a Material Definitive Agreement.

(a) On July 2, 2007, for the purpose of reorganizing into a holding company structure, InterDigital Communications Corporation executed a Plan of Reorganization ("Plan") and an Agreement and Plan of Merger ("Merger Agreement") with InterDigital, Inc., a Pennsylvania corporation and another newly formed Pennsylvania corporation owned 100% by InterDigital, Inc. ("Merger Sub"). The common stock of InterDigital Communications Corporation has been publicly traded since 1981. Pursuant to the Merger Agreement, Merger Sub has merged (the "Merger") with and into InterDigital Communications Corporation, with InterDigital Communications Corporation as the surviving corporation. As a result of the Merger, InterDigital Communications Corporation is now a wholly-owned subsidiary of InterDigital, Inc. Following the Merger, InterDigital

Communications Corporation will convert from a Pennsylvania corporation into a Delaware corporation and then convert into a Delaware limited liability company and change its name to InterDigital Communications, LLC. The Merger, together with the subsequent conversion of InterDigital Communications Corporation into a Delaware limited liability company and a further conversion to a Pennsylvania limited liability company, is herein referred to collectively as the "Reorganization." As a result of the Reorganization, neither the business conducted by InterDigital, Inc. and InterDigital Communications Corporation in the aggregate, nor the consolidated assets and liabilities of InterDigital, Inc. and InterDigital Communications Corporation, in the aggregate, will change.

At the time the Plan and the Merger Agreement were executed, InterDigital, Inc. was a direct, wholly-owned subsidiary of InterDigital Communications Corporation and Merger Sub was a wholly-owned subsidiary of InterDigital, Inc. and an indirect subsidiary of InterDigital Communications Corporation. Pursuant to Section 1924(b)(4) of the Pennsylvania Business Corporation Law of 1988 ("PBCL"), shareholder approval was not required for, and will not be sought in connection with the Merger.

By virtue of the Merger, each share of InterDigital Communications Corporation's outstanding common stock has been converted, on a share-for-share basis, into a share of common stock of InterDigital, Inc. As a result, each shareholder of InterDigital Communications Corporation has become the owner of an identical number of shares of common stock of InterDigital, Inc.

InterDigital, Inc.'s common stock will be traded under the name "InterDigital, Inc." and will continue to be listed on the NASDAQ Global Select Market under the ticker symbol "IDCC."

Pursuant to the Amended and Restated Rights Agreement by and between InterDigital Communications Corporation and American Stock Transfer and Trust Company dated December 15, 2006 ("Rights Agreement"), which has been assumed by InterDigital, Inc. as a successor to the Rights Agreement (in accordance with the Rights Agreement), each share of common stock of InterDigital, Inc. is accompanied by an attached right to purchase one unit of the InterDigital, Inc.'s Series B Junior Participating Preferred Stock. For a more detailed description of the Rights Agreement, see Note 12 of the Notes to Consolidated Financial Statements included in the Annual Report on Form 10-K of InterDigital Communications Corporation for the year ended December 31, 2006.

Further, each outstanding stock option and restricted stock unit ("RSU") with respect to the acquisition of shares of InterDigital Communications Corporation's common stock now represents an option or RSU, as the case may be, with respect to the acquisition of an identical number of shares of InterDigital, Inc.'s common stock, upon the same terms and conditions as the original option or RSU.

The conversion of shares of capital stock in the Merger occurred without an exchange of certificates. Accordingly, certificates formerly representing shares of outstanding common stock of InterDigital Communications Corporation are deemed to represent the same number of shares of common stock in InterDigital, Inc. Shareholders do not need to exchange their share certificates.

The provisions of the articles of incorporation and bylaws of InterDigital, Inc. are the same as those of InterDigital Communications Corporation prior to the Merger. The authorized capital stock of InterDigital, Inc., the designations, rights, powers and preferences of such capital stock and the qualifications, limitations and restrictions thereof are also the same as the capital stock of InterDigital Communications Corporation immediately prior to the Merger. The directors and executive officers of InterDigital, Inc., are the

same individuals who were directors and executive officers, respectively, of InterDigital Communications Corporation immediately prior to the Merger. The Reorganization will not give rise to any taxable gain or loss to shareholders, option holders or RSU holders of InterDigital Communications Corporation.

Upon consummation of the Merger, InterDigital, Inc.'s common stock was deemed to be registered under Section 12(b) of the Securities Exchange Act of 1934, as amended, pursuant to Rule 12g-3(a) promulgated thereunder. For purposes of Rule 12g-3(a), InterDigital, Inc., is the successor issuer to InterDigital Communications Corporation.

A copy of InterDigital Communications Corporation's press release announcing the Reorganization is attached hereto as Exhibit 99.1.

(b) As a result of the Reorganization, on July 2, 2007, InterDigital Communications Corporation, InterDigital, Inc. and certain of their domestic subsidiaries acting as guarantors (collectively, "InterDigital"), entered into a First Amendment, Consent and Joinder to Credit Agreement ("First Amendment") of a \$60 million unsecured revolving credit facility ("Credit Agreement") with Bank of America, N.A., as Administrative Agent, lender and L/C issuer and Citizens Bank of America, as lender. The Credit Agreement was first entered into on December 28, 2005 and expires on December 28, 2007. The First Amendment modifies the corporate entities identified as the named borrowers and subsidiary guarantors to reflect the fact that the Reorganization has taken place. There were no other material modifications to the terms of the Credit Agreement as such terms are described in InterDigital Communication Corporation's Form 8-K dated December 29, 2005, and which are incorporated herein by reference.

As of July 2, 2007, InterDigital Communication Corporation did not have any amounts outstanding under the Credit Agreement.

The material terms and conditions of the First Amendment are described in Item 1.01(b) above and are incorporated herein by reference. Except with respect to the identity of the parties to the Credit Agreement, which was amended to reflect the fact that the Reorganization has taken place, there were no other material modifications to the terms of the Credit Agreement as such terms are described in InterDigital Communication Corporation's Form 8-K dated December 29, 2005, and which are incorporated herein by reference.

(e) In connection with the Reorganization described in Item 1.01 above, effective as of July 2, 2007, the named executive officers of InterDigital Communications Corporation have each entered into an Amendment and Assignment of Employment Agreement together with InterDigital Communications Corporation and InterDigital, Inc. The Amendment and Assignment of Employment Agreement for each such individual (i) assigns each named executive officer's current employment agreement from InterDigital Communications Corporation to InterDigital, Inc., (ii) affirms that the Reorganization described in Item 1.01(a) above is not a

"Change of Control" as such term is defined within each named executive officer's employment agreement, and (iii) allows InterDigital, Inc. to assign such named executive officers, as appropriate, to various subsidiaries.

In addition, in connection with the Reorganization described in Item 1.01 above, effective as of July 2, 2007, the directors and named executive officers of InterDigital Communications Corporation have each entered into an Assignment and Assumption of Indemnity Agreement together with InterDigital Communications Corporation and InterDigital, Inc.
