**Item 1.01 Entry into a Material Definitive Agreement**

On August 20, 2007, the Compensation Committee of the Board of Directors of American Campus Communities, Inc. (the "Company") authorized the issuance of 132,400 profits interest units ("PIUs") to certain key employees of the Company under the Company's 2004 Incentive Award Plan (the "Plan"). All such PIUs were vested as of the time of award and were valued based on the closing price of the Company's common stock on the date of issuance.

The issuance of such PIUs was in partial payment of the vesting of the grant of Outperformance Awards made upon the consummation of the Company's initial public offering. Vesting occurred on August 17, 2007, the third anniversary of such offering, and was subject to the occurrence of the Company's achievement of specified performance measures. Pursuant to the terms of the Outperformance Awards, payments were made in cash; however, the Compensation Committee of the Board exercised its permitted discretion and elected to pay a portion of such award to various recipients through the issuance of PIUs.

PIUs are a special class of partnership interests in American Campus Communities Operating Partnership LP, the Company's operating partnership (the "Operating Partnership"). Each PIU is deemed equivalent to an award of one share of the Company's common stock under the Plan, reducing availability for other equity awards on a one-for-one basis. PIUs will receive the same quarterly per unit distributions as common units of the Operating Partnership, which equals the per share distributions on the Company's common stock.

Initially, PIUs do not have full parity with common units with respect to liquidating distributions. Under the terms of the PIUs, the Operating Partnership will revalue its assets upon the occurrence of certain "book-up events," and any increase in valuation from the time of the award of the PIUs until such book-up event will be allocated first to the holders of PIUs to equalize the capital accounts of such holders with the capital accounts of common unit holders. These book-up events will occur upon a contribution of cash or property to the Operating Partnership, including contributions by the Company of the proceeds from future issuances of the Company's securities, or upon certain distributions of cash or property by the Operating Partnership to one or more partners of the Operating Partnership. Upon equalization of the capital accounts of the holders of PIUs with the other holders of common units, the PIUs will achieve full parity with common units of the Operating Partnership for all purposes, including with respect to liquidating distributions. If such parity is reached, vested PIUs will thereafter be automatically converted into an equal number of common units, which units are exchangeable for cash or, at the option of the Operating Partnership, for shares of the Company's common stock on a one-for-one basis. No equalization will occur unless a revaluation of the Company's assets following a book-up event results in an increase in the value of its assets from the date of the PIU award.

Holders of the PIUs are entitled to customary registration rights with respect to the shares of common stock that may be received by the PIU holders upon an exchange of the PIUs. In general, the Company will bear all fees, costs and expenses of such registrations, other than underwriting discounts and commissions.

**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

The following table lists the Outperformance Awards issued to the Company's named executive officers:

<b>Name</b>	<b>Cash Portion of Award</b>	<b>Market Value of PIUs on Date of Issuance (1)</b>	<b>Total</b>
William C. Bayless, Jr.	\$ 1,484,140	\$ 1,470,000	\$ 2,954,140
Brian B. Nickel	867,524	896,000	1,763,524
Greg A. Dowell	403,620	420,000	823,620
James C. Hopke, Jr.	560,000	-	560,000

---

Messrs. Bayless, Nickel, Dowell and Hopke received 52,500, 32,000, 15,000 and 0 PIUs, respectively, valued at (1) \$28.00 per PIU, which was the closing price of the Company's common stock on August 20, 2007, the date of issuance of the PIUs.
