**Item 7.01 Regulation FD Disclosure**

On March 10, 2009, the Company signed an agreement to acquire Fanor, a leading provider of private post-secondary education in northeastern Brazil. Under the terms of the agreement, DeVry will initially purchase 69.3 percent of Fanor including real estate for approximately \$23.5 million in cash plus the assumption of Fanor debt. It is anticipated that DeVry will reduce Fanor's debt in the near future through an additional recapitalization, bringing the total ownership to 82.4 percent. The acquisition of Fanor, which is subject to customary closing conditions, is expected to be accretive to DeVry's earnings beginning in fiscal 2010. The transaction is not conditioned on financing and is expected to close in April 2009.

Founded in 2001 and based in Fortaleza, Ceará, Brazil, Fanor is the parent organization of Faculdades Nordeste, Faculdade Ruy Barbosa, and Faculdade FTE ÁREA1. These three institutions operate five campus locations in the cities of Salvador and Fortaleza, and serve more than 10,000 students through 28 undergraduate programs focused in business management, law and engineering.

The existing Fanor management team and employees will remain in place, and will report to John Roselli, senior vice president of international and business development. Carlos Alberto Guerra Filgueiras, CEO and board president of Fanor will continue to serve as President.

99.1 Press Release dated March 10, 2009

*Forward Looking Statements*

Certain statements contained in this Form 8-K and related press release, including those that affect DeVry's expectations or plans, may constitute forward-looking statements subject to the Safe Harbor Provision of the Private Securities Litigation Reform Act of 1995. These forward-looking statements generally can be identified by phrases such as DeVry Inc. or its management "anticipates," "believes," "estimates," "expects," "forecasts," "foresees," "intends," "plans" or other words or phrases of similar import.

Because these forward-looking statements involve risks and uncertainties, there are important factors that could cause DeVry's actual results to differ materially from those projected or implied by these forward-looking statements. Additional information regarding factors that could cause results to differ can be found in DeVry's Annual Report on Form 10-K for the fiscal year ended June 30, 2008.

These forward-looking statements are based on information as of March 10, 2009, and DeVry assumes no obligation to publicly update or revise its forward-looking statements even if experience or future changes make it clear that any projected results expressed or implied therein will not be realized.
