Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On December 15, 2010, the Board of Directors (the “Board”) of General Moly, Inc. (the “Company”) approved the appointment of Patrick James as a director of the Company. There is no arrangement or understanding between Mr. James and any other person pursuant to which he was selected as a director. Mr. James will serve as independent non-executive Chairman and will chair the Governance and Nominating committee as well as serve on the Technical, Finance and Compensation committees.

Mr. James has over 45 years of experience in the mining industry including a variety of operating and executive positions. Mr. James retired as President, Chairman and CEO of the Santa Fe Pacific Gold Corporation when it was acquired by Newmont Mining in 1997 and served as a Director of Newmont for one year thereafter. After leaving Santa Fe Pacific Gold, Mr. James served as President and Chief Executive Officer of Rio Algom Limited from 1997 to 2001. Since then, Mr. James has served as a Director of four publicly listed mining companies including Dynatech Inc., Constellation Copper Corp., Stillwater Mining Company, and Centerra Gold Inc. He has served as Chairman of the Board on two of those, and as Lead Director of another.

Mr. James has an Engineer of Mines degree from the Colorado School of Mines, a Master's of Management from the University of New Mexico, Anderson School of Business, and is a Registered Professional Engineer in Colorado.

Mr. James will be compensated for his service as a director in accordance with the Company's standard director compensation program.

There are no family relationships or related party transactions involving Mr. James and the Company.

Item 8.01 Other Events.

On December 15, 2010, the Company issued a press release announcing the appointment of Mr. James to the Board of Directors. A copy of the press release is attached hereto as Exhibit 99.1.
