Independent Directors of Annaly Capital Management, Inc. Unanimously Approved the Management Externalization Proposal and Recommend Shareholders Vote “FOR” the Proposal

Management Externalization Proposal Could Result in Net Present Value Savings of \$210.9 Million Over Five Years

NEW YORK--(BUSINESS WIRE)--Annaly Capital Management, Inc. (NYSE: NLY) (“Annaly” or the “Company”) filed today its definitive proxy statement with the SEC seeking shareholder approval for, among other proposals, the Company entering into a management agreement with Annaly Management Company LLC (the “Manager”) under which the Manager will assume responsibility for the Company’s management. Under the proposal, the Company would pay the Manager an annual management fee of 1.05% of the Company’s stockholders’ equity, and the Manager would be responsible for paying all compensation expenses associated with managing the Company and its subsidiaries. The Company’s independent directors unanimously approved the Management Externalization Proposal and recommend shareholders vote “FOR” the approval of the Management Externalization Proposal.

“We worked with our independent directors to carefully craft an externally managed company that is the most shareholder-friendly across our peer group,” said Wellington J. Denahan, Annaly’s Chairman and Chief Executive Officer. “We believe that converting to an externally managed company and capping compensation expense as a fixed percentage of equity while we diversify our strategies will result in significant cost savings going forward,” said Ms. Denahan. “Not only is the management fee the lowest fixed management fee as a percentage of stockholders’ equity in the industry, but we believe that our proposal provides for significant shareholder benefits.”

These benefits include and the terms compare favorably to our peer group:

- 5 year estimated net present value cost savings of \$210.9 million
- 2012 pro forma savings of \$48.0 million
- Management Fee: 1.05% for us, 1.50% median for the peer group
- Termination Fee: None for us, 3.0 times last 2 years average annual fee for the peer group
- Alignment of interests with adoption of stock ownership requirements for our senior executive officers amounting to total stock ownership of \$38.7 million for senior executives

We encourage all our shareholders to read our proxy statement which provides more detail on the proposal and vote their shares.
