99.1 Historical Financial Statements of Advance Auto Parts, Inc. reflecting the operations of the wholesale distribution network as discontinued operations for the quarterly periods ended April 19, 2003, July 12, 2003 and October 4, 2003.

Item 12. Results of Operations and Financial Condition.

During December 2003, Advance Auto Parts, Inc. discontinued the supply of merchandise and services to its wholesale distribution network of independently owned Western Auto dealers. This component of our business operated in our previously reported wholesale segment. The accompanying financial statements (attached as Exhibit 99.1, which are incorporated herein by reference) reflect the historical consolidated statements of operations for the quarterly periods ended April 19, 2003, July 12, 2003 and October 4, 2003 as reported in our earnings releases filed on form 8-K on May 14, 2003, August 6, 2003 and October 30, 2003, respectively, as adjusted to present the wholesale distribution network results as discontinued operations. The attached consolidated statements of operations include our comparable results, which are non-GAAP financial measures. We use these non-GAAP measures as an indication of our earnings from core operations and believe they are important to our stockholders due to the nature and significance of the excluded expenses.
