Item 1.01 Entry into a Material Definitive Agreement; and

Item 2.01 Completion of Acquisition or Disposition of Assets.

On November 11, 2008, Hydron Technologies, Inc., a New York corporation (the Company), entered into certain agreements with Brand Builders International, LLC, a Delaware limited liability company (Harezi), relating to a joint venture between the Company and Harezi to be formed as Brand Builders Rx, LLC, a Delaware limited liability company (the Joint Venture). The Joint Venture was formed for the purpose of designing, marketing, selling, and managing certain technologies and products including, but not limited to, those contributed by the Company.

The terms of the Joint Venture's business and contractual relationship are governed by the following agreements, all of which are dated and effective as of October 1, 2008: (i) Capital Contribution and Joint Venture Agreement (the Contribution Agreement); (ii) Assignment and Assumption Agreement (the Assignment Agreement); (iii) License Agreement; (iv) Limited Liability Company Agreement (LLC Agreement); (v) Buy-Sell Agreement; and (vi) Management Services Agreement (collectively, the Joint Venture Documents).

Pursuant to the Capital Contribution Agreement, the Company has agreed to contribute Two Hundred Thousand Dollars (\$200,000) in cash and assign substantially all of its assets, other than certain excluded assets provided therein, and license or sublicense certain rights to the Company's intellectual property, subject to performance and payment obligations of the Joint Venture and to the terms of the License Agreement entered into between the Company and the Joint Venture. The Company assigned such assets to the Joint Venture pursuant to the Assignment Agreement.

As contemplated by the Joint Venture Documents and discussed with Harezi, Harezi will contribute cash, financing, a new headquarters, marketing expertise, including public relations, filming of television commercials, print media production and the building of a domestic and international sales force. The initial value of the Harezi contributions are estimated to be between Five Hundred Thousand (\$500,000) and One Million Dollars (\$1,000,000).

Pursuant to the Company's LLC Agreement, the Company and Harezi each own a fifty percent (50%) member interest in the Joint Venture. The Joint Venture is managed by its board of managers composed of four (4) managers, three of which were appointed by Harezi and one of which was appointed by the Company. The Company initially appointed Richard Banakus, the Company's Chairman and Interim President, as its initial manager. Certain major decisions will require the unanimous approval of the Joint Venture's board of managers.

The Management Services Agreement between the Joint Venture and the Company entitles Harezi to a management fee in exchange for Harezi's marketing, administrative and management services. The management fee is equal to an additional percent (10%) of the total amount of distributions made to the members of the Joint Venture, other than distributions made for the purpose of paying taxes.

Edgar Filing: HYDRON TECHNOLOGIES INC - Form 8-K

The Company and Harezi entered into a Buy-Sell Agreement providing for restrictions on transfer of its respective member interests in the Joint Venture, including rights of first refusal, come-along rights and drag-along rights.

The foregoing description of the Joint Venture Documents does not purport to be complete and is qualified in its entirety by the terms of the Joint Venture Documents filed as Exhibits 10.1-10.6 with this Current Report on Form 8-K and incorporated herein by reference.

On November 11, 2008 the Company issued a press release in connection with the Joint Venture. A copy of the press release is attached as Exhibit 10.7 to this Current Report on Form 8-K and is incorporated by reference.

Item 1.01 Entry into a Material Definitive Agreement;

Item 1.02 Termination of Material Definitive Agreement;

Item 3.02 Unregistered Sales of Equity Securities.

Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

On November 11, 2008, David Pollock notified the Company's board of directors of his decision to resign as the Company's Chief Executive Officer and as a member of the board of directors in order to avoid any potential conflicts of interest that may occur as a result of Mr. Pollock's significant role in the Joint Venture. A copy of Mr. Pollock's resignation is attached as Exhibit 10.8 to this Current Report on 8-K and is incorporated by reference.

The Company and Mr. Pollock agreed to cancel the options to acquire 400,000 shares of common stock of the Company granted to Mr. Pollock under the terms of the 2003 Hydron 2003 Stock Plan (the "Plan") and to grant to Mr. Pollock an option to acquire 400,000 shares of common stock of the Company on the terms and subject to the conditions of the Plan in consideration of the cancellation of the existing options and the agreement by Mr. Pollock to provide certain consulting services to the Company on such terms as the Company and Mr. Pollock may mutually agree.
