PROSPECTUS SUMMARY

ABOUT TAG-IT PACIFIC

Tag-It Pacific, Inc. is an apparel company that specializes in the distribution of trim items to manufacturers of fashion apparel and licensed consumer products, and specialty retailers and mass merchandisers. We act as a full service outsourced trim management department for manufacturers of fashion apparel such as Tarrant Apparel Group and Azteca Production International. We

Edgar Filing: TAG IT PACIFIC INC - Form S-3/A

also serve as a specified supplier of trim items to owners of specific brands, brand licensees and retailers, including Abercrombie & Fitch, The Limited, Express, Lerner and Miller's Outpost, among others. We also distribute zippers under our TALON brand name to owners of apparel brands and apparel manufacturers such as Levi Strauss & Co., VF Corporation and Tropical Sportswear, among others. In 2002, we created a new division under the TEKFIT brand name. This division develops and sells apparel components that utilize the patented Pro-Fit technology, including a stretch waistband. We market these products to the same customers targeted by our MANAGED TRIM SOLUTION and TALON zipper divisions.

ABOUT THE OFFERING

This prospectus may be used only in connection with the resale by the selling stockholders of up to 3,879,785 shares of our common stock.

We will not receive any proceeds from the sale of the shares of common stock offered by the selling stockholders using this prospectus. On September 17, 2003 we had 11,454,909 shares of common stock outstanding.

CORPORATE INFORMATION

We were incorporated in Delaware in September 1997. We were formed to serve as the parent holding company of Tag-It, Inc., a California corporation, Tag-It Printing & Packaging Ltd., which changed its name in 1999 to Tag-It Pacific (HK) LTD, a BVI corporation, Tag-It de Mexico, S.A. de C.V., A.G.S. Stationery, Inc., a California corporation, and Pacific Trim & Belt, Inc., a California corporation. All of these companies were consolidated under a parent limited liability company in October 1997. These companies became our wholly owned subsidiaries immediately prior to the effective date of our initial public offering in January 1998. In 2000, we formed two wholly owned subsidiaries, Tag-It Pacific Limited, a Hong Kong corporation, and Talon International, Inc., a Delaware corporation.

Our executive offices are located at 21900 Burbank Boulevard, Suite 270, Woodland Hills, California 91367, and our telephone number is (818) 444-4100. Information on our website, www.tagitpacific.com, does not constitute part of this prospectus.

RISK FACTORS

YOU SHOULD CAREFULLY CONSIDER THE FOLLOWING RISKS BEFORE YOU DECIDE TO BUY OUR COMMON STOCK. THE RISKS AND UNCERTAINTIES DESCRIBED BELOW ARE THE MATERIAL ONES FACING OUR COMPANY. IF ANY OF THE FOLLOWING RISKS ACTUALLY OCCUR, OUR BUSINESS, FINANCIAL CONDITION OR RESULTS OF OPERATIONS WOULD LIKELY SUFFER. IF THIS OCCURS, THE TRADING PRICE OF OUR COMMON STOCK COULD DECLINE, AND YOU MAY LOSE ALL OR PART OF THE MONEY YOU PAID TO BUY OUR COMMON STOCK.

RISKS ASSOCIATED WITH THIS OFFERING

WE OPERATE IN AN INDUSTRY THAT IS SUBJECT TO SIGNIFICANT FLUCTUATIONS IN OPERATING RESULTS FROM QUARTER TO QUARTER, THAT MAY RESULT IN UNEXPECTED REDUCTIONS IN REVENUE AND STOCK PRICE VOLATILITY. Factors that may influence our quarterly operating results include:

Edgar Filing: TAG IT PACIFIC INC - Form S-3/A

- o The volume and timing of customer orders received during the quarter;
- o The timing and magnitude of customers' marketing campaigns;
- o The loss or addition of a major customer;
- o The availability and pricing of materials for our products;
- o The increased expenses incurred in connection with the introduction of new products;
- o Currency fluctuations;
- o Delays caused by third parties; and
- o Changes in our product mix or in the relative contribution to sales of our subsidiaries.

Due to these factors, it is possible that in some quarters our operating results may be below our stockholders' expectations and those of public market analysts. If this occurs, the price of our common stock would likely be adversely affected.

OUR STOCK PRICE MAY DECREASE, WHICH COULD ADVERSELY AFFECT OUR BUSINESS AND CAUSE OUR STOCKHOLDERS TO SUFFER SIGNIFICANT LOSSES. The following factors could cause the market price of our common stock to decrease, perhaps substantially:

- o The failure of our quarterly operating results to meet expectations of investors or securities analysts;
- o Adverse developments in the financial markets, the apparel industry and the worldwide or regional economies;
- o Interest rates;
- o Changes in accounting principles;
- o Sales of common stock by existing shareholders or holders of options;
- o Announcements of key developments by our competitors; and
- o The reaction of markets and securities analysts to announcements and developments involving our company.

IF WE NEED TO SELL OR ISSUE ADDITIONAL SHARES OF COMMON STOCK OR ASSUME ADDITIONAL DEBT TO FINANCE FUTURE GROWTH, OUR STOCKHOLDERS' OWNERSHIP COULD BE DILUTED OR OUR EARNINGS COULD BE ADVERSELY IMPACTED. Our business strategy may include expansion through internal growth, by acquiring complementary businesses or by establishing strategic relationships with targeted customers and suppliers. In order to do so or to fund our other activities, we may issue additional equity securities that

Edgar Filing: TAG IT PACIFIC INC - Form S-3/A

could dilute our stockholders' stock ownership. We may also assume additional debt and incur impairment losses related to goodwill and other tangible assets if we acquire another company and this could negatively impact our results of operations.

WE HAVE ADOPTED A NUMBER OF ANTI-TAKEOVER MEASURES THAT MAY DEPRESS THE PRICE OF OUR COMMON STOCK. Our stockholders' rights plan, our ability to issue additional shares of preferred stock and some provisions of our certificate of incorporation and bylaws and of Delaware law could make it more difficult for a third party to make an unsolicited takeover attempt of us. These anti-takeover measures may depress the price of our common stock by making it more difficult for third parties to acquire us by offering to purchase shares of our stock at a premium to its market price.

INSIDERS OWN A SIGNIFICANT PORTION OF OUR COMMON STOCK, WHICH COULD LIMIT OUR STOCKHOLDERS' ABILITY TO INFLUENCE THE OUTCOME OF KEY TRANSACTIONS. As of June 15, 2003, our officers and directors and their affiliates owned approximately 31.7% of the outstanding shares of our common stock. The Dyne family, which includes Mark Dyne, Colin Dyne, Larry Dyne, Jonathan Burstein and the estate of Harold Dyne, beneficially owned approximately 35.3% of the outstanding shares of our common stock. The number of shares beneficially owned by the Dyne family includes the shares of common stock held by Azteca Production International, which are voted by Colin Dyne pursuant to a voting agreement. The Azteca Production International shares constitute approximately 8.8% of the outstanding shares of common stock at June 15, 2003. Gerard Guez and Todd Kay, significant stockholders of Tarrant Apparel Group, each own approximately 10.5% of the outstanding shares of our common stock at June 15, 2003. As a result, our officers and directors, the Dyne family and Messrs. Kay and Guez are able to exert considerable influence over the outcome of any matters submitted to a vote of the holders of our common stock, including the election of our Board of Directors. The voting power of these stockholders could also discourage others from seeking to acquire control of us through the purchase of our common stock, which might depress the price of our common stock.

RISKS RELATED TO OUR BUSINESS

IF WE LOSE OUR LARGEST CUSTOMERS OR THEY FAIL TO PURCHASE AT ANTICIPATED LEVELS, OUR SALES AND OPERATING RESULTS WILL BE ADVERSELY AFFECTED. Our largest customer, Tarrant Apparel Group, accounted for approximately 41.5% and 42.3% of our net sales, on a consolidated basis, for the years ended December 31, 2002 and 2001, respectively, and 24.1% of our total sales for the six months ended June 30, 2003. In December 2000, we entered into an exclusive supply agreement with Azteca Production International, AZT International SA D RL, and Commerce Investment Group, LLC that provides for a minimum of \$10,000,000 in total annual purchases by Azteca Production International and its affiliates during each year of the three-year term of the agreement. Azteca Production International is required to purchase from us only if we are able to provide trim products on a competitive basis in terms of price and quality.

Our results of operations will depend to a significant extent upon the commercial success of Azteca Production International and Tarrant Apparel Group. If Azteca and Tarrant fail to purchase our trim products at anticipated levels, or our relationship with Azteca or Tarrant terminates, it may have an adverse affect on our results because:

- o We will lose a primary source of revenue if either of Tarrant or Azteca choose not to purchase our products or services;
- o We may not be able to reduce fixed costs incurred in developing the relationship with Azteca and Tarrant in a timely manner;

Edgar Filing: TAG IT PACIFIC INC - Form S-3/A

- o We may not be able to recoup setup and inventory costs;
- o We may be left holding inventory that cannot be sold to other customers; and

5

- o We may not be able to collect our receivables from them.

CONCENTRATION OF RECEIVABLES FROM OUR LARGEST CUSTOMERS MAKES RECEIVABLE BASED FINANCING DIFFICULT AND INCREASES THE RISK THAT IF OUR LARGEST CUSTOMERS FAIL TO PAY US, OUR CASH FLOW WOULD BE SEVERELY AFFECTED. Our business relies heavily on a relatively small number of customers, including Tarrant Apparel Group and Azteca Production International. This concentration of our business reduces the amount we can borrow from our lenders under receivables based financing agreements. Under our credit agreement with UPS Capital, for instance, if accounts receivable due us from a particular customer exceed a specified percentage of the total eligible accounts receivable against which we can borrow, UPS Capital will not lend against the receivables that exceed the specified percentage. In addition, Gerard Guez, the founder, Chairman and Chief Executive Officer, and a significant stockholder of Tarrant Apparel Group and Hubert Guez, the founder, Chief Executive Officer and President, and a significant stockholder of Azteca Production International, are brothers. This relationship between our two largest customers further concentrates our receivables risk significantly among this family group. Further, if we are unable to collect any large receivables due us, our cash flow would be severely impacted.

BECAUSE WE DEPEND ON A LIMITED NUMBER OF SUPPLIERS, WE MAY NOT BE ABLE TO ALWAYS OBTAIN MATERIALS WHEN WE NEED THEM AND WE MAY LOSE SALES AND CUSTOMERS. Lead times for materials we order can vary significantly and depend on many factors, including the specific supplier, the contract terms and the demand for particular materials at a given time. From time to time, we may experience fluctuations in the prices, and disruptions in the supply, of materials. Shortages or disruptions in the supply of materials, or our inability to procure materials from alternate sources at acceptable prices in a timely manner, could lead us to miss deadlines for orders and lose sales and customers.

OUR REVENUES MAY BE HARMED IF GENERAL ECONOMIC CONDITIONS WORSEN. Our revenues depend on the health of the economy and the growth of our customers and potential future customers. When economic conditions weaken, certain apparel manufacturers and retailers, including some of our customers, have experienced in the past, and may experience in the future, financial difficulties which increase the risk of extending credit to such customers. Customers adversely affected by economic conditions have also attempted to improve their own operating efficiencies by concentrating their purchasing power among a narrowing group of vendors. There can be no assurance that we will remain a preferred vendor to our existing customers. A decrease in business from or loss of a major customer could have a material adverse effect on our results of operations. Further, if the economic conditions in the United States worsen or if a wider or global economic slowdown occurs, we may experience a material adverse impact on our business, operating results, and financial condition.

IF WE ARE NOT ABLE TO MANAGE OUR RAPID EXPANSION AND GROWTH, WE COULD

Edgar Filing: TAG IT PACIFIC INC - Form S-3/A

INCUR UNFORESEEN COSTS OR DELAYS AND OUR REPUTATION AND RELIABILITY IN THE MARKETPLACE AND OUR REVENUES WILL BE ADVERSELY AFFECTED. The growth of our operations and activities has placed and will continue to place a significant strain on our management, operational, financial and accounting resources. If we cannot implement and improve our financial and management information and reporting systems, we may not be able to implement our growth strategies successfully and our revenues will be adversely affected. In addition, if we cannot hire, train, motivate and manage new employees, including management and operating personnel in sufficient numbers, and integrate them into our overall operations and culture, our ability to manage future growth, increase production levels and effectively market and distribute our products may be significantly impaired.

OUR CUSTOMERS HAVE CYCLICAL BUYING PATTERNS WHICH MAY CAUSE US TO HAVE PERIODS OF LOW SALES VOLUME. Most of our customers are in the apparel industry. The apparel industry historically has been subject to substantial cyclical variations. Our business has experienced, and we expect our business to continue to experience, significant cyclical fluctuations due, in part, to customer buying patterns, which may result in periods of low sales usually in the first and fourth quarters of our financial year.

OUR BUSINESS MODEL IS DEPENDENT ON INTEGRATION OF INFORMATION SYSTEMS ON A GLOBAL BASIS AND, TO THE EXTENT THAT WE FAIL TO MAINTAIN AND SUPPORT OUR INFORMATION SYSTEMS, IT CAN RESULT IN LOST REVENUES. We must consolidate and centralize the management of our subsidiaries and significantly

6

expand and improve our financial and operating controls. Additionally, we must effectively integrate the information systems of our Mexican and Caribbean facilities with the information systems of our principal offices in California and Florida. Our failure to do so could result in lost revenues, delay financial reporting or adversely affect availability of funds under our credit facilities.

THE LOSS OF KEY MANAGEMENT AND SALES PERSONNEL COULD ADVERSELY AFFECT OUR BUSINESS, INCLUDING OUR ABILITY TO OBTAIN AND SECURE ACCOUNTS AND GENERATE SALES. Our success has and will continue to depend to a significant extent upon key management and sales personnel, many of whom would be difficult to replace, particularly Colin Dyne, our Chief Executive Officer. Colin Dyne is not bound by an employment agreement. The loss of the services of Colin Dyne or the services of other key employees could have a material adverse effect on our business, including our ability to establish and maintain client relationships. Our future success will depend in large part upon our ability to attract and retain personnel with a variety of sales, operating and managerial skills.

IF WE EXPERIENCE DISRUPTIONS AT ANY OF OUR FOREIGN FACILITIES, WE WILL NOT BE ABLE TO MEET OUR OBLIGATIONS AND MAY LOSE SALES AND CUSTOMERS. Currently, we do not operate duplicate facilities in different geographic areas. Therefore, in the event of a regional disruption where we maintain one or more of our facilities, it is unlikely that we could shift our operations to a different geographic region and we may have to cease or curtail our operations. This may cause us to lose sales and customers. The types of disruptions that may occur include:

- o Foreign trade disruptions;
- o Import restrictions;

Edgar Filing: TAG IT PACIFIC INC - Form S-3/A

- o Labor disruptions;
- o Embargoes;
- o Government intervention; and
- o Natural disasters.

INTERNET-BASED SYSTEMS THAT HOST OUR MANAGED TRIM SOLUTION MAY EXPERIENCE DISRUPTIONS AND AS A RESULT WE MAY LOSE REVENUES AND CUSTOMERS. Our MANAGED TRIM SOLUTION is an Internet-based business-to-business e-commerce system. To the extent that we fail to adequately continue to update and maintain the hardware and software implementing the MANAGED TRIM SOLUTION, our customers may experience interruptions in service due to defects in our hardware or our source code. In addition, since our MANAGED TRIM SOLUTION is Internet-based, interruptions in Internet service generally can negatively impact our customers' ability to use the MANAGED TRIM SOLUTION to monitor and manage various aspects of their trim needs. Such defects or interruptions could result in lost revenues and lost customers.

THERE ARE MANY COMPANIES THAT OFFER SOME OR ALL OF THE PRODUCTS AND SERVICES WE SELL AND IF WE ARE UNABLE TO SUCCESSFULLY COMPETE OUR BUSINESS WILL BE ADVERSELY AFFECTED. We compete in highly competitive and fragmented industries with numerous local and regional companies that provide some or all of the products and services we offer. We compete with national and international design companies, distributors and manufacturers of tags, packaging products, zippers and other trim items. Some of our competitors, including Paxar Corporation, YKK, Universal Button, Inc., Avery Dennison Corporation and Scovill Fasteners, Inc., have greater name recognition, longer operating histories and, in many cases, substantially greater financial and other resources than we do.

IF CUSTOMERS DEFAULT ON BUYBACK AGREEMENTS WITH US, WE WILL BE LEFT HOLDING UNSALABLE INVENTORY. Inventories include goods that are subject to buyback agreements with our customers. Under these buyback agreements the customer must purchase the inventories from us, under normal invoice and selling terms, if any inventory which we purchase on their behalf remains in our hands longer than agreed

7

by the customer from the time we received the goods from our vendors. If any customer defaults on these buyback provisions, we may incur a charge in connection with our holding significant amounts of unsalable inventory.

UNAUTHORIZED USE OF OUR PROPRIETARY TECHNOLOGY MAY INCREASE OUR LITIGATION COSTS AND ADVERSELY AFFECT OUR SALES. We rely on trademark, trade secret and copyright laws to protect our designs and other proprietary property worldwide. We cannot be certain that these laws will be sufficient to protect our property. In particular, the laws of some countries in which our products are distributed or may be distributed in the future may not protect our products and intellectual rights to the same extent as the laws of the United States. If litigation is necessary in the future to enforce our intellectual property rights, to protect our trade secrets or to determine the validity and scope of the proprietary rights of others, such litigation could result in substantial costs and diversion of resources. This could have a material adverse effect on

Edgar Filing: TAG IT PACIFIC INC - Form S-3/A

our operating results and financial condition. Ultimately, we may be unable, for financial or other reasons, to enforce our rights under intellectual property laws, which could result in lost sales.

IF OUR PRODUCTS INFRINGE ANY OTHER PERSON'S PROPRIETARY RIGHTS, WE MAY BE SUED AND HAVE TO PAY LARGE LEGAL EXPENSES AND JUDGMENTS AND REDESIGN OR DISCONTINUE SELLING OUR PRODUCTS. From time to time in our industry, third parties allege infringement of their proprietary rights. Any infringement claims, whether or not meritorious, could result in costly litigation or require us to enter into royalty or licensing agreements as a means of settlement. If we are found to have infringed the proprietary rights of others, we could be required to pay damages, cease sales of the infringing products and redesign the products or discontinue their sale. Any of these outcomes, individually or collectively, could have a material adverse effect on our operating results and financial condition.

WE MAY NOT BE ABLE TO REALIZE THE ANTICIPATED BENEFITS OF ACQUISITIONS. We may consider strategic acquisitions as opportunities arise, subject to the obtaining of any necessary financing. Acquisitions involve numerous risks, including diversion of our management's attention away from our operating activities. We cannot assure our stockholders that we will not encounter unanticipated problems or liabilities relating to the integration of an acquired company's operations, nor can we assure our stockholders that we will realize the anticipated benefits of any future acquisitions.

WE MAY FACE INTERRUPTION OF PRODUCTION AND SERVICES DUE TO INCREASED SECURITY MEASURES IN RESPONSE TO TERRORISM. Our business depends on the free flow of products and services through the channels of commerce. Recently, in response to terrorists' activities and threats aimed at the United States, transportation, mail, financial and other services have been slowed or stopped altogether. Further delays or stoppages in transportation, mail, financial or other services could have a material adverse effect on our business, results of operations and financial condition. Furthermore, we may experience an increase in operating costs, such as costs for transportation, insurance and security as a result of the activities and potential activities. We may also experience delays in receiving payments from payers that have been affected by the terrorist activities and potential activities. The United States economy in general is being adversely affected by the terrorist activities and potential activities and any economic downturn could adversely impact our results of operations, impair our ability to raise capital or otherwise adversely affect our ability to grow our business.

We undertake no obligation to release publicly any updated information about forward-looking statements to reflect events or circumstances occurring after the date of this prospectus or to reflect the occurrence of unanticipated events.

USE OF PROCEEDS

The proceeds from the sale of each selling stockholder's common stock will belong to that selling stockholder. We will not receive any proceeds from such sales.

In a May 2003 private placement, we sold 1,725,000 shares of our common stock at a price per share of \$3.50 for net proceeds to us of approximately \$5,529,000. Of these proceeds, we used approximately \$4,000,000 for general working capital purposes, and we presently intend to use approximately \$1,500,000 to purchase capital equipment primarily for our Talon zipper business.

SELLING STOCKHOLDERS

COMMON STOCK FINANCING

In May 2003, we entered into a securities purchase agreement, pursuant to which we sold shares of our common stock, with the following investors: Neal I. Goldman, Prism Offshore Fund, Ltd, Prism Partners, LP, SF Capital Partners, Ltd., MicroCapital Fund Limited Partner, MicroCapital LLC, Lagunitas Partners LP, Gruber & McBaine International, Jon D. Gruber and Linda W. Gruber, and J. Patterson McBaine. Pursuant to this securities purchase agreement, we sold 1,725,000 shares of our common stock at a price per share of \$3.50 for aggregate proceeds to us of \$6,037,500. Roth Capital Partners LLC acted as placement agent in connection with this private placement financing transaction. For their services as placement agent, we paid Roth Capital Partners LLC a fee equal to 8% of our gross proceeds from the financing (\$483,000) and a \$25,000 non-accountable expense allowance. In addition, we issued to Roth Capital Partners LLC a warrant to purchase up to 172,500 shares of our common stock at an exercise price of \$5.06 per share. The warrants have a term of 5 years. These warrants vest and become exercisable on August 30, 2003.

COMMON STOCK AND WARRANT FINANCINGS

HARRIS TOIBB

On December 28, 2001, we entered into stock and warrant purchase agreement with Harris Toibb, pursuant to which we sold an aggregate 666,666 shares of our common stock at a price per share of \$3.00 for aggregate proceeds to us of \$2,000,000. Of these shares, 266,666

shares were sold at the initial closing under this agreement, and 100,000 and 300,000 shares were sold at subsequent closings in March 2002 and February 2003,

Edgar Filing: TAG IT PACIFIC INC - Form S-3/A

respectively. Additionally, we issued to Mr. Toibb warrants to purchase 333,333 shares our common stock. All of the warrants were immediately exercisable upon their issuance. The initial exercise price for one half of the warrants is \$4.34 per share and the exercise price of the remaining warrants is \$4.73 per share, representing 110% and 120%, respectively, of the market value of our common stock on the date of the first closing. With respect to 150,000 of these warrants, the exercise price was reduced to \$3.50 per share upon the closing of the May 2003 common stock financing, in accordance with certain adjustment provisions contained in the warrants. The exercise price for the warrants will be adjusted upward by 25% of the amount, if any, that the market price of our common stock on the exercise date exceeds the initial exercise price (as adjusted) up to a maximum exercise price of \$5.25. The warrants have a term of four years from the date of issuance.

MARK DYNE

On January 7, 2002, we entered into stock and warrant purchase agreement with Mark Dyne, the chairman of our board of directors, pursuant to which we sold 166,666 shares of our common stock at a price per share of \$3.00 for aggregate proceeds to us of \$500,000. Additionally, we issued to Mr. Dyne warrants to purchase 83,333 shares our common stock. All of the warrants were immediately exercisable upon their issuance. The exercise price for one half of the warrants is \$4.34 per share and the exercise price of the remaining warrants is \$4.73 per share, representing 110% and 120%, respectively, of the market value of our common stock on the date of closing. The exercise price for the warrants will be adjusted upward by 25% of the amount, if any, that the market price of our common stock on the exercise date exceeds the initial exercise price (as adjusted) up to a maximum exercise price of \$5.25. The warrants have a term of four years from the date of issuance.

Craglennon Investments Limited

On January 8, 2002, we entered into stock and warrant purchase agreement with Craglennon Investments Limited, pursuant to which we sold 83,333 shares of our common stock at a price per share of \$3.00 for aggregate proceeds to us of \$250,000. Additionally, we issued to Craglennon Investments Limited warrants to purchase 41,666 shares our common stock. All of the warrants were immediately exercisable upon their issuance. The exercise price for one half of the warrants is \$4.34 per share and the exercise price of the remaining warrants is \$4.73 per share, representing 110% and 120%, respectively, of the market value of our common stock on the date of closing. The exercise price for the warrants will be adjusted upward by 25% of the amount, if any, that the market price of our common stock on the exercise date exceeds the initial exercise price (as adjusted) up to a maximum exercise price of \$5.25. The warrants have a term of four years from the date of issuance.

Convertible Redeemable Preferred Stock for Supply Agreement

In September 2001, we entered into a Series C Preferred Stock purchase agreement with Coats North America Consolidated, Inc., pursuant to which we issued 759,494 shares of Series C Convertible Redeemable Preferred Stock to Coats in exchange for a cash investment from Coats of \$3,000,001. The Series C Preferred Stock accrues cumulative dividends at the rate 6% per annum. Each share of Series C Preferred Stock is convertible at the option of the holder into the number of shares of common stock as is determined by dividing (x) the Series C Liquidation amount (which is \$3.95 plus all accrued and unpaid dividends, as adjusted from time to time) by

Edgar Filing: TAG IT PACIFIC INC - Form S-3/A

(y) the conversion price applicable to such share. The conversion price is \$4.94. The Series C Preferred Stock is redeemable at the option of the holder after four years. If the holders elect to redeem the Series C Preferred Stock, we have the option to redeem for cash at the stated value of \$3,000,001 or in the form of our common stock at 85% of the market price of our common stock on the date of redemption. If the market price of our common stock on the date of redemption is less than \$2.75 per share, we must redeem for cash at the stated value of the Series C Preferred Stock. We can elect to redeem the Series C Preferred Stock at any time for cash at the stated value. Each holder of the Series C Preferred Stock has the right to vote with the common stock based on the number of common shares that the Series C Preferred Stock could then be converted into on the record date.

In connection with the Series C Preferred Stock purchase agreement, we also entered into a 10-year co-marketing and supply agreement with Coats. The co-marketing and supply agreement provides for selected introductions into Coats' customer base and that our trim packages will exclusively offer thread manufactured by Coats. Total purchases from Coats for the years ended December 31, 2002 and 2001 amounted to approximately \$12,276,000 and \$18,247,000, respectively.

REGISTRATION RIGHTS

Each of the investors in the private placement transactions received "piggyback" registration rights with respect to the common stock they purchased and with respect to the common stock issuable upon exercise of the warrants they received, whereby they are entitled to include for registration all or any part of the common stock they purchased and/or which underlie their warrants, in certain eligible registration statements. The registration statement of which this prospectus is a part qualifies as an eligible registration statement.

In connection with the May 2003 private placement financing, we also entered into a registration rights agreement with the investors. Pursuant to the registrant rights agreement, we agreed to file a registration statement on Form S-3 registering the resale by the investors of the shares of common stock we issued in the transaction and to keep the registration statement effective until the sooner of two years or until all the registered shares are sold. This registration rights agreement also provides that if we do not register for resale the shares of our common stock we issued to the investors by October 27, 2003, then we must pay each of the investors 1% of aggregate purchase price paid by such investor upon such failure to register the shares and 1% of the aggregate purchase price paid by such investor for each month after October 27, 2003 that we do not register the shares. Pursuant to this agreement, and the subsequent election by the other selling stockholders identified in this section to exercise their "piggyback" registration rights, we filed the registration statement of which this prospectus is a part with the Securities and Exchange Commission to register for resale the shares of common stock, the shares of common stock issuable upon conversion of the Series C Preferred Stock, and the shares of common stock underlying warrants, identified in this prospectus and owned by the selling stockholders.

OTHER MATERIAL RELATIONSHIPS WITH TAG-IT PACIFIC

Mark Dyne, a selling stockholder and the chairman of our board of directors, loaned us \$160,000 in August 1999 and \$15,000 in January 1999. This indebtedness is evidenced by

unsecured promissory notes, dated August 17, 1999 and January 31, 1999, which are due and payable on demand and bear interest at a rate of 7.0% and 7.5% per annum. During the year ended December 31, 2000, we repaid \$95,205 to Mr. Dyne. In October 2000, Mark Dyne loaned us a further \$500,000. This indebtedness is evidenced by a convertible secured subordinated promissory note, dated October 4, 2000, which is due and payable on demand, bears interest at a rate of 11.0% per annum and is convertible at the election of the holder into our common stock at a price of \$4.50 per share. At June 30, 2003, we were indebted to Mr. Dyne in the aggregate amount of \$762,398.

At June 30, 2003, we were indebted to Monto Holdings Pty. Ltd. in the aggregate amount of \$145,087. Mark Dyne holds a significant equity interest in Monto Holdings Pty. Ltd. The loans from Monto Holdings Pty. Ltd. are all evidenced by promissory notes which bear interest at a rate of 10% per annum and are due and payable on the fifteenth day following the date on which the holder of the promissory note makes written demand for payment.

On October 4, 2002, we entered into a note payable agreement with Harris Toibb, a selling stockholder, in the amount of \$500,000 to fund additional working capital requirements. The note payable was unsecured, due on demand, accrued interest at 4% and was subordinated to UPS Capital. This note was re-paid on February 28, 2003.

Other than the transactions described above or as described in the table below, we had no material relationship with any selling stockholder during the three years preceding the date of this prospectus.

PLAN OF DISTRIBUTION

The shares of our common stock offered pursuant to this prospectus may be offered and sold from time to time by the selling stockholders listed in the preceding section, or their donees, transferees, pledgees or other successors in interest that receive such shares as a gift or other non-sale related transfer. These selling stockholders will act independently of us in making decisions with respect to the timing, manner and size of each sale.

The selling stockholders and any of their pledgees, assignees and successors-in-interest may, from time to time, sell any or all of their shares of common stock on any stock exchange, market or trading facility on which the shares are traded or in private transactions. These sales may be at fixed or negotiated prices. The selling stockholders may use any one or more of the following methods when selling shares:

- o Ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- o Block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

14

- o Purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- o An exchange distribution in accordance with the rules of the applicable exchange;

Edgar Filing: TAG IT PACIFIC INC - Form S-3/A

- o Privately negotiated transactions;
- o Settlement of short sales;
- o Broker-dealers may agree with the selling stockholders to sell a specified number of such shares at a stipulated price per share;
- o A combination of any such methods of sale; and
- o Any other method permitted pursuant to applicable law.

The selling stockholders may also sell shares under Rule 144 under the Securities Act of 1933, as amended (the "Securities Act"), if available, rather than under this prospectus.

Broker-dealers engaged by the selling stockholders may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the selling stockholders (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated. The selling stockholders do not expect these commissions and discounts to exceed what is customary in the types of transactions involved.

The selling stockholders may from time to time pledge or grant a security interest in some or all of the shares of common stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock from time to time under this prospectus, or under an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus.

Roth Capital Partners LLC is an underwriter within the meaning of the Securities Act in connection with its sale of shares pursuant to this prospectus. The other selling stockholders and any broker-dealers or agents that are involved in selling the shares may also be deemed to be "underwriters" within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. The selling stockholders have informed us that they do not have any agreement or understanding, directly or indirectly, with any person to distribute the common stock. Additionally, each of SF Capital Partners Ltd. and Neal I. Goldman, both of which are an affiliate of a broker-dealer, have informed us that they purchased the shares to be resold for their own account in the ordinary course of business.

We are required to pay all fees and expenses incident to the registration of the shares. We have agreed to indemnify the selling stockholders against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

The Registrant's Certificate of Incorporation and its Bylaws provide for the indemnification by the Registrant of each director, officer and employee of the Registrant to the fullest extent permitted by the Delaware General Corporation Law, as the same exists or may hereafter be amended. Section 145 of the Delaware General Corporation Law provides in relevant part that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful.

In addition, Section 145 provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or

Edgar Filing: TAG IT PACIFIC INC - Form S-3/A

other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Delaware Court of Chancery or the court in which such action or suit was brought shall

II-1

determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Delaware Court of Chancery or such other court shall deem proper. Delaware law further provides that nothing in the above described provisions shall be deemed exclusive of any other rights to indemnification or advancement of expenses to which any person may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

The Registrant's Certificate of Incorporation provides that a director of the Registrant shall not be liable to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director. Section 102(o)(7) of the Delaware General Corporation Law provides that a provision so limiting the personal liability of a director shall not eliminate or limit the liability of a director for, among other things: breach of the duty of loyalty; acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of the law; unlawful payment of dividends; and transactions from which the director derived an improper personal benefit.

The Registrant has entered into separate but identical indemnity agreements (the "Indemnity Agreements") with each director of the Registrant and certain officers of the Registrant (the "Indemnitees"). Pursuant to the terms and conditions of the Indemnity Agreements, the Registrant indemnified each Indemnitee against any amounts which he or she becomes legally obligated to pay in connection with any claim against him or her based upon any action or inaction which he or she may commit, omit or suffer while acting in his or her capacity as a director and/or officer of the Registrant or its subsidiaries, provided, however, that Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Registrant and, with respect to any criminal action, had no reasonable cause to believe Indemnitee's Conduct was unlawful.

ITEM 17. UNDERTAKINGS.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(2) That, for the purpose of determining liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial BONA FIDE offering thereof; and

II-3

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial BONA FIDE offering thereof.

Edgar Filing: TAG IT PACIFIC INC - Form S-3/A

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of the appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The undersigned hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act of 1933 shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial BONA FIDE offering thereof.
