Enventis Employee FAQ #3

September 9, 2014

1. 

Can we see an org. chart for Consolidated Communications?

Enventis senior management has access to the Consolidated Communications organizational charts for their department. The org chart document is confidential and therefore is not available for broad employee distribution until after closing.
2. 

Will there be any changes to my benefits?

As outlined in the merger agreement, the current Enventis benefit and compensation plans will remain in place for one year following closing. For the first year following closing, all current Enventis benefit plans will remain in place, with the exception of the Employee Stock Purchase Plan. The benefits you have today will continue into 2015 until at least one year following closing. In mid-2015, Consolidated will provide information on any benefit plan and compensation changes and help employees understand this information.
3. 

What will the severance package be if employment is not extended?

As noted above, Enventis benefits will remain in place for the first year following closing. This includes the Enventis severance benefits. If you have questions on what would happen with severance and other benefits if your position were to be eliminated, please contact Human Resources.
4. 

With regard to the Team Award, what EBITDA number is the payout based upon; before or after merger costs?

The 2014 Team Award will be based on Enventis EBITDA goals adjusted for integration costs.
5. 

Can we get a timeline on when employees will know if their employment will be continued?

Staffing decisions will be made based on the needs of the business and will be an ongoing process. Your manager will keep you informed as more information becomes available.
6. 

If a position is cut, how much notice will an employee get prior to their end date?

Within the organization and each department there will be continued efforts to ensure we have the right people, in the right roles, with the right resources to achieve our goals. As those departmental efforts go forward, we would expect each department to proceed and take action as needed to be sure their staffing levels are correct. In the case where an employee's position is eliminated, he or she will be given as much advance notice as possible.
7. 

Does Consolidated Communications offer tuition reimbursement to their employees?

CCI does have a tuition assistance program. As a reminder, benefits remain the same for Enventis for one year following closing.
8. 

What will Consolidated offer for employees as far as discounts on residential services?

CCI offers employee discounts for voice, video and Internet. Enventis employee discounts will remain in effect for one year following close.
9. 

Are there CCI benefits with a vesting period where Enventis years of service will not apply?

No. Enventis employees' current years of service at the time of the merger will be carried forward post-merger.

10. Will there be an early retirement incentive in an effort to reduce work force?  
There a no plans for an early retirement incentive at this time.

11. How are Consolidated Communications' video returns handled, such as testing and refurbishing?  
Initial screenings of returned equipment are done in-house and CCI works with vendors to refurbish and fix any devices that have hardware issues.
