PROXY STATEMENT

INTRODUCTION

In connection with the solicitation of proxies by the Board of Directors of Howard Bancorp, Inc., a Maryland corporation (“Howard Bancorp” or the “Company”), for use at the Company’s Annual Meeting of Stockholders, to be held at 11:30 a.m. (local time) on Wednesday, May 24, 2017 (the “Meeting”), and at any adjournment or postponement of the Meeting, we are first making this proxy statement, the Notice of Annual Meeting of Stockholders and the form of proxy card available on or about April 11, 2017, to all stockholders of the Company entitled to vote at the Meeting. The Meeting will be held at the following location:

Corporate Offices of

Howard Bancorp, Inc.

6011 University Boulevard

Suite 370

Ellicott City, MD 21043

NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS

Pursuant to rules adopted by the Securities and Exchange Commission, we have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the “Notice”) to our stockholders of record. All stockholders will have the ability to access the proxy materials, including the Company’s Annual Report on Form 10-K for the year ended December 31, 2016, on the website referred to in the Notice or request to receive an e-mailed or printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request an e-mailed or printed copy may be found in the Notice. If you request printed copies, these materials will also include a proxy card for the Meeting that you can use to vote your shares.

We intend to mail the Notice on or about April 11, 2017 to all stockholders of record entitled to vote at the Meeting. We may send record holders a proxy card, along with a second Notice, on or after April 24, 2017.

The cost of this proxy solicitation is being paid by the Company. In addition to the use of the mail, proxies may be solicited personally or by telephone by officers, regular employees or directors of the Company, who will not receive any special compensation for their services. The Company may also engage an outside firm to assist in the solicitation of the proxies. The Company may also reimburse brokers, custodians, nominees and other fiduciaries for their reasonable out-of-pocket and clerical costs for forwarding proxy materials to the beneficial owners of our common stock.

VOTING RIGHTS AND PROXIES

Voting Rights; Quorum; Vote Required to Approve

Only stockholders of record at the close of business on March 30, 2017 (the “Record Date”), will be entitled to notice of and to vote at the Meeting or any adjournment or postponement of the Meeting. On that date, the Company had 9,763,318 shares of common stock, par value \$0.01 per share, outstanding, held by approximately 446 stockholders of record. The common stock is the only class of the Company’s stock of which shares are outstanding and entitled to vote at the Meeting. Each share of our common stock is entitled to one vote on all matters submitted to a vote of the stockholders. Stockholders do not have the right to cumulate votes in the election of directors.

The presence, in person or by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast at the Meeting will be necessary to constitute a quorum at the Meeting. Abstentions and broker non-votes (as long as there is one routine matter to be voted on at the meeting, as discussed further below) are counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Meeting.

Assuming a quorum is present, the affirmative vote of a plurality of the shares cast in person or represented by proxy at the Meeting is required to elect the director nominees. In other words, the nominees who receive the greatest number of votes cast, up to the number of nominees up for election, will be elected. Withheld votes and broker non-votes will have no effect on the outcome of the election of directors.

The affirmative vote of at least a majority of all votes cast at the Meeting is required for the approval of the non-binding resolution to approve the compensation of our named executive officers. Abstentions and broker non-votes are not included in calculating votes cast with respect to this proposal and will have no effect on the outcome of this proposal.

The affirmative vote of at least a majority of all votes cast at the Meeting is required for the ratification of the appointment of Dixon Hughes Goodman LLP as the Company’s independent registered public accounting firm. Abstentions are not included in calculating votes cast with respect to this proposal and will have no effect on the outcome of this proposal.

If your shares are held in the name of a bank, broker or other similar holder of record (referred to as “in street name”), you will receive instructions from the holder of record that you must follow in order for you to specify how your shares will be voted at the Meeting. In general, brokers who hold shares of record in street name have the authority to vote shares for which their customers do not provide voting instructions on certain limited routine, uncontested items. In the case of non-routine or contested items, the brokerage firm holding street name shares cannot vote the shares if it has not received voting instructions from the beneficial holder of such shares. A broker “non-vote” occurs when a proxy received from a broker but the shares represented by such proxy are not voted on a particular matter because the broker has not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the broker does not have discretionary power to vote the shares.

If your shares of common stock are held of record by a bank or other nominee, whether such nominee can exercise discretionary authority to vote your shares on any matter at the Meeting in the absence of instructions from you will depend on your specific arrangement with your nominee record holder. In the absence of an arrangement with your record holder granting such discretionary authority, your record holder nominee will not have discretionary authority to vote your shares on any matter at the Meeting in the absence of specific voting instructions from you.

Under the applicable rules of the various securities exchanges applicable to their member brokerage firms, the proposal to ratify the appointment of our independent registered public accounting firm is considered a “routine” item upon which brokerage firms may vote in their discretion on behalf of their clients if such clients have not furnished voting instructions. If your broker holder of record signs and returns a proxy card on your behalf, but does not indicate how the common stock should be voted, the common stock represented on the proxy card will be voted FOR ratification of the appointment of Dixon

Hughes Goodman LLP as our independent public accounting firm for 2017. The election of directors and the non-binding advisory vote to approve the compensation of our named executive officers are considered “non-routine” items for which brokerage firms may not vote in their discretion on behalf of clients who do not furnish voting instructions and, thus, there may be “broker non-votes” at the Meeting with respect to these proposals. IF YOU HOLD YOUR SHARES IN STREET NAME THROUGH A BROKER, YOU MUST PROVIDE VOTING INSTRUCTIONS TO YOUR BROKER RECORD HOLDER IN ORDER FOR YOUR SHARES TO BE VOTED WITH REGARD TO THE ELECTION OF DIRECTORS AND THE NON-BINDING ADVISORY VOTE ON THE COMPANY’S NAMED EXECUTIVE OFFICER COMPENSATION. FURTHER, IF YOUR SHARES ARE HELD IN STREET NAME BY A BANK OR OTHER NOMINEE TO WHOM YOU HAVE NOT GRANTED DISCRETIONARY AUTHORITY TO VOTE YOUR SHARES, YOUR SHARES WILL NOT BE VOTED ON ANY PROPOSAL AT THE MEETING UNLESS YOU PROVIDE VOTING INSTRUCTIONS TO YOUR RECORD HOLDER.

Proxies

Properly executed proxies received by the Company in time to be voted at the Meeting will be voted as specified by stockholders on the proxy form. In the absence of specific instructions, proxies received will be voted as follows, except that shares held by brokers for which voting instructions were not received by the beneficial owners will only be voted with respect to ratification of the independent registered public accountants:

· FOR the election of the nominees for election as directors.

· FOR approval of the non-binding advisory vote on the compensation of the Company’s named executive officers.

· FOR ratification Dixon Hughes Goodman LLP as the independent registered public accounting firm to audit the Company’s financial statements for 2017.

Management does not know of any matters that will be brought before the Meeting, other than as described in this Proxy Statement. If other matters are properly brought before the Meeting, the persons named in the proxy intend to vote the shares to which the proxies relate in accordance with their best judgment.

WE ANTICIPATE THAT THE COMPANY’S DIRECTORS AND EXECUTIVE OFFICERS WILL VOTE THEIR SHARES OF THE COMPANY’S COMMON STOCK IN FAVOR OF THE NOMINEES FOR ELECTION TO THE BOARD OF DIRECTORS LISTED HEREIN, FOR THE APPROVAL OF THE NON-BINDING ADVISORY VOTE ON THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS, AND FOR RATIFICATION OF THE APPOINTMENT OF DIXON HUGHES GOODMAN LLP.

The inspectors of election appointed for the Meeting will determine the presence of a quorum and will tabulate the votes cast at the Meeting.

As set forth in the Notice, you may authorize a proxy to vote your shares on your behalf and indicate how such shares should be voted by telephone, by Internet, or by mail by requesting a paper copy of the materials. **PLEASE CAST YOUR VOTE PROMPTLY in order to assure that your shares are voted.**

You may revoke your proxy at any time before it is voted at the Meeting:

- o by granting a later proxy with respect to the same shares;
- o by sending written notice to Charles E. Schwabe, Corporate Secretary of the Company, at the Company's address noted above, at any time prior to the proxy being voted; or
- o by voting in person at the Meeting.

Attendance at the Meeting will not, in itself, revoke a proxy. If your shares are held in street name by your bank, broker or other nominee, you will need additional documentation to vote in person at the Meeting. Please see the voting form provided by your bank, broker or other nominee, as record holder of the shares, for additional information regarding the voting of your shares.

ITEM 1. ELECTION OF DIRECTORS

Our Bylaws provide that the number of directors may be increased or decreased by the Board of Directors. The number of directors is currently fixed at 14. Effective upon the expiration of the terms of the current Class III directors at the Meeting, the Board of Directors has determined that the number of directors will be reduced to 13, including four Class III directors. The directors of the Company are divided into three classes - Class I, Class II and Class III - each class consisting of an equal number of directors, or as nearly equal as possible. One class of directors is elected at each annual meeting to hold office for a term of three years and until their successors have been duly elected and qualify. During his or her term, a director may only be removed by the affirmative vote of at least 80% of the votes entitled to be cast on the matter and only for cause. The Board believes that the staggered terms of the Board of Directors help to assure the continuity and stability of the Company's business strategies and policies. Each director of the Company also serves as a director of Howard Bank.

The Board of Directors has determined that all of our directors, with the exception of Ms. Scully, are independent directors as determined under the definition of independence set forth in the rules and listing standards of NASDAQ. In making this determination, the Board of Directors considered the transactions and relationships disclosed under "Certain Relationships and Related Transactions" below.

The Board of Directors has nominated the following persons for election as director, all of whom currently serve as directors:

<u>Class</u>	<u>Nominees</u>	<u>To Serve Until Annual Meeting in</u>
III	Messrs. Arnold and Basir and Mss. McGraw and Scully	2020
I	Mr. Bozel	2018

Each director elected at the Meeting will be elected to serve for the period from his or her election until the identified annual meeting of stockholders and until his or her successor is elected and qualifies.

Unless authority is withheld and except with respect to shares held in street name by brokers for which voting instructions were not received from the beneficial owners, all proxies received in response to this solicitation will be voted for the election of the nominees listed above. Each nominee has indicated a willingness to serve if elected. However, if any nominee becomes unable to serve prior to the Meeting, a substitute or substitutes will be nominated by the Board of Directors, and those proxies voted for the original nominee or nominees will be voted for such substitute(s).

Nominees receiving a plurality of the votes cast at the Meeting in the election of directors will be elected as director, in the order of the number of votes received. Directors and executive officers of the Company as a group have the power to vote or direct the voting of 1,034,365 shares of our common stock, or approximately 10.6% of the shares of common stock outstanding on the Record Date, and have indicated their intention to vote **“FOR”** the election of all of the nominees for election as director.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” EACH OF THE NOMINEES TO THE COMPANY’S BOARD OF DIRECTORS.

Set forth below is certain information as of March 30, 2017 concerning the nominees for election as director of the Company and each current director whose term will continue after the Meeting. Except as otherwise indicated, the occupation listed has been such person's principal occupation for at least the last five years.

Corporate Governance

The Board of Directors is committed to fulfill its responsibilities to stockholders and other Company stakeholders consistent with sound corporate governance policies adopted by the Board on behalf of the Company that incorporate the best contemporary standards and practices. Among other policies, we have adopted a code of conduct that applies to our employees, including our Chief Executive Officer and our Chief Financial Officer, and a separate code of conduct that applies to our non-employee directors. These policies provide our directors, senior management and all our employees with a framework that defines responsibilities, sets high standards of professional and personal conduct, and promotes compliance with the various financial, ethical, legal and other obligations and responsibilities applicable to the Company.

The Company's codes of conduct and other corporate governance policies can be viewed at Howard Bank's website www.howardbank.com under Investor Relations – Corporate Governance – Governance Documents.

Board Leadership Structure; Lead Independent Director

Currently, our President and Chief Executive Officer also serves as the Chairman of the Board. The Company believes this leadership structure is most appropriate for us because we believe having the CEO serve as Chairman fosters an alignment of various Company leadership duties and having the person most familiar with all aspects of the Company's day to day operations lead the Board enhances accountability and effectiveness.

In addition to the Chairman of the Board, which is the only Board position filled by a member of management, the Board of Directors has established the position of Lead Independent Director. Mr. Latta currently serves as the Lead Independent Director.

The Lead Independent Director provides leadership to and reports to the Board focused on enhancing effective corporate governance, provides a source of Board leadership complementary to, collaborative with and independent of the leadership of the Board Chair/CEO, and promotes best practices and high standards of corporate governance.

The Lead Independent Director serves as a member of the Executive Committee, the Governance and Nominating Committee and any other committee of the Board to which he is appointed.

Board's Role in Risk Oversight

The Board of Directors has an active role in overseeing and monitoring our risk management processes. The board has appointed a Chief Risk Officer responsible for the strategic management of all enterprise risk – credit, compliance, operational, cyber and physical security. The Board of Directors regularly reviews information regarding the Company’s asset quality, securities portfolio, capital, liquidity, compensation, financial reporting, strategic plan, products, security and operations. The Board of Directors oversees the risk management process through correlated committee processes and through Board management of, and/or participation in, these committees. The Compensation Committee is responsible for overseeing the management of risks related to our executive and non-executive compensation plans. The Audit Committee has responsibility for oversight of financial reporting, information technology, security and regulatory risks. The Governance and Nominating Committee manages risk associated with the Board of Directors, including independence and competence of the directors. The Executive Committee is responsible for oversight of the management of risks associated with our policies and procedures related to financial management, interest rate sensitivity, liquidity, investment and capital and is also responsible for management of risks associated with loans including those set forth in the Bank’s loan policies.

We also have an outsourced internal audit provider that reports to the Audit Committee. On an annual basis, or more frequently if required, the Audit Committee approves a schedule of internal reviews and audits for this firm to complete. This firm reports the findings from these reviews and audits to the Audit Committee on at least a quarterly basis. The Chair of the Audit Committee makes a full report of each finding to the full Board of Directors.

The Board of Directors does not believe that the administration of its risk oversight function has had any effect on its leadership structure as described above.

Committees of the Board of Directors

Audit Committee

The Board of Directors of the Company has established a standing Audit Committee in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. The Audit Committee is responsible for: the selection, review and oversight of the Company's independent registered public accounting firm and the outsourced internal audit company; the approval of all audit, review and attest services provided by the independent public accounting firm; the integrity of the Company's reporting practices; and evaluation of the Company's internal controls and accounting procedures. It also periodically reviews audit reports with the Company's independent public accounting firm. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which can be viewed at Howard Bank's website www.howardbank.com under Investor Relations – Corporate Governance – Governance Documents. The Audit Committee is currently comprised of Mr. Keenan, the Chair, and Messrs. Basir, Bozel, Hartson, and Morgan. Each member of the Audit Committee is independent, as determined under the definition of independence set forth in the rules and listing standards of NASDAQ. During 2016 the Audit Committee met seven times. The Board of Directors has determined that Mr. Keenan is an "audit committee financial expert" as that term is defined by the rules and regulations of the Securities and Exchange Commission.

The Audit Committee is also responsible for the pre-approval of all non-audit services provided by the Company's independent registered public accounting firm. Non-audit services are only provided by the Company's auditors to the extent permitted by law. Pre-approval is required unless a "de minimis" exception is met. To qualify for the "de minimis" exception: the aggregate amount of all such non-audit services provided to the Company must constitute not more than five percent of the total amount of revenues paid by the Company to its independent public accounting firm during the fiscal year in which the non-audit services are provided; such services were not recognized by the Company at the time of the engagement to be non-audit services; and the non-audit services are promptly brought to the attention of the Committee and approved prior to the completion of the audit by the Committee or by one or more members of the Committee to whom authority to grant such approval has been delegated by the Committee.

Governance and Nominating Committee

The Governance and Nominating Committee is responsible for: assisting, advising and making recommendations to the Board of Directors on corporate governance matters, including the identification, selection, and recommendation of qualified individuals to become Board members; selecting and recommending that the Board approve the director nominees for the annual meeting of stockholders; developing and recommending to the Board a set of corporate governance guidelines; developing and recommending a Board committee structure and recommending the membership and chairs of committees; overseeing the evaluations of the Board; and overseeing the succession planning for the Chief Executive Officer. The charter for the Governance and Nominating Committee can be viewed at Howard Bank's website www.howardbank.com under Investor Relations – Corporate Governance – Governance Documents.

The Governance and Nominating Committee identifies nominees for the Board of Directors by first evaluating the current Board members willing to continue serving as directors. Current Board members with skills and experience that are relevant to our business and who are willing to continue their service are first considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining new skills, backgrounds and perspective, in light of our developing needs. If a vacancy exists, the Committee solicits suggestions for director candidates from a number of sources, which can include other Board members, management, and individuals personally known to members of the Board.

Pursuant to our guidelines for selecting potential new board members, in selecting and evaluating persons to recommend to the Board as nominees for director, the Governance and Nominating Committee strives to select persons who have high integrity and relevant experience and who bring a diverse set of

appropriate skills and backgrounds to the Board. In this regard, the Governance and Nominating Committee also gives consideration to matching the geographic base of candidates with the geographic coverage of the Company, and to diversity on the Board that reflects the community that we serve. The Governance and Nominating Committee will also take into account whether a candidate satisfies the criteria for “independence” under NASDAQ’s listing standards. These factors are subject to change from time to time.

The Governance and Nominating Committee also evaluates candidates for nomination to the Board of Directors who are recommended by stockholders. Stockholders who wish to recommend individuals for consideration by the Governance and Nominating Committee to become nominees for election to the Board may do so by submitting a written recommendation to the Company’s Secretary at its executive offices. Submissions must include: (i) all information relating to such person that would indicate such person’s qualification to serve on the Board of Directors, including that information set forth in Article I, Section 1.10 of our Bylaws; (ii) such other information relating to such person that is required to be disclosed in connection with solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934; (iii) an indication of whether such individual can read and understand basic financial statements; and (iv) Board committee memberships for the Governance and Nominating Committee to consider. A written consent of the individual to stand for election if nominated and to serve if elected by the stockholders must accompany the submission. The Governance and Nominating Committee will consider recommendations received by a date not later than 120 days before the anniversary date of the mailing of the Company’s proxy materials in connection with the prior year’s annual meeting of stockholders for nomination at the next annual meeting. The Governance and Nominating Committee will consider nominations received beyond that date at the annual meeting subsequent to the next annual meeting.

There is no difference in the manner in which the Governance and Nominating Committee evaluates candidates for membership on the Board based on whether such candidate is recommended by a stockholder, the Governance and Nominating Committee, a director or by any other source. No submission for Board nominees by a stockholder was received by the Company with respect to the Meeting.

The Governance and Nominating Committee is currently comprised of Ms. Staton, the Chair, Ms. McGraw, and Messrs. Latta and Lundeen. Each member of the Committee is independent, as determined under the definition of independence set forth in NASDAQ’s rules and listing standards. During 2016 the Governance and Nominating Committee met eight times.

Compensation Committee

The Compensation Committee assists, advises and makes recommendations to the Board of Directors on executive and director compensation matters, including evaluating and recommending to the Board compensation and benefit plans for executives and directors of the Company, as well as evaluating the performance of the Company’s executives. The Compensation Committee also has been delegated responsibility for making certain compensation decisions relating to the Company’s executives and under the Company’s equity compensation plans. The Compensation Committee solicits the recommendation of our Chairman, President and Chief Executive Officer with respect to

compensation determinations concerning the other executive officers of the Company, but does not delegate its authority with respect to compensation matters to any other person.

The Compensation Committee also may request others, including compensation consultants and legal counsel, to attend meetings or to provide relevant information to assist the committee in its work. The Compensation Committee also has the authority to retain compensation and benefits consultants and legal counsel used to assist the Committee in fulfilling its responsibilities.

The Compensation Committee has engaged ChaseCompGroup, a Division of Arthur J. Gallagher & Co., as its independent outside compensation consultant. During 2016 and early 2017, ChaseCompGroup gave input to the Committee, including a review of the Company's compensation programs and levels for its directors and senior executives in comparison to a peer group of banking institutions. ChaseCompGroup has not provided any services to the Company other than those provided to the Compensation Committee. The Committee has assessed the independence of ChaseCompGroup and concluded that the work performed by them and fees paid to them do not raise any independence issues.

The charter for the Committee can be viewed at Howard Bank's website www.howardbank.com under Investor Relations – Corporate Governance – Governance Documents.

The Compensation Committee is currently comprised of Mr. Smith, the Chair, Messrs. Arnold, Clark, and Latta, and Ms. McGraw. Each member of the Committee is independent, as determined under the definition of independence set forth NASDAQ's rules and listing standards. During 2016 the Compensation Committee met eight times.

No additional fees were paid for attendance at Board meetings. Each non-employee director was, however, compensated at the rate of \$300 for attending each meeting of a Company or a Howard Bank Board committee of which the director was a member. The boards of directors and committees of both the Company and the Bank generally meet concurrently, and compensation is determined on the basis of such concurrent meetings being considered as one meeting. purposes. In addition, each non-employee director who held any of the following Board leadership positions received an additional cash retainer in the amount per annum indicated:

.	Lead Independent Director - \$12,500

During 2016, the number of shares awarded to each non-employee director for a calendar quarter was calculated by dividing (i) the total amount of the compensation earned by the director during the calendar quarter and to be paid by the award of stock by (ii) the closing price per share of the Company's common stock on the Award Date.

In 2016, non-employee directors earned cash payments of \$215,400, and awards of 6,766 shares of common stock as compensation for their service as directors, including attending board and committee meetings, as disclosed in the above table. The directors receive no other compensation for their services.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Howard Bank and the Company may engage in transactions in the ordinary course of business with some of its directors, executive officers, holders of five percent or more of any class of our securities and entities and individuals affiliated with those persons. In addition, Howard Bank has had in the past, and may have in the future, banking transactions, including making loans to and loan guarantees on behalf of, with directors, executive officers, holders of five percent or more of any class of our securities and the business and professional organizations in which they are associated in the ordinary course of business. All such transactions will be made on terms that are no less favorable to us than those that could be obtained at the time from unaffiliated third parties and otherwise in accordance with applicable law. Further, any loans, loan commitments and loan guarantees are and will be made in accordance with all applicable laws and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans to unrelated persons. In addition, a majority of our independent directors must approve all material affiliated transactions and loans that are in excess of \$500,000, including any forgiveness of loans, with our

directors, executive officers, holders of five percent or more of any class of our securities, and entities and individuals affiliated with such persons.

In the opinion of management, these transactions do not and will not involve more than the normal risk of collectability or present other unfavorable features. Directors or officers with any personal interest in any loan application are excluded from considering any such loan application. The aggregate amount of loans outstanding to Howard Bank's directors, executive officers and their affiliates at December 31, 2016 was approximately \$20.3 million.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The federal securities laws require that our directors and executive officers and persons holding more than ten percent of our outstanding shares of common stock report their ownership and changes in such ownership on Forms 3, 4 and 5 to the Securities and Exchange Commission and to us. Securities and Exchange Commission rules require disclosure in the Company's proxy statement or Annual Report on Form 10-K of the failure of an officer, director or ten percent beneficial owner to file a Form 3, 4 or 5 on a timely basis. Relying on representations of its directors and executive officers subject to Section 16 and copies of reports filed with the Securities and Exchange Commission, we believe that no director or executive officer of the Company failed to timely file such ownership reports during the year ended December 31, 2016. We are not aware of any stockholders that own 10% of our common stock.

ITEM 2: NON-BINDING ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Compensation of the executive officers of the Company is determined by the Board of Directors based upon recommendations of and through its Compensation Committee. The Compensation Committee is comprised of independent non-employee directors, and its role and composition are further described in this Proxy Statement under *Compensation Committee*. The Compensation Committee overview contained in this Proxy Statement describes the Company's executive compensation philosophy, including core principles and objectives, and how it has been implemented. The compensation paid by the Company to its named executive officers is described in this Proxy Statement under *Executive Compensation*.

Pursuant to Section 14A of the Securities Exchange Act of 1934, we are providing our stockholders with the opportunity to express their views, on a non-binding, advisory basis, on the compensation of our named executive officers as disclosed in this proxy statement. We first held this vote, which is often referred to as the "say-on-pay" vote, at our annual meeting of stockholders held in 2013. At such meeting, consistent with the Board of Directors' recommendation, our stockholders voted to hold the say-on-pay vote on an annual basis; therefore, our Board of Directors determined that the Company will hold future non-binding advisory votes on the compensation of our named executive officers every year, until the next required vote on the frequency of stockholder votes on the compensation of our named executive officers, which will be in 2019. This vote provides stockholders with the opportunity to endorse or not endorse the compensation of our named executive officers by voting on the following non-binding, advisory resolution:

RESOLVED, that the stockholders of Howard Bancorp, Inc. (the "Company") approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in the compensation tables and related material in the Proxy Statement for the 2017 annual meeting of stockholders.

Approval of the non-binding, advisory proposal regarding the compensation of our named executive officers requires the affirmative vote of a majority of the votes cast on the matter at the Meeting. Directors and executive officers of the Company as a group have the power to vote or direct the voting of 1,034,365 shares of our common stock, or approximately 10.6% of the shares of common stock outstanding on the Record Date, and have indicated their intention to vote "**FOR**" the approval of the non-binding, advisory proposal to approve the compensation of our named executive officers.

Because the vote is advisory, it will not be binding upon the Board of Directors or the Compensation Committee and may not be construed as overruling a decision by the Board or the Compensation Committee, or create or imply any additional fiduciary duty on the Board. It will also not affect any compensation paid or awarded to any executive. The Board of Directors and its Compensation Committee may, however, take into account the outcome of the vote when considering future executive compensation arrangements.

The Board of Directors believes that the Company's executive compensation program is reasonable in comparison both to similar sized companies in the industry and to the Company's performance, and that it strongly aligns the interests of the Company's executive officers with the interests of the Company's stockholders in the creation of long-term value of

the Company as well as the components that drive long-term value.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” APPROVAL OF THE NON-BINDING ADVISORY RESOLUTION TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DESCRIBED IN THIS PROXY STATEMENT.

EXECUTIVE COMPENSATION

Compensation Overview

The Compensation Committee's responsibilities with regard to compensation are to: develop and implement an annual process for evaluating the performance of the Chief Executive Officer; make recommendations to the Board concerning the compensation of the Chief Executive Officer; in consultation with the Chief Executive Officer, determine the compensation of the other executive officers; make recommendations to the Board concerning compensation to directors; advise the Board and the Chief Executive Officer on other compensation and benefit matters; and administer various Company incentive plans and employment agreements.

The Company's executive compensation philosophy embraces the following core principles and objectives:

- Attract and retain top talent who demonstrate success and professional growth and who model the Company's values of excellence, leadership, discipline, teamwork and community spirit.
- Reward desired performance and behavior in order to drive and enhance Company performance and related achievement of its short-term and long-term goals consistent with the strategic plan approved by the board of directors.
- Maintain compensation competitiveness within the marketplace from which the Company accesses the desired level of talent.
- Include a strategic emphasis on performance-based compensation, utilizing a mix of short-term and long-term incentive compensation that rewards specific performance, achievements and outcomes and aligns individual rewards with Company performance and enhancement of stockholder value.
- Increase commitment through periodic grants of equity-based compensation awards.
- Structure compensation plans so as not to encourage employees to take unnecessary or excessive risks that threaten the value of the Company and so as not to encourage the manipulation of earnings to enhance the compensation of any employee.

Under the Company's compensation policies established by the Compensation Committee, changes in base compensation are made, and cash and equity-based incentive compensation is awarded, based both on the individual executive officer's performance and on the performance of the entire Company. In assessing performance for purposes of compensation decisions, the Compensation Committee considers a number of factors, including achievements against individual and Company goals identified and approved at the beginning of each year. The Company also considers the total compensation and the mix of compensation paid by financial services companies with characteristics similar to those of the Company to officers with comparable responsibilities and experience.

In assessing performance for the purposes of establishing compensation, the Committee does not exclusively rely on a mechanical formula, but instead weighs the performance against goals and other factors described above as considered appropriate in the circumstances.

The Compensation Committee has engaged ChaseCompGroup, a Division of Arthur J. Gallagher & Co., as its independent outside compensation consultant. ChaseCompGroup gave input to the Compensation Committee on a number of matters in 2016 and early 2017, including assistance with respect to the adoption of additional benefits for our CEO under a Supplemental Executive Retirement Plan, and a review of the Company's compensation programs and levels for its directors and senior executives in comparison to a peer group of banking institutions.

The primary components of our 2016 compensation program and activities are described below.

Base Salary

The Compensation Committee believes that base salaries for the Company's executive officers should be targeted at market competitive levels using a peer group of banks of similar size. Base salaries are reviewed periodically and adjusted to the extent deemed appropriate based on our review of market data and assessment of Company and individual executive performance. Other than Mr. Witty, who joined the Company in April 2016, our other named executives received base salary adjustments in early 2015, and no base salary changes were made during 2016. After consultation with our compensation consultant, ChaseCompGroup, and consideration of compensation paid by peer banks, taking into account the organic and acquired growth in the loans, assets, deposits and revenues of the Company, the achievement of significant growth of the mortgage division and other progress on strategic initiatives through the end of 2016, each of our named executive officers received an increase in base salary in March 2017 as reflected below in our description of applicable employment agreements.

Short Term Incentive

The Compensation Committee established an annual cash incentive compensation program for 2016 based upon the achievement of specified Company-wide financial results as well as individual goals of the named executive officers. Thresholds for annual cash incentives were set between 100% and 130% of certain financial metrics and individual goals, with our CEO having target cash bonus awards ranging from 20% to approximately 50% of base salary and the other named executive officers having target awards ranging from 15% to approximately 40% of base salary. The Company-wide financial metrics tied the awarding of bonuses to five financial targets in comparison to budgeted results – earnings per share, net income before taxes and provision for loan losses, fee based revenue, return on assets, transaction deposit growth and non-performing assets. Eighty percent of the bonus allocation was tied to the five Company-wide financial targets; the remaining 20% of the bonus allocation was tied to the individual performance goals.

Although the Company took significant steps forward in pursuit of its strategic plan and organic growth objectives in 2016, the financial return from these investments was not fully realized in 2016 and the Company therefore did not achieve the targeted levels for bonus awards under the Company-wide financial metrics. Accordingly, no bonus was paid in 2016.

Long Term Incentive

The Compensation Committee believes stock-based incentive compensation is an important tool to further align the interests of our executive officers with the long-term interests of our stockholders and uses the Company's long term incentive plan for that purpose. In April 2013, the Compensation Committee granted restricted stock awards to our executive officers in an aggregate amount of 50,000 shares, half of which were tied to a combination of performance and time vesting over three years and half of which were tied only to three-year time vesting. In 2014 the Committee determined that the first year performance targets were not met with respect to this award and one-third of the performance-related share grants were not issued to the executives. In April 2014, the Committee granted restricted stock units to our executive officers in the aggregate amount of 42,000 shares, 25,000 of which were tied to a combination of performance and time vesting over a period of three years and 17,000 of which were tied to three-year time vesting. In 2015, the Compensation Committee concluded that the performance targets for the performance awards granted in 2013 and 2014 eligible for vesting in 2015 were achieved and such performance related share grants

were earned by the executives. In April 2015, the Committee granted restricted stock units to our executive officers in the aggregate amount of 50,000 shares, 30,000 of which were tied to a combination of performance and time vesting over a period three years and 20,000 of which were tied to three-year time vesting. In 2016, the Compensation Committee concluded that the targets for the performance awards granted in 2013, 2014 and 2015 eligible for vesting in 2016 were not achieved and such performance related share and units were not earned by the executives. In the fourth quarter of 2016, the Compensation Committee concluded that the targets for the performance awards granted in 2014 and 2015 eligible for vesting in 2017 would not be achieved and such performance related units were not earned by the executives.

The Compensation Committee has direct oversight and administrative responsibility for the Company's equity compensation plans and reports all awards to the Board of Directors.

Given the structure of and amounts payable under the above-described plans, the Committee has concluded that these plans do not serve as an inducement for any executive officer or other employee to engage in any inappropriate risk-taking activity that would threaten the value of the Company. Further, the Company believes it has appropriate controls in place to mitigate and reduce the risk of inappropriate risk-taking activity.

Supplemental Executive Retirement Program

Effective December 1, 2014 (the "Effective Date"), the Company adopted a Supplemental Executive Retirement Plan (the "SERP"). Eligibility to participate in the SERP is limited to highly compensated employees as determined by the Board of Directors. Currently, eligibility to participate in the SERP has been granted solely to Ms. Scully, our President and Chief Executive Officer. The SERP is unfunded and designed to be a nonqualified deferred compensation retirement plan in compliance with Section 409A of the Internal Revenue Code. In early 2016, the Compensation Committee, and the Board of Directors of the Company, concluded that the annual benefit payable to Ms. Scully under the SERP should be increased in order to be more closely aligned with market practices relating to SERP benefits as a percentage of compensation. The increase in the benefit was adopted through a supplement to the original benefit provided to Ms. Scully under the SERP.

The SERP is a defined benefit style program in which the participant is promised a benefit according to a set formula; such benefit is paid to the participant (or his or her beneficiary) in equal quarterly installments over a period of 15 years following the later of (i) the participant's severance from employment with the Bank after attainment of the Normal Retirement Age (as defined in the SERP) or (ii) the attainment of Normal Retirement Age if severance has occurred first. Under the SERP, as supplemented and increased in 2016, Ms. Scully will receive \$150,000 each year for 15 years once she begins to receive her benefit subject to the applicable vesting schedule. Provided she remains an employee of the Bank through the applicable vesting time, Ms. Scully will earn vesting on a graduated schedule in which she will become fully vested on August 25, 2019, which has been established for purposes of the SERP as her retirement date.

To the extent not already fully vested, a participant in the SERP fully vests in his or her benefit upon the occurrence of the participant's death or Disability (as defined in the SERP) or if the Bank terminates the SERP following a Change in Control (as defined in the SERP). Upon a participant's Termination for Cause (as defined in the SERP), he or she forfeits all benefits under the SERP including any amounts in which he or she has previously vested.

The following table sets forth a comprehensive overview of the compensation for Ms. Scully, our Chief Executive Officer and President, and our next two most highest paid executive officers whose total compensation exceeded \$100,000 during 2016 (the “named executive officers”) for the years ended December 31, 2016 and 2015.

Employment Agreements

The following summarizes the material terms of the employment agreements between the named executive officers and Howard Bank.

Chief Executive Officer - Mary Ann Scully

Howard Bank entered into an amended and restated employment agreement with Mary Ann Scully on December 18, 2008 pursuant to which Ms. Scully serves as President and Chief Executive Officer of Howard Bancorp and Howard Bank.

The amended and restated employment agreement provided for an initial term expiring on March 31, 2011 and, unless written notice that the agreement will not be renewed is provided to Ms. Scully, is renewed for an additional year on each subsequent March 31 (beginning on March 31, 2009), such that the remaining term at each renewal will be three years. Ms. Scully's term of employment is currently extended through March 31, 2020.

Ms. Scully's employment agreement provides for an initial annual salary subject to annual increases as may be determined by Howard Bank's Board of Directors. Ms. Scully's current annual salary is set at \$430,000. Ms. Scully is also entitled to a bonus as determined each year by the Bank's board of

directors and to participate in any other bonus, incentive and other executive compensation programs as are made available to the Bank's executive management. The agreement also provides that Ms. Scully is not compensated for her services as a director.

Howard Bank may terminate Ms. Scully's employment under the agreement for certain events constituting Cause as defined in the agreement. In addition, Howard Bank may terminate the agreement without Cause or upon Ms. Scully's Permanent Disability as defined in the agreement, in each case upon written notice to Ms. Scully. Ms. Scully may terminate her employment at any time under the agreement.

If Howard Bank terminates Ms. Scully's employment without Cause or upon Ms. Scully's Permanent Disability, or Ms. Scully terminates her employment for Good Reason or upon her Permanent Disability, and a Change in Control, as defined in the agreement, has not occurred, then Ms. Scully will be entitled to receive an amount equal to her current base salary plus all benefits she is then receiving for a period equal to the remaining term of the agreement plus any incentive compensation already accrued for that year. In addition, all of her stock awards and stock options shall immediately vest upon the effective date of such termination. If the termination is due to Permanent Disability, then such amount payable will be reduced if and to the extent that Ms. Scully receives payments under any disability insurance or other program maintained by Howard Bank.

If, within 12 months following a Change in Control, Ms. Scully's employment is terminated under the agreement by Ms. Scully for any reason or by Howard Bank without Cause, then, instead of the payments provided for above, Ms. Scully will be entitled to: (i) a lump sum payment equal to the sum of (a) 2.99 times her average annual compensation (consisting of base pay and bonus) during the most recent three years minus the aggregate present value of any other payments she receives that are treated as contingent upon the Change in Control (not including (ii), (iii) and (iv) of this sentence, and (b) a pro-rated bonus; (ii) immediate vesting of all stock awards; (iii) immediate exercisability of any unexercised stock options; and (iv) continued medical coverage for the remaining term of the agreement as available to the Bank's other employees.

If any severance payment or distribution made to Ms. Scully is determined to be subject to the limitations of Section 280G of the Internal Revenue Code of 1986, as amended (a "Parachute Payment"), Ms. Scully will be entitled to a full tax "gross-up" to cover any excise taxes on such amount, unless the total value of all such payments and benefits (as measured for purposes of Section 280G) exceeds the taxable threshold by 10% or less, in which event the payments and benefits will instead be reduced so as to fall below the taxable threshold.

Ms. Scully's employment also terminates upon mutual agreement of the parties or immediately upon her death. If her employment is terminated upon death, all of Ms. Scully's stock awards and stock options shall immediately vest.

The agreement also contains confidentiality, non-compete and non-solicitation provisions.

Executive Vice President and Treasurer – George C. Coffman

On December 18, 2008, Howard Bank entered into amended and restated employment agreement with Mr. Coffman pursuant to which he serves as an Executive Vice President of Howard Bank.

The amended and restated employment agreement provides for an initial term expiring on March 31, 2011 and, unless written notice that the agreement will not be renewed is provided to the executive, is renewed for an additional year on each subsequent March 31 (beginning on March 31, 2009), such that the remaining term at each renewal will be three years. The term of Mr. Coffman's employment is currently extended through March 31, 2020.

Mr. Coffman's employment agreement provides for an initial annual salary, subject to annual increases as may be determined by the Bank's board of directors. Mr. Coffman's current annual salary is set at \$290,000. Mr. Coffman is

also entitled to a bonus as determined each year by the Bank's board of directors and to participate in any other bonus, incentive and other executive compensation programs as are made available to the Bank's executive management.

The other substantive provisions of Mr. Coffman's employment agreement are identical to those of Ms. Scully's employment agreement as described above.

Executive Officer – Mr. Witty

On April 29, 2016, Howard Bank entered into an employment agreement with Mr. Witty pursuant to which he serves as an Executive Vice President of Howard Bank.

The employment agreement provides for an initial term expiring on April 28, 2018 and, unless written notice that the agreement will not be renewed is provided to the executive, is renewed for an additional year on each subsequent April 29th.

Mr. Witty's employment agreement provides for an initial annual salary, subject to annual increases as may be determined by the Bank's board of directors, a signing bonus of \$30,000 that was paid during 2016, and restricted stock units with respect to 10,000 shares of the Company's common stock vesting in three annual installments beginning on April 29, 2017. Mr. Witty's current annual salary is set at \$285,000. Mr. Witty is also entitled to a monthly car allowance of \$750 and to participate in any bonus, incentive and other executive compensation programs as are made available to the Bank's executive management.

Howard Bank may terminate Mr. Witty's employment under the agreement for certain events constituting Cause as defined in the agreement. In addition, Howard Bank may terminate the agreement without Cause or upon Mr. Witty's Permanent Disability as defined in the agreement, in each case upon written notice to Mr. Witty. Mr. Witty may terminate his employment at any time under the agreement.

If Howard Bank terminates Mr. Witty's employment without Cause or Mr. Witty terminates his employment for Good Reason, and a Change in Control, as defined in the agreement, has not occurred, then Mr. Witty will be entitled to receive a monthly amount equal to 1/12th of the sum of (i) his average base salary during the current and two prior fiscal years and (ii) his average bonus (not including the signing bonus) during the current and prior two fiscal years for a period equal to the greater of the remaining term of the agreement or one year.

If, within 12 months following a Change in Control, Mr. Witty's employment is terminated under the agreement by Mr. Witty for Good Reason or by Howard Bank without Cause, then Mr. Witty will be entitled to: (i) a lump sum payment equal to the sum of (a) 1.5 times his average base salary and average bonus during the current and two prior years; (ii) immediate vesting of all stock awards; (iii) immediate exercisability of any unexercised stock options; and (iii) continued medical coverage for 18 months as is available to the Bank's other employees.

If Mr. Witty's employment is terminated by him or the Bank upon his Permanent Disability, as defined in the agreement, then Mr. Witty will be entitled to: (i) a one-time payment equal to the greater of his target or actual bonus for the year in which his employment terminates, pro-rated for the months elapsed in the annual bonus period at the time his employment terminated; (ii) a monthly amount equal to 1/12th of his then-current base salary for a period equal to the lesser of (a) the remaining term of the agreement or (b) the date on which he begins to receive payments under any disability insurance or other program maintained by the Bank; (iii) continued health, dental, vision and disability insurance, profit sharing plans, retirement and all other benefits he was receiving at the time his employment was terminated, or the value thereof, for a period equal to the lesser of (a) the remaining term of the agreement or (b) the date on which he begins to receive payments under any disability insurance or other program maintained by the Bank; (iv) immediate vesting of all stock awards; and (v) immediate exercisability of any unexercised stock options.

If any severance payment or distribution made to Mr. Witty is determined to be a Parachute Payment and the total value of all such payments and benefits (as measured for purposes of Section 280G) exceeds the taxable threshold, the

payments and benefits will be reduced so as to fall below the taxable threshold.

In addition, Mr. Witty may terminate his employment for any reason, upon 30 days' prior written notice, within 12 months following a Change in Control. Mr. Witty's employment also terminates upon

30

mutual agreement of the parties or immediately upon his death. If his employment is terminated upon death, all of Mr. Witty's stock awards and stock options will immediately vest.

The agreement also contains confidentiality, non-compete and non-solicitation provisions.

Supplemental Executive Retirement Plan

As discussed above, the Bank maintains the SERP, which provides Ms. Scully (or her designated beneficiary) with additional compensation upon her reaching age 68. Upon attainment of age 68, Ms. Scully is entitled to total annual benefit of \$150,000 for a period of 15 years. A reduced benefit is payable if prior to her attaining age 68 Ms. Scully's employment is terminated due to her death or disability, by the Bank without cause or by Ms. Scully for any reason, or if the Bank terminates the Plan within 30 days before or 12 months following a change in control.

The board of directors of the Bank may designate additional Bank personnel to participate in the SERP, however, participation is limited to a select group of management or highly compensated employees.
